MTS Announces Results of the Extraordinary General Meeting of Shareholders

October 01, 2013

Moscow, Russian Federation Mobile TeleSystems OJSC (**MTS** or the **Company** NYSE: **MBT**), the leading telecommunications provider in Russia and the CIS, announces decisions reached at the Company's Extraordinary General Meeting of Shareholders (the **EGM**) held on September 30, 2013.

At the EGM the following resolution was adopted:

to approve payout of semi-annual dividends of RUB 5.22 per ordinary MTS share (RUB 10.44 per ADR) amounting to the total of RUB 10.8 (1) billion on the basis of the Company's H1 2013 financial and operating results. The dividend will be paid out in the period of two months in accordance with the Russian law.

The record date for the Company's share- and ADR-holders entitled to participate in the EGM and to receive semi-annual dividends was August 14, 2013.

Some of the information in this press release may contain projections or other forward-looking statements regarding future events or the future financial performance of MTS, as defined in the safe harbor provisions of the U.S. Private Securities Litigation Reform Act of 1995. You can identify forward looking statements by terms such as expect, believe, anticipate, estimate, intend, will, could, may or might, and the negative of such terms or other similar expressions. We wish to caution you that these statements are only predictions and that actual events or results may differ materially. We do not undertake or intend to update these statements to reflect events and circumstances occurring after the date hereof or to reflect the occurrence of unanticipated events. We refer you to the documents MTS files from time to time with the U.S. Securities and Exchange Commission, specifically the Company's most recent Form 20-F. These documents contain and identify important factors, including those contained in the section captioned Risk Factors that could cause the actual results to differ materially from those contained in our projections or forward-looking statements, including, among others, the severity and duration of current economic and financial conditions, including volatility in interest and exchange rates, commodity and equity prices and the value of financial assets; the impact of Russian, U.S. and other foreign government programs to restore liquidity and stimulate national and global economies, our ability to maintain our current credit rating and the impact on our funding costs and competitive position if we do not do so, strategic actions, including acquisitions and dispositions and our success in integrating acquired businesses, including Comstar-UTS, potential fluctuations in quarterly results, our competitive environment, dependence on new service development and tariff structures, rapid technological and market change, acquisition strategy, risks associated with telecommunications infrastructure, governmental regulation of the telecommunications industries and other risks associated with operating in Russia and the CIS, volatility of stock price, financial risk management and future growth subject to risks.
