Item 7.01 Regulation FD Disclosure

On October 9, 2008 the Company issued the following press release:

Puget Sound Energy and Puget Holdings
await Washington Utilities and Transportation Commission
decision on merger
capital committed and all other approvals obtained

BELLEVUE, Wash. – Puget Sound Energy, utility subsidiary of Puget Energy (NYSE:PSD), and Puget Holdings LLC, a consortium of long-term infrastructure investors, today noted that on Oct. 8, 2008 the Washington Utilities and Transportation Commission provided notice to all parties to the merger case that reply briefs, if submitted, must be filed by Oct. 23, 2008. The filing of reply briefs by the parties is expected to be the last step before a final order is issued from the UTC relating to the merger case.

All federal regulatory and shareholder approvals required for the merger have been obtained. Puget Holdings has committed equity and debt financing in place to complete the merger and to provide significant capital for PSE's future needs.

If the merger is approved by the UTC and customary conditions are met, completion of the merger is expected this year.

About Puget Sound Energy

Washington state's oldest and largest energy utility, with a 6,000-square-mile service area stretching across 11 counties, Puget Sound Energy serves more than 1 million electric customers and 737,000 natural gas customers, primarily in western Washington. PSE, a subsidiary of Puget Energy (NYSE: PSD), meets the energy needs of its growing customer base through incremental, cost-effective energy conservation, low-cost procurement of sustainable energy resources, and far-sighted investment in the energy-delivery infrastructure. PSE employees are dedicated to providing great customer service to deliver energy that is safe, reliable, reasonably priced, and environmentally responsible. For more information, visit www.PSE.com.

About Puget Energy

Puget Energy (NYSE: PSD) is the parent company of Puget Sound Energy (PSE), a regulated utility providing electric and natural gas service primarily to the growing Puget Sound region of western Washington. For more information, visit www.PugetEnergy.com.
