**ITEM 2.02. RESULTS OF OPERATIONS AND FINANCIAL CONDITION.**

On July 25, 2006, Interface, Inc. (the “Company”) issued a press release reporting its financial results for the second quarter of 2006. A copy of such press release is included as Exhibit 99.1 hereto and hereby incorporated by reference. The information set forth herein, including the exhibit hereto, shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, except as shall be expressly set forth by specific reference in such filing.

**ITEM 7.01 REGULATION FD DISCLOSURE.**

As previously announced, on April 21, 2006, the Company completed a sale of its European fabrics business, Camborne Holdings Limited. Camborne Holdings Limited was a component of the Company’s Fabrics Group business segment for reporting purposes.

Exhibit 99.2, attached hereto and incorporated herein by reference, contains data regarding the net sales, depreciation and amortization, and operating income of our Fabrics Group business segment excluding the operations of Camborne Holdings Limited for fiscal year 2005 and the first fiscal quarter of 2006. The information reflected in Exhibit 99.2 is not required under applicable SEC rules, and the Company is not otherwise required to disclose the information unless it is considered to be material. Whether or not that information is properly considered to be material, the Company believes it is appropriate to make the information available generally to all persons who might consider it to be useful for their respective purposes. The presentation of the results of the Fabrics Group business segment excluding the results of Camborne Holdings Limited is a non-GAAP financial measure, one which management uses in managing and evaluating the Company’s business and intends to use in select discussions with interested persons about the Company’s operations and performance over periods of time. As a result, management believes this information may provide other users of the Company’s financial information with additional meaningful bases for comparing the Company’s results in a prior period. However, these non-GAAP performance measures should be viewed in addition to, and not as an alternative for, the Company’s reported results under accounting principles generally accepted in the United States.

The information set forth in this Item 7.01, including the exhibit attached hereto, shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, except as shall be expressly set forth by specific reference in such filing.
