MTS Enhances its Presence in the Broadband and Pay-TV Market in the Kursk Oblast

November 02, 2012

Moscow, Russian Federation Mobile TeleSystems OJSC (MTS or the Company NYSE: MBT), the leading telecommunications provider in Russia and the CIS, announces the acquisition of Pilot LLC and TVKiK LLC, which provide fixed broadband and pay-TV services in the cities Kurchatov and Schigry in the Kursk Oblast, from private investors. The purchase price, including the net debt of both companies, amounts to 90.7 million rubles.

Pilot LLC has been active in the fixed broadband market in Kurchatov since 2000. TVKiK LLC has been providing pay-TV services in Kurchatov since 1991 and in Schigry since 2001. The operators' FTTB (fiber-to-the-building) network covers 98% of households in Kurchatov and over 80% of households in Schigry.

TVKiK LLC's market share in the pay-TV market in Kurchatov exceeds 95%, and its market share in Schigry is approximately 80%. Pilot LLC is the leading provider of fixed broadband in Kurchatov and boasts a market share of 65%.

Financial results of Pilot LLC and TVKiK LLC will be consolidated in the Company's financial statements beginning from October 30, 2012.

Overall, MTS Group offers fixed-line services in over 150 cities throughout Russia.

Some of the information in this press release may contain projections or other forward-looking statements regarding future events or the future financial performance of MTS, as defined in the safe harbor provisions of the U.S. Private Securities Litigation Reform Act of 1995. You can identify forward looking statements by terms such as expect, believe, anticipate, estimate, intend, will, could, may or might, and such terms or other similar expressions. We wish to caution you that these statements are only predictions and that actual events or results may differ materially. We do not undertake or intend to update these statements to reflect events and circumstances occurring after the date hereof or to reflect the occurrence of unanticipated events. We refer you to the documents MTS files from time to time with the U.S. Securities and Exchange Commission, specifically the Company's most recent Form 20-F. These documents contain and identify important factors, including those contained in the section captioned Risk Factors that could cause the actual results to differ materially from those contained in our projections or forward-looking statements, including, among others, the severity and duration of current economic and financial conditions, including volatility in interest and exchange rates, commodity and equity prices and the value of financial assets; the impact of Russian, U.S. and other foreign government programs to restore liquidity and stimulate national and global economies, our ability to maintain our current credit rating and the impact on our funding costs and competitive position if we do not do so, strategic actions, including acquisitions and dispositions and our success in integrating acquired businesses, potential fluctuations in quarterly results, our competitive environment, dependence on new service development and tariff structures, rapid technological and market change, acquisition strategy, risks associated with telecommunications infrastructure, governmental regulation of the telecommunications industries and other risks associated with operating in Russia and the CIS, volatility of stock price, financial risk management and future growth subject to risks.
