## Explanation of Responses:

\* If the form is filed by more than one reporting person, see Instruction 4(b)(v).

\*\* Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

Represents phantom stock units ("PSUs") accrued under the VF Corporation Directors' Deferred Savings Plan ("Plan"), to be settled 100% in cash upon the reporting person's retirement. PSUs are acquired based on a fund in which a trustee invests contributions in shares of VF Corporation Common Stock in the open market. The number of PSUs owned may vary over time due to reinvestment by the trustee of dividends, the holding of a portion of the fund's assets in cash rather than shares, and changes in the proportionate interest in the fund of other participants. The reporting person receives quarterly statements regarding the fund. Accordingly, information regarding the number of PSUs acquired at the reporting date and beneficially owned as a result of that transaction is estimated based on the amount of the reporting person's cash deferrals under the Plan and the closing price of shares on the date of the deferral.

(1) Column 2 should have an entry which reads "1 for 1".

(2) There is no date that should appear in these columns. These columns are not applicable to this particular filing.

(3) See also Footnote #1. Each PSU was acquired at the election of the Director by deferring \$75.01 (estimated) of fees per PSU.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
