VOTING INFORMATION

The presence, in person or by properly executed proxy, of the holders of shares of Common Stock entitled to cast a majority of the votes entitled to be cast by the holders of all outstanding shares of Common Stock is necessary to constitute a quorum. The form of proxy submitted by the Company's management confers on the named proxies the authority to vote in their discretion on any other matter submitted for a vote at a meeting as to which the Company did not have notice on or before April 28, 2005, which date is 45 days before the date (June 11) on which the Company mailed its proxy materials for last year's annual meeting. At April 28, 2005, the Company had not received notice of any intention to submit any other matter; and, therefore, the proxies have discretion to vote on any other matter that comes before the meeting.

Edgar Filing: SERVOTRONICS INC /DE/ - Form DEF 14A

Shares of Common Stock represented by a properly signed, dated and returned proxy will be treated as present at the meeting for the purposes of determining a quorum. Proxies relating to "street name" shares of Common Stock that are voted by brokers will be counted as shares of Common Stock (1) present for purposes of determining the presence of a quorum and (2) as having voted in accordance with the directions and statements on the form of proxy.

9

DIRECTOR NOMINATING PROCESS

Currently, the Company's Board of Directors is responsible for director nominations as permitted by the current AMEX listing standards. The Company is on a planned schedule to be in timely compliance with the appropriate new AMEX listing standards regarding director nominations which are scheduled to be effective on July 31, 2005. The Board has determined that Dr. Duerig and Mr. Hedges are independent under the AMEX listing standards.

The Board has not adopted specific minimum criteria for director nominees. Nominees are identified by first evaluating the current members of the Board willing to continue in service. Current members of the Board with skills and experience that are relevant to the Company's business and who are willing to continue in services are considered for re-nomination. If any member of the Board does not wish to continue in service, the Board first considers the appropriateness of the size of the Board and then considers factors that it deems are in the best interests of the Company and its shareholders in identifying and evaluating a new nominee.

The Board will consider director nominees from any reasonable source, including nominees suggested by incumbent Board members and management as well as shareholder recommendations tendered in accordance with the Company's advance notice provisions. The Company does not currently employ an executive search firm, or pay a fee to any other third party, to locate qualified candidates for director positions.

SHAREHOLDER COMMUNICATIONS WITH THE BOARD OF DIRECTORS
