PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS
To Be Held May 22, 2002

INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation of proxies for use at the Annual Meeting of Shareholders (the "Meeting") of Sierra Bancorp (the "Company") to be held at the Main Office of Bank of the Sierra (the "Bank"), 90 North Main Street, Porterville, California 93257, at 7:30 p.m., on Wednesday, May 22, 2002, and at any and all adjournments thereof. The solicitation of the Proxy accompanying this Proxy Statement is made by the Board of Directors of the Company and the costs of such solicitation will be borne by the Company.

It is expected that this Proxy Statement and accompanying Notice will be mailed to shareholders on approximately April 26, 2002.

Edgar Filing: SIERRA BANCORP - Form DEF 14A

The matters to be considered and voted upon at the Meeting will be:

1. Election of Directors. To elect five Class I directors to serve until the 2004 Annual Meeting of Shareholders and until their successors are elected and have qualified.
2. To transact such other business as may properly come before the Meeting and at any and all adjournments thereof.

Revocability of Proxies

A Proxy for use at the Meeting is enclosed. Any shareholder who executes and delivers such Proxy has the right to revoke it at any time before it is exercised by filing with the Secretary of the Company an instrument revoking it or a duly executed proxy bearing a later date, or by attending the Meeting and voting in person. Subject to such revocation, all shares represented by a properly executed Proxy received in time for the Meeting will be voted by the proxy holders whose names are set forth in the accompanying Proxy (the "Proxy Holders") in accordance with the instructions on the Proxy. If no instruction is specified with respect to a matter to be acted upon, the shares represented by the Proxy will be voted in favor of the election of the nominees for directors set forth herein and, if any other business is properly presented at the Meeting, in accordance with the recommendations of the Board of Directors.

Solicitation of Proxies

The Company will bear the cost of this solicitation, including the expense of preparing, assembling, printing and mailing this Proxy Statement and the material used in this solicitation of proxies. The proxies will be solicited principally through the mails, but directors, officers and regular employees of the Company may solicit proxies personally or by telephone. Arrangements will be made with brokerage firms and other custodians, nominees and fiduciaries to forward these proxy solicitation materials to shareholders whose stock in the Company is held of record by such entities, and the Company will reimburse such brokerage firms, custodians, nominees and fiduciaries for

reasonable out-of-pocket expenses incurred by them in connection therewith. In addition, the Company may pay for and utilize the services of individuals or companies it does not regularly employ in connection with this solicitation of proxies, if management determines it advisable.

VOTING SECURITIES

There were issued and outstanding 9,230,280 shares of the Company's common stock on March 26, 2002, which has been set as the Record Date for the purpose of determining the shareholders entitled to notice of and to vote at the Meeting. The presence, in person or by proxy, of at least a majority of the total number of outstanding shares of the common stock is necessary to constitute a quorum at the Meeting for the transaction of business. Abstentions and broker non-votes are each included in the determination of the number of shares present for determining a quorum but are not counted on any matters brought before the Meeting.

Each holder of common stock will be entitled to one vote, in person or by proxy, for each share of common stock standing in his or her name on the books of the Company as of March 26, 2002 for the annual meeting on any matter submitted to the vote of the shareholders. An abstention or broker non-vote will have the same effect as a vote against a director nominee and against any other

Edgar Filing: SIERRA BANCORP - Form DEF 14A

matters submitted for shareholder approval. Shareholders of the Company do not have cumulative voting rights in connection with the election of directors.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS

Management knows of no person who owns beneficially more than 5% of the outstanding Common Stock of the Company, except for Morris A. Tharp, Gregory A. Childress, Robert L. Fields, James C. Holly and Howard H. Smith, each of whom is a nominee for election to the Board of Directors (see "ELECTION OF DIRECTORS").

ELECTION OF DIRECTORS

The Bylaws of the Company provide that the number of directors shall be not fewer than six (6) nor more than eleven (11) until changed by a bylaw amendment duly adopted by the vote or written consent of the Company's shareholders. The Bylaws further provide that the exact number of directors shall be fixed from time to time, within the foregoing range, by a bylaw or amendment thereof or by a resolution duly adopted by the vote or written consent of the Company's shareholders or by the Company's Board of Directors. The exact number of directors is presently fixed at nine (9).

Pursuant to the terms of the Company's Articles of Incorporation, the Board of Directors is divided into two classes, designated Classes I and II. The directors serve staggered two-year terms, so that directors of only one class are elected at each Annual Meeting of Shareholders. At the Meeting, shareholders will be asked to elect the following five (5) Class I directors whose terms expire this year, for an additional term of two (2) years:

Morris A. Tharp	Robert L. Fields
Gregory A. Childress	James C. Holly
Howard H. Smith	

Since shareholders do not have cumulative voting rights in the election of directors, the affirmative vote of a majority of the votes cast is required for the election of directors. In the event that any of the nominees should be unable to serve as a director, it is intended that the Proxy will be voted for the election of such substitute nominee, if any, as shall be designated by the Board of Directors. Management has no reason to believe that any nominee will become unavailable.

2

The following table sets forth certain information as of March 26, 2002, with respect to (i) each of the persons to be nominated by the Board of Directors for election as directors, (ii) each of the Company's executive officers, and (iii) the directors and executive officers of the Company as a group:

Committees of the Board of Directors

Edgar Filing: SIERRA BANCORP - Form DEF 14A

The Company has, among others, a standing Audit/CRA Committee, of which directors Berra (Chairman), Childress, Fields, Jurkovich and Tienken are members. During the fiscal year ended December 31, 2001, the Audit/CRA Committee held a total of twelve (12) meetings. The purpose of the Audit/CRA Committee, with respect to its audit duties, is to meet with the outside auditors of the Company in order to fulfill the legal and technical requirements necessary to adequately protect the directors, shareholders, employees and depositors of the Company.

(Certain footnotes appear on previous page.)

/7/ Does not include 134,598 shares held by Filinco, Ltd., as to which Mr. Woods' spouse and daughters have sole voting and investment power and as to which Mr. Woods disclaims beneficial ownership.

/8/ Mr. Taylor was appointed Senior Vice President/Chief Financial Officer on October 9, 2001. Previously, he served as Senior Vice President/Chief Financial Officer for Tokai Bank of California in Los Angeles ("Tokai") from June, 2000 to July, 2001; and in various other capacities at Tokai from 1986 through June, 2000.

4

It is also the responsibility of the Audit/CRA Committee to recommend to the Board of Directors the selection of independent accountants and to make certain that the independent accountants have the necessary freedom and independence to freely examine all bank records. Each February the committee reviews the risk management assessment of the Company's branches, credit centers and operating units and assigns priorities for the year to have independent reviews conducted by loan, operational, information systems and compliance teams hired by the committee. The committee meets with such independent review consultants on an annual basis and approves the contractual basis of each engagement letter and arrangement under consideration. Further, as part of its regular monthly meeting schedule, the committee meets on a quarterly basis to review the Company's Form 10-Q with the independent accountants prior to such Form being filed with the SEC. Also, the committee meets with the accounting audit partner in charge of the engagement who presents the audited consolidated financial reports to the committee upon completion of the annual engagement. The committee receives and reviews management letters and all reports of external independent firms which have been contracted to perform agreed upon procedures for the benefit of the Company and the Committee. Additionally, the committee receives and reviews all Reports of Examination prepared by regulators regarding safety and soundness, compliance, or other examinations performed by such agencies. As part of its responsibilities, the committee also receives, reviews and approves, any and all management initiated responses to engagements conducted by independent consultant firms or regulatory agencies, prior to their dispersal to the appropriate reviewing agent. The Audit Committee Charter (attached as Appendix "A") requires that the Audit Committee be comprised of at least three directors, each of whom must be independent.

While the Board has no standing "compensation" committee, it has a Human Resources Committee of which directors Berra (Chairman), Fields, Holly, Smith and Woods are members. The primary function of the Human Resources Committee, which met two (2) times during 2001, is to approve the employment of executive officers and recommend the compensation for all executive officers. Additionally, the Human Resources Committee recommends salary ranges for graded personnel and approves personnel policies recommended by senior officers of the

Edgar Filing: SIERRA BANCORP - Form DEF 14A

Company.

The Company has no standing nominating committee; however, the procedures for nominating directors, other than by the Board of Directors itself, are set forth in the Company's Bylaws and in the Notice of Annual Meeting of Shareholders.

During the fiscal year ended December 31, 2001, the Board of Directors of the Company held a total of thirteen (13) meetings. Each director attended at least 75% of the aggregate of (a) the total number of such meetings and (b) the total number of meetings held by all committees of the Board on which such director served during 2001.

Report of the Audit Committee

The Audit/CRA Committee has reviewed and discussed with management the Company's audited consolidated financial statements as of and for the year ended December 31, 2001. The committee has discussed with the Company's independent auditors, which are responsible for expressing an opinion on the conformity of the Company's audited consolidated financial statements with generally accepted accounting principles, the matters required to be discussed by Statement on Auditing Standards No. 61, as amended, including their judgments as to the quality of the Company's financial reporting. The committee has received from the independent auditors written disclosures and a letter as required by the Independence Standards Board, Standard No. 1, as amended, and discussed with the independent auditors the firm's independence from management and the Company. In considering the independence of the Company's independent auditors, the committee took into consideration the amount and nature of the fees paid the firm for non-audit services, as described on the following page.

In reliance on the review and discussions described above, the committee recommends to the Board of Directors that the year-end audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2001 for filing with the SEC.

Change in Company's Principal Accountant

At its Board of Directors meeting on June 14, 2001, the Board of Directors of the Company/1/ terminated the services of McGladrey & Pullen, LLP ("M&P"). At the same meeting, the Board of Directors selected the accounting firm of Perry-Smith & Co. LLP ("Perry-Smith") as independent auditors for the remainder of the Company's 2001 fiscal year. The determination to replace M&P was recommended by the audit committee and approved by the full Board of Directors of the Company.

M&P audited the consolidated financial statements for the Company¹ for the years ended December 31, 2000 and 1999. M&P's report on the financial statements for those two fiscal years of the Company did not contain an adverse opinion or disclaimer of opinion, nor were such reports qualified or modified as to uncertainty, audit scope or accounting principles.

During the two fiscal years ended December 31, 2000 and 1999 and the subsequent interim period January 1, 2001 through June 14, 2001, there were no

Edgar Filing: SIERRA BANCORP - Form DEF 14A

disagreements between M&P and the Bank or the Company on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of M&P, would have caused it to make reference to the subject matter of the disagreements in connection with its reports.

The Company and the Bank each filed a Report on Form 8-K concerning the change in accountants on June 19, 2001. The Company requested that M&P review the disclosure in the Reports on Form 8-K, and M&P was given the opportunity to furnish the Company with a letter addressed to the Securities and Exchange Commission (or the FDIC, in the case of the Bank) containing any new information, clarification of the Company's expression of its views, or the respects in which it did not agree with the statements made by the Company or the Bank in the Reports on Form 8-K. Such letters were filed as exhibits to the Reports on Form 8-K.

Audit-related Fees

Audit Fees. Aggregate fees billed by Perry-Smith for professional services rendered in connection with the audit of the Company's annual consolidated financial statements for the fiscal year ended December 31, 2001 and for the required review of the Company's consolidated financial statements included in its Form 10-Q's and Form 10-K for that same year totaled approximately \$85,000. In addition, the Company paid \$12,900 to its former accountants, M&P, for their review of the financial statements included in the Company's Form 10-Q's during 2001.

Financial Information System Design and Implementation Fees. No fees were paid to Perry-Smith for financial information system design and implementation services rendered for the 2001 fiscal year.

All Other Fees. Approximately \$40,400 was paid to Perry-Smith for all other services rendered for the 2001 fiscal year. These services consisted of \$8,500 for an audit of the Company's employee retirement plan; \$14,400 for tax related services; \$6,900 for facilitation of the directors' strategic planning meeting; and \$10,600 for miscellaneous services including assistance with the Bank's Report of Management on internal controls over financial reporting.

/1/ As used throughout this Proxy Statement, the term "Company" includes, where appropriate, the Company and/or the Bank. Inasmuch as the Company did not acquire the outstanding shares of the Bank until August, 2001, the consolidated financial statements for 1999 and 2000 were for the Bank rather than the Company.

Section 16(a) Beneficial Ownership Reporting Compliance

Based solely upon a review of Forms 3, 4 and 5 and amendments thereto furnished to the Company during and with respect to the period from August 10, 2001 (effective date of the holding company reorganization) to December 31, 2001, and a review of Forms F-7 and F-8 and amendments thereto furnished to the Bank during and with respect to the period from January 1 to August 10, 2001, no director, executive officer or beneficial owner of 10% or more of the Bank or the Company's common stock failed to file, on a timely basis, reports required during or with respect to 2001 by Section 16(a) of the Securities Exchange Act

Edgar Filing: SIERRA BANCORP - Form DEF 14A

of 1934, as amended, except that all of the Company's executive officers and directors who were granted stock options in 2001 inadvertently failed to file a Form 5 with respect to such options on a timely basis; and Kenneth Taylor, Chief Financial Officer, inadvertently failed to file his initial Form 3 ownership report on a timely basis.

The following table sets forth certain summary compensation information with respect to the Chief Executive Officer and the only other executive officers of the Company as of December 31, 2001 whose total salary and bonus for the fiscal year ended December 31, 2001, exceeded \$100,000 on an annualized basis (the "Named Executive Officers"):

Stock Options

The Company's Stock Option Plan, intended to advance the interests of the Company and the Bank by encouraging stock ownership on the part of key employees, was adopted by the written consent of the Bank's shareholders effective July 21, 1998. As part of the holding company reorganization effective in August, 2001, the Company assumed the Plan from the Bank, so that the Plan now covers authorized but unissued shares of the Company's common stock. The stock option plan provides for the issuance of both "incentive" and "non-qualified" stock options to full-time salaried officers and employees, and of "non-qualified" stock options to non-employee directors. All options are granted at an exercise price of not less than 100% of the fair market value of the stock on the date of grant.¹⁶ Each option expires not later than ten (10) years from the date the option was granted. Options are exercisable in installments as provided in individual stock option agreements; provided, however, that if an optionee fails to exercise his or her rights under the options within the year such rights arise, the optionee may accumulate them and exercise the same at any time thereafter during the term of the option. In addition, in the event of a "Terminating Event," i.e., a merger or consolidation of the Company as a result of which the Company will not be the surviving corporation, a sale of substantially all of the Company's assets, or a change in ownership of at least 25% of the Company's stock, all outstanding options under the stock option plan shall become exercisable in full (subject to certain notification requirements), and shall terminate if not exercised within a specified period of time, unless provision is made in connection with the Terminating Event for assumption of such options, or substitution of new options covering stock of a successor corporation. As of December 31, 2001, the Company had options outstanding to purchase a total of 1,991,220 shares of its Common Stock under the stock option plan, with an average exercise price of \$7.66 per share with respect to all such options. As of that same date, the fair market value of the Company's Common Stock was \$7.00 per share.

The following table furnishes information regarding stock options granted to the Named Executive Officers during 2001:

Name	Number of Options Granted	Percent of Total Options Granted to Employees During Period	Exercise or Base Price	Expiration Date

Compensation of Directors

The directors are not paid any directors fees by the Company, but the directors receive directors fees from the Bank for services they provide as directors of the Bank. Non-employee directors of the Bank received \$600 per meeting for their attendance at Board meetings in 2001 and \$400 per meeting for committee meetings attended. The President received \$600 per meeting for attendance at Board of Directors meetings, but did not receive any fees for attending committee meetings. In addition, all directors received an annual retainer of \$10,900.

During 2001 all of the non-employee directors were granted stock options to purchase 50,000 shares each of common stock, at exercise prices of

Edgar Filing: SIERRA BANCORP - Form DEF 14A

\$6.43 per share, all expiring in October, 2011. All of such options were exercisable in full on the date of grant. None of the Company's non-employee directors exercised any stock options during 2001. As of December 31, 2001, each non-employee director held the outstanding stock options to purchase 50,000 shares of Common Stock described above, plus previously granted options, also exercisable in full, to purchase an additional 50,000 shares, with expiration dates in 2008, at exercise prices of \$9.00 per share. As of December 31, 2001, the fair market value of the Company's Common Stock was \$7.00 per share. Information concerning stock options held by Mr. Holly, who is also a Named Executive Officer, is set forth above under "Stock Options."

Performance Graph/2/

The graph on the following page compares the yearly percentage change in the cumulative total shareholders' return on the Company's stock with the cumulative total return of (i) the Nasdaq market index; (ii) all banks and bank holding companies listed on Nasdaq; and (iii) an index comprised of banks and bank holding companies located throughout the United States with total assets of between \$500 million and \$1 billion. The latter two indexes were compiled by SNL Securities LP of Charlottesville, Virginia. The Company reasonably believes that the members of the third group listed above constitute peer issuers for the period from January 1, 1997 through December 31, 2001. The graph assumes an initial investment of \$100 and reinvestment of dividends. The graph is not necessarily indicative of future price performance.

/1/ Represents the excess of the aggregate fair market value over the aggregate exercise price of the shares at December 31, 2001.

/2/ Inasmuch as the Company did not acquire the outstanding shares of the Bank until August, 2001, the information contained in the Performance Graph for part of 2001 and for prior years is for the Bank's stock. As of the effective date of the holding company reorganization (August 10, 2001), each outstanding share of common stock of the Bank was converted into one outstanding share of common stock of the Company.

Board of Directors' Compensation Committee Report

The Human Resources Committee of the Board is responsible for overseeing the various compensation programs of the Company. It approves compensation objectives and policy for all employees and sets compensation levels for the Company's Executive Officers. During 2001, the Human Resources

Edgar Filing: SIERRA BANCORP - Form DEF 14A

Committee was comprised of four independent outside directors, namely, directors Berra (Chairman), Fields, Smith and Woods, plus director Holly (President and Chief Executive Officer).

The objectives of the Committee are three-fold; (i) to ensure that compensation and benefits are at levels that enable the Company to attract and retain the high quality employees it needs; (ii) to align the interests of the Company's officer corps with those of its shareholders through at risk compensation programs; and (iii) to provide rewards that are closely linked to Company-wide team and individual performance goals which are measured in terms of the Company's profitability, growth and asset quality.

10

Executive officer base salaries are evaluated annually by the Human Resources Committee and are adjusted pursuant to such evaluation when appropriate. Executive Officer bonuses are awarded annually and are determined with reference to Company-wide team and individual performance. Base salaries are determined on a wide range of measures which require comparisons with salaries and compensation programs at banks or bank holding companies comparable in terms of asset size, capitalization and performance. In order to evaluate the Company's competitive position in the industry, the Human Resources Committee reviews and analyzes the compensation packages, including base salary levels offered by community banks, specifically reviewing the annual survey prepared by the California Department of Financial Institutions, and that prepared for the California Bankers Association by Deloitte and Touche, C.P.A.'s. The Company's practice, however, is not to provide employment contracts to any executive officers as all employees of the Company are employed at will.

Salaries are fixed for the year for Executive Officers; however, bonuses are dependent on the achievement by the Company of annual profitability goals and specific performance goals. In 2001, the Board implemented a three-year incentive plan for Company officers. The President is specifically excluded from this plan to enable him to objectively administer the plan; his bonus is determined by a separate plan related solely to Company profitability and base salary. All other officers are eligible for incentive bonuses based upon the attainment of certain corporate performance goals related to both pre-tax earnings and after-tax return on equity, thereby reflecting favorably upon enhanced shareholder return. Under this plan, a formula was developed which created a pool from which incentive bonuses would be allocated to eligible officers. The earnings targets, as well as the corporate performance goals, are based on confidential information and are competitively sensitive to the Company as they are derived from the Company's internal projections and business plan. The distribution of the pool is based on the level of the participant, with the eligible Executive Officers receiving up to a maximum of 40% of base salary and less senior officers receiving lesser percentages. The amounts paid to the Named Executive Officers pursuant to these incentive plans are listed in the Summary Compensation Table above (see "Executive Compensation").

In order to (i) provide an additional incentive for the Company's officers and employees to contribute to the Company's success, (ii) encourage their increased stock ownership in the Company, and (iii) enable the Company to be competitive in the industry with respect to compensation packages, the Board of Directors adopted a Stock Option Plan (the "Option Plan") in 1998. Details concerning the Option Plan and options granted thereunder to the Named Executive Officers are set forth above under "Stock Options."

Compensation Committee Interlocks

The Human Resources Committee, which serves the functions of a compensation committee, is composed of four of the Company's outside directors, plus Mr. Holly, President and Chief Executive Officer. While Mr. Holly serves on this committee, he does not vote with respect to his own compensation.

Transactions with Directors and Executive Officers

Certain of the executive officers, directors and principal shareholders of the Company and the companies with which they are associated have been customers of, and have had banking transactions with, the Company in the ordinary course of the Company business since January 1, 2001, and the Company expects to continue to have such banking transactions in the future. All loans and commitments to lend included in such transactions have been made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons of similar creditworthiness, and in the opinion of Management, have not involved more than the normal risk of repayment or presented any other unfavorable features.

RELATIONSHIP WITH INDEPENDENT PUBLIC ACCOUNTANTS

The Board of Directors has appointed Perry-Smith & Co., LLP ("Perry-Smith") as independent public accountants for the Company for the fiscal year ending December 31, 2002. Perry-Smith audited the Company's financial statements for the year ended December 31, 2001, and replaced McGladrey & Pullen, LLP as independent accountants in June 2001. (See "Change in Company's Principal Accountant" above.) It is anticipated that a representative or representatives of Perry-Smith will be present at the Meeting and will be available to respond to appropriate questions. All professional services rendered by Perry-Smith concerning the fiscal year ended December 31, 2001 were furnished at customary rates and terms.

Any such proposal concerning the Company's 2003 Annual Meeting of Shareholders must be submitted by a shareholder prior to December 27, 2002 in order to qualify for inclusion in the proxy statement relating to such meeting. The submission by a shareholder of a proposal does not guarantee that it will be included in the proxy statement. Shareholder proposals are subject to certain regulations and requirements under the federal securities laws.

The persons named as proxies for the 2003 Annual Meeting of Shareholders will have discretionary authority to vote on any shareholder proposal which is not included in the Company's proxy materials for the meeting, unless the Company receives notice of the proposal by March 13, 2003. If proper notice is received by that date, the proxy holders will not have discretionary voting authority except as provided in federal regulations governing shareholder proposals.
