Item 1.01. Entry into a Material Definitive Agreement.

On June 1, 2009, Prospect Capital Corporation (“Prospect”) and Coöperative Centrale Raisseisen-Boerenleenbank B.A., “Rabobank Nederland,” New York Branch (“Rabobank”) entered into a Third Amendment to the Loan and Servicing Agreement originally dated as of June 6, 2007, among Prospect Capital Funding LLC, Prospect and Rabobank (the “Third Amendment”). The revolving period for Prospect’s credit facility with Rabobank, which matures on June 6, 2010, was previously scheduled to finalize on June 6, 2009. Pursuant to the Third Amendment, Prospect and Rabobank agreed to extend this revolving period date to June 30, 2009 to allow for documentation of a further extension.

Prospect is currently finalizing documentation with Rabobank and certain other banks to further extend the revolving period date until June 2010, with an expected maturity in June 2011, and Prospect is negotiating final commitment letters and definitive documentation toward such extension. The facility is expected to have an investment grade rating of A2 or better, as well as an accordion feature to allow for upsizing. The new facility is subject to documentation and other conditions customary for such processes. While Prospect is optimistic that it can successfully reach an agreement, there can be no guarantee any new facility will be consummated.
