The Registrant is unable to file its Annual Report on Form 10-K for the year ended December 31, 2006 within the prescribed time period. As previously reported, the Registrant was unable to file its Annual Report on Form 10-K for the year ended December 31, 2003 due to its restatement process. The audit of the Registrant's consolidated balance sheets as of December 31, 2003 and December 31, 2002 and June 30, 2002 and the related consolidated statements of operations, stockholders' equity, comprehensive income and cash flows for fiscal periods ended December 31, 2003, December 31, 2002, June 30, 2002, and June 30, 2001 was completed in October 2006. The Registrant's former independent public accountants, KPMG LLP, expressed an unqualified opinion that the Registrant's December 31, 2003 consolidated balance sheet (the 2003 Balance Sheet) fairly presents its financial condition on December 31, 2003, in accordance with GAAP. The independent public accountants opined that the financial statements other than the 2003 Balance Sheet do not fairly present the Registrant's financial condition or results of operations or cash flows for the periods covered in accordance with GAAP. Due to its inability to file an Annual Report on Form 10-K for the period ended December 31, 2003 containing financial statements presented in accordance with GAAP, accompanied by an opinion of independent public accountants, the Registrant filed a Current Report on Form 8-K containing a Financial and Informational Report that included the foregoing financial statements.

Further, the Registrant has been unable to file its Annual Report on Form 10-K for the year ended December 31, 2004, its Annual Report on Form 10-K for the year ended December 31, 2005, its Quarterly Reports on Form 10-Q for the first three quarters of 2004, its Quarterly Reports on Form 10-Q for the first three quarters of 2005 and its Quarterly Report on Form 10-Q for the first three quarters of 2006 due to its restatement process. The Registrant intends to file an Annual Report on Form 10-K for the year ended December 31, 2006, which will include the financial statements for 2004 and 2005, and to file 2005 and 2006 Quarterly Reports on Form 10-Q. The Registrant cannot predict at this time when those filings will be made. The Registrant does not intend to file 2004 and 2005 Annual Reports on Form 10-K or 2004 Quarterly Reports on Form 10-Q. Please see the attached additional pages.
