ITEM 2. ACQUISITION OR DISPOSITION OF ASSETS.

On February 14, 2003, Schnitzer Steel Industries, Inc.'s ("the Company") wholly-owned subsidiary, Norprop, Inc. ("Norprop"), closed its acquisition of all of the stock of Pick and Pull Auto Dismantling, Inc., which is Norprop's 50% partner in Pick-N-Pull Auto Dismantlers, a California general partnership (the "Joint Venture"). In addition, Norprop purchased all of the membership interests in Pick-N-Pull Auto Dismantlers, Stockton, LLC ("Stockton"), which is not part of the Joint Venture, but operates the single largest volume Pick-N-Pull store. Both of these entities were acquired from Bob Spence, who has managed the business of the Joint Venture.

The Joint Venture stores together with Stockton ("Pick-N-Pull") are one of the country's leading self service used auto parts networks with 17 locations in northern California, two locations in Nevada, and one location in each of Texas, Utah, Illinois and Indiana. For the year ended December 31, 2002, Pick-N-Pull had revenues of \$61.3 million.

The cost of the Acquisition consisted of \$71.4 million of cash paid to the seller at closing, \$3.3 million of debt assumed and immediately paid off, and \$0.7 million of acquisition costs. In addition, Norprop assumed approximately \$12.5 million of debt owed by the Joint Venture to the Company bringing the total purchase price to \$87.9 million (or \$84.3 million net of the seller's \$3.6 million share of the Joint Venture's cash on hand at closing). The agreement provides for a purchase price adjustment approximately one year after closing based upon the operating results of the acquired business.

The cash paid in the transaction was funded from the Company's available cash balances and borrowings under its bank credit facility. The amount of consideration paid was determined in arms-length negotiations between the Company and Mr. Spence.
