Joint News Release

TOSHIBA MEDICAL SYSTEMS CORPORATION TO ACQUIRE VITAL IMAGES, INC. FOR \$18.75 PER SHARE IN ALL CASH TRANSACTION

Vital Images signs merger agreement with TMSC; Combination to Strengthen TMSC Global Healthcare Imaging Solutions Business

Vital Images Shareholders to Receive \$18.75 in Cash per Share

Minneapolis, Minnesota April 27, 2011 and Tokyo, Japan April 28, 2011 Toshiba Medical Systems Corporation (TMSC) and Vital Images, Inc. (Nasdaq: VTAL) (Vital Images) announced today that they have entered into a definitive agreement pursuant to which a subsidiary of TMSC (Merger Sub) will acquire all of the outstanding shares of common stock of Vital Images for \$18.75 per share, or approximately \$273 million in the aggregate, through a cash tender offer followed by a merger.

Under the terms of the agreement, which has been unanimously approved by each of Vital Images and TMSC s boards of directors, Vital Images shareholders will receive \$18.75 in cash for each outstanding share of Vital Images common stock they own. This represents a 39 percent premium over the volume-weighted average Vital Images share price for the past 30 calendar days.

Satoshi Tsunakawa, chief executive officer of TMSC, said: After a decade-long successful partnership spanning more than 50 countries, TMSC is taking the partnership to the next level. We have enormous respect for Vital Images products, pipeline and people, and look forward to working with their highly skilled team to enhance clinical value for patients throughout the world. This transaction will allow TMSC to significantly strengthen its Imaging Solutions business by integrating our technologies to meet the global demand for advanced visualization and imaging informatics provided to healthcare professionals and through healthcare IT providers.

Michael Carrel, CEO of Vital Images, stated: This is a great day for Vital Images shareholders, employees, customers and partners. TMSC has been our largest customer for a decade, as well as a strategic development partner. We will combine forces to enhance the multi-modality platform we have been marketing to hospitals in the U.S. and overseas. This transaction means we can now accelerate our global presence with the strength and backing of TMSC.

Under the terms of the agreement, it is anticipated that Merger Sub will commence a tender offer for all of the outstanding shares of Vital Images by May 11, 2011.

The closing of the tender offer is conditioned on, among other things, the tender of at least a majority of the outstanding shares of Vital Images common stock on a fully diluted basis, required regulatory approvals, including those of the Federal Trade Commission under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, and other customary closing conditions. It is expected that the transaction will close in

Edgar Filing: VITAL IMAGES INC - Form SC14D9C

the second or third quarter of 2011.

For this transaction, Morgan Stanley & Co. Incorporated acted as financial advisor to TMSC and Simpson Thacher & Bartlett LLP is acting as TMSC's legal counsel. Piper Jaffray & Co. acted as financial advisor to Vital Images and Faegre and Benson LLP is acting as Vital Images' legal counsel.

Vital Images Commentary on First Quarter Earnings

On a preliminary basis, Vital Images' revenue for the first quarter of 2011 was better than expected for its non-TMSC business, although revenues pertaining to TMSC were negatively affected by TMSC's business. While overall first quarter 2011 revenue was better than first quarter of 2010, it will be slightly below analyst expectations. Earnings were largely in-line with expectations. Vital Images expects to report full first quarter financial results on May 2, 2011; however, in light of the pending transaction, the first quarter earnings conference call on May 5, 2011 has been cancelled.

Email to Vital Images Employees from Vital Images CEO, Michael H. Carrel

Subject: ONE TEAM, ONE COMPANY, ONE PLATFORM

Everyone,

I have some exciting news to share. Just a short while ago, we announced the signing of a definitive merger agreement with Toshiba Medical Systems Corporation (TMSC) pursuant to which a subsidiary of TMSC will acquire all of the outstanding shares of common stock of Vital Images for \$18.75 per share, or approximately \$273 million in aggregate, through a cash tender offer followed by a merger. Together, we believe that TMSC and Vital can deliver a comprehensive product portfolio to healthcare enterprises and physicians. This is a great opportunity to take our partnership to a new level, and build on our many achievements in advancing our enterprise imaging vision.

TMSC's culture of innovation and customer focus fits well with our own. Over the past several decades, TMSC has continued to gain market recognition and share as a result of its technology leadership. TMSC's senior leadership is committed to investing in our growth, ensuring our customers' success, and continuing the great traditions of Vital Images. The TMSC ONE TEAM approach is alive and well. Our customers and employees will remain top priorities.

We believe that combining with Toshiba Medical will help accelerate our growth into the Healthcare Imaging Informatics markets and multi-modality platforms, and extend our reach into new markets globally, where the presence of TMSC is strong. You'll be hearing more about the company, and its vision, soon.

The signing of the definitive merger agreement is the first step in the process. Under the terms of the agreement, it is anticipated that Merger Sub will commence a tender offer for all of the outstanding shares of Vital Images by May 11, 2011. The closing of the tender offer is conditioned on, among other things, the tender of at least a majority of the outstanding shares of Vital Images' common stock on a fully diluted basis, required regulatory approvals, including those of the Federal Trade Commission under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, and other customary closing conditions. It is expected that the transaction will close in the second or third quarter of 2011. Until the closing, we will continue to operate as an independent company, and your reporting structure will remain unchanged. Please stay focused on business as usual.

This year marks Vital Images' 23rd anniversary. We have come a long way from our early days in Fairfield, Iowa, significantly improving patient care along the way. We can all be proud of what we have accomplished, and excited about the great opportunities in front of us with Toshiba. In 2008, when I first became CEO, we were just beginning the transition to the enterprise. Back then, I wrote the following:

As a company we love to serve; we care about the customers and patients deeply; we build great products; we love to have fun and we have a passion for winning. After 20 years of great success, we are about to embark upon a new chapter in our story. I could not be more thrilled than to know that you are all part of the team in helping Vital as we transition and take head-on the challenges and opportunities in front of us. Fortunately, we are well positioned to do so.

Edgar Filing: VITAL IMAGES INC - Form SC14D9C

This message holds true even more today.

In the coming weeks, we will be communicating with you on the specifics relevant to your roles going forward, and sharing the new employment programs TMSC has carefully put together. I want to reiterate that TMSC is buying Vital Images to add to and enhance the sales, R&D, and maintenance and support resources we have built.

I know you'll have many questions over the next several weeks and we will answer your questions the best we can. We will have a company meeting today in Minnetonka at 3:30pm CT, where several key members from TMSC will join us. For those employees not based in Minnetonka, conference call dial in numbers will be made available in a separate communication.

I am confident that TMSC shares our vision to use innovative technologies to improve healthcare and patient care worldwide. Our cultures are a great fit, and I am excited to be a part of the company going forward.

Here's to a bright future together!

Mike
