The approximate date on which this statement and the enclosed proxy will first be sent to Shareholders is January 5, 2001. If no space is marked, then the proxy will be voted by the persons therein named at the meeting: (1) for the election of four Directors to serve one-year terms; (2) for the ratification of the selection of Kaufman, Rossin & Co. as the Company's independent auditors; and (3) in their discretion, upon such other business as may properly come before the meeting. If there are not sufficient votes for approval of any of the matters to be voted upon at the Meeting, then the Meeting may be adjourned in order to permit further solicitation of proxies. The election of Directors will be by a plurality of votes cast, either in person or by proxy, at the Meeting. The approval of the proposals covered by this Proxy Statement, other than the election of Directors, will require an affirmative vote of the holders of a majority of the shares of Common Stock of the Company voting in person or by proxy at the Meeting.

During the fiscal year ended June 24, 2000, the Board held three regular and two special Board meetings. The Board has a Compensation Committee and an Audit Committee. The Board created its Compensation Committee during fiscal 2001, and therefore no Compensation Committee meetings were held during fiscal 2000. total number of meetings held by the Board and the total number of meetings held by any committee on which such director served.

The Compensation Committee reviews and sets the level for executive compensation for the ensuing year; reviews and recommends the terms of the employment agreements for the Company's executives; sets bonuses for the Company's executives; and determines the number of stock options and the terms of such options to be awarded to the Company's executives and eligible employees. The Audit Committee recommends to the Board of Directors the engagement of independent auditors for the ensuing year; reviews the scope of the annual audit; reviews with auditors the results of the audit engagement, including review of the financial statements and the management letter; and reviews the scope of and compliance with the Company's internal controls. The Audit Committee has reviewed and discussed the audited financial statements with the Company's management. In addition, the Audit Committee has discussed with, and has received from, the Company's independent auditors all matters and written disclosures contemplated by the rule on Audit Committee Reports implemented by the Securities and Exchange Commission. Based on the foregoing, the Audit Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-KSB for the fiscal year 2000 for filing with the United States Securities and Exchange Commission. The Board has adopted a Written Charter for the Audit Committee, a copy of which is attached hereto.

Richardson. Pursuant to the terms of these Employment Agreements, each executive is entitled to receive (i) annual base compensation of \$156,000, with increases in future years by the percentage increase of the Consumer Price Index and (ii) a bonus up to 100% of base salary based on the increase in pretax earnings per share over the prior year. 7

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION IN COMPENSATION DECISIONS

The Company created its Compensation Committee during fiscal 2001, and therefore the Board of Directors acted on compensation issues and set compensation levels for its executive management during fiscal 2000. SEE "MEETINGS OF THE BOARD OF DIRECTORS AND ITS COMMITTEES." Mr. Robert L. Steiler is a Director of the Company and currently serves on the Compensation Committee. Mr. Steiler is also the sole owner of a company that provides consulting services to the Company for compensation. SEE "CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS." Mr. Steiler abstains from voting on issues concerning such compensation.

BOARD COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Company created its Compensation Committee during fiscal 2001, and therefore the Board of Directors acted on compensation issues and set compensation levels for its executive management during fiscal 2000. SEE "MEETINGS OF THE BOARD OF DIRECTORS AND ITS COMMITTEES."

GENERAL COMPENSATION POLICY. The three principal components of the Company's executive compensation are salary, bonus and stock options. The components are designed to facilitate fulfillment of the compensation objectives of the Company's Board of Directors, which objectives include (i) attracting and retaining competent management, (ii) recognizing individual initiative and achievement, (iii) rewarding management for short and long term accomplishments and (iv) aligning management compensation with the achievement of the Company's goals and performance.

The Board endorses the position that equity ownership by management is beneficial in aligning management's and shareholders' interest in the enhancement of shareholder value. Base salaries for new management employees are determined initially by evaluating the responsibilities of the position held and the experience of the individual, and by reference to the competitive marketplace for managerial talent, including a comparison of base salaries for comparable position at similar companies of comparable sales and capitalization. Annual salary adjustments are determined by evaluating (i) the performance of and responsibilities assumed by the executive, (ii) the competitive marketplace and (iii) the performance of the Company. The Board does not utilize any specific formula to determine compensation based on Company performance.

Edgar Filing: PALLET MANAGEMENT SYSTEMS INC - Form DEF 14A

The Board periodically reviews the Company's existing management compensation programs on an ongoing basis, including (i) meetings with the President to consider and set mutually agreeable performance standards and goals for members of senior management and/or the Company, as appropriate or as otherwise required pursuant to any such officer's employment agreement and (ii) modifications to such compensation programs as appropriate, to ensure alignment with the philosophy and established standards and goals of the Compensation Committee.

COMPENSATION OF CHIEF EXECUTIVE OFFICER AND PRESIDENT. The Company has entered into employment agreements with both Mr. John C. Lucy, III, its Chief Executive Officer, and Mr. Zachary M. Richardson, its President. Each of their employment agreements provide for bonuses of up to 100% of base salary based on the increase in pretax earnings per share over the

8

prior year. SEE "EMPLOYMENT AGREEMENTS." Aside from Company performance, other factors which influence the compensation paid to Messrs. Lucy and Richardson include executive responsibilities and performance, and compensation levels at comparable companies.

PROPOSALS TO THE SHAREHOLDERS

The Board on December 14, 2000, unanimously approved the following proposals for presentation to the Company's Shareholders:

1. ELECTION OF DIRECTORS

The Board has nominated the following individuals to serve as Directors of the Company until the Company's 2002 Annual Meeting of Shareholders and until their respective successors have been elected and qualified: Philip D. Feltman, Ronald Shindler, Alan P. Sklar and Robert L. Steiler. For biographical information regarding these nominees, please see "MANAGEMENT - Directors and Executive Officers."

It is intended that the votes will be cast pursuant to the accompanying proxy for the four nominees named above, unless otherwise directed. The Board has no reason to believe that any of the nominees will become unavailable to serve if elected. However, if any nominee should be unavailable, then proxies solicited by the Board will be voted for the election of a substitute nominee designated by the Board.

Edgar Filing: PALLET MANAGEMENT SYSTEMS INC - Form DEF 14A

Proxies cannot be voted for a greater number of persons than the four nominees named above. The Directors will be elected by a plurality of the votes cast, either in person or by proxy, at the Meeting. Votes cast as abstentions will not be counted as votes for or against the election of the Director and therefore will have no effect on the number of votes necessary to elect the Directors. So-called "broker non-votes" (brokers failing to vote by proxy shares of the Company's Common Stock held in nominee name for customers) will not be counted at the Meeting and also will have no effect on the number of votes necessary to elect a Director.

THE BOARD RECOMMENDS A VOTE IN FAVOR OF THE PROPOSED NOMINEES FOR ELECTION TO THE BOARD.

2. RATIFICATION OF SELECTION OF INDEPENDENT AUDITOR

11

It is intended that the votes will be cast pursuant to the accompanying proxy for the ratification of Kaufman, Rossin & Co. ("KR&C"), as the Company's independent auditor, unless otherwise directed. KR&C's service as the Company's independent auditor began with the audited financial statements for 1999.

No member of KR&C or any associate thereof has any financial interest in the Company or its subsidiaries. By mutual agreement, a member of that firm will not attend the Meeting and therefore will not have the opportunity to make a statement or be available to respond to questions.

Shareholder approval of the Company's auditor is not required under Florida law. The Board is submitting its selection of KR&C to its Shareholders for ratification in order to determine whether the Shareholders generally approve of the Company's auditor. If the selection of KR&C is not approved by the Shareholders, the Board will reconsider its selection.

THE BOARD RECOMMENDS A VOTE IN FAVOR OF THIS PROPOSAL.

3. OTHER MATTERS

The Board is not aware of any other business that may come before the meeting. However, if additional matters properly come before the meeting, then proxies will be voted at the discretion of the proxy-holders.
