Closing of Private Placement

On October 8, 2014, Platform Specialty Products Corporation (“Platform”) completed the sale of a total of 16,060,960 shares of Platform’s common stock (the “Shares”) in a private placement to certain eligible investors for an aggregate purchase price of \$410.9 million, or \$25.59 per Share (the closing sale price per share on the New York Stock Exchange on October 2, 2014) (the “Private Placement”). An additional 9,404,064 shares of Platform’s common stock (the “Additional Shares”) are expected to be issued to certain funds managed by Pershing Square Capital Management, L.P. (“Pershing Square”) for an aggregate purchase price of \$240.6 million following receipt of stockholder approval at a special meeting of stockholders of Platform expected to be held on or about November 6, 2014 (the “Special Meeting”).

In connection with the Private Placement, on October 3, 2014, Platform entered into subscription agreements with each investor, including Pershing Square. Pershing Square is the beneficial owner of approximately 24.3% of Platform’s common stock outstanding as of October 3, 2014 and a partner of Pershing Square is a member of Platform’s board of directors. A copy of Platform’s Subscription Agreement with Pershing Square is attached as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference.

Support Agreements

Also in connection with the Private Placement, on October 3, 2014, Platform entered into separate support agreements (the “Support Agreements”) with certain stockholders of Platform (the “Support Parties”) holding, in the aggregate, approximately 28.5% of Platform’s common stock as of such date. The Support Parties included Blue Ridge Limited Partnership, Berggruen Acquisition Holdings IV Ltd, Daniel H. Leever (Platform’s Chief Executive Officer, President and Vice Chairman), Mariposa Acquisition, LLC and Wellington Management Company, LLP, as investment advisor to certain stockholders. Pursuant to the Support Agreements, the Support Parties have agreed to vote in favor of the issuance of the Additional Shares. Pershing Square has also advised Platform that it intends to vote in favor of the issuance of the Additional Shares. Therefore, subject to termination of the Support Agreements in accordance with their respective terms, the issuance of the Additional Shares to Pershing Square is expected to be approved by the requisite vote of Platform’s stockholders.

A more detailed summary of the Support Agreements is set forth in the proposal to be voted at the Special Meeting included in Platform’s preliminary proxy statement for the Special Meeting, as filed with the Securities and Exchange Commission (the “SEC”) on October 6, 2014. The description of the Support Agreements contained herein is qualified in its entirety by reference to the full text of the Support Agreements, a form of which is filed as Exhibit 10.2 to this Current Report on Form 8-K, and is incorporated herein by reference.

Registration Rights Agreements

In connection with the Private Placement, Platform entered into a registration rights agreement with the purchasers of the Shares, pursuant to which Platform agreed to (i) file a registration statement (the “Resale Registration Statement”) with the SEC covering the resale of the Shares, as promptly as practicable following the Special Meeting and, in any event, within ten (10) business days following the filing of Platform’s annual report on Form 10-K for the year ended December 31, 2014 (the “Filing Date”); *provided, however*, that in no event Platform will be obligated to make the initial filing of the Resale Registration Statement until such time as Platform is able to comply with the financial

statement requirements under Regulation S-X of the SEC's rules and regulations, and (ii) use commercially reasonable efforts, subject to receipt of necessary information from all the purchasers of the Shares, to cause the SEC to declare the Resale Registration Statement effective by the earlier of (a) three (3) business days after the SEC has advised us that the Resale Registration Statement has not been selected for review by the SEC, (b) three (3) business days after the SEC has advised us that it has no further comments to the Resale Registration Statement, or (iii) 90 days after the Filing Date.

Platform agreed to enter into a registration rights agreement with identical terms with Pershing Square for the resale of the Additional Shares following stockholder approval of the issuance of the Additional Shares at the Special Meeting.

The foregoing summary of the registration rights agreement does not purport to be complete and is qualified in its entirety by reference to the full text of such agreement. A copy of the registration rights agreement is attached as Exhibit 10.3 to this Current Report on Form 8-K and is incorporated herein by reference.

On October 8, 2014, Platform issued a press release announcing the initial closing of the Private Placement of the Shares. A copy of this press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

The Shares and Additional Shares were offered and sold in a private placement to certain eligible investors pursuant to Section 4(a)(2) of the Securities Act of 1933, as amended (the "Securities Act"). The Shares and Additional Shares have not been registered under the Securities Act, or the securities laws of any other jurisdiction, and may not be offered or sold in the United States absent registration under or an applicable exemption from such registration requirements. This Current Report on Form 8-K does not constitute an offer to sell, or a solicitation of an offer to purchase, the Shares or Additional Shares in any jurisdiction in which such offer or solicitation would be unlawful.

Item 8.01 Other Events.

As previously disclosed in our Current Report on Form 8-K filed with the SEC on July 21, 2014, Platform and Barclays Bank PLC ("Barclays") entered into an amended and restated debt commitment letter (the "Amended and Restated Debt Commitment Letter") pursuant to which Barclays committed, subject to the terms and conditions in the Amended and Restated Debt Commitment Letter, to provide up to \$405 million of incremental first lien term loans. The Amended and Restated Debt Commitment Letter provided that the commitment would terminate upon the earlier to occur of (i) the consummation of the acquisition by Platform of Chemtura Corporation's Chemtura AgroSolutions business, (ii) the Termination Date (under and as defined in the acquisition agreement between Platform and Chemtura Corporation), (iii) November 1, 2014, and (iv) written notice by Platform to terminate the Amended and Restated Debt Commitment Letter. On October 6, 2014, Platform and Barclays amended the Amended and Restated Debt Commitment Letter to extend the November 1, 2014 termination date set forth in subdivision (iii) above to November 7, 2014.

In connection with the Private Placement, on October 6, 2014, Platform issued a press release announcing the pricing of the Private Placement. A copy of this press release is attached hereto as Exhibit 99.2 and is incorporated herein by reference.
