REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Audit Committee of First Citizens National Bank  
Employee Stock Ownership Plan and Trust  
and Payroll Stock Ownership Plan

We have audited the accompanying statements of net assets available for benefits of First Citizens National Bank Employee Stock Ownership Plan and Trust and First Citizens National Bank Payroll Stock Ownership Plan as of December 31, 2007 and 2006, and the related statements of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to

express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of First Citizens National Bank Employee Stock Ownership Plan and Trust and First Citizens National Bank Payroll Stock Ownership Plan as of December 31, 2007 and 2006, and the changes in net assets available for benefits for the years then ended in conformity with accounting principles generally accepted in the United States of America.

**FIRST CITIZENS NATIONAL BANK**  
**EMPLOYEE STOCK OWNERSHIP PLAN AND TRUST**  
**AND PAYROLL STOCK OWNERSHIP PLAN**

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2007 AND 2006**

**Note 1 - Plan Description and Basis of Presentation**

The First Citizens National Bank Employee Stock Ownership Plan and Trust (the plan) was adopted by the Board of Directors of First Citizens National Bank effective October 1, 1984. The following brief description of the plan is provided for general information purposes only. Participants should refer to the plan Agreement for complete information.

*Eligibility*

The Plan provides for participation by all employees of First Citizens National Bank who have completed a year of service by the last day of a given plan year and who are at least twenty-one (21) years old. A year of service is defined as twelve consecutive months of employment in which the employee works 1,000 hours. Participants who do not have at least 1,000 hours of service during the plan year or are not employed on the last working day of the plan year are generally not eligible for an allocation of Company contributions for such year.

*Payment of Benefits*

Benefits are paid to a participant upon retirement at the normal retirement age of sixty five (65), or at such later date as the participant may elect to retire or upon total and permanent disability prior to age sixty five (65) to the extent of his or her entire interest in the Trust Fund. Benefits are payable to a participant's beneficiary in the event of a participant's death at any time to the extent of his or her entire interest in the Trust Fund.

Benefits payable to a participant whose employment terminates prior to retirement are determined by a vesting schedule based on completed years of service with the employer. Effective January 1, 2007 the plan was amended to change the vesting schedule. The amendment provides for 100% vesting after completion of three (3) years of service.

*Plan Termination*

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts. The interest of each participant in the plan will be distributed to such participant or his or her beneficiary at the time prescribed by the plan terms and the Code.

*Participant Accounts*

The plan is a defined contribution plan under which a separate individual account is established for each participant. The plan provides for contributions equal to 7% of covered compensation. An additional contribution may be made as determined by the Board of Directors of the Bank not to exceed that amount allowed as a deduction annually by the Internal Revenue Code. The employer contribution for that plan year shall be allocated to the participants who are employed at the end of the plan year based on the proportion which a participant's compensation during such year bears to the total compensation for that year of all participants.

*Diversification*

Diversification is offered to participants close to retirement so that they may have the opportunity to move part of the value of their investment in Company stock into investments which are more diversified. Participants who are at least age 55 with at least 10 years of participation in the Plan may elect to diversify a portion of their account. Diversification is offered to each eligible participant over a six-year period. In each of the first five years, a participant may diversify up to 25 percent of the number of post-1986 shares allocated to his or her account, less any shares previously diversified. In the sixth year, the percentage changes to 50 percent. Participants who elect to diversify receive a rollover distribution.

Note 1 - Plan Description and Basis of Presentation - Continued

*Diversification - Continued*

The First Citizens National Bank Payroll Stock Ownership Plan (PAYSOP) was enacted effective January 1, 1985. Contributions, based on payroll, were made to this plan for plan years December 31, 1985 and 1986. For plan years beginning after December 31, 1986, all contributions ceased. A wasting trust is maintained so distributions of benefits attributable to the PAYSOP may be made. Since January 1, 1987, separate accounts have been maintained for participants with a PAYSOP balance at December 31, 1986. No further contributions will be made to these accounts.

Note 2 - Summary of Significant Accounting Policies

The significant accounting policies of First Citizens National Bank Employee Stock Ownership Plan and Trust and Payroll Stock Ownership Plan are summarized as follows:

Basis of Accounting

The financial statements of the ESOP are presented on the accrual basis of accounting. The financial statements of the PAYSOP are prepared on the liquidation basis of accounting.

Investment Valuation and Income Recognition

Investments are presented at fair market value as of the balance sheet date. Fair market value of investments which have no quoted market price is determined by independent appraisal. Dividend income is accrued on the ex-dividend date. Purchases and sales of securities are recorded on the trade-date basis. Realized gains and losses from security transactions are reported on the average cost method.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Note 3 - Tax Status

The Internal Revenue Service has determined and informed the Company by a letter dated August 29, 2002, that the plans are qualified and the trust established under the plan is tax-exempt under the appropriate sections of the Internal Revenue Code. The plan has been amended since receiving the determination letter and the Company believes that the plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, the Company believes that the plan was qualified and the related trust was tax-exempt as of the financial statement date.

Note 7 - Concentration of Credit Risk

A substantial portion of the assets of the First Citizens National Bank Employee Stock Ownership Plan and Trust and Payroll Stock Ownership Plan is invested in common stock of the Employer.

Although the Employer has a diversified loan portfolio a significant portion of its portfolio is real estate related. Their debtors' ability to honor their contracts, and therefore the welfare of the Employee Stock Ownership Plan's investment, is dependent upon the economy of the area.

Note 8 - Subsequent Events

Effective January 1, 2008, the plan was amended to allow participants who have attained age 45 and have completed at least 10 years of participation in the Plan to elect to diversify up to 25% of the employer securities that are held in their account as of the most previous plan year end. Such election shall only be available once between the ages of 45 and 55. Participants must be actively employed by the employer at the time of election. Any diversification under this amendment will not affect the amount of shares eligible for diversification available at age 55 as otherwise described in the plan.
