PART III NARRATIVE

State below in reasonable detail the reasons why Forms 10-K, 20-F, 11-K, 10-Q, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

The Securities and Exchange Commission (SEC) has recently issued clarifications regarding the accounting for leases, including tenant reimbursements. As with many other companies in the restaurant industry, IHOP Corp. (the Company) needs additional time to evaluate its lease accounting practices. Specifically, management and the Audit Committee are reviewing the SEC's clarification of the accounting for tenant improvements and other lease accounting pronouncements. The Company does not currently believe that the adjustments, if any, will result in any significant changes in the Company's previously reported financial condition or results of operations. This evaluation has delayed completion of the Company's financial statements and management's assessment of the effectiveness of the Company's internal control over financial reporting for the 2004 fiscal year (which ended January 2, 2005). As a result, the Company is unable to complete and file its Annual Report on Form 10-K for the 2004 fiscal year by the prescribed filing date. The Company currently anticipates filing the 2004 Annual Report on or before April 1, 2005.
