## Explanation of Responses:

- \* If the form is filed by more than one reporting person, see Instruction 5(b)(v).

(1) The option is fully vested and exercisable.

(2) The option became exercisable as to 20% of the shares on 05/02/2008; an additional 1/60th of the shares vest on each monthly anniversary thereafter so that the option will be fully vested as of 05/02/2012.

(3) Long-term incentive units are membership interests in Digital Realty Trust, L.P., a Maryland limited partnership of which the issuer is the general partner (the "Operating Partnership"). Long-term incentive units receive the same quarterly distributions as common limited partnership units of the Operating Partnership ("Common Units"). Long-term incentive units may initially not have full parity with Common Units with respect to liquidating distributions; however, upon the occurrence of specified events, long-term incentive units may achieve full parity with Common Units for all purposes, and thereafter vested long-term incentive units may be converted into an equal number of Common Units on a one-for-one basis at any time. Common Units will be redeemable for cash based on the fair market value of an equivalent number of shares of the issuer's common stock, or, at the election of the issuer, for an equal number of shares of the issuer's common stock.
