In consideration of the above, Mr. Avery waived and released any common law, statutory or other complaints, claims, charges or causes of action arising out of or relating to his employment or termination of employment with, or his serving in any capacity in respect of, the Corporation, its subsidiaries and/or their affiliates, both known and unknown, in law or in equity, which he ever had against the Corporation, its subsidiaries and/or their affiliates or any of their respective shareholders, employees, directors or officers.

Compensation Committee Report On Executive Compensation

Prior to 2003, the Board had a Compensation Committee that was comprised of Messrs. Avery and Dubin, both of whom resigned from the Board on June 12, 2003. During 2003, all action taken on executive compensation was approved by the entire board.

On February 10, 2004, at the initial meeting of the Board of Directors following the closing of the Merger, a new Compensation Committee was formed consisting of Mark S. Hoffman (Chair), Austin M. Long, III and Craig J. Nickels.

Chief Executive Officer Compensation

William B. Avery was the Chief Executive Officer of the Corporation until June 17, 2003 when the Separation Agreement and his resignation became effective. At that time, Michael R. Gleason replaced Mr. Avery as Chief Executive Officer and he served in that capacity until the closing of the Merger on February 10, 2004. The Corporation had no other executives for which the Board was responsible for administering compensation in 2003.

On September 30, 2002, the Board adopted a plan of liquidation and dissolution in order to maximize stockholder value and noted that if no suitable business opportunities became available to it, subject to stockholder approval, it would commence liquidation in 2003. The Board was given the authority to amend, modify or abandon the plan if it determined that doing so would be in the best interests of the Corporation and its stockholders. On June 18, 2003, the Corporation signed a letter of intent with respect to the Merger and entered into the Merger Agreement on August 13, 2003 and an amendment to the Merger Agreement on November 14, 2003. The consummation of the Merger was approved by the stockholders of the Corporation on February 9, 2004 and the Merger was closed on February 10, 2004.

The Corporation's chief objective in executive compensation during 2003 was to assure that there would be continuity of management while the Corporation was initially proceeding with its plan of liquidation and dissolution and subsequently with the Merger. The Board believed that the Separation Agreement with Mr. Avery was necessary to facilitate the Merger and also enabled the Corporation to settle its contractual obligations to Mr. Avery on acceptable terms. During the period from June 17, 2003 to the completion of the Merger, Mr. Gleason was the sole

Edgar Filing: NEUROLOGIX INC/DE - Form DEF 14A

employee of the Corporation and was paid a monthly consulting fee of \$14,500 for his services. In addition to the general administration of the Corporation's affairs, he was responsible for the

- 10 -

negotiations for and completion of the sale of Papke-Textor, Inc. (also known as Canned Interactive) and the negotiations for and the completion of the Merger.

Objectives of Current Compensation Committee

The primary objective of the current Compensation Committee is to retain the most highly qualified executive officers and to ensure that their compensation structure aligns their interests with those of the stockholders of the Corporation. While the Compensation Committee will administer and decide upon executive compensation, stock option and benefit plans and grants under such plans, the Corporation's overall compensation strategy, including a determination of compensation paid to the President of the Corporation, Martin J. Kaplitt, will be presented to the entire Board for its ratification.

Presently, Dr. Martin J. Kaplitt is the only key executive for whom the Committee is responsible for administering compensation in 2004. During 2003, Dr. Kaplitt received \$24,000 from NRI. Effective April 1, 2004, the Committee has increased his annual compensation to \$85,000, which increase was ratified by the Board on March 23, 2004.

Components of Executive Compensation

The Corporation intends to use both cash and equity in compensating its executives and employees.

Deductibility of Compensation

Section 162(m) of the Code generally limits to \$1,000,000 the Corporation's federal income tax deduction for compensation paid in any year to each of its Chief Executive Officer and the four other most highest paid executive officers, to the extent such compensation is not performance-based within the meaning of Section 162(m). The Committee will, in general, seek to qualify compensation paid to its executive officers for deductibility under Section 162(m), although the Committee believes it is appropriate to retain the flexibility to authorize payments of compensation that may not qualify for deductibility if, in the Committee's judgment, it is in the Corporation's best interest to do so.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

For information on the Separation Agreement, see Compensation of Executive Officers Avery Employment and Separation Agreements.

Pursuant to the Merger Agreement, following the closing of the Merger NRI paid Palisade Capital Securities, LLC, an affiliate of PPP, \$200,000 for investment banking services rendered in connection with the Merger. PPP is beneficial owner of approximately 30.22% of the Corporation's outstanding capital stock.

During the year ended December 31, 2003, the Corporation incurred legal fees in connection with certain transactions and other matters in the normal course of business. A portion of these services was provided by Paul, Weiss, Rifkind, Wharton & Garrison LLP, of which James M. Dubin, a member of the Board and the compensation committee up until his resignation from the Board effective June 12, 2003, is a partner. Fees incurred by this firm totaled approximately \$419,000 and \$387,000 for the years ended December 31, 2003 and 2002, respectively.

Except as otherwise provided in this proxy statement, since January 1, 2003, there has not been at any time any relationship or related transaction which the Corporation would be required to disclose under Item 404 of Regulation S-K.

AUDIT COMMITTEE REPORT

The Board has an Audit Committee comprised of two directors. All members of the Audit Committee currently meet the independence and qualification standards for audit committee membership set forth in the listing standards of Exchange Act.

The Audit Committee oversees the Corporation's financial process on behalf of the Board. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the 2003 Annual Report on Form 10-K with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements. The Board adopted a written charter of the Audit Committee on April 30, 2001. After the closing of the Merger, the Board, on March 23, 2004, adopted a new charter. A copy of the new charter is attached as Exhibit A hereto.

The Corporation's management is responsible for the preparation, presentation and integrity of the Corporation's financial statements, accounting and financial reporting principles and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent auditors, J.H. Cohn LLP, are responsible for performing an independent audit of the consolidated financial statements prepared in accordance with generally accepted accounting principles.

In performing its oversight function, the Audit Committee reviewed with the Corporation's independent auditors such auditors' judgments as to the quality, not just the acceptability, of the Corporation's accounting principles and such other matters as are required to be discussed with the Committee under generally accepted auditing standards, including Statement on Auditing Standards Nos. 61 and 90. In addition, the Committee has discussed with the independent auditors the auditors' independence from management and the Corporation and received the written disclosures and the letter from the independent auditors required by the Independence Standards Board, Standard No. 1.

Edgar Filing: NEUROLOGIX INC/DE - Form DEF 14A

The Committee discussed with the Corporation's independent auditors the overall scope and plans for their audit. The Committee met with the independent auditors, with and without management present, to discuss the

- 13 -

results of their examination, their evaluation of the Corporation's internal controls, and the overall quality of the Corporation's financial reporting.

In reliance on the reviews and discussions referred to above, and subject to the limitations on the role and responsibilities of the Audit Committee set forth below and in its charter, the Audit Committee recommended to the Board (and the Board has approved) that the audited financial statements be included in the Corporation's Annual Report on Form 10-K for the fiscal year ended December 31, 2003 for filing with the Securities and Exchange Commission. The Audit Committee also approved the selection of the Corporation's independent auditors for the fiscal year ended December 31, 2003.

It should be noted that although the members of the Audit Committee are financially sophisticated they are not professionally engaged in the practice of auditing or accounting, are not employed by the Corporation for accounting, financial management or internal control purposes and are not experts in the fields of accounting or auditing, including the determination of auditor independence. Members of the Audit Committee rely without independent verification on the information provided to them and on the representations made by management and the independent auditors. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not assure that the audit of the Corporation's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that J.H. Cohn LLP is in fact independent.

The Audit Committee of the Board,

Austin M. Long III, Chair

Craig J. Nickels

INDEPENDENT PUBLIC ACCOUNTANTS

KPMG LLP (KPMG) served as the independent public accountants for the Corporation during the fiscal year ended December 31, 2002. On February 20, 2004, the Audit Committee engaged the accounting firm of J.H. Cohn LLP (J.H. Cohn), NRI's historical independent accountants, to replace KPMG. KPMG did not resign or decline to stand for re-election, but was dismissed on February 23, 2004 as part of the change of control to allow the appointment of J.H. Cohn as the Corporation's principal accountants.

KPMG's opinions regarding the financial statements of the Corporation for the two fiscal years ended December 31, 2002 did not contain an adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles; except that the audit report of KPMG for the audit of the consolidated financial statements as of December 31, 2001 and 2002 and for the two years ended December 31, 2002, dated March 27, 2003, contained two explanatory paragraphs. The first explanatory paragraph referred to the Corporation's change in its method of accounting for goodwill and other intangible assets, in 2002, as discussed in Note 2 to the consolidated financial statements for the year ended December 31, 2002. The second explanatory paragraph referred to the uncertainty of the Corporation to continue as a going concern in light of a plan of liquidation and dissolution that it had adopted and which raised substantial doubt about its ability to continue as a going concern. The Corporation's plans with regard to these matters are also described in Note 1. The consolidated financial statements do not include any adjustments that might arise from the outcome of this uncertainty.

Edgar Filing: NEUROLOGIX INC/DE - Form DEF 14A

The Corporation is not aware of any disagreements with KPMG during the two fiscal years ended December 31, 2002 and 2001 and the subsequent interim period up to the date of dismissal on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure which

- 14 -

disagreements if not resolved to their satisfaction would have caused KPMG to make reference in connection with their opinion to the subject matter of the disagreement.

On February 20, 2004, the Corporation engaged J.H. Cohn LLP to perform the Corporation's audit for 2003. J.H. Cohn LLP does not have any direct or indirect financial interest in the Corporation in any capacity other than that of independent public accountants. A representative of J.H. Cohn will be present at the meeting to answer questions by stockholders concerning the accounts of the Corporation and will have the opportunity to make a statement, if such representative desires to do so.

Principal Accounting Firm Fees

The following table sets forth the aggregate fees billed to the Corporation for the fiscal years ended December 31, 2003 and 2002 by the Corporation's former principal accounting firm, KPMG LLP:

<u>Description</u>	<u>2003</u>	<u>2002</u>
Audit fees	\$196,050	\$132,100
Audit related fees		39,700
Tax fees		
All other fees		
Total	\$196,050	\$171,800

Audit related fees consist primarily of services rendered in connection with a proposed merger with Franklin Capital Corporation, which was not completed.

The pre-Merger Audit Committee was responsible for the approval of these fees.

The following table sets forth the aggregate fees billed to the Corporation for the fiscal year ended December 31, 2003 by the Corporation's principal accounting firm, J.H. Cohn LLP:

<u>Description</u>	<u>2003</u>
Audit fees	\$25,000
Audit related fees	
Tax fees	
All other fees	\$83,290
Total	\$108,290

Edgar Filing: NEUROLOGIX INC/DE - Form DEF 14A

All other fees consists of audit services performed with respect to 2003 for the Corporation's post-Merger subsidiary, Neurologix Research, Inc. The Audit Committee has considered such other fees, and has determined that such fees are compatible with maintaining J.H. Cohn's independence.

During 2003, the Audit Committee did not have a pre-approval policy in effect for the approval of service rendered by the Corporation's independent auditors and none of the services provided by the independent auditors was provided pursuant to the de minimus exception to the pre-approval requirements contained in the SEC's rules.
