PROFORMA CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

BASIS OF PRESENTATION

(unaudited)

The proforma condensed consolidated balance sheet as of July 31, 2006, and the proforma condensed consolidated statements of operations for the three years in the period ended July 31, 2006, are based on the historical financial statements of the Registrant.

The proforma condensed consolidated balance sheet as of July 31, 2006, is presented as if the disposition of the Toucan business and receipt of the proceeds by the Registrant as described in item 2.01 of this Form 8-K occurred in its entirety on July 31, 2006. As set forth in Item 2.01 of this Form 8-K, as of October 11, 2006, the first stage of such disposition has been consummated.

The proforma condensed consolidated statements of operations for the three years in the period ended July 31, 2006, are presented as if the disposition of the Toucan business and receipt of the proceeds by the Registrant as described in Item 2.01 of this Form 8-K occurred on November 1, 2003, on which date the Registrant launched the Toucan business. The proforma condensed consolidated financial statements should be read in conjunction with the historical financial statements and notes related thereto appearing in the Registrant's Annual Reports on Form 10-K for the fiscal years ended July 31, 2006, 2005 and 2004.

Preparation of the proforma information was based on assumptions considered appropriate by the Registrant's management. The proforma financial information is unaudited and is not necessarily indicative of the results which would have occurred if the transactions described above had been consummated on November 1, 2003 for the proforma condensed consolidated statements of operations and on July 31, 2006 for the proforma condensed consolidated balance sheet, nor does it purport to represent the future financial position and the results of operations for future periods. In management's opinion, all adjustments necessary to reflect the effects of the transactions listed above have been made.
