Employee Benefits Committee
Employees' Profit Sharing and Salary Deferral
Plan of SM&P Utility Resources, Inc.
Carmel, Indiana

We have audited the accompanying statements of net assets available for benefits of Employees' Profit Sharing and Salary Deferral Plan of SM&P Utility Resources, Inc. as of December 31, 2007 and 2006, and the related statements of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Plan is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audits included consideration of internal control over financial reporting as a basis for designing auditing procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, we express no such opinion. Our audits also included examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management and evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Employees' Profit Sharing and Salary Deferral Plan of SM&P Utility Resources, Inc. as of December 31, 2007 and 2006, and the changes in its net assets available for benefits for the years then ended in conformity with accounting principles generally accepted in the United States of America.

The accompanying supplemental schedule of assets (held at end of year) is presented for the purpose of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

EMPLOYEES' PROFIT SHARING AND SALARY DEFERRAL PLAN OF
SM&P UTILITY RESOURCES, INC.

NOTES TO FINANCIAL STATEMENTS
AS OF AND FOR THE YEARS ENDED DECEMBER 31, 2007 AND 2006

1. DESCRIPTION OF PLAN

General—The following description of the Employees' Profit Sharing and Salary Deferral Plan of SM&P Utility Resources, Inc. (the "Plan") is provided for general information purposes only. For more complete information, participants should refer to the Plan Document and Summary Plan Description, which are available from the Plan Administrator. The Plan was established effective July 1, 1987. The Plan is a defined contribution plan, which covers employees of SM&P Utility Resources, Inc. (the "Company"), a wholly-owned subsidiary of The Laclede Group, Inc. ("Group"), who are not represented by a collective bargaining agreement, provided they meet the prescribed eligibility requirements. Certain employees of the Company act as trustees (the "Trustees") of the Plan and control and manage the operation of the Plan. American United Life Insurance Company ("AUL" or "Custodian") serves as the custodian of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Participation or Eligibility—All full-time employees of the Company who are not represented by a collective bargaining agreement and have attained age 20-1/2 years and completed six months of service, as defined by the Plan document, are eligible to participate.

Contributions—Under the Plan, eligible participants may elect a salary deferral of 1% to 75% of compensation, as defined in the Plan document, subject to certain Internal Revenue Code ("IRC") limitations.

The Company may make discretionary matching contributions from its net profits that are allocated to each eligible participant's account based upon the participant's salary deferral amount. For the years ended December 31, 2007 and 2006, the Company elected to make matching contributions equal to 50% of each participant's salary deferral amount. The Company's matching contribution is up to a maximum of 3% of the participant's compensation. The Company may make additional discretionary contributions that are allocated to each eligible participant in proportion to compensation and are unrelated to any participant salary deferral amounts. No additional discretionary contributions were made during the 2007 and 2006 Plan years.

Rollovers From Other Qualified Employer Plans—The Plan allows for employees to transfer other qualified employer retirement plan assets to the Plan.

Participant Accounts—Individual accounts are maintained for each Plan participant. In addition to the employee and Company matching contributions, each participant's account is credited with an allocation of Plan earnings, based on participant account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options—There are twenty-two investment alternatives available for the investment of contributions to the Plan. Participants direct the investment of their contributions and Company matching contributions to the Plan in any one or more of the investment funds and may request the transfer of their contributions and Company matching contributions among the funds. The investment funds consist of mutual, bond, and equity funds offered by the Plan.

Vesting—Participants are immediately vested in their contributions and actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus earnings thereon is based on years of continuous service. A Participant is fully vested after five years of continuous service. The non-vested balance is forfeited upon termination of service. Forfeitures are used to reduce Company contributions.

Payment of Benefits—Upon retirement or termination of service, distributions from the Plan are paid out in a lump sum. At December 31, 2007 and 2006, plan assets include \$0 and \$4,815, respectively, allocated to accounts of terminated or retired participants who have elected to withdraw from the Plan but have not yet been paid. Benefit payments to participants are recorded upon distribution.

Hardship Withdrawals—Participants may request withdrawals of their vested account balance if they satisfy hardship requirements established by the Plan Administrator in accordance with Internal Revenue Service (“IRS”) guidelines.

Participant Loans—A participant may borrow from his or her fund accounts a minimum of \$1,000 up to the lesser of \$50,000 or 50% of the participant’s vested account balance. The repayment period may not exceed five years unless the loan is used to purchase the participant’s primary residence, subject to certain restrictions. Loans are secured by the balance in the participant’s account and bear interest at a rate comparable to the rate charged by a commercial lender, subject to review periodically by the Employee Benefits Committee. Principal and interest is paid ratably through payroll deductions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting—The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates—The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition—The Plan’s investments in the various funds are stated at the market value of the underlying assets, which are determined by the Custodian. The common stock of the Group is stated at quoted market value. Participant loans are valued at the outstanding loan balance. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Administrative Expenses—Administrative expenses of the Plan are paid by the Company. Certain other expenses of the Plan such as investment manager fees and broker fees are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

3. INVESTMENTS

As of December 31, 2007 and 2006, investments that represent 5% or more of the Plan's net assets available for benefits are as follows:

	2007	2006
AUL Fixed Interest Investment Fund	\$3,400,014	\$3,328,257

Alger American Leveraged Allcap Fund	1,402,216	-

During 2007 and 2006, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated (depreciated) in value as follows:

	2007	2006
Mutual funds	\$ 1,426,682	\$ 945,891
Common stock	(30,774)	92,591
Net appreciation of investments	\$ 1,395,908	\$ 1,038,482

Interest and dividends realized in the Plan's investments for the years ended 2007 and 2006 were \$250,509 and \$221,366, respectively.

4. PARTY-IN-INTEREST

The Plan invests in certain funds offered by the Custodian. Therefore, these transactions qualify as exempt party-in-interest transactions. Such investments as of December 31, 2007, are disclosed on the Supplemental Schedule of Assets (Held at End of Year).

At December 31, 2007 and 2006, the Plan held 388,733 units and 434,468 units, respectively, of common stock of the Group, with fair value of \$715,994 and \$788,832, respectively. During the years ended December 31, 2007 and 2006, the Plan recorded dividend income of \$30,552 and \$28,297 respectively, and net appreciation (depreciation) in fair value of \$(30,774) and \$92,591, respectively, from common stock of the Group.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan at any time, subject to the provisions set forth in ERISA. Should the Plan be terminated, participants will become 100% vested in their accounts.

6. TAX STATUS

The Plan obtained its latest determination letter on December 9, 2004, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code and therefore not subject to tax. The Plan has been amended since receiving the determination letter. However, the Plan Administrator and the Plan's Tax Counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

7. SUBSEQUENT EVENT

On March 31, 2008, The Laclede Group completed the sale of 100% of its interest in its wholly-owned subsidiary, SM&P, to Stripe Acquisition, Inc. (an affiliate of Kohlberg Management VI, LLC). Stripe Acquisition, Inc. also secured 100% ownership of Central Locating Services, Ltd. (CLS) from Asplundh Tree Expert Company on that same date.

In connection with the integration of CLS and SM&P under the umbrella of United States Infrastructure Corporation (the new holding company), the CLS 401(k) plan merged into the Employees' Profit Sharing and Salary Deferral Plan of SM&P Utility Resources, Inc in April 2008. With this merger 742 CLS employees transferred \$2,414,160 and \$3,193,033 into the new USIC 401(k) Savings Plan on April 18, 2008 and May 13, 2008, respectively.
