The Notice of Internet Availability of Proxy Materials or this Proxy Statement and the accompanying proxy card, Notice of 2013 Annual Meeting of Stockholders and Annual Report on Form 10-K for the year ended December 31, 2012 were first mailed to all stockholders of record on or about April 30, 2013.

Unless otherwise indicated or unless the context otherwise requires, all references in this Proxy Statement to the Company, Hilltop, we, us, our and similar expressions are references to Hilltop Holdings Inc. All references to NLASCO are references to NLASCO, Inc., our wholly-owned property and casualty insurance holding company. All references to PlainsCapital are references to PlainsCapital Corporation, our wholly owned financial services holding company; references to the Bank refer to PlainsCapital Bank (a wholly owned subsidiary of PlainsCapital Corporation); references to First Southwest refer to First Southwest Holdings, LLC (a wholly owned subsidiary of the Bank) and its subsidiaries as a whole; and references to PrimeLending refer to PrimeLending, a PlainsCapital Company (a wholly owned subsidiary of the Bank) and its subsidiaries as a whole.

Why am I receiving these proxy materials?

The Board of Directors of Hilltop Holdings Inc., or the Board of Directors, has made these materials available to you on the Internet or has delivered printed versions of these materials to you by mail in connection with the Board of Directors' solicitation of proxies for use at our 2013 Annual Meeting of Stockholders, or the Annual Meeting, which will take place at 10:00 a.m. (Dallas, Texas time) on Wednesday, June 12, 2013, at The Crescent Club, 200 Crescent Court, 17th Floor, Dallas, Texas 75201. This Proxy Statement describes matters on which you, as a stockholder, are entitled to vote. This Proxy Statement also gives you information on these matters so that you can make an informed decision.

Why did I receive a one-page Notice in the mail regarding the Internet availability of proxy materials instead of printed proxy materials?

Edgar Filing: Hilltop Holdings Inc. - Form DEF 14A

In accordance with rules promulgated by the Securities and Exchange Commission, or the SEC, instead of mailing a printed copy of our proxy materials to all of our stockholders, we have elected to furnish such materials to selected stockholders by providing access to these documents over the Internet. Accordingly, on or about April 30, 2013, we sent a Notice of Internet Availability of Proxy Materials, or the Notice, to selected stockholders of record and beneficial owners. These stockholders have the ability to access the proxy materials on a website referred to in the Notice or to request to receive a printed set of the proxy materials by calling the toll-free number found on the Notice. We encourage you to take advantage of the availability of the proxy materials on the Internet in order to help reduce the environmental impact of the Annual Meeting.

How can I get electronic access to the proxy materials?

The Notice provides you with instructions regarding how to:

- view our proxy materials for the Annual Meeting on the Internet;
- vote your shares after you have viewed our proxy materials;
- register to attend the meeting in-person;
- request a printed copy of the proxy materials; and
- instruct us to send our future proxy materials to you electronically by email.

Copies of the proxy materials are available for viewing at www.proxyvote.com.

Table of Contents

You may have received proxy materials by email. Even if you received a printed copy of our proxy materials, you may choose to receive future proxy materials by email. Choosing to receive your future proxy materials by email will lower our costs of delivery and will reduce the environmental impact of our annual meetings. If you choose to receive our future proxy materials by email, you will receive an email next year with instructions containing a link to view those proxy materials and link to the proxy voting site. Your election to receive proxy materials by email will remain in effect until you terminate it or for so long as the email address provided by you is valid.

What am I voting on?

At the Annual Meeting, stockholders will be asked to:

- Elect 21 directors to serve on our Board of Directors until the 2014 Annual Meeting of Stockholders and until their successors are duly elected and qualified;
- Conduct an advisory vote to approve executive compensation;
- Ratify the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal quarter ended March 31, 2013; and
- Transact any other business that may properly come before the meeting and any adjournments or postponements of the meeting.

What are the Board of Directors recommendations?

The Board of Directors recommends that you vote your shares:

- **FOR** each of our director candidates;
- **FOR**, on an advisory basis, the approval of the compensation of our named executive officers; and

Edgar Filing: Hilltop Holdings Inc. - Form DEF 14A

- **FOR** the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal quarter ended March 31, 2013.

Who is entitled to vote?

Holders of record of our common stock at the close of business on April 9, 2013, are entitled to vote at the meeting. Each stockholder is entitled to cast one vote for each share of common stock owned on each matter presented.

How do I vote?

If you are a stockholder of record, there are four ways to vote:

- *In Person.* You may vote in person at the Annual Meeting. Bring your printed proxy card if you received one by mail. Otherwise, we will provide stockholders of record a ballot at the Annual Meeting. We recommend that you vote by proxy even if you plan to attend the Annual Meeting. You always can change your vote at the Annual Meeting.
- *Via the Internet.* You may vote by proxy via the Internet by visiting www.proxyvote.com. Have your proxy card or Notice in hand when you access the website and follow the instructions to obtain your records and to create an electronic voting instruction form.
- *Via Telephone.* If you received or requested printed copies of the proxy materials by mail, you may vote by proxy by calling the toll-free number found on the proxy card.
- *Via Mail.* If you received or requested printed copies of the proxy materials by mail, you may vote by proxy by marking, signing and dating the proxy card and sending it back in the envelope provided.

If you have shares of our common stock that are held by a broker or other nominee, you may instruct your broker or nominee to vote your shares by following the instructions that the broker or nominee provides you. New York Stock Exchange rules prohibit your broker from voting for the election of directors and executive compensation on your behalf without specific voting instructions from you. Many brokers allow stockholders to provide voting instructions by mail, telephone and the Internet.

Table of Contents

How do proxies work?

Our Board of Directors is asking for your proxy. Giving your proxy to the persons named by us means you authorize them to vote your shares at the Annual Meeting in the manner you direct. You may vote for all, some or none of our director candidates, and you may vote for or against, or abstain from voting on, executive compensation and the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal quarter ended March 31, 2013.

If you are a stockholder of record, and you indicate when voting on the Internet or by telephone that you wish to vote as recommended by our Board of Directors or you sign and return the enclosed proxy card, but do not specify how your shares are to be voted, your shares will be voted **FOR** the election of all of our director candidates, **FOR** the approval of our executive compensation and **FOR** the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal quarter ended March 31, 2013.

If you are a beneficial owner of shares held in street name and you do not provide the organization that holds your shares with specific voting instructions, under the rules promulgated by the New York Stock Exchange, the organization that holds your shares may generally vote on routine matters at its discretion, but cannot vote on non-routine matters. If the organization that holds your shares does not receive instructions from you on how to vote your shares on a non-routine matter, that organization will inform the inspector of election that it does not have the authority to vote on such matters with respect to your shares, which is generally referred to as a broker non-vote.

You may receive more than one proxy or voting card depending on how you hold your shares. Shares registered in your name are covered by one card. If you also hold shares through a broker or other nominee, you also may receive material from them asking how you want to vote. To be sure that all of your shares are voted, we encourage you to respond to each request you receive.

Which matters are considered routine or non-routine ?

The ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal quarter ended March 31, 2013, is considered to be a routine matter. A broker or other nominee may generally vote on routine matters and, therefore, no broker non-votes are expected to exist with respect to this matter. All other matters set forth in this Proxy Statement are matters that we believe will be designated non-routine matters. A broker or other nominee cannot vote without instructions on non-routine matters and, therefore, there will be broker non-votes on all matters other than the ratification of the appointment of PricewaterhouseCoopers LLP.

Can I change my vote or revoke my proxy after I have voted?

You may revoke your proxy and change your vote at any time before the final vote at the Annual Meeting, or earlier deadline specified in the Notice or the proxy card, by voting again via the Internet or by telephone (only your latest Internet or telephone proxy submitted prior to the Annual Meeting will be counted), by signing and returning a new proxy card or vote instruction form with a later date, or by attending the Annual Meeting and voting in person. Your attendance at the Annual Meeting, however, will not automatically revoke your proxy unless you vote again at the Annual Meeting or specifically request that your prior proxy be revoked by delivering, prior to the Annual Meeting, a written

notice of revocation to the corporate Secretary at the address listed under Questions on page 54.

Will my shares be voted if I don't sign a proxy?

If you hold your shares directly in your own name, they will not be voted unless you provide a proxy. Under certain conditions, shares that you own that are held by a broker or nominee may be voted even if you do not provide voting instructions to the broker or nominee. Brokerage firms have the authority under applicable rules to vote on certain routine matters, including the ratification of the appointment of auditors.

What constitutes a quorum?

In order to carry on the business of the meeting, we must have a quorum. This means that at least a majority of the outstanding shares eligible to vote must be represented at the meeting, either in person or by proxy. Shares owned by us are not voted and do not count for this purpose. Both abstentions and broker non-votes (described below) are counted as present for purposes of determining the presence of a quorum. On April 9, 2013, we had 83,487,340 shares of common stock outstanding and entitled to vote at the meeting.

Table of Contents

How many votes are needed for approval?

Election of Directors

Election of the director nominees requires the affirmative vote of a plurality of the votes cast on the matter. The director candidates receiving the highest number of affirmative votes of the shares entitled to be voted will be elected as directors. For purposes of the election of directors, abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote. Stockholders may not cumulate votes in the election of directors.

Advisory Vote to Approve Executive Compensation

The affirmative vote of a majority of the votes cast on the matter is required to approve, on an advisory basis, executive compensation. The Compensation Committee of the Board of Directors will review the results of this matter and will take the results into account in making future determinations concerning executive compensation. For purposes of the advisory vote on executive compensation, abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote.

Ratification of Independent Registered Public Accounting Firm

The appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal quarter ended March 31, 2013 will be ratified if this proposal receives the affirmative vote of a majority of the votes cast on the matter. Brokers have the authority to vote **FOR** this proposal in the absence of contrary instructions from a beneficial owner. If this appointment is not ratified by stockholders, the Audit Committee and Board of Directors may reconsider its recommendation and appointment, respectively. With respect to this proposal, abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote.

Who conducts the proxy solicitation?

Our Board of Directors is soliciting the proxies, and we will bear all costs of this solicitation, including the preparation, assembly, printing and mailing of this Proxy Statement. Copies of proxy materials will be furnished to banks, brokerage houses and other agents and nominees holding shares in their names that are beneficially owned by others so that they may forward the proxy materials to those beneficial owners. In addition, if asked, we will reimburse these persons for their reasonable expenses in forwarding the proxy materials to the beneficial owners. We have requested banks, brokerage houses and other custodians, nominees and fiduciaries to forward all proxy materials to the beneficial owners of the shares that they hold of record. Certain of our officers and employees also may solicit proxies on our behalf by mail, email, phone or fax or in person.

What should I do if I want to attend in person?

You will need an admission ticket to attend the Annual Meeting. Attendance at the Annual Meeting will be limited to stockholders of record at the close of business on April 9, 2013 (or their authorized representatives) having an admission ticket or proof of their share ownership, and guests of the Company. If you plan to attend the meeting, please indicate this when you are voting by telephone or Internet or follow the instructions on your proxy card, and we will promptly mail an admission ticket to you.

If your shares are held in the name of a bank, broker, or other holder of record and you plan to attend the meeting, you can obtain an admission ticket in advance by providing proof of your ownership, such as a bank or brokerage account statement, to the corporate Secretary at the address listed under Questions on page 54. If you do not have an admission ticket, you must show proof of your ownership of the Company's common stock at the registration table at the door.

PROPOSAL ONE ELECTION OF DIRECTORS

General

At the recommendation of the Nominating and Corporate Governance Committee, our Board of Directors has nominated the director candidates named below.

Our Board of Directors oversees our management on your behalf. The Board of Directors reviews our long-term strategic plans and exercises direct decision-making authority on key issues, such as the authorization of dividends, the selection of the Chief Executive Officer, setting the scope of his authority to manage our day-to-day operations and the evaluation of his performance.

Our Board of Directors is not classified; thus, all of our directors are elected annually. The Nominating and Corporate Governance Committee has recommended, and our Board of Directors has nominated, for re-election all 21 persons currently serving as directors whose terms are expiring at the 2013 Annual Meeting of Stockholders.

If elected, each of the persons nominated as a director will serve until the next annual meeting of stockholders and until their successors are duly elected and qualified. Personal information on each of our nominees is given below.

In connection with our acquisition of PlainsCapital, we agreed to expand our Board of Directors and appoint nine additional directors from the directors serving on the PlainsCapital board of directors immediately prior to the closing of the acquisition. As a result, the Nominating and Corporate Governance Committee recommended the appointment of, and the Board of Directors appointed, the following legacy PlainsCapital directors to our Board of Directors effective November 30, 2012: Charlotte Jones Anderson, Tracy A. Bolt, Hill A. Feinberg, James R. Huffines, Lee Lewis, Andrew J. Littlefair, A. Haag Sherman, Robert C. Taylor, Jr. and Alan B. White.

Our Board of Directors has affirmatively determined that 12 of the 21 nominees for election as directors at the Annual Meeting have no material relationship with us (either directly or as a partner, stockholder or officer of an organization that has a relationship with us) and are independent within the meaning of the director independence requirements of the listing standards of the New York Stock Exchange, or NYSE. The independent directors are Charlotte Jones Anderson, Rhodes Bobbitt, Tracy A. Bolt, W. Joris Brinkerhoff, Charles R. Cummings, J. Markham Green, Jess T. Hay, William T. Hill, Jr., Andrew J. Littlefair, W. Robert Nichols, III, A. Haag Sherman and Robert C. Taylor, Jr. The determinations regarding the independence of these individuals were based upon information known by the members of the Board of Directors concerning each other and supplied by each of the directors for the purpose of this determination. In making its annual review on director independence, the Board of Directors considered transactions and relationships between each director and any member of his or her immediate family and the Company. The Board of Directors considered that four directors it determined to be independent Ms. Anderson and Messrs. Bolt, Littlefair and Taylor have, or a member of their immediate family or an affiliated company in which they are employed or in which they are a principal equity holder has, received loans from the Bank in the ordinary course of business that our Board of Directors did not view as compensation. In our management's opinion, these loans were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions by the Bank with other unaffiliated persons and do not involve more than normal risk of collectability. In addition, the Board of Directors considered transactions between the Bank and Clean Energy Finance, Inc., a subsidiary of Clean Energy Fuels Corp., a company for which Andrew J. Littlefair serves as a director and president and chief executive officer. Mr. Littlefair

Edgar Filing: Hilltop Holdings Inc. - Form DEF 14A

also beneficially owned 2.0% of Clean Energy Fuels Corp. at March 18, 2013. In 2012 and late 2011, the Bank purchased, in a series of transactions, an aggregate of approximately \$6.1 million in original principal amount of promissory notes issued by unaffiliated third parties from Clean Energy Finance, Inc. Although purchased at premium to the outstanding principal balance on the notes, at the time of purchase, the interest rates on the notes exceeded the market rates charged by the Bank on similar-type loans that it originated. Clean Energy Finance, Inc. performs the servicing on the notes at no cost to the Bank and sold the notes with recourse to Clean Energy Finance, Inc. in the event of default. The aggregate payments of the purchase prices in these transactions constituted less than 2% of the consolidated gross revenues of each of Clean Energy Fuels Corp. and the Company in 2012 and were made in the ordinary course of business in arms-length transactions. Mr. Littlefair did not have a direct financial interest in any of the transactions with Clean Energy Finance, Inc. Assuming the election of our 21 nominees, all of our directors, other than Messrs. Hill A. Feinberg,

Table of Contents

Gerald Ford, Jeremy Ford, James R. Huffines, Lee Lewis, Clifton Robinson, Kenneth D. Russell, Carl Webb and Alan B. White, also will be independent directors, as set forth in our Director Independence Criteria. The full text of the Director Independence Criteria can be found in the Corporate Information Governance Documents section of our website at www.hilltop-holdings.com. A copy also may be obtained upon request by writing our corporate Secretary at the address provided on page 54.

Our Board of Directors met six times during 2012. During 2012, no director attended fewer than 75% of the meetings of the Board of Directors and of the board committees on which he or she served. Because fewer than ten non-management stockholders usually attend our annual meetings in person, our Board of Directors has not adopted a formal policy with regard to director attendance at the annual meetings of stockholders. We, however, encourage members of the Board of Directors to attend annual meetings. Messrs. Jeremy Ford and Robert Nichols attended the 2012 annual meeting of stockholders.

Members of our Board of Directors who also are full-time employees do not receive any compensation for their service on the Board of Directors or any committee of the Board of Directors. All other directors receive the following compensation for their service on the Board of Directors:

- \$40,000 annual retainer; and
- \$2,000 fee for participation in each meeting of the Board of Directors at which attendance in person is requested (one-half of that fee is paid for participation in any meeting at which attendance is requested by telephone).

In addition, members of board committees receive the following additional compensation:

- Audit Committee \$65,000 annual fee for the chairperson of the committee;
- Nominating and Corporate Governance Committee \$10,000 annual fee for the chairperson of the committee;
- Compensation Committee \$10,000 annual fee for the chairperson of the committee;

Cash and shares of common stock are paid and issued, respectively, in arrears on a calendar quarterly basis, with no vesting requirements. Customarily, these payments and issuances occur by the 15th day of the month following the applicable calendar quarter-end. The value of the common stock awarded is based upon the average closing price per share of our common stock for the last ten consecutive trading days of the applicable calendar quarter. In lieu of fractional shares of common stock that would otherwise be issuable to directors, we pay cash to the director based upon the value of those fractional shares at the value the shares are awarded to the director. If a director does not serve for the entire calendar quarter, that director is compensated based upon the time of service during the applicable calendar quarter.

Each member of our Board of Directors is reimbursed for out-of-pocket expenses associated with his service on, and attendance at, Board of Directors or board committee meetings. Other than as described above, members of our Board of Directors receive no additional compensation for their service on the Board of Directors or board committees.

Board Committees

General

The Board of Directors appoints committees to assist it in carrying out its duties. Each committee reviews the results of its deliberations with the full Board of Directors.

The standing committees of the Board of Directors currently consist of the Audit Committee, the Compensation Committee, the Executive Committee, the Merger and Acquisition Committee, the Nominating and Corporate Governance Committee and the Investment Committee. Current copies of the charters for the Audit Committee, the Compensation Committee, the Merger and Acquisition Committee, the Nominating and Corporate Governance Committee and the Investment Committee, as well as our Corporate Governance Guidelines, Code of Business Conduct and Ethics and Code of Ethics for Chief Executive and Senior Financial Officers, may be found on our website at www.hilltop-holdings.com, under the heading *Corporate Information Governance Documents*. Audit Committee

We have a standing Audit Committee established within the meaning of Section 3(a)(58)(A) of the Securities Exchange Act of 1934. The Audit Committee helps our Board of Directors ensure the integrity of our financial statements, the qualifications and independence of our independent registered public accounting firm and the performance of our internal audit function and independent registered public accounting firm. In furtherance of those matters, the Audit Committee assists in the establishment and maintenance of our internal audit controls, selects, meets with and assists the independent registered public accounting firm, oversees each annual audit and quarterly review and prepares the report that federal securities laws require be included in our annual proxy statement, which appears on page 51. Mr. Cummings has been designated as Chairman, and Messrs. Green and Bolt are members, of the Audit Committee. Until January 9, 2013, Mr. Bobbitt also served as a member of the Audit Committee. Our Board of Directors has reviewed the education, experience and other qualifications of each member of the Audit

Committee. Based upon that review, our Board of Directors has determined that each of Mr. Cummings and Mr. Bolt qualify as an audit committee financial expert, as defined by the rules of the Securities and Exchange Commission, and each member is independent for purposes of audit committee members, as set forth in the New York Stock Exchange's listing standards. Currently, none of our Audit Committee members serve on the audit committees of three or more public companies.

Compensation Committee

The Compensation Committee reviews and approves the compensation and benefits of our executive officers, administers our approved annual incentive plan and our 2003 and 2012 equity incentive plans and produces the annual report on executive compensation for inclusion in our annual proxy statement, which appears on page 36. Each member is independent in accordance with the listing standards of the New York Stock Exchange.

The Nominating and Corporate Governance Committee's purpose is as follows:

Corporate Governance

General

We are committed to good corporate governance practices and, as such, we have adopted formal corporate governance guidelines to enhance our effectiveness. The guidelines govern, among other things, board member qualifications, responsibilities, education, management succession and executive sessions. A copy of the corporate governance guidelines may be found at our corporate website at www.hilltop-holdings.com under the heading Corporate Information Governance Documents. A copy also may be obtained upon request from our corporate Secretary at the address listed under Questions on page 54.

Board Leadership Structure

Except for a brief period in 2010 where Mr. Gerald J. Ford served as interim Chief Executive Officer, historically, we have separated the offices of Chief Executive Officer and Chairman of the Board as a means of separating management of the Company from our Board of Directors oversight of management. Separating these roles also enabled an orderly leadership transition when Mr. Larry Willard retired at the conclusion of 2009. We believe, at this time, that this structure provides desirable oversight of our management and affairs. We have in the past appointed, and will continue to appoint, lead independent directors as circumstances require.

Risk Oversight

Our Board of Directors oversees an enterprise-wide approach to risk management, intended to support the achievement of organizational objectives, including strategic objectives, to improve long-term organizational performance and enhance stockholder value. Our Board of Directors is actively involved in establishing and

Table of Contents

refining our business strategy, including assessing management's appetite for risk and determining the appropriate level of overall risk for the Company. We may conduct assessments in the future as circumstances warrant.

While the Board of Directors has the ultimate oversight responsibility for the risk management process, various committees of the Board of Directors also have responsibility for risk management. In particular, the Audit Committee focuses on financial risk, including internal controls, and, from time to time, discusses and evaluates matters of risk, risk assessment and risk management with our management team. The Compensation Committee is responsible for overseeing the management of risk associated with our compensation policies and arrangements. The Nominating and Corporate Governance Committee ensures that the internal rule processes by which we are governed are consistent with prevailing best governance practices and applicable laws and regulations. Finally, the Investment Committee ensures that our funds are invested in accordance with policies and limits approved by it. Our Senior Officer Code of Ethics, Code of Business Conduct and Ethics, Committee Charters and other governance documents are reviewed by the appropriate committees annually to confirm continued compliance, ensure that the totality of our risk management processes and procedures is appropriately comprehensive and effective and that those processes and procedures reflect established best practices.

Board Performance

Our Board of Directors conducts an annual survey of its members regarding its performance and reviews the results of the survey with a view to improving efficacy and effectiveness of the Board of Directors. In addition, the full Board of Directors reviews annually the qualifications and effectiveness of the Audit Committee and its members.

Director Qualifications for Service

As described below, the Nominating and Corporate Governance Committee considers a variety of factors when a candidate is being considered to fill a vacancy on the Board of Directors or when nomination of an incumbent director for re-election is under consideration. The Nominating and Corporate Governance Committee and the Board of Directors strive to balance a diverse mix of experience, perspective, skill and background with the practical requirement that the Board of Directors will operate collegially, with the common purpose of overseeing our business on behalf of our stockholders. All of our directors possess relevant experience, and each of them approaches the business of the Board of Directors and their responsibilities with great seriousness of purpose. The following describes, with respect to each director, his or her particular experience, qualifications, attributes and skills that qualify him to serve as a director:

Communications with Directors

Our Board of Directors has established a process to receive communications from stockholders and other interested parties. Stockholders and other interested parties may contact any member or all members of the Board of Directors by mail. To communicate with our Board of Directors, any individual director or any group or committee of directors, correspondence should be addressed to the Board of Directors or any such individual director or group or committee of directors by either name or title. The correspondence should be sent to Hilltop Holdings Inc., c/o Secretary, 200 Crescent Court, Suite 1330, Dallas, Texas 75201.

Any contents that are not in the nature of advertising, promotions of a product or service or patently offensive material will be forwarded promptly to the addressee(s). In the case of communications to the Board of Directors or any group or committee of directors, the General Counsel's office will make sufficient copies of the contents to send to each director who is a member of the group or committee to whom the communication is addressed. If the amount of correspondence received through the foregoing process becomes excessive, our Board of Directors may consider approving a process for review, organization and screening of the correspondence by the corporate Secretary or other appropriate person.

Director Nomination Procedures

The Nominating and Corporate Governance Committee believes that, at a minimum, candidates for membership on the Board of Directors should have a demonstrated ability to make a meaningful contribution to the Board of Directors oversight of our business and affairs and have a record and reputation for honest and ethical conduct. The Nominating and Corporate Governance Committee recommends director nominees to the Board of Directors based on, among other things, its evaluation of a candidate's experience, knowledge, skills, expertise, integrity, ability to make independent analytical inquiries, understanding of our business environment and a willingness to devote adequate time and effort to board responsibilities. In making its recommendations to the Board of Directors, the Nominating and Corporate Governance Committee also seeks to have the Board of Directors nominate candidates who have diverse backgrounds and areas of expertise so that each member can offer a unique and valuable perspective.

The Nominating and Corporate Governance Committee expects, in the future, to identify potential nominees by asking current directors and executive officers to notify the committee if they become aware of persons who meet the criteria described above. The Nominating and Corporate Governance Committee also, from time to time, may engage firms, at our expense, that specialize in identifying director candidates. As described below, the Nominating and Corporate Governance Committee also will consider candidates recommended by stockholders.

Once a person has been identified by the Nominating and Corporate Governance Committee as a potential candidate, the committee expects to collect and review publicly available information regarding the person to assess whether the person should be considered further. If the Nominating and Corporate Governance Committee determines that the candidate warrants further consideration, and if the person expresses a willingness to be considered and to serve on the Board of Directors, the Nominating and Corporate Governance Committee expects to request information from the candidate, review the person's accomplishments and qualifications, including in light of any other candidates that the committee might be considering, and conduct one or more interviews with the candidate. In certain instances, members of the Nominating and Corporate Governance Committee may contact one or more references provided by the candidate or may contact other members of the business community or other persons that may have greater first-hand knowledge of the candidate's accomplishments.

In addition to formally nominating individuals for election as directors in accordance with our Second Amended and Restated Bylaws, as summarized below on page 53 under Stockholder Proposals for 2014, stockholders may send written recommendations of potential director candidates to the Nominating and Corporate Governance Committee for its consideration. Such recommendations should be submitted to the Nominating and Corporate Governance Committee c/o Secretary at Hilltop Holdings Inc., 200 Crescent Court, Suite 1330, Dallas, Texas 75201. Director recommendations submitted by stockholders should include the following information regarding the stockholder making the recommendation and the individual(s) recommended for nomination:

- name, age, business address and residence address;

- the class, series and number of any shares of Hilltop stock or other securities of Hilltop or any affiliate of Hilltop owned, beneficially or of record (including the name of the nominee holder if beneficially owned);

- the date(s) that shares of Hilltop stock or other securities of Hilltop or any affiliate of Hilltop were acquired and the investment intent of such acquisition;

- any short interest (including any opportunity to profit or share in any benefit from any decrease in the price of such stock or other security) in any securities of Hilltop or any affiliate of Hilltop;

- whether and the extent to which such person, directly or indirectly (through brokers, nominees or otherwise), is subject to or during the prior six months has engaged in any hedging, derivative or other transaction or series of transactions or entered into any other agreement, arrangement or understanding (including any short interest, any borrowing or lending of securities or any proxy or voting agreement), the effect or intent of which is to (a) manage risk or benefit of changes in the price of Hilltop securities or any security of any entity listed in the peer group in the stock performance graph included in the materials distributed with this Proxy Statement or (b) increase or decrease the voting power of such person in Hilltop disproportionately to such person's economic interest in Hilltop securities (or, as

applicable, any security of any entity listed in the peer group in the stock performance graph included in the materials distributed with this Proxy Statement);

- any substantial interest, direct or indirect (including, without limitation, any existing or prospective commercial, business or contractual relationship with us), by security holdings or otherwise of such person in us or in any of our affiliates, other than an interest arising from the ownership of securities where such person receives no extra or special benefit not shared on a pro rata basis by all other holders of the same class or series;
- the investment strategy or objective, if any, of the stockholder making the recommendation and a copy of the prospectus, offering memorandum or similar document, if any, provided to investors, or potential investors, in such stockholder (if not an individual);
- to the extent known by the stockholder making the recommendation, the name and address of any other stockholder supporting the nominee for election or reelection as a director;
- a certificate executed by the proposed nominee that certifies that the proposed nominee is not, and will not, become a party to, any agreement, arrangement or understanding with any person or entity other than us in connection with service or action as a director that has not been disclosed to us and that the proposed nominee consents to being named in a proxy statement and will serve as a director if elected;
- completed proposed nominee questionnaire (which will be provided upon request by writing or telephoning our Corporate Secretary at the address or phone number listed under Questions on page 54); and
- all other information that would be required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to Regulation 14A under the Securities Exchange Act of 1934 and the rules promulgated thereunder.

The stockholder recommendation and information described above must be delivered to the Corporate Secretary not earlier than the 120th day and not later than 5:00 p.m., Dallas, Texas time, on the 90th day prior to the first anniversary of the date of the proxy statement for the preceding year's annual meeting of stockholders; *provided, however*, that if the date of the annual meeting is advanced more than thirty days prior to, or delayed by more than thirty days after, the first anniversary of the date of the preceding year's annual meeting, the stockholder recommendation and information must be delivered not earlier than the 120th day prior to the date of such annual meeting and not later than 5:00 p.m., Dallas, Texas time, on the later of the 90th day prior to the date of such annual meeting of stockholders and the 10th day following the date on which public announcement of the date of such annual meeting is first made. In the event, however, the number of directors to be elected to the Board of Directors is increased and there is no public announcement of such action at least 100 days prior to the first anniversary of the date of the proxy statement for the preceding year's annual meeting, a stockholder recommendation also will be considered timely, but only with respect to nominees for any new positions created by the increase, if it is delivered to the Corporate Secretary not later than 5:00 p.m., Dallas, Texas time, on the tenth day following the day on which the public announcement is first made.

The Nominating and Corporate Governance Committee expects to use a similar process to evaluate candidates to the Board of Directors recommended by stockholders as the one it uses to evaluate candidates otherwise identified by the committee.

Pursuant to an action of the Board of Directors at a meeting held March 8, 2012, the mandatory retirement age for directors was waived with regard to the service of Messrs. Cummings, Hay and Robinson.

No fee was paid to any third party or parties to identify or evaluate, or assist in identifying or evaluating, potential nominees.

The Nominating and Corporate Governance Committee did not receive the name of any recommended director nominee from a stockholder.

Compensation Discussion and Analysis

Introduction and Executive Summary

For 2012 and prior years, the compensation program at Hilltop consisted of base salary and a discretionary cash bonus awarded by the Compensation Committee following the review of the achievements and audited financial statements for that fiscal year. Executive officers also were granted long-term incentive compensation in the form of stock options from time to time by the Compensation Committee. NLASCO, Inc., Hilltop's insurance holding company subsidiary, however, utilized pre-determined performance criteria for compensation in addition to base salary.

On May 9, 2012, Hilltop announced the entry into a definitive agreement to acquire PlainsCapital Corporation. That acquisition was consummated on November 30, 2012, and the primary lines of business of Hilltop going forward will be materially different. As described in our proxy statements in previous years, the Compensation Committee envisioned adopting a more comprehensive compensation program upon a substantial acquisition. The Compensation Committee, accordingly, has determined to implement a compensation program for fiscal 2013 that is consistent with a corporation with material operations and furthers our pay-for-performance philosophy.

Given the significant changes in the compensation program going forward, in the paragraphs that follow, in addition to discussing the compensation of our named executive officers during 2012, we will discuss the overall objectives of our compensation program for fiscal 2013 and how it is designed to reward participants over the life of the program. We also will address each element of compensation and explain the reasons for the compensation decisions we have made regarding the following individuals, whom we refer to as our named executive officers :

Table of Contents

- Jeremy B. Ford President and Chief Executive Officer and a director;
- Darren Parmenter Senior Vice President of Finance (principal financial officer);
- Alan B. White Chief Executive Officer of PlainsCapital Corporation and Vice-Chairman of the Board of Directors;
- Todd Salmans President and Chief Executive Officer of PrimeLending; and
- Hill A. Feinberg Chief Executive Officer of First Southwest and a director.

Following this discussion, we provide specific information about compensation earned or awarded to our named executive officers for 2012.

We made the following key compensation decisions with respect to our named executive officers, which build upon our compensation governance framework and our overall pay-for-performance philosophy:

- Base Salary. In March 2013, the Compensation Committee determined to increase the salaries of Mr. Ford by 20% and Mr. Parmenter by 3% in light of their increased responsibilities following the acquisition of PlainsCapital. The Compensation Committee determined to keep the base salaries of our other named executive officers consistent with the salaries they received from PlainsCapital before the acquisition.
- Adoption of the Hilltop Holdings Inc. 2012 Equity Incentive Plan. The Board of Directors adopted, and the stockholders approved, the Hilltop Holdings Inc. 2012 Equity Incentive Plan, or the 2012 Equity Incentive Plan. We believe the 2012 Equity Incentive Plan will help focus directors, officers and other employees and consultants on business performance that creates stockholder value, encourage innovative approaches to our business, encourage ownership of our common stock by directors, officers and other employees and consultants and continue to attract and retain employees in a competitive labor market, which is essential to our long-term growth and success.
- Long-Term Incentive Compensation. The Compensation Committee has under consideration the grant of long-term incentive awards under the 2012 Equity Incentive Plan in the form of restricted stock to named executive officers and other key employees. These awards will be designed to align the interests of our named executive officers and key employees with those of our stockholders.

- Adoption of the Hilltop Holdings Inc. 2012 Annual Incentive Plan. The Board of Directors adopted, and the stockholders approved, the Hilltop Holdings Inc. 2012 Annual Incentive Plan, or the Annual Incentive Plan. The purposes of the Annual Incentive Plan are to reward executives whose performance during the fiscal year enabled us to achieve favorable business results and to assist us in attracting and retaining executives. The Annual Incentive Plan is designed to allow the Compensation Committee to grant awards that focus the executive's efforts on the achievement of specific goals in support of the Company's business strategy.
- Bonus Opportunity. Following a performance review of Messrs. Ford and Parmenter, including their leadership through the completion of the acquisition of PlainsCapital, the Compensation Committee awarded them discretionary cash bonuses in the amounts of \$300,000 and \$100,000, respectively. The Compensation Committee also awarded bonuses to our named executive officers that are employed by PlainsCapital and its subsidiaries based upon PlainsCapital, PlainsCapital Bank and PrimeLending producing their highest recorded earnings in any given year and exceeding their budgets in 2012. In March 2013, the Compensation Committee set target bonus opportunities for each of our named executive officers under the Annual Incentive Plan, which are designed to motivate and reward performance.
- Engagement of a Compensation Consultant. In January 2013, the Compensation Committee engaged an independent compensation consultant that does not provide any services to management and that has no prior relationship with management prior to the engagement.
- Incentive Award Claw-back Program. The Compensation Committee implemented a claw-back program in April 2013 for any annual incentive awards for improper risk and significant compliance issues.

Table of Contents

The following discussion summarizes in more detail our executive compensation program, objectives and philosophy, the processes and sources of input that are considered in determining compensation for our named executive officers and an analysis of the compensation earned by our named executive officers in 2012.

Philosophy and Objectives of Our Executive Compensation Program for 2013

Our compensation program for 2013 includes the following components: base salary, annual and long-term incentive awards that are linked to performance and the creation of stockholder value and perquisites. The named executive officers who are employed by PlainsCapital or its subsidiaries currently have certain contractual post-termination benefits; however, other than Mr. White, those benefits will expire two years from November 30, 2012. The 2013 program also includes a claw-back from any annual cash incentive award for improper risk and significant compliance issues. In structuring our compensation programs for 2013, the Compensation Committee selected the particular components and the weight given to those components, based upon our strategic objectives. We believe that it is critical to structure the compensation program in such a manner to retain those with the talent, skill and experience necessary for us to realize our strategic objectives.

With this in mind, the following principles help guide our decisions regarding compensation of our named executive officers:

- *Compensation opportunities should be competitive with market practices.* In order to attract and retain executives with the experience and skills necessary to lead our company and motivate them to deliver strong performance to our stockholders, we are committed to providing total annual compensation opportunities that are competitive.
- *A significant portion of compensation should be performance-based.* Our executive compensation program emphasizes pay for performance. This means that compensation based on corporate performance, as assessed under the criteria established pursuant to the Annual Incentive Plan, has the possibility to represent a significant portion of the named executive officer's total compensation. An additional component, which has the ability to reduce annual incentive compensation, is based upon improper risk taking and non-compliance with applicable laws and regulations.
- *Management's interests should be aligned with those of our stockholders.* Our long-term incentive compensation is being delivered in the form of restricted stock, the value of which is ultimately dependent upon the performance of our stock price. Although we have no mandatory requirement of stock ownership by our employees, including our named executive officers, stock ownership is encouraged.
- *Compensation should be perceived as fair and equitable.* We strive to create a compensation program that will be perceived as fair and equitable, both internally and externally.

How We Determine and Assess Executive Compensation Generally

PlainsCapital Acquisition

We completed the acquisition of PlainsCapital on November 30, 2012, and the compensation of our named executive officers who were employed by PlainsCapital is therefore largely based upon the compensation they were paid by PlainsCapital prior to the acquisition. Three of our named executive officers, Messrs. White, Salmans and Feinberg, were employed by PlainsCapital prior to the acquisition and each had an employment agreement with PlainsCapital. Although we entered into a retention agreement with Mr. White, which replaced his employment agreement, and amendments to the employment agreements with Messrs. Salmans and Feinberg, which, among other things, removed the guaranteed minimum bonus for Mr. Feinberg, each of these persons is entitled to the same base salary as he was paid prior to the acquisition. Mr. White's retention agreement further entitles him to a guaranteed minimum bonus. Mr. White's retention agreement has an initial term expiring on November 30, 2015 and renews automatically for an additional year on each anniversary beginning with the second anniversary of acquisition, and each of Messrs. Salmans and Feinberg's employment agreements expires on November 30, 2014 and does not automatically renew.

Role of the Compensation Committee

The Compensation Committee of our Board of Directors is responsible for reviewing and approving all aspects of the compensation programs for our named executive officers and making all decisions regarding specific compensation to be paid or awarded to them. The Compensation Committee is responsible for, among its other duties, the following:

- Review and approval of corporate incentive goals and objectives relevant to compensation;
- Evaluation of individual performance results in light of these goals and objectives;
- Evaluation of the competitiveness of the total compensation package; and
- Approval of any changes to the total compensation package, including, but not limited to, base salary, annual and long-term incentive award opportunities and payouts and retention programs.

The Compensation Committee is responsible for determining all aspects of compensation of the Chief Executive Officers of Hilltop and PlainsCapital, as well as assessing their individual performance.

In setting the compensation of our named executive officers, the Compensation Committee, in its discretion, considers (i) the transferability of managerial skills, (ii) the relevance of each named executive officer's experience to other potential employees, and (iii) the readiness of the named executive officer to assume a different or more significant role, either within our organization or with another organization. When making pay-related decisions, the Compensation Committee also has considered our specific circumstances and the associated difficulties with attraction, retention and motivation of talent and the importance of compensation in supporting achievement of our strategic objectives.

Information about the Compensation Committee and its composition, responsibilities and operations can be found under Board Committees beginning on page 14 of this Proxy Statement and in the Corporate Information-Committee Charting section of our website.

Role of the Chief Executive Officers in Compensation Decisions

The Chief Executive Officers of Hilltop and PlainsCapital recommend to the Compensation Committee any compensation changes affecting the other named executive officers. Within the framework of the compensation programs approved by the Compensation Committee and based on

Edgar Filing: Hilltop Holdings Inc. - Form DEF 14A

management's review of market competitive positions, each year the Chief Executive Officers will recommend the level of base salary increase, if any, review and recommend the specific individual performance objectives, and whether the officer has achieved performance objectives, in the annual incentive program and recommend the long-term incentive grant value, if any, for the other named executive officers. Their recommendations will be based upon their assessment of the individual officer's performance, performance of the officer's respective business or function and employee retention considerations. The Compensation Committee reviews and considers the Chief Executive Officers' recommendations when determining any compensation changes affecting our officers or executives. Each Chief Executive Officer does not play any role with respect to any matter impacting his own compensation.

Role of Stockholder Say-on-Pay Votes

The Company provides its stockholders with the opportunity to cast an annual advisory vote on executive compensation. At the Company's annual meeting of stockholders held in June 2012, 94% of the votes cast (excluding abstentions and broker non-votes) on the say-on-pay proposal at that meeting were voted in favor of the proposal. The Compensation Committee believes this affirms stockholders' support of the Company's approach to executive compensation, and did not change its approach in 2012. The compensation program for fiscal 2013 is included in this Compensation, Discussion & Analysis in order to assist stockholders in evaluating the material changes to the program going forward. Accordingly, the Compensation Committee will continue to consider the outcome of the Company's say-on-pay votes when making future compensation decisions for the named executive officers. A vote on the frequency of advisory votes on executive compensation will be submitted to stockholders at the 2014 annual meeting of stockholders.

Role of Compensation Consultant

Pursuant to its charter, the Compensation Committee is authorized to retain and terminate any consultant, as well as to approve the consultant's fees and other terms of the engagement. The Compensation Committee also has the authority to obtain advice and assistance from internal or external legal, accounting or other advisors. In January 2013, the Compensation Committee engaged Pearl Meyer & Partners, or Pearl Meyer, as its compensation consultant. The Compensation Committee has not engaged any other advisors and did not engage a compensation consultant for any of the previous five years.

Pearl Meyer provides research, data analyses, survey information and design expertise in developing compensation programs for executives and incentive programs for eligible employees. In addition, Pearl Meyer keeps the Compensation Committee apprised of regulatory developments and market trends related to executive compensation practices. Pearl Meyer does not determine or recommend the exact amount or form of executive compensation for any of the named executive officers. A representative of Pearl Meyer generally attends meetings of the Compensation Committee, is available to participate in executive sessions and communicates directly with the Compensation Committee.

Prior to the retention of a compensation consultant or any other external advisor, and from time to time as the Compensation Committee deems appropriate, the Compensation Committee assesses the independence of such advisor from management, taking into consideration all factors relevant to such advisor's independence, including the factors specified in the NYSE listing standards.

Pursuant to the Compensation Committee's charter, if the Compensation Committee chooses to use a compensation consultant, the consultant must be independent. The Compensation Committee assessed Pearl Meyer's independence, taking into account the following factors:

- compliance with the NYSE listing standards;
- the policies and procedures the consultant has in place to prevent conflicts of interest;
- any business or personal relationships between the consultant and the members of the Compensation Committee;
- any ownership of Company stock by the individuals at Pearl Meyer performing consulting services for the Compensation Committee;
and
- any business or personal relationship of Pearl Meyer with an executive officer of the Company.

Edgar Filing: Hilltop Holdings Inc. - Form DEF 14A

Pearl Meyer has provided the Compensation Committee with appropriate assurances and confirmation of its independent status pursuant to the charter and other factors. The Compensation Committee believes that Pearl Meyer has been independent throughout its service for the Committee and there is no conflict of interest between Pearl Meyer and the Compensation Committee.

Other Factors

The Compensation Committee makes executive compensation decisions following a review and discussion of both the financial and operational performance of our businesses and the annual performance reviews of the named executive officers and other members of the management team.

Elements of our Executive Compensation Program

Overall, our executive compensation program is designed to be consistent with the objectives and principles set forth above. The basic elements of our executive compensation program are summarized below, followed by a more detailed discussion of those programs.

Our compensation policies and programs are considered by the Compensation Committee in a total rewards framework, considering both pay base salary, annual incentive compensation and long-term incentive compensation; and benefits benefits, perquisites and executive benefits and other compensation. Our executive compensation program consists primarily of the following components:

Table of Contents

Compensation Component	Purpose
Base Salary	Fixed component of pay intended to compensate the individual fairly for the responsibility level of the position held.
Annual Incentive Awards	Variable component of pay intended to motivate and reward the individual's contribution to achieving our short-term/annual objectives.
Long-term Incentive Awards	Variable component of pay intended to motivate and reward the individual's contribution to achieving our long-term objectives.
Perquisites	Fixed component of pay intended to provide an economic benefit to us in attracting and retaining executive talent.

Base Salary

We provide base salaries for each named executive officer, commensurate with the services each provides to us, because we believe a portion of total direct compensation should be provided in a form that is fixed and liquid. In determining the salary of Messrs. Ford and Parmenter, the Compensation Committee evaluated the salaries of other named executive officers of the Company and the level of responsibility assumed, among other items. As a result of that analysis, the Compensation Committee determined to increase the annual salaries of Messrs. Ford and Parmenter in March 2013. With respect to the other named executive officers of the Company for 2013, the Compensation Committee determined to maintain the current salary at the level they received as employees of PlainsCapital prior to the acquisition. The following are the base salaries for the named executive officers in 2012 and 2013:

Name	Base Salary			\$ Change
	2012	2013		
Jeremy B. Ford	\$ 400,000	\$ 500,000	\$ 100,000	
Darren Parmenter	\$ 290,000	\$ 300,000	\$ 10,000	
Alan B. White	\$ 1,350,000	\$ 1,350,000(a)	\$	
Todd Salmans	\$ 750,000	\$ 750,000(b)	\$	
Hill A. Feinberg	\$ 240,000	\$ 240,000(b)	\$	

(a) Mr. White's salary is the base salary set forth in his retention agreement, which became effective upon the closing of the acquisition of PlainsCapital.

(b) Messrs. Salmans and Feinberg's salaries are the same as those in effect prior to the acquisition of PlainsCapital.

Annual Incentive Awards

Our named executive officers and other employees are eligible to receive annual cash incentive awards based upon our financial performance and other factors, including individual performance. The Compensation Committee believes that this element of compensation is important to focus management efforts on, and provide rewards for, annual financial and strategic results that are aligned with creating value for our stockholders. During 2012, we had a management incentive plan in effect for employees of NLASCO. Annual cash incentive awards also are

Edgar Filing: Hilltop Holdings Inc. - Form DEF 14A

subject to claw back for improper risk management and non-compliance with applicable laws and regulations. This component of the compensation program is pre-determined at the outset of the year and based upon measurable criteria.

Table of Contents

The Compensation Committee, in its sole discretion, determines the amount of each participant's award based on attainment of the applicable performance goals and assessments of individual performance. For 2013, the applicable performance goals are among the following:

- Consolidated financial results for Hilltop for named executive officers employed directly by Hilltop Holdings Inc.;
- Consolidated financial results of PlainsCapital, after removing purchase accounting adjustments, for employees of PlainsCapital and its subsidiaries;
- Financial results of lines of business for business heads after removing any purchase accounting adjustments; and/or
- Pre-determined individual objectives.

An amount of up to 15% of any available annual cash incentive award remains subject to the discretion of the Compensation Committee. Additionally, as previously mentioned, a claw back of 15% of any available annual cash incentive award will occur in the event that any improper risk management or non-compliance with applicable laws or regulations is identified.

The elements of the annual cash incentive award do not become available until net income equals 60% of the budgeted earnings for 2013 for the entity at which that named executive officer is employed. In order to be eligible to receive the target cash annual incentive award, actual earnings must meet budgeted amounts. Further, in the event actual earnings exceed budgeted amounts, up to 150% of the target amount of the annual incentive award becomes available. Between the threshold and target amounts, a range of the potential annual cash incentive award is available; however, such amount becomes larger the closer actual earnings are to the budgeted earnings. Proportionate increases in the available annual cash incentive award are made to the extent actual earnings exceed budgeted earnings, up to a maximum of 150% of the target annual cash incentive award. We have chosen not to disclose the specific budgeted amount targets for 2013 because we believe such disclosure would result in serious competitive harm and would be detrimental to our operating performance. Our 2013 goals are intended to be realistic and reasonable but challenging in order to drive performance. The Compensation Committee and management believe that by using these metrics we are encouraging profitable top line growth and cash generation for stockholders. For 2013, the Compensation Committee set annual cash incentive compensation targets are at 333% of base salary for Mr. Feinberg and 120% of base salary for Mr. Salmans. The Compensation Committee has not yet set the annual cash incentive compensation targets for Messrs. Ford or Parmenter. See Narrative Disclosure to Summary Compensation Table and Grants of Plan-Based Awards Table Annual Incentive Plan for more information on possible future payments to the named executive officers.

Long-Term Incentive Awards

As described above, we believe that a portion of each named executive officer's compensation should be tied to the performance of our company's stock price, aligning the officer's interest with that of our stockholders. In this regard, our long-term incentive compensation is delivered in the form of restricted stock, the value of which is ultimately dependent upon the performance of our stock price. Further discussion

Edgar Filing: Hilltop Holdings Inc. - Form DEF 14A

of the 2012 Equity Incentive Plan pursuant to which such shares of restricted stock are awarded is found after the Grants of Plan-Based Awards section below.

Although Mr. Ford has an award outstanding under the Hilltop Holdings Inc. 2003 Equity Incentive Plan, or the 2003 Equity Incentive Plan, with the adoption of the 2012 Equity Incentive Plan, all equity-based awards made to eligible employees, including the named executive officers, have since been made pursuant to the 2012 Equity Incentive Plan. All equity-based awards made to the named executive officers are made by the Compensation Committee and not pursuant to delegated authority.

Table of Contents

Perquisites and Other Benefits

We provide a limited number of perquisites and other benefits to our named executive officers at Hilltop. The only perquisite currently offered to the named executive officers employed directly by Hilltop is \$150 per month to be applied to a gym membership to promote wellness. With respect to named executive officers employed by PlainsCapital and its subsidiaries, those entities provide them with a monthly car allowance and reimbursement for country club membership dues. In addition, Mr. White is provided access to company aircraft and bank-owned life insurance. Otherwise, generally, our named executive officers receive only medical benefits, life insurance and long-term disability coverage, as well as supplemental contributions to the Company's 401(k) program, on the same terms and conditions as available to all employees of that entity.

Severance and Other Post-Termination Compensation

Other than change in control provisions in our 2012 Equity Incentive Plan, we do not currently maintain any severance or change in control programs for named executive officers employed directly by Hilltop. We, however, have historically paid severance, the amount of which is generally determined both by length of tenure and level of compensation, when termination occurs other than for cause and pursuant to which certain benefits may be provided to the named executive officers. Absent the negotiation of specific agreements with the named executive officers, severance benefits would be provided on the same basis as provided to other employees of the Company.

In connection with acquisition of PlainsCapital, we entered into a retention agreement with Mr. White. Pursuant to that agreement, he is entitled to following:

(1) \$6,430,890, including interest thereon from November 30, 2012, in full satisfaction of Mr. White's rights under Section 6 (Termination Upon Change in Control) of his previous employment agreement with PlainsCapital, dated January 1, 2009, payable in a cash lump-sum upon any termination of his employment;

(2) upon termination of his employment by us other than for cause or death or disability, or after non-renewal, cash severance of (i) the sum of Mr. White's annual base salary and the average of the annual bonus amounts paid to him for the three most recently completed fiscal years ending immediately prior to the date of termination, multiplied by (ii) the greater of (A) two, and (B) the number of full and partial years from the date of termination through the end of the applicable employment period under the retention agreement. Such severance is payable over the severance period, which is the greater of two years from the date of termination and the number of full and partial years from the date of termination through the end of the applicable employment period under the retention agreement.

The foregoing cash amounts in subparagraph (1) represent modified single trigger benefits, payable assuming the termination of employment for any reason, and the foregoing cash amounts in subparagraph (2) represent double trigger benefits, payable assuming a qualifying termination of employment. With respect to the amounts described in subparagraph (1) that are paid in full satisfaction of Section 6 of Mr. White's previous employment agreement with PlainsCapital, such amounts are payable upon any termination of employment at any time, subject to any delay required by Section 409A of the Internal Revenue Code and the execution of a release of claims. The cash severance amounts described in subparagraph (2) are payable upon a termination of employment other than for cause, death or disability or a termination due to non-renewal by Hilltop, subject to any delay required by Section 409A of the Internal Revenue Code and the execution of a release of claims.

Pursuant to the employment agreements of Messrs. Salmans and Feinberg with PlainsCapital, each executive is entitled to cash severance based on three times the sum of (i) annual base salary, and (ii) the higher of the bonus paid for the most recently completed calendar year and the average bonus paid with respect to the three most recently completed calendar years ending immediately prior to the date of termination. The foregoing cash amounts represent double trigger benefits, which are payable upon a termination of the applicable executive's employment by us without cause or by the executive for good reason during the six (6) months prior to, or the twenty-four (24) months following, the effective time of the acquisition of PlainsCapital, which constituted a change in control, subject to the execution of a release of claims.

Table of Contents

Further discussion of the employment agreements with Messrs. White, Salmans and Feinberg and payments made pursuant thereto may be found under the headings Narrative Disclosure to Summary Compensation Table and Grants of Plan-Based Awards Table and Potential Payments Upon Termination or Change-in-Control below.

The 2012 Equity Incentive Plan, pursuant to which we anticipate granting awards to the named executive officers, contains specific termination and change in control provisions. We determined to include a change in control provision in the plan to be competitive with what we believe to be the standards for the treatment of equity upon a change in control for similar companies and so that employees who remain after a change in control would be treated the same with regard to equity as the general stockholders who could sell or otherwise transfer their equity upon a change in control. Under the terms of the plan, if a change in control (as defined below in the discussion of the plan) were to occur, all awards then outstanding would become vested and/or exercisable and any applicable performance goals with respect thereto would be deemed to be fully achieved. Further discussion of the change in control payments made pursuant to the 2012 Equity Incentive Plan may be found in the Potential Payments Upon Termination or Change-in-Control section below.

The Annual Incentive Plan, pursuant to which annual incentive bonuses are awarded, does not contain specific change in control provisions. Accordingly, the Compensation Committee, in its discretion, may determine what constitutes a change in control and what effects such an event may have any awards made pursuant to such plan.

2012 Hilltop Performance

Significant achievements in 2012 include the following, which are discussed in more detail in our Annual Report on Form 10-K for the year ended December 31, 2012:

- Total assets grew to \$7.3 billion at December 31, 2012, compared to \$0.9 billion at December 31, 2011;
- Total stockholders' equity increased 75% in 2012 to \$1.1 billion at December 31, 2012;
- Closing stock price increased from \$7.96 on May 8, 2012, the day prior to the announcement to acquire PlainsCapital, to \$13.54 at December 31, 2012;
- Hilltop was well capitalized at December 31, 2012, with a Tier 1 Leverage Ratio(a) of 13.08% and Total Capital Ratio of 17.81%;
and
- Hilltop maintains over \$200 million of freely usable cash.

2012 Bonus Awards

The Compensation Committee conducted a performance review of each named executive officer employed directly by Hilltop. During 2012, the named executive officers of Hilltop completed the acquisition of PlainsCapital. In addition to those activities, the Compensation Committee also evaluated the contributions by the named executive officers of Hilltop to other areas of the Company. Based upon those evaluations, together with operations of the Company, it determined the discretionary bonuses for 2012 as follows for Hilltop named executive officers.

Name	Amount of Discretionary Cash Bonus	Percent of 2012 Base Salary
Jeremy B. Ford	\$ 300,000	75.0%
Darren Parmenter	\$ 100,000	34.5%

The Compensation Committee also conducted a performance review of each named executive officer employed by PlainsCapital and its subsidiaries. The financial results of PlainsCapital, PlainsCapital Bank and PrimeLending

(a) Based on the end of period Tier 1 capital divided by total average assets for the month of December 2012 excluding goodwill and intangible assets.

produced their highest recorded earnings in any given year and well exceeded budget. In addition to those activities, the Compensation Committee also evaluated the contributions by the named executive officers to other areas. Based upon those evaluations, together with financial results of PlainsCapital and its subsidiaries, it approved bonuses in the following amounts to the named executive officers employed by PlainsCapital and its subsidiaries:

Name	Amount of Cash Bonus	Percent of 2012 Base Salary
Alan B. White	\$ 1,350,000(a)	100.0%
Todd Salmans	\$ 900,000	120.0%
Hill A. Feinberg	\$ 850,000	354.2%

(a) Determined pursuant to Mr. White's retention agreement for the achievement of earnings threshold.

Risk Considerations in Our Compensation Program

We do not believe that our compensation policies and practices for 2012 give rise to risks that are reasonably likely to have a material adverse effect on our Company. In reaching this conclusion for 2012, we considered the following factors:

- Base salary is fixed and the only compensation components that are variable are the annual bonuses and restricted stock awards to named executive officers, which, other than the annual bonus with respect to Mr. White, were awarded in the complete discretion of the Compensation Committee. Mr. White's annual bonus was based upon attainment of a pre-determined level of earnings.
- Annual bonuses were determined or approved following the completion, or substantial completion, of the audit of the Company's financial statements by the Company's independent registered public accounting firm. Thus, the Compensation Committee had ample knowledge of the financial condition and results of the Company, as well as reports of other committees of the Board of Directors, upon which to base any decisions.
- Because the annual bonus to named executive officers of Hilltop is purely discretionary and not linked to any performance criteria, the employee has no basis on which to take risks to meet certain pre-determined performance criteria.
- The Annual Incentive Plan awards are subject to claw-back for improper risk and significant compliance issues.

Trading Controls and Hedging, Short Sale and Pledging Policies

Executive officers, including the named executive officers, are required to receive the permission of the General Counsel prior to entering into any transactions in our securities, including gifts, grants and those involving derivatives. Generally, trading is permitted only during announced trading periods. Employees who are subject to trading restrictions, including the named executive officers, may enter into a trading plan under Rule 10b5-1 of the Securities Exchange Act of 1934. These trading plans may be entered into only during an open trading period and must be approved by the General Counsel. We require trading plans to include a waiting period and the trading plans may not be amended during their term. The named executive officer bears full responsibility if he or she violates our policy by permitting shares to be bought or sold without pre-approval or when trading is restricted.

Executive officers are prohibited from entering into hedging and short sale transactions and are subject to restrictions on pledging our securities.

Employment Contracts

Mr. White

On November 30, 2012, in connection with our acquisition of PlainsCapital, we entered into a retention agreement with Mr. White. The term of the retention agreement is three years, with automatic one-year renewals at the end of the second year of the agreement and each anniversary thereof unless notice has been given otherwise. Pursuant to the agreement, Mr. White's annual base salary is \$1,350,000. He is also entitled to an annual bonus that varies based upon the performance of PlainsCapital. If PlainsCapital's annual net income is less than or equal to \$70,000,000 but greater than \$15,000,000, Mr. White is entitled to a bonus equal to the average of his annual bonus in the prior three calendar years. If PlainsCapital's annual net income exceeds \$70,000,000, he will be entitled to a bonus equal to 100% of his annual base salary. Additionally, in accordance with the agreement, Mr. White is entitled to participate in all of the Company's employee benefit plans and programs. Further, the agreement provides that the Company will provide Mr. White with the use of corporate aircraft and an automobile allowance, each at the same level that such benefits were available to Mr. White immediately prior to our acquisition of PlainsCapital. He continues to have bank-owned life insurance and access to the country club that was available to him through PlainsCapital's membership prior to our acquisition of PlainsCapital. For a description of compensation and benefits to which Mr. White is entitled in the event of his termination or a change in control, see "Potential Payments Upon Termination or Change-in-Control" below.

Mr. Feinberg

PlainsCapital previously entered into an employment agreement with Mr. Feinberg. In connection with our acquisition of PlainsCapital, we entered into an amendment to the employment agreement with Mr. Feinberg, which became effective upon the closing of the acquisition on November 30, 2012 and, among other things, removed his minimum guaranteed bonus. The term of the employment agreement is two years. The annual base salary under the agreement is \$240,000. Mr. Feinberg is entitled to an annual bonus to be determined by our Compensation Committee. For a description of compensation and benefits to which Mr. Feinberg is entitled in the event of his termination or a change in control, see "Potential Payments Upon Termination or Change-in-Control" below.

Mr. Salmans

PlainsCapital previously entered into an employment agreement with Mr. Salmans. In connection with our acquisition of PlainsCapital, we entered into an amendment to the employment agreement with Mr. Salmans, which became effective upon the closing of the acquisition on November 30, 2012. The term of the employment agreement is two years. The annual base salary under the agreement is \$750,000. Mr. Salmans is entitled to an annual bonus to be determined by our Compensation Committee. For a description of compensation and benefits to which Mr. Salmans is entitled in the event of his termination or a change in control, see "Potential Payments Upon Termination or Change-in-Control" below.

Equity Incentive Plans

Edgar Filing: Hilltop Holdings Inc. - Form DEF 14A

On December 23, 2003, we adopted the 2003 Equity Incentive Plan, which provides for the grant of equity-based awards, including restricted shares of our common stock, stock options, grants of shares and other equity-based incentives, to our directors, officers and other employees and certain of our subsidiaries selected by our Compensation Committee. At inception, 1,992,387 shares were authorized for issuance pursuant to this plan. All shares granted and outstanding pursuant to the plan, whether vested or unvested, are entitled to receive dividends and to vote, unless forfeited. No participant in our 2003 Equity Incentive Plan may be granted awards in any fiscal year representing more than 500,000 shares of our common stock.

On September 20, 2012, our stockholders approved the 2012 Equity Incentive Plan, and as a result, we may no longer grant awards pursuant to the 2003 Equity Incentive Plan. However, all awards that were previously granted and outstanding under the 2003 Equity Incentive Plan will remain in full force and effect according to their respective terms and dividend equivalents may continue to be issued in respect of awards that were outstanding thereunder as of September 20, 2012.

Table of Contents

The 2012 Equity Incentive Plan provides for the grant of equity-based awards, including restricted shares of our common stock, stock options, grants of shares, stock appreciation rights (SARs) and other equity-based incentives, to our directors, officers and other employees and those of our subsidiaries selected by our Compensation Committee. At inception, 4,000,000 shares were authorized for issuance pursuant to this plan. All shares granted and outstanding pursuant to this plan, whether vested or unvested, are entitled to receive dividends and to vote, unless forfeited. No participant in our 2012 Equity Incentive Plan may be granted performance-based equity awards in any fiscal year representing more than 500,000 shares of our common stock or stock options SARs representing in excess of 750,000 shares of our common stock. The maximum number of shares underlying incentive stock options granted under this plan may not exceed 2,000,000.

The 2003 Equity Incentive Plan and the 2012 Equity Incentive Plan are administered by our Compensation Committee, which has the discretion to, among other things, determine the persons to whom awards will be granted, the number of shares of our common stock to be subject to awards and the other terms and conditions of the awards. The Compensation Committee also has authority to establish performance goals for purposes of determining cash bonuses to be paid under the incentive plans. Such performance goals may be applied to our Company as a whole, any of our subsidiaries or affiliates, and/or any of our divisions or strategic business units, and may be used to evaluate performance relative to a market index or a group of other companies. Further, the Compensation Committee has the authority to adjust the performance goals in recognition of unusual or non-recurring events. The 2003 Equity Incentive Plan and the 2012 Equity Incentive Plan each provide that in no event will the Compensation Committee be authorized to reprice stock options, or to lower the base or exercise price of any other award granted under such plan, without obtaining the approval of our stockholders.

Stock options granted under the 2003 Equity Incentive Plan and the 2012 Equity Incentive Plan may be either incentive stock options within the meaning of Section 422 of the Internal Revenue Code, or nonqualified stock options. Generally, holders of restricted stock will be entitled to vote and receive dividends on their restricted shares, but our Compensation Committee may determine, in its discretion, whether dividends paid while the shares are subject to restrictions may be reinvested in additional shares of restricted stock. Except as otherwise permitted by our Compensation Committee, awards granted under the 2003 Equity Incentive Plan and the 2012 Equity Incentive Plan will be transferable only by will or through the laws of descent and distribution, and each stock option will be exercisable during the participant's lifetime only by the participant or, upon the participant's death, by his or her estate. Director compensation paid in the form of our common stock, whether at our or the director's election, is issued through the 2012 Equity Incentive Plan.

Annual Incentive Plan

On September 20, 2012, our stockholders approved the 2012 Annual Incentive Plan, which provides for a cash bonus to key employees of Hilltop and our subsidiaries who are selected by the Compensation Committee for participation in the plan. The Annual Incentive Plan is intended to permit the payment of amounts that constitute performance-based compensation under Section 162(m) of the Internal Revenue Code and is designed to reward executives whose performance during the fiscal year enabled Hilltop to achieve favorable business results and to assist Hilltop in attracting and retaining executives. A participant may receive a cash bonus under the Annual Incentive Plan based on the attainment, during each performance period, of performance objectives in support of our business strategy that are established by our Compensation Committee. These performance objectives may be based on one or more of the following criteria:

Participation in the Annual Incentive Plan does not guarantee the payment of an award. All awards payable pursuant to the Annual Incentive Plan are discretionary and subject to approval by our Compensation Committee. After the performance period ends, the Compensation Committee will determine the payment amount of individual awards based on the achievement of the performance objectives. No participant in the Annual Incentive Plan may receive an award that exceeds \$10,000,000 per year. Except as otherwise provided in a participant's employment or other individual agreement, the payment of a cash bonus to a participant for a performance period will be conditioned upon the participant's active employment on the date that the final awards are approved by the Compensation Committee. We may amend or terminate the Annual Incentive Plan at any time.

Potential Payments Upon Termination or Change-in-Control

Employment Contracts

With respect to each of Messrs. Feinberg, Salmans and White, if his employment contract is terminated by us for cause, by the executive or due to the executive's death or disability (as such terms are defined below), he or his estate, as applicable, is entitled to:

- (i) his annual base salary through the date of termination, to the extent not already paid and not deferred;
- (ii) any annual bonus earned by the executive for a prior award period, to the extent not already paid and not deferred;
- (iii) any business expenses he incurred that are not yet reimbursed as of the date of termination; and
- (iv) any other amounts or benefits, including all unpaid and/or vested, nonforfeitable amounts owing or accrued to him, required to be paid or provided or which he is eligible to receive under any plan, program, policy or practice or contract or agreement, to the extent not already paid and not deferred, through the date of termination.

In addition, Mr. White or his estate, as applicable, is entitled to a lump-sum cash payment equal to \$6,430,890, which represents the amount Mr. White would have been entitled to receive under his prior employment agreement with PlainsCapital if his employment there was terminated. Such amounts described in the preceding paragraph are referred to as the Accrued Amounts.

For each of Messrs. Feinberg and Salmans, if his employment is terminated by us without cause (as such term is defined below), he is entitled to the Accrued Amounts, as well as a cash amount equal to the sum of:

- (i) his annual base salary rate; and
- (ii) the average of the bonuses he received for each of the three calendar years immediately preceding the year of termination of his employment.

Edgar Filing: Hilltop Holdings Inc. - Form DEF 14A

Such amount is payable in a lump-sum within 60 days of the effective date of the termination of the executive's employment.

If Mr. White's employment is terminated by us other than for cause (as such term is defined below) or his death or disability, or if his employment terminates due to non-renewal by us, he is entitled to the Accrued Amounts, including the lump-sum cash payment equal to \$6,430,890 and interest thereon from November 30, 2012, as well as payments generally equal to the sum of the average of Mr. White's prior annual bonuses over the preceding three years plus his annual base salary, multiplied by the greater of (i) the number of full and partial years remaining until the end of the term of his retention agreement and (ii) two. Mr. White will retain the right to be grossed-up for any excise tax relating to excess parachute payments (as defined in Section 280G of the Internal Revenue Code), which is set forth in his prior employment agreement, provided that the gross-up will only relate to any excise taxes arising in connection with our acquisition of PlainsCapital. These severance amounts are payable subject to Mr. White's execution of a release of claims.

For each of Messrs. Feinberg and Salmans, in the event that his employment is terminated (a) by us without cause within the 24 months immediately following, or the six months immediately preceding, a change in control (as such term is defined below), or (b) by the executive for good reason (as such term is defined below) within the 24 months immediately following, or the six months immediately preceding, a change in control, he is entitled to the Accrued Amounts, as well as a cash amount equal to three times the sum of:

(i) his annual base salary rate; and

(ii) the greater of (A) the annual bonus paid or payable with respect to the calendar year prior to the calendar year in which the effective date of such termination of employment occurs and (B) the average of the bonuses he received for each of the three calendar years immediately preceding the year of termination of his employment.

Such amount is payable in a lump-sum within 60 days of the effective date of the termination of the executive's employment, subject to the execution of a release of claims. In addition, Messrs. Feinberg and Salmans are entitled to continued participation in our benefit plans for a period of two years following their respective dates of

termination, and full vesting of all outstanding stock options then held, with the option to receive a cash payment equal to the then difference between the option price and the current fair market value of the stock as of the effective date of such termination of employment in lieu of the right to exercise such options. In the event that any of the benefits payable upon a termination of employment in connection with a change in control would constitute excess parachute payments, such benefits would be reduced to the level necessary such that no excise tax will be due. Mr. White's retention agreement does not provide for such payments upon a change in control.

Pursuant to their respective employment agreements, each of Messrs. Feinberg and Salmans will not, during the term of his employment agreement and for a period of one year following the earlier of his termination or the termination of the agreement, compete with any business that provides services similar to us anywhere within the State of Texas. Pursuant to his retention agreement, Mr. White will not, during the period of his employment and for three years following his termination: (i) solicit any person who is employed by us or any of our affiliates; (ii) interfere with our relationships with our customers, suppliers or other business contacts; nor (iii) compete with any business that provides services similar to us anywhere within the State of Texas. Mr. White has also agreed that all confidential records, material and information concerning us or our affiliates shall remain our exclusive property and Mr. White shall not divulge such information to any person.

For the purposes of each employment contract described above:

- **cause** means: (i) an intentional act of fraud, embezzlement or theft in connection with the executive's duties or in the course of his employment with the Company or our affiliates; (ii) intentional wrongful damage to property of the Company or our affiliates; (iii) intentional wrongful disclosure of trade secrets or confidential information of the Company or our affiliates; (iv) intentional violation of any law, rule or regulation (other than traffic violations or similar offenses) or a final Cease and Desist Order; (v) intentional breach of fiduciary duty involving personal profit; or (vi) intentional action or inaction that causes material economic harm to the Company or our affiliates.

For the purposes of Mr. White's retention agreement:

- **disability** means Mr. White shall have been absent from full-time performance of his duties for 180 consecutive days as a result of incapacity due to physical or mental illness that is determined to be total and permanent by a physician.

For the purposes of the employment agreements with each of Messrs. Feinberg and Salmans:

- the acquisition of PlainsCapital constituted a change in control ;
- **disability** is defined in accordance with our disability policy in effect at the time of the disability; and

Edgar Filing: Hilltop Holdings Inc. - Form DEF 14A

- "good reason" means (i) without his express written consent, the assignment to the executive of any duties materially inconsistent with his positions, duties, responsibilities and status as then in effect or a significant material diminishment in his titles or offices as then in effect, or any removal of the executive from or any failures to re-elect executive to any of such positions, in any case, subject to certain exceptions; (ii) a significant and material adverse diminishment in the nature or scope of the authorities, powers, functions or duties attached to the position with which the executive had immediately prior to a change in control or a reduction in the executive's aggregate base salary without his prior written consent; (iii) the Company relocates its principal executive offices or requires the executive to have as his principal location of work any location which is in excess of fifty (50) miles from the location thereof immediately prior to a change in control; or (iv) any substantial and material breach of his employment agreement by the Company.

Set forth below are the amounts that Messrs. Ford, White, Feinberg and Salmans would have received if the specified events had occurred on December 31, 2012.

The Company has the discretion to require payment by the option holder of any amount it deems necessary to satisfy its liability to withhold income or any other taxes incurred by reason of exercise of options. Further, pursuant to the terms of the non-qualified stock option agreements that govern the issuance of options, upon the death of the option holder all options become fully vested and exercisable.

Incentive Plans

Each of the incentive plans has a complex definition of "change in control". Generally speaking, under the 2003 Equity Incentive Plan, a change in control occurs if: (i) with certain exceptions, any person becomes the owner of 50% or more of the combined voting power of our outstanding stock and other voting securities; (ii) a majority of the directors serving on our Board of Directors are replaced other than by new directors approved by at least two-

Table of Contents

thirds of the members of our Board of Directors; (iii) we are not the surviving company after a merger or consolidation; or (iv) with certain exceptions, our stockholders approve a plan of complete liquidation or dissolution or an agreement for the sale or disposition of all or substantially all of our assets is consummated. Under the 2012 Equity Incentive Plan, a change in control occurs if: (i) with certain exceptions, any person becomes the owner of 33% or more of the outstanding shares of our common stock or the combined voting power of our outstanding stock and other voting securities; (ii) a majority of the directors serving on our Board of Directors are replaced other than by new directors approved by at least two-thirds of the members of our Board of Directors; (iii) we are not the surviving company after a merger or consolidation or sale of all or substantially all of our assets; or (iv) with certain exceptions, our stockholders approve a plan of complete liquidation or dissolution.

Both our 2003 Equity Incentive Plan and our 2012 Equity Incentive Plan are single trigger plans, meaning that stock option acceleration occurs upon a change in control even if the option holder remains with us after the change in control, regardless of whether options are assumed or substituted by the surviving company. We believe a single trigger change in control provision was appropriate because it allows management to pursue all alternatives for us without undue concern for their own financial security.

In the event of a change in control, all awards then outstanding under the 2003 Equity Incentive Plan will become vested and, if applicable, exercisable, and any performance goals imposed with respect to then-outstanding awards will be deemed to be fully achieved. With respect to awards granted pursuant to the 2012 Equity Incentive Plan, in the event of a change in control: (i) all outstanding stock options and SARs will become fully vested and exercisable; (ii) all restrictions on any restricted stock, restricted stock units or other stock-based awards that are not subject to performance goals will become fully vested; and (iii) all restrictions on any restricted stock, restricted stock units, performance units or other stock-based awards that are subject to performance goals will be deemed to be fully achieved.

In addition to acceleration of benefits upon a change in control event, the non-qualified stock option agreements pursuant to which all option awards are granted provide for acceleration of vesting upon the death of the option holder. No other rights of acceleration are provided for under the terms of the Company's benefit plans.

Compensation Committee Interlocks and Insider Participation

Hilltop's Compensation Committee is comprised of independent directors, reviews and sets the compensation of each of Messrs. White, Martin, Feinberg, Huffines and Schaffner and does not believe that these interlocks pose any risks that are likely to have a material adverse effect on us.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires officers and directors, and persons who beneficially own more than ten percent of our stock, to file initial reports of ownership and reports of changes in ownership with the SEC. Officers, directors and greater than ten percent beneficial owners are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file.

Based solely on a review of the copies furnished to us and representations from our officers and directors, we believe that all Section 16(a) filing requirements for the year ended December 31, 2012, applicable to our officers, directors and greater than ten percent beneficial owners were timely satisfied.

Based on written representations from our officers and directors, we believe that all Forms 5 for directors, officers and greater than ten percent beneficial owners that have been filed with the SEC are the only Forms 5 required to be filed for the period ended December 31, 2012.

Hilltop Sublease

In connection with our acquisition of PlainsCapital, we terminated the Management Services Agreement described above. Hilltop, however, desired to continue to occupy the office space provided pursuant to the Management Services Agreement. Accordingly, Hilltop entered into a sublease with Hunter's Glen/Ford, Ltd., an affiliate of Mr. Gerald J. Ford and the tenant of the office space (*See* - Management Service Agreement above for a further discussion regarding Hunter's Glen/Ford, Ltd.). The Sublease is subject to the base Lease and on the same terms as the base Lease. Pursuant to the Sublease, Hilltop leases 5,491 square feet for \$219,640 annually, plus additional rent due under the base Lease. The Sublease is coterminous with the base Lease, which terminates on June 30, 2015.

The NLASCO Acquisition

ARC Insurance Holdings Inc., or Holdings, a subsidiary of us, on the one hand, and C. Clifton Robinson, C.C. Robinson Property Company, Ltd. and The Robinson Charitable Remainder Unitrust, on the other hand, entered into a stock purchase agreement, dated as of October 6, 2006, or the NLASCO Agreement. Pursuant to the NLASCO Agreement, on January 31, 2007, Holdings acquired all of the outstanding shares of capital stock of NLASCO, Inc., or NLASCO, a privately held property and casualty insurance holding company domiciled in the state of Texas. In exchange for the stock, NLASCO's shareholders, consisting of C. Clifton Robinson and affiliates, as specified above, received \$105.75 million in cash and 1,218,880 shares of our common stock issued to Mr. Robinson, for a total consideration of \$122.0 million. The NLASCO Agreement included customary representations, warranties and covenants, as well as indemnification provisions. The purchase price was subject to specified post-closing adjustments that resulted in the following additional aggregate consideration paid to Mr. Robinson and his affiliates: \$2,852,879 on March 16, 2010 and \$252,997 on March 25, 2011. As a result of these payments, no further post-closing adjustments are required under the stock purchase agreement. The parties also entered into several ancillary agreements, including a non-competition agreement, a registration rights agreement, a release, employment agreements and a share lock-up agreement.

C. Clifton Robinson Relationship with the Company

In furtherance of the terms of the NLASCO Agreement, C. Clifton Robinson, Chairman of NLASCO and a member of our Board of Directors, entered into certain ancillary agreements with us or NLASCO, including, among others, an employment agreement, a non-competition agreement, a lock-up agreement and a registration rights agreement.

In conjunction with the closing of the NLASCO acquisition, NLASCO entered into an employment agreement with C. Clifton Robinson that provides that he was to serve as chairman of NLASCO and will be paid \$100,000 a year. In addition, NLASCO entered into an employment agreement with Mr. Robinson's son, Gordon B. Robinson, the former vice chairman and deputy chief executive officer of NLASCO, pursuant to which he was to serve in an advisory capacity to NLASCO and for which he will be paid \$100,000 per year. Each employment agreement was for a one-year term with automatic one-year extensions by agreement of the parties. Both of these agreements were terminated on January 1, 2011. The employment agreements also included non-competition and non-solicitation provisions similar to that in the non-competition agreement discussed below, but with terms until two years after the termination of employment. Further, each of the Robinsons entered into a non-competition agreement pursuant to which he has agreed not to, directly or indirectly, engage or invest in, own, manage, operate, finance, control, or participate in the ownership, management, operation, financing, or control of, be employed by, lend credit to, or render services to, any business whose products, services or activities compete with those of NLASCO or any of its subsidiaries within certain states. Each non-competition agreement includes customary non-solicitation provisions. The term of the non-competition agreements is five years. Finally, C. Clifton Robinson executed a share lock-up agreement pursuant to which he has agreed not to offer, sell, contract to sell, hypothecate, pledge, sell or grant any option, right or warrant to purchase, or otherwise dispose of, or contract to dispose of, our common stock until 20 months after

Assumption of NLASCO, Inc. Subsidiary Office Leases

Prior to Mr. Robinson's disposition of his office building on August 24, 2011, NLASCO and its affiliates in Waco, Texas leased office space from affiliates of Mr. Robinson. There were three separate leases. The first lease was a month-to-month lease for office space at a rate of \$900 per month. The second lease was a month-to-month lease at a monthly rental rate of \$3,500 per month. The first and second leases were terminated in August 2010. Ford, the Chairman of our Board, served as Hilltop's General Counsel and Secretary; Lee Ann White, the wife of Alan B. White, PlainsCapital's Chairman and Chief Executive Officer, served as our Senior Vice President, Director of Public Relations; and Kale Salmans, the son of Todd Salmans, President and Chief Executive Officer of PrimeLending, served as a Regional Manager of PrimeLending. Cowboys Stadium Suite

In 2007, PlainsCapital Bank contracted with Cowboys Stadium, L.P., a company affiliated with the employer of Ms. Anderson and that is beneficially owned by Ms. Anderson and certain of her immediate family members, for the 20-year lease of a suite at Cowboys Stadium beginning in 2009. Pursuant to the lease agreement, PlainsCapital Bank has agreed to pay Cowboys Stadium, L.P. annual payments of \$500,000, subject to possible annual escalations, not to exceed 3% per year, beginning with the tenth year of the lease.

Indebtedness

The Bank has had, and may be expected to have in the future, lending relationships in the ordinary course of business with our directors and executive officers, members of their immediate families and affiliated companies in which they are employed or in which they are principal equity holders. In our management's opinion, the lending relationships with these persons were made in the ordinary course of business and on substantially the same terms, including interest rates, collateral and repayment terms, as those prevailing at the time for comparable transactions with persons not related to us and do not involve more than normal collection risk or present other unfavorable features.

PROPOSAL TWO ADVISORY VOTE TO APPROVE EXECUTIVE COMPENSATION

Pursuant to Section 14A(a)(1) of the Securities Exchange Act of 1934, we are asking stockholders to cast an advisory vote on the compensation of our named executive officers disclosed in the Management section of this Proxy Statement. While this vote is a non-binding advisory vote, we value the opinions of stockholders and will consider the outcome of the vote when making future compensation decisions.

We believe that our executive compensation programs effectively aligned the interests of our named executive officers with those of our stockholders by tying compensation of those at NLASCO and PlainsCapital to performance and leaving compensation of those at Hilltop to the discretion of the Compensation Committee after its evaluation of the named executive officer's performance for the applicable period.

This annual vote on this matter is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the policies and practices described in this Proxy Statement. The vote is advisory and, therefore, not binding on the Company, the Board of Directors or the Compensation Committee of the Board of Directors.

We are asking our stockholders to indicate their support for this Proposal Two and the compensation paid to our named executive officers as disclosed commencing on page 26 of this Proxy Statement by voting **FOR**, on an advisory basis, the following resolution:

NOW, THEREFORE, BE IT RESOLVED, that the stockholders approve, on an advisory basis, the compensation paid to the named executive officers of the Company, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion & Analysis, the compensation tables and the narrative discussion related thereto.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE APPROVAL OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS.

PricewaterhouseCoopers LLP, or PwC, served as our independent registered public accounting firm during 2012 and has been selected to serve in that capacity for the fiscal quarter ended March 31, 2013. Given the acquisition of material operations in connection with the transaction with PlainsCapital, the Audit Committee of the Board of Directors requested proposals from two independent registered public accounting firms, including PwC. The Audit Committee is responsible for the selection and ongoing oversight of the auditors and has the authority to replace auditors, if it deems appropriate to do so. Any change prior to or after the Annual Meeting will not be submitted to stockholders for ratification.

Under applicable rules, a broker will have the authority to vote for this proposal in the absence of instructions from the beneficial owner of the relevant shares.

Report of the Audit Committee

The Audit Committee of the Board of Directors of Hilltop Holdings Inc. currently consists of three directors and operates under a written charter adopted by the Board of Directors. Hilltop considers all members to be independent as defined by the applicable NYSE listing standards and SEC regulations. PricewaterhouseCoopers LLP, or PwC, Hilltop's independent registered public accounting firm, is responsible for performing an independent audit of Hilltop's consolidated financial statements in accordance with generally accepted auditing standards. In this context, the Audit Committee reviewed and discussed with management and PwC the audited financial statements for the year ended December 31, 2012, management's assessment of the effectiveness of the Company's internal control over financial reporting and PwC's evaluation of the Company's internal control over financial reporting. The Audit Committee has discussed with PwC the matters that are required to be discussed by Statement on Auditing Standards Nos. 61, 89 and 90 (Codification of Statements on Auditing Standards, AU §380).

The Audit Committee also concluded that PwC's provision of audit and non-audit services to the Company and its affiliates is compatible with PwC's independence.
