**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

On June 22, 2007, in connection with the anticipated consummation of the proposed merger of the Company with MDU Resources Group, Inc. (the Merger ) and based upon extraordinary financial performance, excluding merger related expenses, for fiscal 2007 year to date, the board of directors of Cascade Natural Gas Corporation (the Company ) approved payout under the Company s 2007 Short Term Incentive Plan (the Short Term Incentive Plan ). The aggregate amount of the payout will be approximately \$3,900,000 and will be payable on or before December 1, 2007 pursuant to the terms of the Short Term Incentive Plan, which applies to all management and certain salaried and hourly employees throughout the Company. As part of the STIP decision, the board of directors approved payment of the cash portion of the plan payout in the amount of \$419,075 to David W. Stevens, the Company s President and Chief Executive Officer, to occur prior to, but as close to the effective time of the proposed Merger as reasonably possible.

**Item 8.01 Other Events.**

On June 26, 2007, the Company issued a press release announcing the declaration of a regular quarterly common stock dividend of \$0.24 per share, payable in cash on August 15, 2007 to shareholders of record at the close of business on July 31, 2007. If the effective time of the Merger occurs before the close of business on July 31, 2007, MDU Resources Group, Inc. will be the only shareholder of record at the time the dividend is paid. The effective time of the proposed Merger is dependent on approval of the Merger by the Washington Utilities and Transportation Commission (WUTC) and the Oregon Public Utility Commission (OPUC). The OPUC issued an order on June 5, 2007 approving the Merger, but the OPUC may amend its order to adopt any new conditions or commitments approved the WUTC. Approval by both regulatory bodies is anticipated this summer, although the receipt and timing of such approvals is uncertain. The press release is attached as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated by reference herein.
