**Item 1.01 Entry Into a Material Definitive Agreement.**

On March 18, 2013, First Financial Bank, National Association (“First Financial Bank”), a wholly-owned subsidiary of First Financial Corporation (the “Corporation”), entered into a Purchase and Assumption Agreement (the “Agreement”) with Bank of America, National Association (“Bank of America”). Under the terms of the Agreement, First Financial Bank will purchase certain assets and assume certain liabilities (the “Transaction”) of 7 branch offices and 2 drive-up facilities of Bank of America in central and southern Illinois (collectively, the “Branches”).

Pursuant to the terms of the Agreement, First Financial Bank has agreed to assume approximately \$250 million in deposit liabilities and to acquire approximately \$2.3 million of loans, as well as real property, furniture, and other fixed operating assets associated with the Branches.

The completion of the Transaction is subject to regulatory approval required by the Office of the Comptroller of the Currency and customary closing conditions. Subject to the satisfaction of such conditions, First Financial Bank and Bank of America expect to close the Transaction in the third quarter of 2013. First Financial Bank anticipates that it will be offering employment to all current employees of Bank of America located at the Branches, subject to standard background screening.

First Financial Bank and Bank of America made customary representations, warranties, and covenants in the Agreement. First Financial Bank and Bank of America have also agreed to indemnify each other (subject to customary limitations) with respect to the Transaction, including for breaches of representations and warranties, breaches of covenants, liabilities not retained or assumed, and conduct of the business of the Branches and operation and use of the purchased assets during certain time periods.

The purchase price in the Transaction will be computed as the sum of the: (i) average daily closing balance of the deposits for the thirty (30) day period prior to the closing multiplied by 2.75%; (ii) net book value of the loans assumed at closing, plus accrued interest; and (iii) aggregate net book value of all of the other assets being acquired.

The foregoing description of the Agreement and the transactions contemplated thereby does not purport to be complete and is qualified in its entirety by reference to the Agreement, which is attached as Exhibit 2.1 hereto, and is incorporated into this report by reference.

**Item 7.01 Regulation FD Disclosure**

On March 19, 2013, the Corporation issued a press release announcing the execution of the Agreement. A copy of the press release is attached as Exhibit 99.1.

This report will not be deemed an admission as to the materiality of any information in the report that is required to be disclosed solely by Regulation FD.
