Item 2.01 Completion of Acquisition or Disposition of Assets

On June 23, 2005 Semtech Corporation, through its wholly-owned Swiss subsidiary, Semtech International AG, acquired all of the outstanding shares of Xemics SA from twenty-one sellers in a cash for stock transaction pursuant to the Share Purchase and Sales Agreement ("Agreement") that was previously filed as Exhibit 10.1 to Semtech's Form 8-K filed on June 20, 2005 and that is incorporated herein by reference. The names of the twenty-one selling shareholders are set forth in the Agreement.

The transaction with Xemics shareholders is valued at approximately \$59 million, assuming all variable portions of the purchase price are paid and including payments associated with certain shareholder loans that have been assigned to and assumed by Semtech International. Semtech International paid \$43 million upon closing of the transaction. An additional \$16 million may be payable if Xemics meets certain performance objectives during an earnout period of approximately one year. The purchase price is subject to a reduction for social security, pension and stamp duty obligations to be paid post-closing that are related to certain employee stock options exercised before closing; this adjustment will not impact the total cash outlay associated with the transaction.

The foregoing description of the terms of the transaction does not purport to be complete and is qualified in its entirety by the Agreement.

Item 7.01. Regulation FD Disclosure
