**Item 1.01 Entry into a Material Definitive Agreement.**

On November 13, 2007, Altair Nanotechnologies Inc. (together with its operating subsidiaries, the "Company") promoted Terry Copeland to Vice President of Operations for the Power and Energy Group of the Company and, in connection therewith, entered into an employment agreement with Mr. Copeland.

Under the employment agreement, Mr. Copeland is entitled to a annual base salary equal to \$225,000, an annual bonus target opportunity equal to 60% of his base salary upon achievement of certain performance measures, and standard health and other benefits. The employment agreement also includes terms related to the assignment of inventions to the Company, protection of confidential information, and 12-month non-competition and non-solicitation covenants.

If Mr. Copeland's employment is terminated by Mr. Copeland for good reason, which includes, among other things, (a) the Company requiring Mr. Copeland to relocate his place of employment without Mr. Copeland's consent, or (b) a material adverse change in Mr. Copeland's title, position, and/or duties 90 days before or within one year after a change of control, Mr. Copeland is entitled to a severance benefit equal to his base salary and health benefits for one year. The one-year base salary severance benefit will be extended to 16 months if either (a) Mr. Copeland terminates for good reason on or before November 13, 2009 on account of a relocation that is more than 50 miles from Mr. Copeland's initial place of employment, or (b) Mr. Copeland consents to a relocation of his employment, but subsequently terminates his employment with the Company for good reason on or before the two-year anniversary of such relocation.

If Mr. Copeland's employment is terminated by the Company without cause, Mr. Copeland is entitled to a severance benefit equal to his base salary for one year, health benefits for 18 months, and a lump sum bonus payment equal to 60% of his base salary paid for the year in which his termination occurred. The one-year base salary severance benefit will be extended to 16 months if either (a) Mr. Copeland terminates for good reason on or before November 13, 2009 on account of a relocation that is more than 50 miles from Mr. Copeland's initial place of employment, or (b) Mr. Copeland consents to a relocation of his employment, but his employment is subsequently terminated by the Company without cause on or before the two-year anniversary of such relocation. Mr. Copeland is not entitled to any severance if his employment is terminated at any time by the Company with cause or by Mr. Copeland without good reason.

The description of the employment agreement set forth above is, by its nature, a summary description and omits certain detailed terms set forth in the underlying agreement.
