PART I--FINANCIAL INFORMATION

Item 1. Financial Statements.

Financial Statements for the quarter ending March 31, 2002 are attached hereto following the Signatures page.

Item 2. Management's Discussion and Analysis of Financial

Condition and Results of Operations. The Company acquired all of the assets of RadioTV Network, Inc ("RTV") on July 16, 2001 in a transaction treated as a recapitalization of RTV. RTV has been developing and operating, for the past few years, a new television network that produces and distributes TV adaptations of top rated radio programs. The Company intends to further develop and expand RTV and is also planning on acquiring and affiliating with other media related entities, which are presently being identified. The Company requires capital for these purposes and anticipates completing several Private Placements of its stock to raise equity capital in 2002. The Company completed its first Private Placement in March 2002 resulting in new capital of \$82,390 and anticipates completing several additional ones this year. The Company believes that if it successfully completes the Private Placements they will be sufficient to fund its initial business plans. With the exclusion of \$40,361 of compensation expense pursuant to an employment agreement with our President, the RTV operational expenses for the 1st Quarter 2002 reflect minimal operating expenses pending funding.

Item 3. Quantitative and Qualitative Disclosures About Market Risk.

Not applicable.

Sun Network Group, Inc. and Subsidiary
Notes to Consolidated Financial Statements
March 31, 2002
(Unaudited)

Note 1 Basis of Presentation

The accompanying unaudited consolidated financial statements of Sun Network Group, Inc. and Subsidiary (the "Company") have been prepared in accordance with accounting principles generally accepted in the United States of America and the rules and regulations of the Securities and Exchange Commission for interim financial information. Accordingly, they do not include all the information and footnotes necessary for a comprehensive presentation of consolidated financial position and results of operations.

It is management's opinion, however, that all material adjustments (consisting of normal recurring adjustments) have been made which are necessary for a fair consolidated financial statements presentation. The results for the interim period are not necessarily indicative of the results to be expected for the year.

For further information, refer to the audited financial statements and footnotes of RadioTV Network, LLC for the years ended December 31, 2001, 2000 and 1999 included in the Current Report on Form 8-K on Sun Express Group, Inc. (See Note 2)

Note 2 Common Stock Issuances

In March 2002, the Company issued 183,088 common shares to an investor for \$82,390.

Note 3 Going Concern

As reflected in the accompanying consolidated financial statements, the Company had an accumulated deficit of \$625,866 through March 31, 2002, net losses for the three months ended March 31, 2002 of \$50,038 and cash used in operations for the three months ended March 31, 2002 of \$16,289. The ability of the Company to continue as a going concern is dependent on the Company's ability to further implement its business plan and generate revenues. The consolidated financial statements do not include any adjustments that might be necessary if the Company is unable to continue as a going concern.

Management is currently seeking additional financing. Management believes that the actions presently being taken to further implement its business plan and generate additional revenues provide the opportunity for the Company to continue as a going concern.

Note 4 Restatement

Subsequent to the filing of the Company's Form 10-QSB for the quarter ended March 31, 2002 management became aware that those consolidated financial statements as of March 31, 2002 did not include \$37,500 of accrued compensation expense pursuant to a July 16, 2001 employment agreement with the Company's chief executive officer. The inclusion of this item and a restatement of the December 31, 2001 consolidated financial statements in the revised consolidated financial statements at March 31, 2002 has the effect of increasing current

Edgar Filing: SUN NETWORK GROUP INC - Form 10-Q/A

liabilities by \$106,250 and increasing expenses and net loss by \$37,500 with no material effect on net loss per shares.
