GENERAL INFORMATION

Who may vote

Shareholders of Meridian, as recorded in our stock register on December 3, 2001, may vote at the meeting. As of that date, Meridian had 14,599,170 shares of Common Stock outstanding.

How to vote

Edgar Filing: MERIDIAN BIOSCIENCE INC - Form DEF 14A

You may vote in person at the meeting or by proxy. We recommend you vote by proxy even if you plan to attend the meeting. You can always change your vote at the meeting.

How proxies work

Meridian's Board of Directors is asking for your proxy. Giving us your proxy means you authorize us to vote your shares at the meeting in the manner you direct. You may vote for all, some or none of our director candidates. You may also vote for or against the other proposals or abstain from voting.

If you sign and return the enclosed proxy card but do not specify how to vote, we will vote your shares in favor of our director candidates and in favor of the ratification of Arthur Andersen LLP as Meridian's independent public accountants for fiscal year 2002.

If any other matters come before the meeting or any adjournment, each proxy will be voted in the discretion of the individuals named as proxies on the card.

You may receive more than one proxy or voting card depending on how you hold your shares. Shares registered in your name are covered by one card. If you hold shares through someone else, such as a stockbroker, you may get material from them asking how you want to vote.

Revoking a proxy

You may revoke your proxy before it is voted by submitting a new proxy with a later date, by voting in person at the meeting, or by notifying Meridian's Secretary in writing at the address under "Questions?" on page 14.

Quorum

In order to carry on the business of the meeting, we must have a quorum. This means at least a majority of the outstanding shares eligible to vote must be represented at the meeting, either by proxy or in person.

Votes needed

The six director candidates receiving the most votes will be elected to fill the seats on the Board.

Ratification of appointment of accountants requires the favorable vote of a majority of the votes cast. Only votes for or against these proposals count.

Other Matters

Any other matters considered at the meeting, including adjournment, will require the affirmative vote of a majority of the votes cast.

ELECTION OF DIRECTORS (Item 1 on the Proxy Card)

The Board has nominated the director candidates named below.

The Board of Directors oversees the management of Meridian on your behalf. The Board reviews Meridian's long-term strategic plans and exercises direct decision-making authority in key areas, such as choosing the Chief Executive Officer, setting the scope of his authority to manage Meridian's business day to day and evaluating management's performance.

Edgar Filing: MERIDIAN BIOSCIENCE INC - Form DEF 14A

Proxies solicited by the Board will be voted for the election of these nominees. All directors elected at the Annual Meeting will be elected to hold office until the next annual meeting. In voting to elect directors, shareholders are entitled to cumulate their votes and to give one candidate a number of votes equal to the number of directors to be elected multiplied by the number of shares held by the shareholder, or to distribute their votes on the same principle among as many candidates as the shareholder sees fit. In order to invoke cumulative voting, notice of cumulative voting must be given in writing by a shareholder to the President, a Vice President or the Secretary of Meridian not less than 48 hours prior to the Annual Meeting. The proxies solicited include discretionary authority to cumulate votes.

Four of our six nominees are not Meridian employees. Only non-employee directors serve on Meridian's Audit and Compensation committees. All Meridian directors are elected for one-year terms. Personal information on each of our nominees is given below.

REPORT OF THE AUDIT COMMITTEE

Meridian's Audit Committee is composed of Messrs. Ready (Chairman), Buzard and Kreider. All of the members of the Committee meet the NASD standards for independence and financial literacy.

In April 2000, the Board adopted the Audit Committee Charter, which was attached to last year's Proxy Statement as Appendix I. The Charter outlines the activities and responsibilities of the Committee.

In August 2001, the Committee met with representatives of Arthur Andersen and Meridian's internal accountants and reviewed with them the proposed 2001 Audit Plan, areas warranting particular concentration on the audit and the effects of new accounting pronouncements. The Committee also reviewed business analysis and initial risk assessments and the implementation of new accounting rules on business combinations, goodwill and intangible assets presented by Arthur Andersen.

At its meeting in November 2001, the Committee reviewed with management, Arthur Andersen and Meridian's accounting officers the results of the audit for fiscal 2001, including the audited financial statements. The Committee reviewed the requirements

-7-

of its Charter previously adopted and the reports that were required to be disclosed to the Committee. The Committee discussed with Arthur Andersen the matters required to be discussed by Statement on Auditing Standards No. 61. The Arthur Andersen representatives reviewed with the Committee written disclosures required by the Independence Standards Board Standard No. 1 regarding independence of the public accountants and presented a letter regarding that matter to the Committee.

Edgar Filing: MERIDIAN BIOSCIENCE INC - Form DEF 14A

Relying upon the discussions and reviews described above, the Committee recommended to the Board of Directors that the audited financial statements of Meridian be included in its Annual Report on Form 10-K for the year ended September 30, 2001 for filing with the Securities and Exchange Commission.

Respectfully submitted,

Audit Committee

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Report of the Compensation Committee

Meridian's Compensation Committee is composed of Messrs. Buzard (Chairman), Kreider, Phillips and Ready. The Compensation Committee is responsible for establishing compensation for executive officers, establishing salary levels and bonus plans, making bonus awards and otherwise dealing in all matters concerning compensation of the executive officers and awarding stock options for all employees.

At its meeting on November 16, 2000, the Committee set the salaries for the executive officers for fiscal 2001 as shown in the Summary Compensation Table. The Committee had available to it in establishing executive salaries the recommendations of management with respect to overall staff level compensation for the coming fiscal year for Meridian. The Committee took into account these considerations plus the financial performance of Meridian during fiscal 2000 in establishing salary levels. It determined the compensation for the Chief Executive Officer in the same manner it did for its other executive officers. The Committee also considered a fiscal 2001 bonus award program based on targeted earnings levels. The Committee met without Meridian's management in making its decisions. At its meeting on November 16, 2000 and at other meetings throughout the year, the Committee also awarded stock options pursuant to Meridian's Stock Option Plan to various employees including the stock options to executive officers listed elsewhere in this Proxy Statement.

At its meeting in September 2001, the Committee awarded incentive stock options to certain employees and executive officers, which are tied to net earnings and stock price targets. One series of options will vest immediately if Meridian's net earnings for fiscal 2002 are at least \$6,821,000. The other series will vest if the stock price reaches designated price levels for 30 consecutive days during fiscal 2002 plus the first 30 days of fiscal 2003 with the vesting schedule being one-third at \$12, one-third at \$13 and one-third at \$14. If these targets are not reached, the options will not vest until nine years after the date of grant. They also vest if Meridian or substantially all of its assets are sold in fiscal 2002.

At its meeting on November 14, 2001, the Committee maintained salary levels for Messrs. Motto, Kraeutler, Eberly and Interno for fiscal 2002 at fiscal 2001 levels, granted increases to operating officers and established a fiscal 2002 bonus award based on targeted net earnings levels from \$6,475,000 to \$7,500,000.

Respectfully submitted,

SHAREHOLDER PROPOSALS FOR NEXT YEAR

The deadline for shareholder proposals to be included in the Proxy Statement for next year's meeting is August 28, 2002.

The form of Proxy for this meeting grants authority to the designated proxies to vote in their discretion on any matters that come before the meeting except those set forth in Meridian's Proxy Statement and except for matters as to which adequate notice is received. In order for a notice to be deemed adequate for the 2003 Annual Shareholders' Meeting, it must be received prior to November 11, 2002. If there is a change in the anticipated date of next year's annual meeting or these deadlines by more than 30 days, we will notify you of this change through our Form 10-Q filings.

Meridian's Code of Regulations provides that only persons nominated by an officer, director or in writing by a shareholder at least five days prior to the meeting at which directors are to be selected shall be eligible for election.
