General Mills will make its \$273 million cash payment by wire transfer to Diageo no later than May 1, 2003.

The final payment amount reflects an average General Mills stock price for the 20 days measured of \$45.55 per share. This average price was calculated using the intra-day high and low prices for General Mills shares traded on the New York Stock Exchange for each of the 20 measured days. Diageo will receive the difference between this average price and \$49.00, or \$3.45 per share, multiplied by Diageo's current holding of 79 million General Mills shares.
