- i) Press release announcing Reassessment of Transfer Pricing of Transactions

Sony Corporation  
Sony Computer Entertainment Inc.

No. 06-055E

### Reassessment of Transfer Pricing of Transactions

Tokyo, June 30, 2006 - Sony Corporation ("Sony") and Sony Computer Entertainment Inc. ("SCEI") announced today that they have each received notification from the Tokyo Regional Taxation Bureau ("TRTB") of a reassessment of the profits they reported from transactions between SCEI and its subsidiary Sony Computer Entertainment America Inc. ("SCEA"), for the fiscal years ended March 31, 2000 through 2005. On the same date, Sony also received notification of a reassessment of the profits reported from transactions related to CD and DVD disc manufacturing operations with a number of its overseas subsidiaries for the fiscal years ended March 31, 2004 and 2005.

Sony and SCEI believe that their allocation of income for the periods in question was appropriate and that they have paid the proper amount of taxes in each of the jurisdictions. Therefore Sony and SCEI disagree with the position of the TRTB and will promptly lodge an objection. In addition, they simultaneously plan to formally request bilateral consultations (where available) to obtain relief from double taxation under the applicable tax treaties of various countries.

Sony and SCEI believe that they will ultimately be able to solve this issue to their satisfaction through available procedures including the bilateral consultations mentioned above.

Transfer pricing was reassessed in accordance with the notification from the TRTB, resulting in additional Japanese income of 74.4 billion yen, which led to Sony and SCEI incurring an additional cash tax (including corporate tax and others) of approximately 27.9 billion yen. Sony and SCEI believe that double taxation will be avoided through the above procedures, and therefore Sony does not expect any material impact on its consolidated profit and loss as a result of this reassessment.
