Revisions to Annual Report on Form 10-K/A for the Year ended December 31, 2016 and Quarterly Report on Form 10-Q for the Three Months Ended March 31, 2017

1st Constitution Bancorp (the “Company”) filed its Annual Report on Form 10-K/A for the year ended December 31, 2016 (the “2016 Form 10-K/A”) with the Securities and Exchange Commission (the “Commission”) on March 20, 2017 and filed its Quarterly Report on Form 10-Q for the three months ended March 31, 2017 (the “1Q 2017 Form 10-Q”) with the Commission on May 9, 2017.

Prior to the filing of the Company’s Quarterly Report on Form 10-Q for the quarter ended June 30, 2017, the Company identified a classification error concerning its presentation of the amortization of deferred loan origination costs in the Company’s Consolidated Statements of Income. The Company determined that it incorrectly classified the amortization of deferred loan origination costs in other expenses when it should have been included in loan interest income in its previous filings. This error did not result in any effect on pre-tax income, after-tax income, basic and diluted earnings per share, statements of cash flows, balance sheets, book value, return on assets, return on equity or regulatory capital ratios in any historical period. The effect on the Company’s Consolidated Statements of Income for these periods was an overstatement of loan interest income and an overstatement of non-interest expenses in the Consolidated Statements of Income by an equal amount.

The Company is filing this Current Report on Form 8-K (this “Form 8-K”) to provide updated and revised versions of the following financial statements and related financial disclosures to correct the misclassification error referred to above:

Audited Consolidated Financial Statements for each of the two years in the period ended December 31, 2016, and related financial disclosures and Management’s Discussion and Analysis of Financial Condition and Results of Operations (“MD&A”) set forth in the 2016 Form 10-K/A.

Unaudited Consolidated Financial Statements for the three month periods ended March 31, 2017 and March 31, 2016, and related financial disclosures, and MD&A, set forth in the 1Q 2017 Form 10-Q.

The revisions set forth in the foregoing are not considered to be material to the Company’s Consolidated Financial Statements included in the 2016 Form 10-K/A or the 1Q 2017 Form 10-Q, or in any other period contained in any other report filed by the Company with the Commission. These revisions do not change the Company’s previously reported net income for any reporting period contained in the 2016 Form 10-K/A or the 1Q 2017 Form 10-Q.

The information presented in the exhibits to this Form 8-K supersedes the corresponding respective disclosures in the 2016 Form 10-K/A and the 1Q 2017 Form 10-Q. This Form 8-K does not reflect events occurring after the filing of the 1Q 2017 Form 10-Q and does not modify or update the disclosures in the 2016 Form 10-K/A or the 1Q 2017 Form 10-Q in any way, other than as described herein (including in the exhibits hereto). Other significant developments with respect to the Company have occurred subsequent to March 31, 2017, as are more fully described in the Company’s filings with the Commission subsequent to the 1Q 2017 Form 10-Q, including matters disclosed in the Company’s Quarterly Reports on Forms 10-Q for the quarters ended June 30, 2017 and September 30, 2017, and in the Company’s Current Reports on Form 8-K filed with the Commission.

Cautionary Language Concerning Forward-Looking Statements

Among the risks and uncertainties that could cause actual results to differ from those described in the forward-looking statements include, but are not limited to, the factors described under "Business," "Risk Factors" and "Management's Discussion and Analysis of Financial Condition and Results of Operations" in the 2016 Form 10-K, and those contained in other reports filed by the Company with the Commission. Such factors include, but are not limited to, the overall economy and the interest rate environment; the ability of customers to repay their obligations; competition; significant changes in accounting, tax or regulatory practices and requirements; certain interest rate risks; and risks associated with speculative construction lending. Although management has taken certain steps to mitigate any negative effect of the aforementioned items, significant unfavorable changes could severely impact the assumptions used and could have an adverse effect on profitability. The Company undertakes no obligation to update, alter, or otherwise revise any forward-looking statements, whether written or oral, that may be made from time to time, whether as a result of new information, future events, or otherwise.
