## Item 1.01

### Entry Into A Material Definitive Agreement.

On March 18, 2016, VolitionRx Limited (the Company) entered into an underwriting agreement (the Underwriting Agreement) with Raymond James & Associates, Inc., acting on its own behalf and as representative of the several underwriters named therein (the Underwriters), in connection with the public offering, issuance and sale by the Company of 3,769,231 shares of the Company's common stock, par value \$0.001 per share (the Shares), at the public offering price of \$3.25, less underwriting discounts and commissions of 6.25% (the Offering). Under the terms of the Underwriting Agreement, the Company has granted the Underwriters an option, exercisable for 30 days from the date of the Underwriting Agreement, to purchase up to 565,384 additional shares of the Company's common stock at the public offering price, less underwriting discounts and commissions.

The Shares will be issued pursuant to an effective registration statement on Form S-3 (File No. 333-206781), which became effective on September 18, 2015, the base prospectus contained therein, and a related prospectus supplement filed with the Securities and Exchange Commission pursuant to Rule 424(b) of the Securities Act of 1933, as amended (the Securities Act).

The Offering is expected to close on or about March 23, 2016, subject to the satisfaction of customary closing conditions. The Underwriting Agreement contains customary representations, warranties and agreements by the Company, conditions to closing, indemnification obligations of the Company and the Underwriters, including for liabilities under the Securities Act, other obligations of the parties, lock-up and termination provisions.

The Underwriting Agreement has been attached hereto as an exhibit to provide investors and security holders with information regarding its terms. It is not intended to provide any other factual information about the Company. The representations, warranties and covenants contained in the Underwriting Agreement were made only for purposes of such agreement and as of specific dates, were solely for the benefit of the parties to such agreement, and may be subject to limitations agreed upon by the contracting parties in connection with the execution of the Underwriting Agreement.

## **Item 8.01**

### **Other Events.**

As disclosed in the prospectus supplement relating to the Offering, on March 11, 2016, the Company entered into a right of negotiation agreement (the RONA ) with Cosmo Pharmaceuticals SA ( Cosmo ), the effectiveness of which is contingent upon the closing of the Offering and Cosmo 's investment of \$3.0 million in the Offering. In the event Cosmo elects to make this investment, the RONA will provide Cosmo with certain rights of negotiation and rights of refusal with respect to the development or commercialization of certain of the Company 's products in or for the United States.

Pursuant to the RONA, the right of first negotiation provides Cosmo a forty-five day exclusive right to good faith negotiations for certain of the Company 's products that the Company or its affiliates intend to develop or commercialize in or for the United States. If the Company is unable to reach an agreement with Cosmo during the negotiation period, it may proceed with such development and commercialization, subject to the right of refusal described below, in the event that a third party is involved.

Pursuant to the RONA, the right of first refusal provides Cosmo a thirty day right to match any license or other agreement with a third party proposed to be entered into by the Company or its affiliates with respect to the development or commercialization of certain of the Company 's products in or for the United States. If Cosmo fails to match the proposed terms with the third party during the thirty day period, the Company is free to complete the transaction with the third party and Cosmo will have no further rights with respect to such transaction.

In the event the RONA becomes effective, unless it is terminated earlier by mutual written agreement of the parties, the RONA will automatically expire on the five year anniversary of Cosmo 's investment in the Offering.
