PROXY STATEMENT
FOR ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD ON MAY 21, 2004

GENERAL INFORMATION

This Proxy Statement is furnished in connection with the solicitation of proxies from the shareholders of Knight Transportation, Inc. to be voted at the Annual Meeting of Shareholders (the "Annual Meeting") to be held on May 21, 2004. THE ENCLOSED PROXY IS SOLICITED BY THE BOARD OF DIRECTORS OF THE COMPANY. If not otherwise specified, all proxies received pursuant to this solicitation will be voted (i) FOR the Director Nominees named below; and (ii) with respect to any other matters properly brought before the Annual Meeting, in accordance with the recommendations of the Board of Directors, or, if no recommendations are given, in accordance with the judgment of the proxy holders.

The Proxy Statement, proxy card, and our Annual Report was first mailed on or about April 14, 2004, to shareholders of record at the close of business on

Edgar Filing: KNIGHT TRANSPORTATION INC - Form DEF 14A

March 22, 2004 (the "Record Date").

The terms "we," "our," "us" or the "Company" refer to Knight Transportation, Inc. and its subsidiaries.

Voting Rights

Only holders of record of our Common Stock, par value \$0.01 per share ("Common Stock"), at the close of business on the Record Date are entitled to vote at the Annual Meeting, either in person or by valid proxy. Except in the election of directors, shareholders are entitled to one vote for each share held of record on each matter of business to be considered at the Annual Meeting. In the election of directors, cumulative voting is required by law. See "Required Vote; Cumulative Voting," below. As of the Record Date, there were approximately 37,520,187 shares of our Common Stock issued and outstanding. Votes cast at the Annual Meeting will be tabulated by the Inspector of Elections and the results of all items voted upon will be announced at the Annual Meeting.

Quorum Requirement

In order to transact business at the Annual Meeting, a quorum must be present. A quorum is present if a majority of the issued and outstanding shares of Common Stock as of the Record Date are represented at the Annual Meeting in person or by proxy. Shares that are entitled to vote but that are not voted at the direction of the holder (called "abstentions") and shares that are not voted by a broker or other record holder due to the absence of instructions from the beneficial owner (called "broker non-votes") will be counted for the purpose of determining whether a quorum is present.

-1-

Required Vote; Cumulative Voting

Election of Directors. Directors are elected by plurality of the votes cast, which means that the director nominees receiving the highest number of votes for their election will be elected as directors. Abstentions and broker non-votes are not counted as votes for the election of any director nominee. Under the Constitution of the State of Arizona, as well as Section 10-728 of the Arizona Revised Statutes, shareholders have cumulative voting rights in electing directors of an Arizona corporation. Cumulative voting means that each shareholder, when electing directors, has the right to cast as many votes in the aggregate as he has voting shares multiplied by the number of directors to be elected. For example, this year three Class III directors will be elected. If a shareholder has 100 shares of Common Stock, the shareholder is entitled to 300 votes and may cast the entire 300 votes for a single director nominee or distribute those votes among the director nominees as the shareholder determines.

Other Matters. Approval of any other matter submitted to shareholders for consideration and action at the Annual Meeting requires that the number of votes cast for the matter exceeds the number of votes cast against the matter. Abstentions and broker non-votes will be disregarded in determining whether a matter has been approved. In other words, abstentions and broker non-votes will neither be counted as votes for nor as votes against a matter.

Right To Attend Annual Meeting; Revocation of Proxy

Returning a proxy card now will not interfere with your right to attend the Annual Meeting or to vote your shares personally at the Annual Meeting, if you wish to do so. Shareholders who execute and return proxies may revoke them at any time before they are exercised by giving written notice to the Secretary of the Company at our address, by executing a subsequent proxy and delivering it to

Edgar Filing: KNIGHT TRANSPORTATION INC - Form DEF 14A

the Secretary of the Company, or by attending the Annual Meeting and voting in person.

Costs of Solicitation

We will bear the cost of solicitation of proxies, which we expect to be nominal and will include reimbursements for the charges and expenses of brokerage firms and others for forwarding solicitation material to beneficial owners of our outstanding Common Stock. Proxies will be solicited by mail, and may be solicited personally by directors, officers or our regular employees, who will not receive any additional compensation for any such services.

Annual Report

The information included in this Proxy Statement should be reviewed in conjunction with the Consolidated Financial Statements, Notes to Consolidated Financial Statements, Independent Public Accountants' Report and other information included in our 2003 Annual Report to Shareholders that was mailed on or about April 14, 2004, together with this Notice of Annual Meeting and Proxy Statement, to all shareholders of record as of the Record Date.

How To Read this Proxy Statement

Set forth below are the proposals to be considered by shareholders at the Annual Meeting, as well as important information concerning, among other things: our management and our Board of Directors; executive compensation; transactions between the Company and our officers, directors and affiliates; the stock ownership of management and other large shareholders; the services provided to us by and fees of KPMG LLP, our independent accountants for 2003; and how shareholders may make proposals at the Annual Meeting. Each shareholder should read this information before completing and returning the enclosed proxy card.

-2-

PROPOSAL NO. 1. - ELECTION OF CLASS III DIRECTORS

Our Board of Directors presently consists of ten members. The directors are divided into three classes, with each class serving a three-year term. The shareholders elect approximately one-third of the Board of Directors each year. Three Class III directors will be elected at the Annual Meeting. The term of our Class I directors expires at the 2005 Annual Meeting of Shareholders, and the term of our Class II directors expires at the 2006 Annual Meeting of Shareholders.

Upon the recommendation of the Nominating Committee, the Board of Directors has nominated Kevin P. Knight, Randy Knight, and Michael Garnreiter for election as Class III directors at the Annual Meeting. Each nominee will be elected to serve until the 2007 Annual Meeting of Shareholders or until his successor shall have been duly elected and qualified or his resignation or removal, whichever occurs first. Keith Knight is not standing for re-election as a Class III director at the Annual Meeting, and we have reduced the size of our entire Board of Directors to nine effective as of the date of the Annual Meeting.

Each of the director nominees has consented to serve a three-year term. If any of them should become unavailable to serve as a director, the Board of Directors may designate a substitute nominee. In that case, the proxy holders will vote for the substitute nominee designated by the Board.

Kevin Knight and Keith Knight are brothers and are cousins of Randy Knight and Gary Knight, who also are brothers.

Purpose, Functions, Composition, and Meetings of the Audit Committee. The Audit Committee is responsible for the appointment, compensation, retention, and oversight of the work of the independent public accountants engaged by the Company for the purpose of preparing or issuing an audit report or performing other audit or similar services for the Company. The Audit Committee meets with the Company's independent public accountants to discuss the Company's financial statements and matters relating to their independence, as well as to ensure that the scope of their activities has not been restricted and that adequate responses to their recommendations and inquiries have been received. The Audit Committee also periodically meets with management to discuss the Company's financial statements and the adequacy of the Company's internal financial controls. In addition, the Audit Committee reviews and approves transactions between the Company and related parties, in the absence of the appointment of a special committee for that purpose.

The Audit Committee currently is comprised of Donald A. Bliss, Matt Salmon, G.D. Madden, and Michael Garnreiter. Mr. Bliss serves as the Chairman of the Audit Committee. Each member of the audit committee satisfies the independence and audit committee membership criteria set forth in NASD Rule 4350(d)(2). Specifically, each member of the audit committee:

- o is independent under NASD Rule 4200(a)(15);
- o meets the criteria for independence set forth in Rule 10A-3(b)(1) under the Securities Exchange Act of 1934, as amended (the "Exchange Act");
- o did not participate in the preparation of the financial statements of the Company or any current subsidiary of the Company at any time during the past three years; and
- o is able to read and understand fundamental financial statements, including the Company's balance sheet, income statement, and cash flow statement.

The Audit Committee met five times during 2003. Each member of the Audit Committee attended all of the Audit Committee meetings during 2003, with the exception of Mr. Garnreiter, who was appointed to the Audit Committee on November 4, 2003. No meetings of the Audit Committee were held in 2003 following Mr. Garnreiter's appointment.

Audit Committee Financial Expert. The Board of Directors has determined that at least one "audit committee financial expert," as defined under Item 401(h) of Regulation S-K, currently serves on the Audit Committee. The Board of Directors has identified Michael Garnreiter as an audit committee financial expert. Mr. Garnreiter is independent, as independence for audit committee members is defined under applicable NASD rules.

Audit Committee Charter. Since 1994, the Audit Committee has operated pursuant to a written charter detailing its powers and duties. In October, 2002, the Audit Committee amended and restated its charter to comply with certain requirements of the Sarbanes-Oxley Act of 2002. A copy the Audit Committee's Amended and Restated Charter was attached as Exhibit 2 to the Company's

Edgar Filing: KNIGHT TRANSPORTATION INC - Form DEF 14A

definitive proxy statement relating to its 2003 Annual Meeting of Shareholders filed with the Securities and Exchange Commission ("SEC") on April 4, 2003. A copy of the charter is available to shareholders on the Company's website, located at <http://www.knighttrans.com>.

Report of the Audit Committee. In performing its duties, the Audit Committee, as required by applicable rules and regulations promulgated by the SEC, issues a report recommending to the Board of Directors that our audited financial statements be included in our Annual Report on Form 10-K, and certain other matters, including the independence of our outside public accountants. The Report of the Audit Committee is set forth below.

The Report of the Audit Committee shall not be deemed to be incorporated by reference into any filing made by us under the Securities Act of 1933 or the Exchange Act, notwithstanding any general statement contained in any such filings incorporating this Proxy Statement by reference, except to the extent we incorporate such report by specific reference.

Report of the Audit Committee

The Audit Committee oversees the accounting and financial reporting processes of the Company and the audit of the financial statements of the Company. Management of the Company has primary responsibility for the Company's financial statements and the overall reporting process, including maintenance of the Company's system of internal controls. The Company retains independent auditors who are responsible for conducting an independent audit of the Company's financial statements, in accordance with generally accepted auditing standards, and issuing a report thereon.

In undertaking its responsibilities, the Audit Committee has discussed the Company's financial statements with management and the Company's independent auditors and, in issuing this report, has relied upon the responses and information provided to the Audit Committee by management and the independent auditors.

For the fiscal year ended December 31, 2003, the Audit Committee has reviewed and discussed the audited financial statements with management and KPMG LLP, the Company's independent auditors. Specifically, the Audit Committee has discussed with the independent auditors the matters required to be discussed by SAS 61 (Codification of Statements on Auditing Standards, AU Section 380, Communication with Audit Committees or Others with Equivalent Authority and Responsibility), which include, among other things:

- o methods used to account for significant unusual transactions;
- o the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus;
- o the process used by management in formulating particularly sensitive accounting estimates and the basis for the auditor's conclusions regarding the reasonableness of those estimates; and
- o disagreements with management over the application of accounting principles, the basis for management's accounting estimates, and the disclosures in the financial statements.

The Audit Committee has received the written disclosures and the letter from the independent accountants required by Independence Standards

Edgar Filing: KNIGHT TRANSPORTATION INC - Form DEF 14A

Board Statement No. 1 (Independence Discussions with Audit Committees) and discussed with the independent accountants the independent accountants' independence.

-8-

Based on the foregoing reviews and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2003, for filing with the Securities and Exchange Commission.

The Nominating Committee

Purpose, Composition, and Meetings of the Nominating Committee. In February 2003, the Board of Directors established a Nominating Committee to recommend to the Board potential candidates for election to the Board of Directors for 2004 and thereafter. The original members of the Nominating Committee were Randy Knight and Mark Scudder. During 2003, the Nominating Committee held one telephonic meeting to recommend the appointment of Michael Garnreiter as a director. In February 2004 the Board of Directors appointed G.D. Madden to replace Mr. Knight as a member of the Nominating Committee and to serve as its Chairman. At such time, a written charter for the Nominating Committee was adopted pursuant to which the duties of the Nominating Committee were expanded to include, among other things, making recommendations to the Board concerning an annual self-evaluation process, succession planning, director orientation and training, and other issues related to corporate governance. All current members of the Nominating Committee are independent, as independence for nominating committee members is defined under applicable NASD rules. The Nominating Committee met in February 2004 and recommended that the Board of Directors nominate Kevin P. Knight, Randy Knight, and Michael Garnreiter for election as Class III directors. Each nominee for election as a director is an executive officer of the Company, standing for reelection, or both.

Nominating Committee Charter. A written charter for the Nominating Committee was adopted in February 2004. A copy of the charter is available to shareholders on the Company's website, located at <http://www.knighttrans.com>.

Process for Identifying and Evaluating Director Nominees. Director nominees are chosen by the entire Board of Directors, after considering the recommendations of the Nominating Committee. As a matter of course, the members of the Nominating Committee review the qualifications of various persons to determine whether they might make candidates for consideration for membership on the Board of Directors. The Nominating Committee also accepts recommendations of director candidates from other outside directors, executive officers of the Company, advisors of the Company, and shareholders. The Nominating Committee will review all candidate recommendations, including those properly submitted by shareholders, in accordance with the mandate contained in its charter. This will include a review of the person's judgment, integrity, experience, independence, knowledge of the Company's industry or other industries related to the Company's business, and such other factors as the Nominating Committee determines are relevant in light of the needs of the Board of Directors and the Company. With regard to specific qualities and skills, the Nominating Committee believes it necessary that: (i) at least a majority of the members of the Board of Directors qualify as "independent" under NASD Rule 4200(a)(15); (ii) at least three members of the Board of Directors satisfy the audit committee membership

Edgar Filing: KNIGHT TRANSPORTATION INC - Form DEF 14A

criteria specified in NASD Rule 4350(d)(2); and (iii) at least one member of the Board of Directors eligible to serve on the Audit Committee has sufficient knowledge, experience, and training concerning accounting and financial matters so as to qualify as an "audit committee financial expert" within the meaning of Item 401(h) of Regulation S-K. The Company does not pay a fee to any third party to identify

-9-

or evaluate or assist in identifying or evaluating potential nominees.

Consideration of Director Candidates Recommended by Shareholders. The Nominating Committee will consider director candidates recommended by shareholders, provided that the following procedural requirements are satisfied. Candidate recommendations should be mailed via certified mail, return receipt requested, and addressed to the Nominating Committee, Knight Transportation, Inc., c/o Timothy M. Kohl - Secretary, 5601 West Buckeye Road, Phoenix, Arizona 85043. In order to be considered, a shareholder recommendation must: (i) be received at least 120 days prior to the first anniversary of the date of the proxy statement for the prior year's Annual Meeting (by December 15, 2004 for director candidates to be considered for nomination for election at the 2005 Annual Meeting of Shareholders); (ii) contain sufficient background information, such as a resume and references, to enable the committee to make a proper judgment regarding his or her qualifications; (iii) be accompanied by a signed consent of the proposed nominee to serve as a director if elected, and a representation that such proposed nominee qualifies as "independent" under NASD Rule 4200(a)(15) or, if the proposed nominee does not qualify, a description of the reason(s) he or she is not "independent"; (iv) state the name and address of the person submitting the recommendation and the number of shares of the Company's Common Stock owned of record or beneficially by such person; and (v) if submitted by a beneficial shareholder, be accompanied by evidence that the person making the recommendation beneficially owns shares of the Company's Common Stock.

The Compensation Committee

The Compensation Committee is comprised of G.D. Madden and Mark Scudder, with Mr. Scudder serving as Chairman. The Compensation Committee reviews all aspects of executive compensation, including salary, bonus, and equity compensation of the Chief Executive officer and other executive officers, and makes recommendations on such matters to the Board of Directors. The Compensation Committee also administers the Company's stock option plan and reviews and approves stock options granted by the Company to other officers and employees. The Compensation Committee met formally twice in 2003 to make recommendations regarding executive compensation to issue its Report on Executive Compensation for inclusion in the proxy statement relating to the 2003 Annual Meeting of Shareholders. The Compensation Committee, by written action taken without a meeting, also approved stock option grants that the Company proposed to make to certain officers and employees and approved changes in the salary compensation of, and the adoption of a bonus program for, the executive officers of the Company. Additional information concerning the Compensation Committee and Compensation Committee interlocks, as well as the Committee's Report on Executive Compensation, are set forth under "Executive Compensation" below.

The Executive Committee

The Executive Committee of the Board was established in November 2000. The Executive Committee is authorized to act on behalf of the Board of Directors when the Board of Directors is not in session. The members of the Executive Committee are Kevin P. Knight, Gary J. Knight, Timothy M. Kohl, Donald A. Bliss, and Mark Scudder. The Executive Committee did not meet in 2003.

Director Compensation

Directors who are not 10% shareholders, officers, or employees of the Company ("Outside Directors") currently receive annual compensation of \$6,000, plus a fee of \$550 for attendance at each meeting of the Board of Directors, a fee of \$350 for attendance of Audit Committee meetings, a fee of \$300 for attendance of Compensation Committee meetings, and a fee of \$250 for attendance of all other Board committee meetings. We also reimburse directors for travel and other related expenses incurred in attending a meeting. In addition, the Audit Committee Chairman receives an annual fee of \$1,500, in addition to other director fees, and the

-10-

Compensation Committee Chairman receives an annual fee of \$500, in addition to other director fees.

Outside Directors have the option to accept shares of our Common Stock in lieu of cash compensation and fees for their service on the Board and its committees. If this option is elected, we issue Common Stock on February 15 and August 15 of each year in payment of accrued compensation and fees for the preceding six month periods ending December 31 and June 30, respectively. The number of shares issued is determined by dividing the amount of the accrued compensation and fees by the closing market price of our Common Stock as of the trading day prior to issuance.

Upon their election or appointment to the Board, Outside Directors also receive an automatic non-qualified stock option grant covering 2,500 shares of Common Stock. The exercise price of these options is 85% of the fair market value on the date of grant. In addition, in 2003 we adopted an annual stock option grant program for Outside Directors. Under this program, Outside Directors receive a non-qualified stock option grant covering 500 shares of Common Stock on June 1 of each calendar year. The exercise price of these options is the fair market value on the date of grant. In connection with this program, Outside Directors who had served on the Board for at least three years as of December 31, 2002, were granted a catch-up, non-qualified stock option for 1,000 shares of Common Stock at an exercise price equal to the fair market value on June 2, 2003, the date of grant. Except for the 1,000 share catch-up option described in the preceding sentence, all non-qualified stock options granted to an Outside Director are forfeitable if the Outside Director resigns within one year of the date of grant.

Directors who are employees or 10% shareholders of the Company do not receive compensation for Board or committee service. We do, however, reimburse them for travel and other related expenses.

Edgar Filing: KNIGHT TRANSPORTATION INC - Form DEF 14A

applicable to our directors, executive officers and greater than 10% beneficial owners were complied with, except that: (i) G.D. All such transactions have been reported in subsequent filings. In addition, during 2003 each of Messrs. Madden and Scudder filed two late Forms 5 to report his receipt of shares of Common Stock in lieu of director fees in the years ended December 31, 2000 and 2002. Copies of Section 16(a) forms that our directors and executive officers file with the SEC are accessible through our website at <http://www.knighttrans.com>.

Employment Agreements

We currently do not have any employment contracts, severance, or change-of-control agreements with any of our Named Executive Officers.

-15-

Upon Randy Knight's retirement as Chairman in 1999, we entered into a consulting agreement with Mr. Knight. The consulting agreement provides for our payment to Mr. Knight of annual consulting fee of \$50,000, and is terminable at any time by either party. Mr. Knight presently provides consulting services under the agreement through a limited liability company that he controls.

Stock Option Plan

At the 2003 Annual Meeting, our shareholders approved the 2003 Stock Option Plan (the "2003 Plan"). The 2003 Plan replaced our prior stock plan, and is designed to enable directors, officers and certain key and critical line employees of the Company, including drivers and other employees, to participate in the ownership of the Company. The 2003 Plan is administered by the Compensation Committee, and permits the grant of incentive and non-qualified stock options, as well as restricted stock awards. In authorizing option grants under the 2003 Plan, the Compensation Committee has sought to align the interests of employees with our shareholders and has sought to make stock grants to those key employees and operating personnel whose performance is important to our success. One million shares of Common Stock were originally reserved for issuance under the 2003 plan. As of March 22, 2004, there were 662,025 shares of our Common Stock subject to outstanding option grants under the 2003 Plan, and 337,975 shares of Common Stock were available for future grants. Although Kevin, Gary, and Keith Knight are eligible to receive option grants or restricted stock under the 2003 Plan, in the past our Compensation Committee has not made stock option grants or restricted stock awards to these individuals, due primarily to their substantial Common Stock holdings. At March 22, 2004, of the total number of shares covered by outstanding options under the 2003 Plan and our prior stock option plans, 94.5% are issuable to employees and only 5.5% are issuable to executive officers and directors.

401(k) Plan

We also sponsor a 401(k) Plan (the "401(k) Plan"). The 401(k) Plan is a profit sharing plan that permits voluntary employee contributions on a pre-tax basis under section 401(k) of the Internal Revenue Code. Under the 401(k) Plan, a participant may elect to defer a portion of his compensation and have us contribute a portion of his compensation to the 401(k) Plan. We make a discretionary matching contribution. For fiscal 2003, our maximum contribution was \$625 per participant. The 401(k) Plan's assets are held and managed by an independent trustee. Under the 401(k) Plan, eligible employees have the right to direct the investment of employee and employer contributions among several mutual funds. The 401(k) Plan also allows its participants to direct the trustee to purchase shares of our Common Stock on the open market up to a maximum of 20% of their 401(k) Plan account balance. Our senior executives and certain other key employees are not permitted to participate in the 401(k) Plan feature that allows them to purchase our Common Stock in their 401(k) Plan accounts.

Amounts we contribute for a participant vest over five years and are held in trust until distributed pursuant to the terms of the 401(k) Plan. An employee is eligible to participate in the 401(k) Plan if he has attained age 19 and completed 1,000 hours of service within a 12 month period. Distributions from participant accounts are not permitted before age 59-1/2, except in the event of death, disability, separation from service, or certain financial hardships.

Compensation Committee Interlocks and Insider Participation

The Compensation Committee is comprised of Mark Scudder and G.D. Madden, with Mr. Scudder serving as Chairman. Neither member of the Compensation Committee is or has been an officer or employee of the Company. Mr. Scudder is a principal of Scudder Law Firm, which provided legal services to the Company in 2003 and which will provide such services in 2004. The amount of fees paid to Scudder Law Firm by the Company did not exceed 5% of Scudder Law Firm's gross revenues for the year ended

December 31, 2003. There are no interlocking relationships between the executive

Edgar Filing: KNIGHT TRANSPORTATION INC - Form DEF 14A

officers and directors of the Company and other entities that might affect the compensation of the Company's executive officers. See "Certain Relationships and Related Transactions," below, for a description of certain transactions between us and our other directors, executive officers, or their affiliates, and "Corporate Governance - The Board of Directors and Its Committees - Director Compensation," above, for a description of compensation of the members of the Compensation Committee.

Compensation Committee Report on Executive Compensation

The Compensation Committee Report on Executive Compensation and the Performance Graph that follow shall not be deemed to be incorporated by reference into any filing made by us under the Securities Act of 1933 or the Exchange Act, notwithstanding any general statement contained in any such filings incorporating this Proxy Statement by reference, except to the extent we incorporate such report or graph by specific reference.

The Compensation Committee of the Board of Directors has furnished the following Report on Executive Compensation:

Compensation Committee Report on Executive Compensation

The Compensation Committee annually reviews the compensation of the Company's executive officers and makes recommendations regarding such compensation to the Board of Directors. The compensation program for the Company's executive officers is administered in accordance with a pay-for-performance philosophy to link executive compensation with the values, objectives, business strategy, management incentives, and financial performance of the Company.

In May 2003, the Compensation Committee recommended a salary increase for each of the Company's senior executive officers pursuant to which Kevin P. Knight's base salary increased from \$265,000 to \$340,000, Gary J. Knight's base salary increased from \$265,000 to \$290,000, Keith T. Knight's salary increased from \$265,000 to \$280,000, and Timothy M. Kohl's base salary increased from approximately \$170,000 to \$200,000. Additionally, the Committee recommended the establishment of a cash bonus program under which each of the foregoing senior executive officers would be eligible to receive a maximum cash bonus for fiscal 2003 equal to 30% of his new base salary. One-third of each senior executive's maximum bonus amount would be based upon each of the following:

- o earnings per share growth of at least 10% versus fiscal 2002;
- o a reduction in accounts receivable days sales outstanding (DSO) to a specified target for the fourth quarter of 2003; and
- o in the Committee's discretion based on its evaluation of the overall performance of the executive.

The Compensation Committee determined that the first objective performance criterion was met, that the second objective criterion was not met, and that each senior executive's individual performance merited a full award under the subjective component of the bonus program. With regard to the subjective component, the Committee considered numerous factors, including, but not limited to, the successful opening of two new operations centers,

-17-

strong revenue and earnings per share growth, and better than anticipated operating margins. Consequently, the Committee recommended the award of cash bonuses for fiscal 2003 under the plan to the senior executive

Edgar Filing: KNIGHT TRANSPORTATION INC - Form DEF 14A

officers in the following amounts: Kevin Knight - \$68,000; Gary Knight - \$58,000; Keith Knight - \$56,000; and Timothy Kohl - \$40,000. The Committee also recommended that Kevin Knight and Timothy Kohl each be awarded an additional, discretionary cash bonus in the amount of \$10,000 for their contributions to the Company's fiscal 2003 financial performance.

Because the most senior executive officers of the Company each have substantial holdings of the Company's Common Stock or stock options, corporate performance directly affects these executive officers. The Committee believes that stock ownership by the Company's most senior executive officers aligns the interests of management with the interests of shareholders in the enhancing of shareholder value. With the exception of Mr. Kohl, who receives an annual stock option grant, the Company's senior executive officers historically have not received stock-based awards. With respect to Mr. Kohl and other executive officers without substantial holdings of the Company's Common Stock, the objectives of the Company's compensation program are to align, through the grant of stock options, executive and shareholder long-term interests by creating a strong and direct link between executive pay and shareholder return. The Company's stock option program is intended to enable executives to develop and maintain a significant, long-term stock ownership position in the Company's Common Stock. The Committee believes that the 2003 Plan is an effective tool for accomplishing this objective.

In reviewing and making recommendations with regard to the base salaries and other compensation of executive officers for 2003, including the compensation of the Company's Chief Executive Officer, the Compensation Committee reviewed and considered: (i) compensation information disclosed by similarly-sized publicly held truckload motor carriers; (ii) the financial performance of the Company, as well as the role and contribution of particular executive with respect to such performance; (iii) non-financial performance related to the individual executive's contributions; and (iv) the particular executive's stock holdings.

The Compensation Committee believes that the annual salaries and other compensation of the Company's Chief Executive Officer and other executive officers are reasonable compared to similarly situated executives of other truckload motor carriers.

G. D. Madden, Member

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

We have adopted a policy that transactions with affiliated persons or entities will be on terms no less favorable to us than those that could be obtained from unaffiliated third parties on an arm's length basis, and that any such transaction must be reviewed and approved by our Audit Committee or another committee of the Board comprised entirely of directors who are independent under NASD Rule 4200(a)(15).

Lease of Property from Affiliate

Our headquarters and principal place of business is located at 5601 West Buckeye Road, Phoenix, Arizona, on approximately 65 acres, approximately 57 of which are owned by the Company and 8 of which are leased from Randy Knight, a director and principal shareholder of the Company. The property we lease from Randy Knight includes terminal and operating facilities.

In March 1999, we exercised our option to extend our lease with Randy Knight for five (5) years, until April 30, 2004. We have an additional option to extend the lease term for an additional five (5) years. The current monthly base rent under the lease is \$6,900. Under the lease, base rent increases by 3% on the first day of each option term, and the third anniversary of the commencement

Edgar Filing: KNIGHT TRANSPORTATION INC - Form DEF 14A

date of each option term. In addition to base rent, the lease requires us to pay our share of all expenses, utilities, taxes and other charges. The lease provides that Total Warehousing, a commercial warehousing and local transportation business in which Randy Knight holds a significant ownership interest, is permitted to jointly occupy and use a portion of the leased premises. We have granted Randy Knight access and utility easements over our owned and leased properties. The purchase and lease agreements we have entered with Randy Knight include cross-indemnities relating to liabilities and expenses arising from the use and occupancy of the property by the parties to the agreements.

We made total payments under this lease of approximately \$83,000 to, or on behalf of, Mr. Knight and Total Warehousing during 2003.

Investments in Affiliates

We periodically examine investment opportunities in areas related to the truckload carrier business. Our investment strategy is to add to shareholder value by investing in industry-related businesses that will assist us in strengthening our overall position in the transportation industry, minimize our exposure to start-up risk, and provide us with an opportunity to realize a substantial return on our investment.

Concentrek. In April 1999, we invested \$200,000 to acquire a 17% equity interest in Concentrek, Inc. ("Concentrek"), formerly known as KNGT Logistics, Inc., with the intent of investing in the non-asset transportation business. Kevin Knight, Gary Knight, Keith Knight, and Randy Knight also are investors in Concentrek, and collectively hold approximately 43% of Concentrek's issued and outstanding stock. Our investment in Concentrek was approved by a majority of our Outside Directors. We hold non-voting Class A Preferred Stock in Concentrek, which is preferred in the event of liquidation, dissolution, sale or merger and with respect to the payment of dividends over all other classes of stock, including the stock held by members of the Knight family. The Class A Preferred Stock has preferential rights in the event that Concentrek issues additional shares of stock under certain circumstances, and limited voting rights with respect to any merger, consolidation, sale of substantially all of Concentrek's assets, and certain other major corporate events.

We have made loans to Concentrek to fund a portion of its start-up costs. These loans are evidenced by two promissory notes having an outstanding principal amount of approximately \$2.0 million at December 31, 2003. The first note, which is convertible into Concentrek's Class A Preferred Stock, evidences a loan of \$824,500 by the Company through an affiliated limited liability company. The second note evidences a loan by the Company directly to Concentrek. At December 31, 2003, approximately \$1.2 million was

-22-

outstanding on the second note. The two notes are on parity with one another and secured by a first priority lien on Concentrek's assets. Kevin Knight, Gary Knight, Keith Knight, and Randy Knight, along with other unrelated Concentrek shareholders, have personally guaranteed repayment of the second note. Through the same limited liability company utilized by the Company in connection with the first note described above, Kevin, Gary, Keith and Randy Knight also have made loans to Concentrek to fund start-up costs. At December 31, 2003, the aggregate amount outstanding on these loans by the Knights was approximately \$4.0 million. Both of the notes representing the Company's loans have priority over the loans made by the Knights. As such, we believe our investment has been structured to limit our exposure to Concentrek start-up losses and business risk.

Knight Flight. In November 2000, we acquired a 19% interest in Knight

Edgar Filing: KNIGHT TRANSPORTATION INC - Form DEF 14A

Flight Services, LLC ("Knight Flight"), which acquired and operates a Cessna Citation 560 XL jet aircraft. The aircraft is leased to Pinnacle Air Charter, L.L.C., an unaffiliated entity, which leases the aircraft on behalf of Knight Flight. The cost of the aircraft to Knight Flight was \$8.9 million. We invested \$1.7 million in Knight Flight to assure access to charter air services for the Company. In 2003, we recorded a \$330,000 reduction in the carrying value of this investment to more closely reflect the fair value of the aircraft. We have a priority use right for the aircraft and are not obligated to make additional capital contributions to Knight Flight. The remaining 81% interest in Knight Flight is owned by Kevin, Gary, Keith, and Randy Knight, who have personally guaranteed the balance of the purchase price (including debt incurred to finance the acquisition of the aircraft) and agreed to contribute any capital required to meet any cash short falls. Under the Knight Flight Operating Agreement, losses are allocated first to Kevin Knight, Gary Knight, Keith Knight and Randy Knight. The acquisition of our interest in Knight Flight was approved by a disinterested majority of our Board of Directors. We believe that our interest in Knight Flight allows us to obtain any access to needed charter air services for Company business at prices equal to or less than is available from unrelated charter companies. Knight Flight also makes the aircraft available for charter to third parties through a licensed aircraft charter company. During 2003, we paid approximately \$404,000 to Knight Flight for travel services for our employees.

Other Transactions with Affiliates

Upon Randy Knight's retirement as Chairman in 1999, we entered into a consulting agreement with Mr. Knight. The consulting agreement provides for our payment to Mr. Knight of annual consulting fee of \$50,000, and is terminable at any time by either party. Mr. Knight presently provides consulting services under the agreement through a limited liability company that he controls. During the year ended December 31, 2003 we made payments of \$50,000 to this limited liability company pursuant to the consulting agreement.

The Knight family has been involved in the transportation business for a number of years and members of the families of Kevin Knight, Gary Knight, Keith Knight and Randy Knight have been employed by us since our inception and are employed on the same terms and conditions as non-related employees. During 2003, we employed and compensated in excess of \$60,000 in total compensation seven individuals who are related to our principal shareholders and senior executive officers. The aggregate total compensation paid to these seven individuals in 2003 was \$594,481.

See "Executive Compensation - Compensation Committee Interlocks and Insider Participation," above, for a description of transactions between us and members of our Compensation Committee or their affiliates.

RELATIONSHIP WITH INDEPENDENT PUBLIC ACCOUNTANTS

The principal independent public accounting firm utilized by the Company during fiscal 2003 was KPMG LLP, independent certified public accountants ("KPMG"). KPMG was engaged by the Company in that capacity from April 2002 until its resignation in March 2004. On April 12, 2004, our Audit Committee approved the engagement of Deloitte & Touche LLP ("Deloitte & Touche") as the Company's principal independent accounting firm for fiscal 2004. A representative of Deloitte & Touche is expected to be present at the Annual Meeting and to be available to respond to appropriate questions, and such representative will have an opportunity to make a statement at the Annual Meeting if he or she desires to do so. No representative of KPMG is expected to be present at the Annual Meeting.

Edgar Filing: KNIGHT TRANSPORTATION INC - Form DEF 14A

Change in Independent Public Accountants in 2004

As previously reported in our Current Report on Form 8-K filed with the SEC on March 23, 2004, on March 16, 2004, KPMG resigned as our principal independent public accountant. The resignation related to an inability of KPMG and the Audit Committee of the Company's Board of Directors to reach an agreement on audit and related fees for fiscal 2004.

The report issued by KPMG in connection with our financial statements for each of its two most recent fiscal years ended December 31, 2003, and December 31, 2002, respectively, did not contain an adverse opinion or a disclaimer of opinion, nor was either such report qualified or modified as to uncertainty, audit scope, or accounting principles, except the fiscal 2003 audit report of KPMG contained the following explanatory paragraph:

The consolidated financial statements of Knight Transportation, Inc. and subsidiaries as of December 31, 2001 and for the year then ended were audited by other auditors who have ceased operations. As described in Note 1, these consolidated financial statements have been revised to include the transitional disclosures required by Statement of Financial Accounting Standards No. 142, Goodwill and Other Intangible Assets, which was adopted by the Company as of January 1, 2002. In our opinion, the disclosures for 2001 in Note 1 are appropriate. However, we were not engaged to audit, review, or apply any procedures to the 2001 consolidated financial statements of Knight Transportation, Inc. and subsidiaries other than with respect to such disclosures and, accordingly, we do not express an opinion or any other form of assurance on the 2001 consolidated financial statements taken as a whole.

During our two most recent fiscal years ended December 31, 2003, and December 31, 2002, and the subsequent interim period preceding KPMG's resignation on March 16, 2004, there was no disagreement with KPMG on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreement, if not resolved to the satisfaction of KPMG, would have caused KPMG to make a reference to the subject matter of such disagreement in connection with its reports, and there occurred no "reportable events" within the meaning of Item 304(a)(1)(v) of Regulation S-K.

We have provided KPMG with a copy of the foregoing statements. A copy of KPMG's letter to the SEC, dated March 23, 2004, stating its agreement with such statements was filed as Exhibit 16.1 to our Current Report on Form 8-K filed with the SEC on March 23, 2004.

As previously reported in our Current Report on Form 8-K filed with the SEC on April 12, 2004, on that date the Audit Committee approved the engagement of Deloitte & Touche as the our principal independent public accountants for fiscal 2004. During our two most recent fiscal years ended December 31, 2003 and December 31, 2002, and the subsequent interim period through the date of our engagement of Deloitte &

-24-

Touche, neither us nor anyone on our behalf consulted with Deloitte & Touche regarding any of the matters or events set forth in Item 304(a)(2)(i) and (ii) of Regulation S-K.

Change in Independent Public Accountants in 2002

As previously reported in our Current Report on Form 8-K filed with the SEC on May 3, 2002, on April 29, 2002, we dismissed Arthur Andersen LLP ("Arthur

Edgar Filing: KNIGHT TRANSPORTATION INC - Form DEF 14A

Andersen") as our independent public accountant, and engaged KPMG to replace Arthur Andersen. These actions were approved by our Board of Directors upon the recommendation of our Audit Committee. KPMG audited the consolidated financial statements of the Company for the year ending December 31, 2002.

The reports issued by Arthur Andersen in connection with our financial statements for the fiscal years ended December 31, 2001, and December 31, 2000, respectively, did not contain an adverse opinion or disclaimer of opinion, nor were these reports qualified or modified as to uncertainty, audit scope, or accounting principles.

During the two fiscal years ended December 31, 2001, and December 31, 2000, and the subsequent interim periods through the date of Arthur Andersen's dismissal, there were no disagreements between us and Arthur Andersen, as defined in Item 304 of Regulation S-K, on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Arthur Andersen, would have caused Arthur Andersen to make reference to the subject matter of the disagreements in connection with its reports, and there occurred no "reportable events" as defined in Item 304(a)(1)(v) of Regulation S-K.

We have provided Arthur Andersen with a copy of the foregoing statements. A copy of Arthur Andersen's letter to the SEC, dated May 3, 2002, stating its agreement with such statements was filed as Exhibit 16 to our Current Report on Form 8-K filed with the SEC on May 3, 2002.

During the two fiscal years ended December 31, 2001 and 2000, through the date of Arthur Andersen's dismissal, neither us nor anyone on our behalf consulted with KPMG regarding any of the matters or events set forth in Item 304(a)(2)(i) and (ii) of Regulation S-K.

Principal Accounting Fees and Services

The following table shows the fees for professional services provided by KPMG and Arthur Andersen for the audit of our annual financial statements for each of the fiscal years ended December 31, 2003 and 2002, and the review of financial statements included in our quarterly reports on Form 10-Q during those periods, as well as fees billed by KPMG and Arthur Andersen for other services rendered during those periods:

	Fiscal 2003		Fiscal 2002	
	KPMG	KPMG	Arthur Andersen(1)	
Audit Fees(2)	\$ 108,700	\$ 104,009	\$	18,131
Audit-Related Fees(3)	--	--	--	--
Tax Fees(4)	\$ 302,707	\$ 331,316	--	--
All Other Fees(5)	--	--	--	--

(1) All amounts are for services provided prior to Arthur Andersen's dismissal on April 29, 2002.

(2) Audit Fees represent fees billed for professional services rendered by the principal independent public accountant for the audit of our annual financial statements and review of financial statements included in our quarterly reports on Form 10-Q, or services that are normally provided by such accountant in connection with statutory or regulatory

Edgar Filing: KNIGHT TRANSPORTATION INC - Form DEF 14A

filings or engagements for those fiscal years.

- (3) Audit-Related Fees represent fees billed for assurance and related services by the principal independent public accountant that are reasonably related to the performance of the audit or review of financial statements. For fiscal 2003 and 2002, we were not billed for any Audit-Related Fees.
- (4) Tax Fees represent fees billed for professional services rendered by the principal independent accountant for tax compliance, tax advice, and tax planning. For each of fiscal 2003 and 2002, Tax Fees were comprised of fees in respect of advice and the preparation of an opinion letter in connection with a technology investment, state tax advice and planning services, and advice in connection with the establishment of an insurance subsidiary.
- (5) All Other Fees represent fees billed for products and services provided by the principal independent public accountant, other than Audit Fees, Audit-Related Fees, and Tax Fees. For fiscal 2003 and 2002, we were not billed for any Other Fees.

Since July 30, 2002, our Audit Committee has maintained a policy pursuant to which it pre-approves all audit, audit-related, tax, and other permissible non-audit services provided by our principal independent accountant in order to assure that the provision of such services is compatible with maintaining the accountant's independence. Under this policy, the Audit Committee pre-approves, on an annual basis, specific types or categories of engagements constituting audit, audit-related, tax, or other permissible non-audit services to be provided by the principal independent public accountant. Pre-approval of an engagement for a specific type or category of services generally is provided for up to one year and typically is subject to a budget comprised of a range of anticipated fee amounts for the engagement. Management and the independent public accountant are required to periodically report to the Audit Committee regarding the extent of services provided by the principal independent accountant in accordance with the annual pre-approval, and the fees for the services performed to date. To the extent that management believes that a new service or the expansion of a current service provided by the principal independent accountant is necessary or desirable, such new or expanded services are presented to the Audit Committee for its review and approval prior to the engagement of the principal independent accountant to render such services. No audit-related, tax, or other non-audit services were approved by the Audit Committee pursuant to the de minimus exception to the pre-approval requirement under Rule 2-01, paragraph (c)(7)(i)(C), of Regulation S-X during the fiscal year ended December 31, 2003.
