ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

On July 25, 2018, MSC Industrial Direct Co., Inc. (the “Company”) entered into an agreement (the “Stock Purchase Agreement”) with Mitchell Jacobson, the Company’s Chairman, Erik Gershwind, the Company’s President and Chief Executive Officer, and three other beneficial owners (collectively, the “Sellers”) of the Company’s Class B common stock, par value \$0.001 per share (“Class B Common Stock”) who, in the aggregate, beneficially own 11,325,928 shares of the Company’s Class A common stock, par value \$0.001 per share (“Class A Common Stock”) (including, in the aggregate, 10,485,155 shares of the Company’s Class B Common Stock that are immediately convertible on a one-for-one basis into shares of Class A Common Stock), representing in the aggregate beneficial ownership of approximately 20.0% of the outstanding shares of Class A Common Stock as of July 23, 2018. Pursuant to the Stock Purchase Agreement, in connection with the Company’s existing share repurchase authorization under which the maximum number of shares that may yet be repurchased by the Company is 2,564,734 shares (the “Share Repurchase Authorization”), each Seller has agreed to sell or cause to be sold by trusts or other entities on whose behalf such Seller acts, and the Company has agreed to purchase, a pro rata number of shares of Class A Common Stock, such that the Sellers’ aggregate percentage ownership in the Company would remain substantially the same. The shares to be purchased under the Stock Purchase Agreement will be purchased each month at a price per share equal to the volume weighted average market price that the Company paid for shares repurchased during the previous month from holders of Class A Common Stock under the Share Repurchase Authorization. Pursuant to the Stock Purchase Agreement, the Sellers have also agreed to not purchase or sell any shares on the open market while the Stock Purchase Agreement is in effect. Either the Company or the Sellers may terminate the Stock Purchase Agreement upon 10 days’ notice. The Stock Purchase Agreement was approved by the Nominating and Corporate Governance Committee of the Company’s Board of Directors as well as the disinterested members of the Company’s Board of Directors.

The timing and actual number of shares repurchased will depend on a variety of factors, including price, market conditions, and applicable legal and regulatory requirements. The Company is not obligated to repurchase any specific number of shares on the open market and purchases may be suspended or terminated at any time without prior notice.

The foregoing description of the Stock Purchase Agreement does not purport to be complete and is subject to, and qualified in its entirety by reference to, the Stock Purchase Agreement, a copy of which is attached hereto as Exhibit 10.1 and is incorporated by reference herein.

ITEM 8.01 OTHER EVENTS

On July 26, 2018, the Company issued a press release regarding the Stock Purchase Agreement, a copy of which is attached hereto as Exhibit 99.1 and is incorporated by reference herein.

NOTE REGARDING FORWARD-LOOKING STATEMENTS

Statements in this Current Report on Form 8-K may constitute “forward-looking statements” under the Private Securities Litigation Reform Act of 1995. All statements, other than statements of historical fact, that address activities, events or developments that the Company expects, believes or anticipates will or may occur in the future, including statements about share repurchases (including purchases under the Stock Purchase Agreement), are forward-looking statements. Forward-looking statements involve risks and uncertainties that could cause actual results to differ materially from those anticipated by these forward-looking statements. Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date hereof. The inclusion of any statement in this this Current Report on Form 8-K does not constitute an admission by the Company or any other person that the events or circumstances described in such statement are material. Factors that could cause actual results to differ materially from those in forward-looking statements include the risk that the Company does not repurchase shares under the Share Repurchase Authorization and under the Stock Purchase Agreement in amounts that it anticipates. Additional information concerning these and other risks is described under “Risk Factors” and “Management’s Discussion and Analysis of Financial Condition and Results of Operations” in the reports on Forms 10-K and 10-Q that the

Company files with the U.S. Securities and Exchange Commission. The Company assumes no obligation to update any of these forward-looking statements.
