*Article 8*  
**Actions by Seller and Buyer After Closing**

8.1. *Books and Records.* Each Party agrees that it will cooperate with, and make available to, the other party, upon reasonable written notice of inspection and during normal hours, all books and records, and information retained and remaining in existence after the Closing Date which are necessary or useful in connection with any Tax inquiry, audit, investigation or dispute, any litigation or investigation or any other matter requiring any such books and records, information or employees' access for any reasonable business purpose. The Party requesting any such books and records or information shall bear all of the out-of-pocket costs and expenses (including, without limitation, attorneys' fees, but excluding reimbursement for salaries and employee benefits) reasonably incurred in connection with providing access to such books and records or information. Buyer may require certain financial information relating to Seller for periods after the Closing Date for the purpose of filing national, provincial, local and foreign Tax Returns and other governmental reports, and Seller agrees to furnish such information to Buyer at Buyer's reasonable request.

8.2. *Survival of Representations, and Warranties.* All representations and warranties contained herein or in any certification or instrument delivered pursuant to this Agreement or the transactions contemplated hereby shall survive for a period of two (2) year from the execution and delivery hereof and the consummation of the transactions contemplated hereby.

8.3. *Indemnification.* Buyer and Seller each agree to indemnify and hold the other harmless from and against all claims, damage, losses, liabilities, costs and expenses, including, without limitation, settlement costs and any legal, accounting or other expenses for investigating or defending any actions or threatened actions (the "**Indemnified Liabilities**") incurred by the other in connection with:

(a) Any material breach of any representation or warranty made in this Agreement by the Party against whom indemnification is sought; or

(b) Any material misrepresentation contained in any statement, certificate, exhibit or schedule to this Agreement furnished by the Party against whom indemnification is sought; or

(c) Any material breach of or failure to perform any covenant, agreement or obligation contained in this Agreement or in any related documents or other certification or instrument contemplated hereby.

8.3.1 *Claims for Indemnification.* Whenever any claim shall arise for indemnification hereunder (a "**Claim**"), the Party seeking indemnification (the "**Indemnified Party**") shall promptly notify each Party from whom indemnification is sought (the "**Indemnifying Party**") of the Claim and, when known, the facts constituting the basis for the Claim. In the event of any such claim for indemnification results from or is in connection with any Claim or legal proceedings by a third party, the notice to the Indemnifying Party shall specify, if known, the amount or an estimate of the amount, of the liability arising therefrom. The Indemnified Party shall not settle or compromise any Claim by a third party for which it is entitled to indemnification hereunder without the prior written consent of the Indemnifying Party, which shall not be unreasonably withheld or delayed, unless suit shall have been instituted against the Indemnified Party and the Indemnifying Party shall not have taken control of such suit after notification thereof, as provided in Section 8.3.2 of this Agreement.

8.3.2 *Defense of Claims.* If a Claim results from, or arises out of, any claim or legal proceeding by a person who is not a party to this Agreement, the Indemnifying Party, at its sole cost and expense, may, upon written notice to the Indemnified Party, assume the defense of any such Claim or legal proceeding, with counsel reasonably satisfactory to the Indemnified Party. The Indemnified Party shall be entitled to participate in (but not control) the defense of any such action, with its counsel and at its own expense. If the Indemnifying Party does not assume the defense of any such Claim or litigation resulting therefrom within ten calendar (10) days after notice of such Claim is given to the Indemnified Party, then, (i) the Indemnified Party may defend against such Claim or litigation in such manner as it may deem appropriate, including, but not limited to, settling such claim or litigation, after giving notice of the same to the Indemnifying Party, on such terms as the Indemnified Party may deem appropriate, and (ii) the Indemnifying Party shall be entitled to participate in (but not control) the defense of such action, with its counsel and at its own expense. If the Indemnifying Party thereafter seeks to question, defend against or limit liability as a result of the manner in which the Indemnified Party defended such third party Claim or litigation, or the amount or nature of any such settlement, the Indemnifying Party shall have the burden to prove by a preponderance of the evidence that the Indemnified Party did not defend or settle such third party Claim or litigation, in a reasonably prudent manner.

8.3.3 *Payment.* Upon judgment, determination, settlement or compromise of any third party Claim (a “**Determination**”) in a manner provided for by Section 8.3.2, the Indemnifying Party shall promptly pay on behalf of the Indemnified Party or to the Indemnified Party in reimbursement of any amount theretofore required to be paid by it, the amount so determined by such Determination with respect thereto, unless in the case of a judgment an appeal is made from the judgment. If the Indemnifying party desires to appeal from an adverse judgment, then the Indemnifying Party shall post and pay the cost of the security or bond to stay execution of the judgment pending appeal. Upon the payment in full by the Indemnifying Party of such amounts, the Indemnifying Party shall succeed to the rights of such Indemnified Party, to the extent not waived in settlement, against the third party who made such third party Claim.

8.4. *Further Assurances.* Both at and after Closing, each Party shall prepare, execute and deliver, at the other's direction and expense, such further instruments of conveyance, sale, assignment or transfer and such other documents, and shall take or cause to be taken such other or further action, as the Party shall reasonably request at any time or from time to time in order to perfect, confirm and evidence Hangson's title to all or any part of the Registered Capital and/or to perfect Seller's right to, and receipt of, the Shares, or to consummate, in any other manner the terms and provisions of this Agreement.

8.5. *No Prohibited Assignment: Best Efforts.* This Agreement shall not constitute an agreement to assign any claim, contract, license, lease, commitment, sales order or purchase order if any attempted assignment of the same without the consent of the other Parties thereto would constitute a breach thereof or in any way affect the rights of the Parties thereunder and such consent has not been obtained. If such consent is not obtained or if any attempted assignment would be ineffective or would affect a Party rights thereunder so that such Party would not in fact receive all such rights, then, the other Party shall use its best efforts to cause the affected Party to be placed in the same economic position as if such consent or assignment had been effected. In doing so, the other Party shall thereafter not be in breach of its related representations and warranties under this Agreement.

*Article 9*

10.1. This Agreement may be terminated as provided below:

(a) Buyer and Seller may terminate this Agreement by mutual written consent at any time prior to the Closing;

(b) Buyer may terminate this Agreement by giving written notice to Seller at any time prior to the Closing: (i) by reason of the failure of the fulfillment of any condition under Section 9.1 by Seller, or (ii) if the Closing shall not have occurred on or before July 15, 2008; and
