CUSIP No. 09059N100

EXPLANATORY NOTE

This Amendment No. 1 (the *Amendment*) amends and supplements the statement on Schedule 13D originally filed by the Reporting Persons with the Securities and Exchange Commission (the *SEC*) on June 8, 2007 (the *Original Schedule 13D*). Unless otherwise indicated, each capitalized term used but not defined herein shall have the meaning assigned to such term in the Original Schedule 13D.

Item 2. Identity and Background

The response set forth in Item 2 of the Original Schedule 13D is hereby amended and supplemented by incorporating by reference Schedule I to this Amendment.

Item 3. Source and Amount of Funds or Other Consideration

The response set forth in Item 3 of the Original Schedule 13D is hereby amended by replacing the first two paragraphs with the following:

On May 29, 2007, the Reporting Persons and Bioenvision entered into an Agreement and Plan of Merger (the *Merger Agreement*) pursuant to which Wichita Bio has commenced a tender offer (the *Offer*) to acquire (i) all of the issued and outstanding common stock, \$0.001 par value per share (the *Common Stock*) of Bioenvision, including all rights to purchase Series A Junior Participating Preferred Stock issued pursuant to the Rights Agreement, dated as of November 17, 2004, between Bioenvision and American Stock Transfer & Trust Company as rights agent, (together, the *Common Shares*) at \$5.60 per share in cash (the *Common Stock Offer Price*) and (ii) all of the issued and outstanding shares of Series A Convertible Participating Preferred Stock, par value \$0.001 per share, (the *Preferred Shares*, and together with the Common Shares, the *Bioenvision Shares*) of Bioenvision at \$11.20 per share in cash (the *Preferred Stock Offer Price*), plus all accrued but unpaid dividends. On July 2, 2007, the Reporting Persons waived the condition to the Offer requiring that there be validly tendered and not withdrawn prior to the Expiration Date (as defined in the Merger Agreement) that number of Common Shares which, when added to any Common Shares owned by the Reporting Persons, represents a majority of the issued and outstanding Common Shares (assuming, for purposes of such calculation, the exercise or conversion of all vested in-the-money options and in-the-money warrants). Subject to the satisfaction or waiver of the remaining conditions set forth in the Offer and the Merger Agreement, upon consummation of the Offer, the Reporting Persons and Bioenvision will pursue a merger of Wichita Bio with and into Bioenvision (the *Merger*), whereupon Wichita Bio's separate corporate existence will cease and Bioenvision will continue as the surviving corporation and as a wholly owned subsidiary of Genzyme. If, under the Offer, the Reporting Persons acquire less shares than required to adopt the Merger Agreement, the Merger Agreement may not be adopted. If the Merger Agreement is not adopted, the Reporting Persons will be stockholders of Bioenvision and will consider their options from time to time as stockholders.

As an inducement to enter into the Merger Agreement, and in consideration thereof, Genzyme and Wichita Bio entered into Tender and Voting Agreements (each, a *Tender and Voting Agreement*), dated as of the date of the Merger Agreement, with each of Perseus-Soros Biopharmaceutical Fund L.P., Andrew Schiff, Christopher Wood, David Luci, Hugh Griffith, Ian Abercrombie, James Scibetta, Joseph Cooper, Kristen Dunker, Michael Kauffman, Robert Sterling, Steven Elms and Thomas Scott Nelson (each, a *Stockholder* and, collectively, the *Stockholders*). Pursuant to the Tender and Voting Agreements, each Stockholder has severally agreed to tender their Common Shares and, when applicable, their Preferred Shares in the Offer. As of July 2, 2007, this group held 5,434,409 Common Shares, options to purchase 5,058,575 Common Shares, warrants to purchase 75,009 Common Shares and 2,250,000 Preferred Shares, totaling approximately 22.7% of the fully diluted outstanding Common Shares (assuming exercise of all options and warrants held by the Stockholders and conversion of the Preferred Shares with no accrued but unpaid dividends) and 100% of the outstanding Preferred Shares.

CUSIP No. 09059N100

Item 4. Purpose of Transaction

The response set forth in Item 4 of the Original Schedule 13D is hereby amended by adding the following after the second full paragraph of Item 4:

As of 12:01 a.m., New York City time, on Monday, July 2, 2007, a total of approximately 11,140,630 Common Shares and 2,250,000 Preferred Shares were validly tendered and not withdrawn (not including Bioenvision Shares delivered through notices of guaranteed delivery), representing approximately 20.2% of the 55,035,740 outstanding Common Shares and 100% of the outstanding Preferred Shares, both as of June 27, 2007. On July 2, 2007, pursuant to the Merger Agreement, the Reporting Persons (a) waived the condition that there be validly tendered and not withdrawn prior to the Expiration Date that number of Common Shares which represents a majority of the issued and outstanding Common Shares (assuming, for purposes of such calculation, the exercise or conversion of all vested in the money options and in the money warrants) and (b) extended the Expiration Date until 12:01 a.m., New York City time, on July 10, 2007.

The response set forth in Item 4 of the Original Schedule 13D is hereby amended by replacing the seventh and eighth paragraphs in Item 4 of the Original Schedule 13D with the following:

If the Offer and Merger are consummated, Genzyme intends to conduct a review of Bioenvision's operations and business strategy with a view to determining how best to combine Bioenvision's operations with those of Genzyme in order to streamline the commercialization of Bioenvision's products and product candidates and to optimize operational effectiveness. Genzyme also plans to assess the various opportunities and risks associated with Bioenvision's ongoing research and development efforts. Following a detailed assessment of the potential value of these programs, Genzyme will determine whether additional investment or dedication of resources is warranted.

If permitted by applicable law, subsequent to the completion of the Merger, the Reporting Persons intend to delist the Common Shares from The Nasdaq Global Market. The Reporting Persons also intend to seek to cause Bioenvision to apply for termination of registration of the Common Shares under the Act, as soon after the completion of the Offer as the requirements for such termination are met.

If the Merger Agreement is not adopted, the Reporting Persons will be stockholders of Bioenvision, to the extent they acquire shares in the Offer, and will consider their options from time to time as stockholders.

Item 5. Interest in Securities of the Issuer

The response set forth in Item 5 of the Original Schedule 13D is hereby amended by replacing subparagraphs (a) and (b) with the following:

a) As of the date hereof, the Reporting Persons own no Bioenvision Shares. For purposes of Rule 13d-3 under the Exchange Act, however, as a result of entering into the Tender and Voting Agreements, the Reporting Persons may be deemed to possess beneficial ownership of an aggregate of 15,067,993 Common Shares, representing approximately 22.7% of the fully diluted outstanding shares (assuming exercise of all options and warrants held by the Stockholders and conversion of the Preferred Shares with no accrued but unpaid dividends). The Reporting Persons and the other persons listed on Schedule I hereto, however, disclaim beneficial ownership of such Common Shares, and this statement shall not be construed as an admission the Reporting Persons or those listed on Schedule I hereto is the beneficial owner for any purpose of the Common Shares covered by this 13D disclosure.

Except as set forth in this Schedule 13D, to the best of Genzyme's knowledge as of the date hereof, neither Genzyme nor any of its directors and executive officers named in Schedule I hereto owns any Bioenvision Shares. Except as set forth in this Schedule 13D, to the best of Wichita Bio's knowledge

CUSIP No. 09059N100

as of the date hereof, neither Wichita Bio nor any of its directors and executive officers named in Schedule I hereto owns any Bioenvision Shares.

b) Prior to May 29, 2007, none of the Reporting Persons owned or was the beneficial owner (as defined in Rule 13d-3 promulgated under the Exchange Act) of any Bioenvision Shares. Upon the completion of the initial offering period, the Reporting Persons may be deemed to have acquired beneficial ownership (as defined in Rule 13d-3 promulgated under the Exchange Act) of Bioenvision Shares, because pursuant to the Tender and Voting Agreements, the Reporting Persons may be deemed to have acquired the shared power to vote or direct the vote and to dispose or to direct the disposition of the 15,067,993 Common Shares, representing approximately 22.7 % of the fully diluted outstanding shares (assuming exercise of all options and warrants held by the Stockholders and conversion of the Preferred Shares with no accrued but unpaid dividends). Upon the consummation of the Offer, the Reporting Persons would have sole voting and investment power over such Bioenvision Shares.
