SPECIAL COMMITTEE OF THE BOARD OF DIRECTORS OF PLAINS RESOURCES

ANNOUNCES SUPPORT OF RECOMMENDATION

Houston, Texas March 1, 2004 The Special Committee of the Board of Directors of Plains Resources Inc. (NYSE:PLX) announced today that it has been informed by each of Kayne Anderson Capital Advisors, LP, which beneficially owns 1,755,916 (or 7.4%) of the outstanding shares of Plains Resources common stock, and EnCap Investments, LP, which through its institutional equity funds controls 1,174,219 (or 4.9%) of the shares of Plains Resources common stock, that each has considered the proposals to acquire control of PLX, including the recommendation of the Special Committee, and has determined that it will vote in favor of the offer proposed by Vulcan Capital. Plains Resources previously announced that it has entered into a merger agreement with an affiliate of Vulcan Capital and has declined to pursue a proposal to acquire Plains Resources described in a Schedule 13-D filed by Pershing Square, LP And Leucadia National Corporation (the Pershing Proposal).

In declining to pursue the Pershing Proposal, the Special Committee considered, among other things:

That only approximately \$3.00 of the consideration would be in cash and the remainder in securities of Plains Resources itself with an uncertain trading value;

The fact that the form of new security was uncertain and the lack of trading history or public market for a security of that type;

The fact that after tax distributions to new security holders would likely be less than after tax distributions to holders of Plains All American Pipeline, LP. common units;

The overall complexity and conditionality of the Pershing Proposal compared to the all cash Vulcan Transaction.
