The following is a memorandum to certain brokers, analysts and employees of The MONY Group Inc. The merger agreement for AXA Financial, Inc. s acquisition of The MONY Group was filed by The MONY Group under cover of Form 8-K on September 18, 2003 and is incorporated by reference into this filing.

Re: **Proposed AXA-MONY Merger to Create New COLI Opportunities**

As you know, The MONY Group recently announced that it has entered into an agreement to become a wholly owned subsidiary of AXA Financial, Inc. The transaction is subject to shareholder and regulatory approvals and other customary closing conditions and the deal is expected to close by the end of the first quarter of 2004.

We are very enthusiastic about this news, and feel it s a win for our brokers, clients, and prospective clients alike. AXA Financial has expressed its commitment to the COLI business, most recently during a September 18, 2003 conference call with shareholders and investment analysts. Kip Condron, AXA Financial President & CEO said: From an AXA perspective...the COLI product that MONY has would be distributable immediately through AXA s distribution organization...As a matter of fact, we don t want to wait for the deal to close in order to begin to capture some of those opportunities and we will be signing sales agreements within the next week to ten days in order to begin to capture some of those synergies.

As you can tell from Mr. Condron s comments, AXA views COLI as an attractive complement to its business and intends to take full advantage of the opportunity to distribute MONY s COLI products.

Once the transaction closes, MONY will be a wholly owned subsidiary of AXA Financial, a status which we believe will bring both organizations tremendous value. With approximately \$415 billion in assets under management as of December 31, 2002, AXA Financial is one of the world s premier financial services organizations. AXA Financial is a subsidiary of AXA Group, a worldwide leader in financial protection and wealth management with major operations in Western Europe, North America, and the Asia/Pacific region. The AXA American Depository Share is listed on the NYSE under the ticker symbol AXA. AXA Financial enjoys strong ratings, and rating agencies have reacted positively to news of the intended acquisition.

MONY s rating agencies have already begun to react positively to the news, as well:

The rating of A (Excellent) of MONY s life insurance subsidiaries as well as the group s debt ratings have been placed under review with positive implications. September 18, 2003, A.M. Best

Standard & Poor s...revised its outlook on MONY Group Inc. (MONY) and MONY s subsidiaries MONY Life Insurance Co. and MONY Life Insurance Co. of America to developing from negative. September 18, 2003, Standard & Poor s

And, as of September 18, 2003, both Fitch and Moody s have placed The MONY Group s ratings on positive watch and on review for upgrade, respectively.

Joining with AXA Financial, a company that is among the most respected in our industry, will bring important advantages to MONY's Corporate Strategies Group, including the benefit of being part of a global leader in financial services, expanded distribution opportunities, and the commitment of AXA's senior leadership to the COLI business.

It's business as usual for MONY's Corporate Strategies Group, and we will continue to work as hard as ever to win your business.

I will keep you apprised of further developments as they unfold over the coming months. Please feel free to contact me with any questions you may have.

This is an exciting time for us. With the strength of AXA Financial behind us, our ability to create and distribute COLI products-and bring you the service and expertise you expect from us-can only be enhanced.

Sincerely,

/s/ SAM CHIDO
