Mr. Hill's employment agreement provides that he will be employed by Bancorp and Commerce NJ as Chairman of the Board, President and Chief Executive

Edgar Filing: COMMERCE BANCORP INC /NJ/ - Form 10-K/A

Officer for a term of five years effective January 1, 1992, provided that on each January 1 thereafter Mr. Hill's employment agreement shall be automatically renewed and extended for a new five year term unless either Bancorp or Mr. Hill gives the other at least 90 days prior written notice of their desire to terminate Mr. Hill's employment agreement, in which event the term will have four years remaining.

Under the terms of Mr. Hill's employment agreement, Mr. Hill's "base salary" shall not be less than \$2,000,000. Mr. Hill's employment agreement provides that Mr. Hill will participate in any benefit or compensation programs in effect which are generally made available from time to time to executive officers of Bancorp and provides for all other fringe benefits as in effect from time to time which are generally available to Bancorp's salaried officers including, without limitation, medical and hospitalization coverage, life insurance coverage and disability coverage.

Mr. Hill's employment agreement requires Bancorp to compensate Mr. Hill for the balance of the term of his employment agreement at a rate equal to seventy percent of his annual base salary if he

8

becomes permanently disabled (as defined in Mr. Hill's employment agreement) during the term and to pay Mr. Hill's designated beneficiary a lump sum death benefit if he dies during the term in an amount equal to three times his average annual base salary in effect during the 24 months immediately preceding his death.

Mr. Hill's employment agreement allows Mr. Hill to terminate his employment with Bancorp upon a change in control of Bancorp (as defined in Mr. Hill's employment agreement) and if within three years of such change in control, without Mr. Hill's consent, among other things, the nature and scope of his authority with Bancorp or a surviving or acquiring person are materially reduced to a level below that which he enjoyed on January 1, 1992. If Mr. Hill terminates his employment because of a change in control, he will be entitled to a lump sum severance payment equal to four times his average annual base salary in effect during the 24 month period immediately preceding such termination (provided that such payment does not constitute a "parachute payment" under Section 280G of the Internal Revenue Code of 1986, as amended (the "Code"), and in the event such payment would constitute a "parachute payment," such lump sum severance payment shall be reduced so as to not constitute a "parachute payment"), and the continuation of certain benefits including medical, hospitalization and life insurance. Mr. Hill's employment agreement contains a non-competition covenant for Mr. Hill should his employment with Bancorp be terminated under certain circumstances.

The employment agreements for Messrs. Musumeci, Falese, DiFlorio and Norcross are substantially similar to that of Mr. Hill's except that: Mr. Musumeci will serve as Executive Vice President and Senior Credit Officer of Bancorp and Commerce NJ, Mr. Falese will serve as Executive Vice President and Senior Loan Officer of Bancorp and Commerce NJ, Mr. DiFlorio will serve as Executive Vice President of Bancorp and Commerce NJ, and Mr. Norcross will serve as Chief Executive Officer of Commerce Insurance Services, Inc. The term of each employment agreement is three years and the lump sum death benefit is in each case equal to two times the respective average annual base salary in effect during the 24 month period preceding death. Employee Stock Option Plans

Effective May 1994, Bancorp adopted the Commerce Bancorp, Inc. 1994 Employee Stock Option Plan (the "1994 Plan") which provided for the purchase of a total of not more than 3,348,579 shares of Bancorp common stock (as adjusted for all stock splits and stock dividends through April 23, 2004) by officers and key employees of Bancorp or its subsidiary corporations. Pursuant to the 1994 Plan, stock options may be granted which qualify under the Code as incentive stock options as well as stock options that do not qualify as incentive stock options. No further options may be granted under the 1994 Plan. As of April 23, 2004, options to purchase 972,655 shares of Bancorp common stock (as adjusted for all stock splits and stock dividends through April 23, 2004) were outstanding under the 1994 Plan.

Effective May 1997 (and as amended in 2000), Bancorp adopted the Commerce Bancorp, Inc. 1997 Employee Stock Option Plan (the "1997 Plan") which provides for the purchase of a total of not more than 17,234,000 shares of Bancorp common stock (as adjusted for all stock splits and stock dividends through April 23, 2004) by officers and key employees of Bancorp or its subsidiary corporations. Pursuant to the 1997 Plan, stock options may be granted which qualify under the Code as incentive stock options as well as stock options that do not qualify as incentive stock options. All officers and key employees of Bancorp or any current or future subsidiary corporation are eligible to receive options under the 1997 Plan. As of April 23, 2004, options to purchase 17,051,706 shares of Bancorp common stock (as adjusted for all stock splits and stock dividends through April 23, 2004) had been

9

granted under the 1997 Plan and 183,450 shares of Bancorp common stock (as adjusted for all stock splits and stock dividends through April 23, 2004) were available for issuance under the 1997 Plan.

The 1994 Plan and 1997 Plan are collectively referred to as the "Employee Plans."

The purpose of the Employee Plans is to provide additional incentive to employees of Bancorp and its subsidiary corporations by encouraging them to invest in Bancorp's common stock and thereby acquire a proprietary interest in Bancorp and an increased personal interest in Bancorp's continued success and progress.

The Employee Plans are administered by the Compensation Committee which is appointed by the board of directors and consists only of directors who are not eligible to receive options under the Employee Plans. The Compensation Committee determines in concert with senior management, among other things, which officers and key employees receive an option or options under the Employee Plans, the type of option (incentive stock options or non-qualified stock options, or both) to be granted, the number of shares subject to each option, the rate of option exercisability, and, subject to certain other provisions to be discussed below, the option price and duration of the option. Under the 1997 Plan, no individual may be granted a number of options that is more than 50% of the total number of shares of Bancorp common stock authorized for issuance under the 1997 Plan. In addition, incentive stock options first exercisable by an employee in any one year under the 1997 Plan (and all other Employee Plans of Bancorp) may not exceed \$100,000 in value (determined at the time of grant). The Compensation Committee may, in its discretion, modify or amend any of the option

Edgar Filing: COMMERCE BANCORP INC /NJ/ - Form 10-K/A

terms herein described, provided that if an incentive stock option is granted, the option as modified or amended continues to be an incentive stock option.

In the event of any change in the capitalization of Bancorp, such as by stock dividend, stock split or what the board of directors deems in its sole discretion to be similar circumstances, the aggregate number and kind of shares which may be issued under the Employee Plans will be appropriately adjusted in a manner determined in the sole discretion of the board of directors. Reacquired shares of Bancorp's common stock, as well as unissued shares, may be used for the purpose of the 1997 Plan. The option price for options issued under the 1997 Plan must be at least equal to 100% of the fair market value of the Bancorp common stock as of the date the option is granted.

Options granted prior to January 1, 2003 pursuant to the Employee Plans are not exercisable until one year after the date of grant and then are exercisable pursuant to a schedule based on years of service or option holding period. Options granted after January 1, 2003 pursuant to the Employee Plans are not exercisable until one year after the date of grant and then are exercisable ratably over four years. Under the Employee Plans, in the event of a "change in control" of Bancorp, as defined in the Employee Plans, each optionee may exercise the total number of shares then subject to the option. The Compensation Committee has the authority to provide for a different rate of option exercisability for any optionee.

Options granted under the 1994 Plan are not transferable other than by will or by the laws of descent and distribution. Except as otherwise authorized by the Compensation Committee with respect to non-qualified stock options only, options granted pursuant to the 1997 Plan are not transferable, except by will or the laws of descent and distribution in the event of death.

Under the 1994 Plan and 1997 Plan, unless terminated earlier by the option's terms, both incentive stock options and non-qualified stock options expire ten years after the date they are granted. Options terminate three months after the date on which employment is terminated (whether such termination be voluntary or involuntary), other than by reason of death or disability. The option terminates one year from the date of termination due to death or disability (but not later than the

10

scheduled termination date). During an optionee's lifetime, the option is exercisable only by the optionee including, for this purpose, the optionee's legal guardian or custodian in the event of disability, except that under the 1997 Plan, if specifically permitted by the Compensation Committee or the board of directors, non-qualified stock options are transferable.

During 2003, Bancorp granted stock options to purchase an aggregate of 2,547,210 shares of Bancorp common stock (as adjusted for all stock splits and stock dividends through April 23, 2004) at an average exercise price of \$42.51 per share (as adjusted for all stock splits and stock dividends through April 23, 2004) under the 1997 Plan. During 2003, a total of 1,530,804 options were exercised under the Employee Plans.

(1) In accordance with SEC rules, the Black-Scholes option pricing model was chosen to estimate the grant date present value of the options set forth in this table. Bancorp's use of this model should not be construed as an endorsement of its accuracy at valuing options. All stock option valuation models, including the Black-Scholes model, require a prediction about future movement of the stock price. The assumptions used in the model were expected volatility of .304, risk-free rate of return of 3.00%, dividend yield of 1.50%, and weighted average expected life of 5.22 years. The real value of the options in this table depends upon the actual performance of Bancorp's common stock during the applicable period.

The following table sets forth certain information regarding individual exercises of stock options during 2003 by each of the executive officers named in the Summary Compensation Table.

Employee Stock Ownership Plan

Effective January 1, 2002, the Commerce Bancorp, Inc. Employee Stock Ownership Plan ("ESOP") was merged into the Commerce Bancorp, Inc. 401(k) Retirement Plan ("401(k) Plan").

As of December 31, 2003, the ESOP Trust held of record 1,533,000 shares of Bancorp common stock (as adjusted for all stock splits and stock dividends through April 23, 2004). In connection with the merger, shares of Bancorp common stock were allocated to each of the individual participant accounts in the 401(k) Plan.

For the Plan Year ended December 31, 2003, Bancorp made no contribution to the ESOP.

Supplemental Executive Retirement Plan

Effective January 1, 2004, Bancorp established a Supplemental Executive Retirement Plan ("SERP") for certain designated executives in order to provide supplemental retirement income. The 2004 SERP replaces the Supplemental Executive Retirement Plan previously approved by the board of directors effective January 1, 1992. The SERP is a defined contribution plan, and contributions will be made at Bancorp's discretion. For the year ended December 31, 2003, Bancorp made no contributions to the SERP. The SERP is unfunded, is not a "qualified plan" under the Code and benefits are paid directly by Bancorp. Messrs. Hill, Musumeci, Falese, DiFlorio and Norcross have been designated to participate in the SERP.

provided with \$100,000 of permanent life insurance.

A retirement plan for Bancorp's directors who are not officers or employees of Bancorp on the date their service as a Bancorp director ends ("outside director"), provides that outside directors with five or more years of service as a Bancorp director are entitled to receive annually, for ten years or the number of years served as a director, whichever is less, commencing upon such director's attainment of age 65 and retirement from the Bancorp board or upon such director's disability, payments equal to the highest

12

1099 Compensation (as such term is defined in the plan) in effect at any time during the five year period immediately preceding such director's retirement or, if earlier, death or disability. This plan further provides that, in the event a director dies before receiving all benefits to which he or she is entitled, such director's surviving spouse is entitled to receive all benefits not received by the deceased director commencing upon such director's death. Upon a change in control of Bancorp, the plan provides that each director then sitting on the Bancorp board, notwithstanding the length of time served as a director, becomes entitled to receive annually, for ten years, or twice the number of years served as a director, whichever is less, payments equal to the higher of the director's 1099 Compensation at the time of the director's termination of board service and the highest 1099 Compensation in effect at any time during the five year period immediately preceding the change in control commencing on the latest to occur of the termination of the director's board service, attainment of age 65 or any date designated by the director at any time and from time to time. The definition of "change in control" for purposes of this plan parallels the definition of that term contained in the Employment Agreements. See "EXECUTIVE COMPENSATION-Employment Agreements." This plan became effective January 1, 1993, as amended.

1989 and 1998 Stock Option Plans For Non-Employee Directors

Effective April 24, 1989 (and as amended in 1994), Bancorp adopted the 1989 Stock Option Plan for Non-Employee Directors (the "1989 Plan") which provides for the purchase of a total of not more than 641,379 shares of Bancorp common stock (as adjusted for all stock splits and dividends through April 23, 2004) by members of the boards of directors of Bancorp and its subsidiary corporations. Options granted pursuant to the 1989 Plan may be exercised beginning on the earlier to occur of (i) one year after the date of their grant or (ii) a "change in control" of Bancorp, as such term is defined in the 1989 Plan. No further options may be granted under the 1989 Plan. As of April 23, 2004, options to purchase 62,102 shares of Bancorp common stock (as adjusted for all stock splits and stock dividends through April 23, 2004) were outstanding under the 1989 Plan.

Effective June 29, 1998 (and as amended in 2003), Bancorp adopted the 1998 Stock Option Plan for Non-Employee Directors (the "1998 Plan") which provides for the purchase of a total of not more than 1,602,500 shares of Bancorp common stock (as adjusted for all stock splits and dividends through April 23, 2004) by members of the boards of directors of Bancorp or its subsidiary corporations and other persons who are not employees of Bancorp or its subsidiary corporations. Options may be granted under the 1998 Plan through June 29, 2008. Under the 1998 Plan, members of the boards of directors of Bancorp or its current and future subsidiary corporations (i.e., any corporation in which Bancorp owns, directly or indirectly, fifty percent or more of the

Edgar Filing: COMMERCE BANCORP INC /NJ/ - Form 10-K/A

outstanding voting power of all classes of stock of such corporation at the time of election or reelection of such director) who are not also employees of Bancorp or its subsidiary corporations and other persons who are not employees of Bancorp or its subsidiary corporations are entitled to receive options to purchase Bancorp common stock. Options granted prior to January 1, 2003 pursuant to the 1998 Plan may be exercised in whole, or from time to time in part, beginning on the earlier to occur of (i) one year after the date of their grant or (ii) a "change in control" of Bancorp, as such term is defined in the 1998 Plan. Options granted after January 1, 2003 pursuant to the 1998 Plan may be exercised in whole, or from time to time in part, beginning on the earlier to occur of (i) one year after the date of their grant and then are exercisable ratably over four years or (ii) a "change in control" of Bancorp. As of April 23, 2004, options to purchase 1,239,124 shares of Bancorp common stock (as adjusted for all stock splits and stock dividends through April 23, 2004) had been granted under the 1998 Plan and 363,376 shares of Bancorp common stock (as adjusted for all stock splits and stock dividends through April 23, 2004) were available for issuance under the 1998 Plan.

Both the 1989 Plan and 1998 Plan are administered by the board of directors of Bancorp, including non-employee directors. Options granted under the 1989 Plan and/or 1998 Plan are not "incentive stock options" as defined in Section 422 of the Code. Option prices are intended to equal 100% of the fair

13

market value of Bancorp's common stock on the date of option grant. The board of directors of Bancorp, in their sole discretion, may grant options under the 1998 Plan to non-employee directors or to other persons who are not employees of Bancorp or its subsidiaries and determine the number of shares subject to each option, the rate of option exercisability, and subject to certain limitations, the option price and the duration of the options. Unless terminated earlier by the option's terms, options granted under the 1989 Plan and/or 1998 Plan expire ten years after the date they are granted. For the year ended December 31, 2003, options to purchase the following shares of Bancorp common stock were granted to the following Bancorp directors under the 1998 Plan: Messrs. Beck, 5,000; Bershada, 5,000; DiFrancesco, 5,000; Kerr, 5,000; Lewis, 5,000; Ragone, 5,000; Schwartz, 5,000; Tarquini, 5,000; and Videon, 5,000. Such options were not exercisable in 2003.

Compensation Committee Interlocks and Insider Participation

The Compensation Committee members are Morton N. Kerr, Daniel J. Ragone and Jack R Bershada. No person who served as a member of the Compensation Committee during 2003 was a current or former officer or employee of Bancorp or, except as disclosed below, engaged in certain transactions with Bancorp required to be disclosed by regulations of the SEC. Additionally, there were no compensation committee "interlocks" during 2003, which generally means that no executive officer of Bancorp served as a director or member of the compensation committee of another entity, one of whose executive officers served as a director or member of the Compensation Committee of Bancorp.

Report of the Compensation Committee

The Compensation Committee of the board of directors of Bancorp is composed of independent non-employee directors. Bancorp's compensation package for its executive officers consists of base salary, annual performance bonus, annual stock option grants and various broad based employee benefits. Management recommendations of base salary levels, annual performance bonuses and stock option grants are reviewed by the Compensation Committee and submitted to the

Edgar Filing: COMMERCE BANCORP INC /NJ/ - Form 10-K/A

full board of directors for approval.

The objective of Bancorp's executive compensation is to enhance Bancorp's long-term profitability by providing compensation that will attract and retain superior talent, reward performance and align the interests of the executive officers with the long term interests of the shareholders of Bancorp.

Bancorp has employment agreements with Messrs. Hill, Musumeci, Falese, DiFlorio and Norcross which were effective January 1, 1992 for Messrs. Hill, and Musumeci, January 1, 1998 for Messrs. Falese and DiFlorio, and October 1, 1996 for Mr. Norcross. See "EXECUTIVE COMPENSATION - Employment Agreements."

Base salary levels for Bancorp's executive officers are competitively set relative to companies in peer businesses. In reviewing base salaries, the Compensation Committee also takes into account individual experience and performance.

Bancorp's annual performance bonuses are intended to provide a direct cash incentive to executive officers and other key employees to maximize Bancorp's profitability. Financial performance is compared against budgets as well as peer businesses.

Stock options are intended to encourage officers and other key employees to remain employed by Bancorp by providing them with a long term interest in Bancorp's overall performance as reflected by the performance of Bancorp's common stock. In granting stock options, the Compensation Committee takes

14

into account prior stock option grants and considers the executive's level of compensation and past contributions to Bancorp.

Vernon W. Hill, II was Bancorp's Chairman and President (chief executive officer) for 2003. Mr. Hill's base salary is set competitively relative to other chief executive officers in financial service companies in Bancorp's market area. In determining Mr. Hill's base salary as well as annual performance bonus, the Compensation Committee reviewed independent compensation data and Bancorp's performance as compared against budgets and peer businesses. As with Bancorp's other executive officers, Mr. Hill's total compensation involves certain subjective judgments and is not based solely upon any specific objective criteria or weighting.

ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS.

Certain directors and executive officers of Bancorp and its subsidiaries and certain of their immediate family members and certain corporations or organizations with which they are affiliated have had and expect to continue to have loan and other banking transactions with Bancorp's subsidiary banks. All such loans and other banking transactions were made in the ordinary course of business, were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions for unrelated parties, and did not involve more than the normal risk of uncollectibility or present other unfavorable features.

Currently, the board of directors of Bancorp approves all related party transactions in which an officer or director of Bancorp or any of its subsidiaries has an interest. In the case of a transaction involving a director of Bancorp, such director does not vote on the transaction. Bancorp complies with any and all approval requirements of the NYSE related to transactions between Bancorp and its officers, directors and other affiliates.

Mr. DiFrancesco is a member of and Mr. Beck is of counsel to law firms which Bancorp and its subsidiaries have retained during Bancorp's last fiscal year and which Bancorp and its subsidiaries intend to retain during its current fiscal year.

Management believes that the legal fees paid for the foregoing services are comparable to those which they would have paid to non-affiliated parties for similar services.

Bancorp leases the land on which it has constructed seventeen branch offices from limited partnerships in which Mr. Hill is a partner or in which a corporation owned by Mr. Hill is a partner, or from the Hill Family Trust under separate operating lease agreements (with purchase options). The aggregate annual rental under these leases for 2003 was approximately \$1.1 million. These leases expire periodically beginning 2004 but are renewable through 2040. In August 2002, Mr. Hill agreed not to participate in any future real estate leasing transactions involving Bancorp and its subsidiaries.

Management believes that the rental paid or received for each of the foregoing leases is and was comparable to the rental which they would have to pay to or would have received from, as the case may be, non-affiliated parties in similar commercial transactions for similar locations, assuming that such locations were available.

Bancorp has obtained architectural design and facilities management services for over twenty-five years from a business owned by the spouse of Mr. Hill. Bancorp spent \$6.4 million in 2003 for such services and related costs.

Additionally, the business received additional revenues for project management of approximately \$3.8 million in 2003 on furniture and facility purchases made directly by Bancorp. In 2003, the board approved the transfer, without cost, into Bancorp of the project management services. The business will continue to provide architectural and design services to Bancorp. Management believes these disbursements were substantially equivalent to those that would have been paid to unaffiliated companies for similar services. The board of directors believes this arrangement has been an important factor in the success of the Commerce brand.

During 2003, Bancorp and its subsidiaries utilized the facilities of Galloway National Golf Club in the amount of approximately \$448,000. Mr. Hill is a principal equity holder of Galloway National Golf Club. Management believes such expenses were substantially equivalent to those that would have been paid to unaffiliated companies for utilization of their facilities.

The policy provides for pre-approval by the Audit Committee of specifically defined audit and non-audit services. Unless the specific service has been previously pre-approved with respect to that year, the Audit Committee must approve the permitted service before the independent auditor is engaged to perform it. The Audit Committee pre-approved all of the audit and non-audit services provided to Bancorp by Ernst & Young LLP in fiscal year 2003.
