Voting Rights and Proxy Information

The board of directors has fixed the close of business on March 1, 2004, as the record date for the determination of stockholders entitled to notice of, and to vote at, the annual meeting. Our transfer books will not be closed between the record date and the date of the annual meeting. The board of directors hopes that all stockholders can be represented at the annual meeting. Whether or not you expect to be present, please sign and return your proxy in the enclosed self-addressed, stamped envelope. Stockholders giving proxies retain the right to revoke them at any time before they are voted by written notice of revocation to the Secretary of UnionBancorp, and stockholders present at the meeting may revoke their proxy and vote in person.

On March 1, 2004, we had 4,034,500 issued and outstanding shares of common stock. For the election of directors, and for all other matters to be voted upon at the annual meeting, each share of common stock is entitled to one vote. A majority of the outstanding shares of the common stock must be present in person or represented by proxy to constitute a quorum for purposes of the annual meeting. Abstentions and broker non-votes will be counted for purposes of determining a quorum. Directors will be elected by a plurality of the votes present in person or represented by proxy at the meeting and entitled to vote. In all other matters, the affirmative vote of the majority of shares of common stock present in person or represented by proxy at the annual meeting and entitled to vote on the subject matter shall be required to constitute stockholder approval. Abstentions will be treated as votes against a proposal and broker non-votes will have no effect on the vote.

1.

I. ELECTION OF DIRECTORS

We have a staggered board of directors, divided into three classes. One class is elected annually to serve for three years. At the annual meeting, our stockholders will be entitled to elect three Class III directors for terms of three years or until their successors are elected and qualified. Each of the nominees for election as Class III directors are incumbent directors. Our board of directors has determined that each of Messrs. Breipohl, Doty, McDonnell, Reinhardt, Shinkle, Sullivan and Trainor are independent as independence is defined in the National Association of Securities Dealers' listing standards, as those standards have been modified or supplemented.

The proxy provides instructions for voting for all director nominees or for withholding authority to vote for one or more director nominees. Unless instructed to the contrary, the persons acting under the proxy which we are soliciting will vote for the nominees listed below. In the event, however, that any nominee shall be unable to serve, which is not now contemplated, the proxy holders reserve the right to vote at the annual meeting for a substitute nominee.

Board Committees and Meetings

Our board of directors generally meets on a quarterly basis. The board of directors met seven times during 2003. During 2003, all directors attended at least 75 percent of the meetings of the board and the committees on which they served. Our board of directors has standing executive, audit and compensation committees.

The executive committee is comprised of Messrs. McDonnell (Chair), Sullivan, Trainor and Yaeger. The executive committee meets on an as needed basis and exercises the power of the board of directors between board meetings. This committee met two times in 2003.

3.

The audit committee recommends independent auditors to the board, reviews the results of the auditors' services, reviews with management and the internal auditor the systems of internal control and internal audit reports and seeks to assure that our books and records are kept in accordance with applicable accounting principles and standards. The audit committee charter, which sets forth the duties and responsibilities of the committee, is attached as an appendix to this proxy statement. The members of the audit committee are Messrs. Reinhardt (Chair), Breipohl and Doty. During 2003, the audit committee met three times.

The compensation committee establishes compensation and benefits for the chief executive officer and reviews and recommends compensation and benefits for the other executive officers and employees of UnionBancorp and our subsidiaries. The committee also administers and oversees our stock-based incentive compensation plans. The members of the compensation committee are Messrs. Shinkle (Chair), McDonnell, Sullivan and Dewey R. Yaeger (ex officio). The compensation committee met four times in 2003.

Nominating Committee

Our board of directors has a nominating committee which consists of three

Edgar Filing: UNIONBANCORP INC - Form DEF 14A

directors. Messrs. McDonnell (Chair), Shinkle and Sullivan are the current members of this committee. The nominating committee identifies individuals to become board members and selects, or recommends for the board's selection, director nominees to be presented for shareholder approval at the annual meeting of shareholders or to fill any vacancies. During 2003, the nominating committee, as currently comprised, held no meetings because it was not formed until March 18, 2004. Prior to the formation of the formal nominating committee, the executive committee or entire board served the functions of the nominating committee. The board met on December 18, 2003, and nominated the current nominees for re-election at this year's annual meeting.

Our board of directors has adopted a written charter for the nominating committee, a copy of which is attached as an appendix to this proxy statement. Each of the members of our nominating committee is independent as independence is defined in the National Association of Securities Dealers' listing standards, as those standards have been modified or supplemented.

The nominating committee's policy is to consider director candidates recommended by shareholders. Such recommendations must be made pursuant to timely notice in writing to:

UnionBancorp, Inc.
321 West Main Street
Ottawa, Illinois 61350
Attention: Nominating Committee

The nominating committee has not established specific, minimum qualifications for recommended nominees or specific qualities or skills for one or more of our directors to possess. The nominating committee uses a subjective process for identifying and evaluating nominees for director, based on the information available to, and the subjective judgments of, the members of the nominating committee and our then current needs, although the committee does not believe there would be any difference in the manner in which it evaluates nominees based on whether the nominee is recommended by a shareholder. Historically, nominees have been existing directors or business associates of our directors or officers.

4.

Code of Ethics

The Company has adopted a Code of Ethics that applies to all of our employees, officers and directors, including our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. Our Code of Ethics contains written standards that we believe are reasonably designed to deter wrongdoing and to promote:

- o Honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships;
- o Full, fair, accurate, timely, and understandable disclosure in reports and documents that we file with, or submit to, the Securities and Exchange Commissions and in other public communications we make;
- o Compliance with applicable governmental laws, rules and regulations;
- o The prompt internal reporting of violations of the code to an appropriate person or persons named in the code; and
- o Accountability for adherence to the code.

This Code of Ethics is attached to our Annual Report on Form 10-K for the fiscal

Edgar Filing: UNIONBANCORP INC - Form DEF 14A

year ended December 31, 2003 as Exhibit 14. We will provide to any person without charge, upon request, a copy of our Code of Ethics. Requests for a copy of our Code of Ethics should be made to our secretary at 321 West Main Street, Ottawa, Illinois 61350.

Shareholder Communications with the Board

Our board of directors has a process for shareholders to send communications to the board of directors, its nominating committee or its audit committee, including complaints regarding accounting, internal accounting controls, or auditing matters. Communications can be sent to the board of directors, its nominating committee or its audit committee or specific directors either by regular mail to the attention of the board of directors, its nominating committee, its audit committee or specific directors, at our principal executive offices at 321 West Main Street, Ottawa, Illinois 61350. All of these communications will be reviewed by our secretary (1) to filter out communications that our secretary deems are not appropriate for our directors, such as spam and communications offering to buy or sell products or services, and (2) to sort and relay the remainder to the appropriate directors. We encourage all of our directors to attend the annual meeting of shareholders, if possible. All of our directors attended the 2003 annual meeting of shareholders.

Compensation of Directors

Each of our directors was paid a fee of \$1,000 for each board meeting attended and \$250 for each committee meeting attended. In addition, each director was paid an annual retainer of \$2,500. Each of our directors may also receive an annual grant of options to purchase shares of common stock under the UnionBancorp, Inc. 2003 Stock Option Plan. The UnionBancorp, Inc. 2003 Stock Option Plan provides for annual formula grants to each of our directors of options to purchase shares of common stock with an exercise price of not less than 100% of the then current market price of the common stock on the date of the grant. Such options become exercisable over five years. During 2003, each non-employee director was granted options to purchase 2,500 shares of common stock at a price of \$23.29 per share.

None of these individuals was an officer or employee of UnionBancorp or any of our subsidiaries during 2003, and none of these individuals is a former officer or employee of UnionBancorp or any of our subsidiaries, except for Mr. Yaeger who is president and chief executive officer. Board Compensation Committee Report on Executive Compensation

The incorporation by reference of this proxy statement into any document filed with the Securities and Exchange Commission by UnionBancorp shall not be deemed to include the following report unless the report is specifically stated to be incorporated by reference into such document.

The compensation committee of our board of directors is comprised of three independent directors and is responsible for providing oversight to ensure that the company's compensation incentives are competitive and that they are aligned to allow company goals to be successfully achieved. In determining compensation, the following factors are generally taken into consideration:

- o the performance of the executive officers in achieving our short and long-term goals;
- o payment of compensation commensurate with the ability and expertise of the executive officers; and
- o payment of compensation that is competitive with similar companies.

The committee considers the foregoing factors, as well as others, in determining compensation. There is no assigned weight given to any of these factors.

Additionally, the compensation committee considers various benefits, such as our employee stock ownership plan, 401(k) plan and the stock option plan, together with perquisites in determining compensation. The committee believes that the benefits provided through the stock-based plans more closely tie the compensation of the officers to the interests of the stockholders and provide significant additional performance incentives for the officers which directly benefit the stockholders through an increase in the stock value.

11.

Annually, the compensation committee evaluates four primary areas of performance in determining the chief executive officer's level of compensation. These areas are:

- o long-range strategic planning and implementation;
- o our financial performance;
- o our compliance with regulatory requirements and relations with regulatory agencies; and

Edgar Filing: UNIONBANCORP INC - Form DEF 14A

- o the individual's effectiveness of managing relationships with stockholders and the board of directors.

When evaluating our financial performance, the committee considers profitability, asset growth, asset quality and risk management. The primary evaluation criteria are considered to be essential to our long-term viability and are given equal weight in the evaluation. Finally, the committee reviewed compensation packages of peer institutions, as well as compensation surveys provided by independent third parties, to ensure that the chief executive officer's compensation is competitive and commensurate with his level of performance.

TRANSACTIONS WITH MANAGEMENT

Several of our directors and executive officers (including their affiliates, families and companies in which they are principal owners, officers or directors) were loan customers of, and had other transactions with, us and our subsidiaries in the ordinary course of business. These loans and lines of credit were made in the ordinary course of business on substantially the same terms, including interest rates and collateral, as those prevailing at the time for transactions with other persons and did not involve more than the normal risk of collectibility or present other unfavorable features. During 2003, we paid approximately \$135,907 to the law firm of Myers, Berry, O'Connor & Kuzma, Ltd. for legal services. Richard J. Berry, a director of UnionBancorp, is a principal of that firm.

AUDIT COMMITTEE REPORT

The incorporation by reference of this proxy statement into any document filed with the Securities and Exchange Commission by UnionBancorp shall not be deemed to include the following report unless the report is specifically stated to be incorporated by reference into such document.

The audit committee assists the board in carrying out its oversight responsibilities for our financial reporting process, audit process and internal controls. The audit committee also reviews the audited financial statements and recommends to the board that they be included in our annual report on Form 10-K. The committee is comprised solely of independent directors.

The audit committee has reviewed and discussed our audited financial statements for the fiscal year ended December 31, 2003 with our management and Crowe, Chizek and Company LLC, our independent auditors. The committee has also discussed with Crowe Chizek the matters required to be discussed by SAS 61 (Codification for Statements on Auditing Standards) as well as having received and discussed the written disclosures and the letter from Crowe Chizek required by Independence Standards Board Statement No. 1 (Independence Discussions with Audit Committees). Based on the review and discussions with management and Crowe Chizek, the committee has recommended to the board that the audited financial statements be included in our annual report on Form 10-K for the fiscal year ending December 31, 2003 for filing with the Securities and Exchange Commission.

Audit Committee Financial Expert

While the board of directors endorses the effectiveness of our audit committee, its membership does not include a director who qualifies for designation as an "audit committee financial expert" - a new concept under federal regulation that contemplates such designation only when an audit committee member satisfies all five qualification requirements, such as experience (or "experience actively supervising" others engaged in), preparing, auditing, analyzing or evaluating financial statements presenting a level of accounting complexity comparable to what is encountered in connection with our Company's financial statements.

STOCKHOLDER PROPOSALS FOR 2005 ANNUAL MEETING

For inclusion in our proxy statement and form of proxy relating to the 2005 annual meeting of stockholders, stockholder proposals must be received by us on or before November 24, 2004. In order to be presented at such meeting, notice of the proposal must be received by UnionBancorp on or before March 28, 2005, and must otherwise comply with our bylaws.

"HOUSEHOLDING" OF PROXY MATERIALS

In December of 2000, the Securities and Exchange Commission adopted new rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements, prospectuses and annual reports with respect to two or more security holders sharing the same address by delivering a single copy of proxy statements, prospectuses and annual reports, as the case may be, addressed to those security holders. This process, which is commonly referred to as "householding," potentially means extra convenience for security holders and cost savings for companies.

This year, a number of brokers with accountholders who are UnionBancorp stockholders will be "householding" our proxy materials. As indicated in the notice previously provided by these brokers to UnionBancorp stockholders, a single proxy statement and annual report will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from an affected stockholder. Once you have received notice from your broker or the Company that they will be "householding" communications to your address, "householding" will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in "householding" and would prefer to receive a separate proxy statement and annual report, please notify your broker, direct your written request to UnionBancorp, Inc., Investor Relations, 321 West Main Street, Ottawa, IL 61350 or contact Investor Relations at (815) 431-2720.

Stockholders who currently receive multiple copies of the proxy statement and annual report at their address and would like to request "householding" of their communications should contact their broker or, if a stockholder is a direct holder of UnionBancorp shares, they should submit a written request to Computershare Investor Services, the Company's transfer agent, at 2 North LaSalle Street, Chicago, IL 60602.

OTHER MATTERS

We do not intend to present any other business at the meeting and know of no other matters which will be presented. However, if any other matters come before the meeting, it is the intention of the persons named in the accompanying proxy to vote in accordance with their best judgment on those matters. A representative of our independent auditors, Crowe, Chizek and Company, LLC, is expected to attend the annual meeting and will be available to respond to appropriate questions and to make a statement if he or she so desires.

Your proxy is solicited by the board of directors, and we will pay the cost of solicitation. In addition to soliciting proxies by use of the mail, officers, directors and regular employees of UnionBancorp or our subsidiaries, acting on our behalf, may solicit proxies by telephone, telegraph or personal interview. We will, at our expense, upon the receipt of a request from brokers and other custodians, nominees and fiduciaries, forward proxy soliciting material to the beneficial owners of shares held of record by such persons.

The independent external auditors shall submit to the Company annually a formal written statement delineating all relationships between the independent external auditors and the Company ("Statement as to Independence"), addressing each non-audit service provided to the Company.
