May 31, 2016

Dear Fellow Stockholder,

Boingo's 2016 Annual Meeting of Stockholders is quickly approaching and the future of your investment in Boingo is at stake.

The Boingo Board of Directors and management team are seeking your support for **Charles Boesenberg and Terrell Jones, two very accomplished and talented Board members who possess the public company and technology expertise we need to drive our continued success.**

Boingo has been executing a bold, multi-year strategic transformation that is positioning the Company for further growth and value creation. As our most recent quarterly results show, our strategic plan is clearly working. We believe it will continue to drive stockholder value.

It is important for Boingo stockholders to know that a new hedge fund named Ides Capital is seeking to replace your two highly-qualified directors with its own hand-picked nominees. Ides Capital not only has no track record of contributing to the success of any public company, it also **owns no shares of Boingo**. Ides is simply working with a group of individuals who hold less than 0.5% of Boingo's outstanding shares (collectively, the Ides Group). We believe the Ides Group's nominees, who have no experience in Boingo's industry, are unqualified to represent stockholders on the Boingo Board. **In fact, neither Ides Group nor its nominees have offered a single new idea or strategic plan for Boingo and we believe their election would disrupt the significant progress we are making.**

Your vote is very important. Please vote today by telephone, internet or by signing and dating the enclosed **WHITE** proxy card and returning it in the postage-paid envelope provided.

**LEADING INDEPENDENT PROXY ADVISORY FIRM GLASS LEWIS RECOMMENDS STOCKHOLDERS VOTE FOR
BOINGO'S DIRECTORS ON THE WHITE PROXY CARD**

On May 27th, leading independent proxy advisory firm, Glass Lewis & Co. (Glass Lewis) issued a report recommending that Boingo stockholders vote **FOR** Boingo's highly-qualified and experienced director nominees Charles Boesenberg and Terrell Jones on the **WHITE** proxy card at the Company's Annual Meeting of Stockholders on June 9, 2016.

In its report, Glass Lewis stated(1):

- Overall, we believe the incumbent board and management deserve credit for developing significant alternative business lines in the face of the Company's declining core retail business.
- We find that the Management Nominees' significant executive and board experience at public companies in the technology and telecommunications industries makes them considerably more qualified to serve on the Boingo board than the Dissident Nominees, who have limited or no public board experience and no operating experience in industries relevant to Boingo.

(1) Permission to use quotations neither sought nor obtained.

WE BELIEVE CHARLES BOESENBERG AND TERRELL JONES ARE EXTREMELY QUALIFIED TO OVERSEE BOINGO'S STRATEGIC TRANSFORMATION.

THE IDES GROUP NOMINEES ARE NOT!

Charles Boesenberg
Boingo Lead Independent Director
Director since 2011

Led growing technology and telecommunications companies

Served on 7 public company boards

Oversaw 88% stock price appreciation as Director at Keynote Systems, Inc. until company was acquired in 2013

Financial expert, financial literacy and financially sophisticated, in accordance with SEC rules

Terrell B. Jones
Boingo Independent Director

Served on 7 public company boards

Karen Finerman
Ides Group Nominee

No relevant industry experience

No executive leadership experience

Only served on one public company board as a dissident nominee GrafTech, a maker of graphite electrodes and other carbon-based products

While on GrafTech's Board, stock price **decreased in value by 52%** until its sale

Bradley Stewart
Ides Group Nominee

No industry experience

No public company board experience

Limited leadership experience in unrelated industry for a private company

Oversaw 54% stock price appreciation as
Founder and Chairman of Kayak.com from its IPO until
company was acquired in 2013

Oversaw 51% stock price appreciation as
Director at La Quinta Corp until company was acquired
in 2006

Financial expert, financial literacy and financially
sophisticated, in accordance with SEC rules

THE CHOICE IS CLEAR. VOTE THE WHITE PROXY CARD FOR BOINGO'S

DIRECTOR NOMINEES.

Boingo's director nominees, Charles Boesenberg and Terrell Jones, together **have more than fifty years of combined senior management experience in the technology, telecommunications and travel industries** — these industries are the cornerstones of Boingo's strategic plan. Messrs. Boesenberg and Jones are critical to the future of the Company and to the continued execution of our strategic plan. Furthermore, their extensive experience in corporate development and M&A, operations, strategic development and governance are **extremely valuable to Boingo as we continue to drive the Company's growth and success.**

In stark contrast, the Ides Group's nominees — Karen Finerman and Bradley Stewart — bring neither the experience nor the expertise necessary for Boingo to continue to execute on its strategic plan **especially at this stage of the transformation.**

We believe replacing Charles Boesenberg or Terrell Jones with the Ides Group's underqualified nominees will remove critical knowledge at the Board level and put your investment in Boingo at risk.

PROTECT THE VALUE OF YOUR INVESTMENT IN BOINGO AND

VOTE THE WHITE PROXY CARD TODAY

We are confident that your Board and management team are taking the right steps to create value for the benefit of all Boingo stockholders and we are very enthusiastic about the Company's future prospects. **Our ongoing board search process, our continued responsiveness to stockholder feedback and the changes we have made demonstrate the commitment of this Board to ensuring that Boingo is well-governed and focused on stockholder value.**

Whether or not you plan to attend the 2016 Annual Meeting, you have an opportunity to protect your investment in Boingo by voting the **WHITE** proxy card for Boingo's director nominees. We urge you to vote today by telephone, by internet, or by signing and dating the enclosed **WHITE** proxy card and returning it in the postage-paid envelope provided.

*Please do not return or otherwise vote any gold proxy card sent to you by the Ides Group. If you have already sent back the gold card, you can still change your vote by using the enclosed **WHITE** proxy card to support your Board's highly qualified director nominees.* If you have any questions or need assistance in voting your shares, please call MacKenzie Partners, Inc. toll free at (800) 322-2885 or at (212) 929-5500 or by email at proxy@mackenziepartners.com

With your support — and your vote on the enclosed **WHITE** proxy card — we can keep Boingo on the right track and continue to execute on our successful transformation.

Thank you for your support.

Sincerely,

David Hagan
Chairman & Chief Executive Officer

Charles Boesenberg
Lead Independent Director
