JOINT PROXY STATEMENT/PROSPECTUS

PROPOSED MERGER YOUR VOTE IS VERY IMPORTANT

IMCO Recycling Inc. and Commonwealth Industries, Inc. have agreed to the terms of a merger combining these companies and their management. The merger will give IMCO and Commonwealth approximately equal representation on the combined company's board of directors and Commonwealth's stockholders will own approximately 46% and IMCO's stockholders will own approximately 54% of the combined company upon completion of the merger. Before we can complete the merger, we must obtain the approval of both companies' stockholders as described herein. We intend to rename IMCO promptly following the merger.

In the merger, Commonwealth stockholders will be entitled to receive 0.815 of a share of IMCO common stock for each share of Commonwealth common stock that they own at the effective time of the merger. This exchange ratio is fixed and will not be adjusted to reflect increases or decreases in stock prices prior to the closing. As an example, on September 1, 2004, the closing price of IMCO common stock on the New York Stock Exchange was \$10.37 which, based on the exchange ratio of 0.815, would result in an equivalent share price as of that date for the shares of Commonwealth common stock of \$8.45 (on June 16, 2004 the closing price of the IMCO common stock was \$13.43, the equivalent share price of Commonwealth common stock was \$10.95 and the aggregate equivalent price of the total number of shares to be received in the merger was \$177,174,000). Commonwealth stockholders are expected to receive an aggregate of approximately 13,192,405 shares of IMCO common stock in the merger, which will represent approximately 46% of the total number of outstanding shares of IMCO common stock upon completion of the merger. We urge Commonwealth and IMCO stockholders to obtain current market quotations for both the Commonwealth common stock and the IMCO common stock. Commonwealth stockholders are not entitled to dissenters' rights of appraisal in connection with the merger.

Each company is scheduled to hold a special meeting of its stockholders on [October 20], 2004 to consider and vote on the proposals described in this joint proxy statement/prospectus. **Commonwealth stockholders generally will not recognize any gain or loss for U.S. federal income tax purposes on the exchange of shares of Commonwealth common stock for IMCO common stock in the merger, except with respect to cash received in lieu of a fractional share of IMCO common stock.**

This joint proxy statement/prospectus contains answers to frequently asked questions and a summary description of the merger, followed by a more detailed discussion of the merger and related matters. **In particular, we urge you to consider the matters discussed under Risk Factors beginning on page 26 of this joint proxy statement/prospectus.**

Edgar Filing: IMCO RECYCLING INC - Form S-4/A

This joint proxy statement/prospectus is dated _____, 2004, and is first being mailed to IMCO and Commonwealth stockholders on or about _____, 2004.

Your vote is very important. If you do not submit your proxy over the Internet, by telephone or by completing and returning the enclosed proxy card, or if you do not instruct your broker how to vote any shares held for you in _____ street name _____, your shares will not be voted at your special meeting. An abstention or broker non-vote by a Commonwealth stockholder will have the effect of a vote against adoption of the merger agreement.

See the notices of the special meetings elsewhere in this joint proxy statement prospectus for information on the dates, times, and places of the special meetings.

Neither the Securities and Exchange Commission nor any state securities commission has approved or disapproved of these securities or passed upon the adequacy or accuracy of this joint proxy statement/prospectus. Any representation to the contrary is a criminal offense.

Table of Contents

QUESTIONS AND ANSWERS ABOUT THE MERGER

The following questions and answers briefly address some commonly asked questions about the special meetings and the merger. They may not include all the information that is important to you. We urge you to read carefully this entire joint proxy statement/prospectus, including the annexes and the other documents we refer to in this joint proxy statement/prospectus. In addition, the merger agreement is attached to this joint proxy statement/prospectus as Annex A. We encourage you to read the merger agreement carefully and in its entirety. The merger agreement is the legal document setting forth the parties' rights with respect to the merger.

The Merger

Q1: Why am I receiving this proxy statement?

A1: IMCO and Commonwealth have agreed to the combination of IMCO and Commonwealth under the terms of the merger agreement which is described in this joint proxy statement/prospectus. This joint proxy statement/prospectus contains important information about the merger and the special meetings. We are sending you this joint proxy statement/prospectus to ask IMCO stockholders to approve the issuance of IMCO shares pursuant to and in accordance with the merger agreement, among other matters, and to ask Commonwealth stockholders to adopt the merger agreement.

Q2: What will I receive in the merger?

A2: If you are a Commonwealth stockholder, at the effective time of the merger, each outstanding share of your Commonwealth common stock will be converted into the right to receive 0.815 of a share of IMCO common stock. The number of shares of IMCO common stock is fixed and will not be adjusted based on increases or decreases in IMCO's stock price prior to completing the merger. You will receive cash in lieu of any fraction of a share of IMCO common stock that results following the exchange of your Commonwealth common stock. This cash amount will be determined by multiplying the fraction of an IMCO share by the average price of a share of IMCO common stock for the ten consecutive trading days ending immediately prior to the closing date of the merger and will be paid without interest. For example, if you own 100 shares of Commonwealth common stock and the average price of IMCO common stock as of the date of the merger is \$10.00, you will receive a total of 81 shares of IMCO common stock and \$5.00 in cash. If you are an IMCO stockholder, your shares of IMCO common stock will not be affected in the merger. Each outstanding share of IMCO common stock will remain outstanding as a share of IMCO common stock.

Q3: Will the rights of a Commonwealth stockholder change as a result of the merger?

A3: Yes. Through the date of the merger, IMCO stockholder rights will continue to be governed by IMCO's certificate of incorporation and bylaws and by the Delaware General Corporation Law (DGCL), and Commonwealth stockholder rights will continue to be governed by Commonwealth's certificate of incorporation and bylaws and by the DGCL. Upon completion of the merger, Commonwealth stockholders will become IMCO stockholders and their rights will then be governed by the certificate of incorporation and bylaws of IMCO. Please read carefully the summary of the material differences between the rights of IMCO stockholders and Commonwealth stockholders under "Comparison of Stockholders' Rights" beginning on page 104 of this joint proxy statement/prospectus.

Q4: When do you expect to complete the merger?

A4: IMCO and Commonwealth expect to complete the merger during the fourth quarter in 2004 and promptly following the special meetings. However, there can be no assurance that the merger will be completed at that time or at all.

Table of Contents

Q5: Will Commonwealth stockholders be able to trade the IMCO common stock that they receive in the merger?

A5: The shares of IMCO common stock issued in connection with the merger will be listed on the New York Stock Exchange under the symbol **IMR**, and will be freely tradable, unless you are an affiliate of Commonwealth on the date of the Commonwealth special meeting or an affiliate of IMCO after the merger. Commonwealth and IMCO expect to change IMCO's symbol on the New York Stock Exchange at the same time as IMCO's name is changed.

Special Meetings; Votes Required

Q6: When and where are the special meetings?

A6: The special meetings are expected to each take place on [October 20, 2004]. The time and location of each special meeting is specified on the notices of the special meetings contained in this joint proxy statement/prospectus.

Q7: What will happen at the special meetings?

A7: At the Commonwealth special meeting, Commonwealth stockholders will vote on a proposal to adopt the merger agreement.

At the IMCO special meeting, IMCO stockholders will vote on the issuance of IMCO common stock to Commonwealth stockholders pursuant to and in accordance with the merger agreement. We cannot complete the merger unless, among other things, Commonwealth's stockholders adopt the merger agreement and IMCO's stockholders approve the stock issuance.

In addition, at the IMCO special meeting, IMCO stockholders will vote on a proposal to amend IMCO's certificate of incorporation to increase the authorized shares of IMCO's common stock from 40 million to 80 million and will vote on proposals to adopt the IMCO Recycling Inc. 2004 Equity Incentive Plan and to approve the Amended and Restated IMCO Recycling Inc. Annual Incentive Compensation Plan and, if necessary, to adjourn or postpone the meeting to permit the further solicitation of proxies. **The approval of (i) the amendment to IMCO's certificate of incorporation to increase the authorized number of shares of IMCO common stock, (ii) the 2004 Equity Incentive Plan and (iii) the Amended and Restated Annual Incentive Compensation Plan are not related to and are not necessary to permit completion of the merger; the completion of the merger is independent of the approval of these proposals.**

Q8: Who is entitled to vote at the special meetings and how many shares can vote?

A8: Commonwealth's stockholders of record as of the close of business on September 15, 2004 will be entitled to notice of and to vote at the Commonwealth special meeting. On the record date, Commonwealth had outstanding _____ shares of common stock, which constitute Commonwealth's only outstanding voting securities. Each Commonwealth stockholder is entitled to one vote for each share of Commonwealth common stock held as of the record date.

IMCO's stockholders of record as of the close of business on September 15, 2004 will be entitled to notice of and to vote at the IMCO special meeting. On the record date, IMCO had outstanding _____ shares of common stock, which constitute IMCO's only outstanding voting securities. Each IMCO stockholder is entitled to one vote on each proposal for each share of IMCO common stock held as of the record date.

Q9: What vote is required?

Edgar Filing: IMCO RECYCLING INC - Form S-4/A

A9: The affirmative vote of the holders of a majority of the outstanding shares of Commonwealth common stock entitled to vote at the Commonwealth special meeting is required to adopt the merger agreement.

Table of Contents

The approval of the IMCO share issuance pursuant to the merger agreement requires the affirmative vote of the holders of a majority of the total votes cast at the IMCO special meeting on this proposal in person or by proxy, so long as the total vote cast on the proposal exceeds 50% of the shares of common stock of IMCO outstanding.

The approval of the amendment to IMCO's certificate of incorporation to increase its authorized shares of common stock requires the affirmative vote of the holders of a majority of the outstanding shares of IMCO common stock. The proposals to approve IMCO's 2004 Equity Incentive Plan and its Amended and Restated Annual Incentive Compensation Plan each require the approval of a majority of the votes cast at the IMCO special meeting on the proposal in person or by proxy, so long as the total vote cast on each such proposal exceeds 50% of the shares of common stock of IMCO outstanding.

It is very important that you vote. The failure of a Commonwealth stockholder to vote on the proposal to adopt the merger agreement, the failure of an IMCO stockholder to vote on the proposal to amend IMCO's certificate of incorporation to increase its authorized shares of common stock, and abstentions on these two proposals, will have the effect of votes against those proposals.

Q10: What do I need to do to vote?

A10: After carefully reading and considering the information contained in this proxy statement/prospectus, please submit your proxy by telephone or Internet in accordance with the instructions set forth in the enclosed proxy card, or fill out, sign and date the proxy card, and then mail your signed proxy card in the enclosed prepaid envelope as soon as possible so that your shares may be voted at the special meeting. See "Voting by Proxy" beginning on page 40. To ensure that we obtain your vote, please vote as instructed on your proxy card even if you currently plan to attend your special meeting in person.

The enclosed proxy card contains instructions for voting by telephone, Internet or mail. Please follow these instructions carefully. The proxies identified on the proxy card will vote the shares of which you are stockholder of record in accordance with your instructions. If you sign, date and return your proxy without giving specific voting instructions, the proxies will vote your shares FOR the proposals. If you do not return your proxy or vote in person, your shares will not be voted at your special meeting.

Q11: How do I vote my shares if my shares are held in street name ?

A11: You should vote this proxy in accordance with the instructions provided to you by your bank, broker or nominee. If your shares are held in a stock brokerage account, your broker will not vote your shares unless the broker receives appropriate instructions from you.

A number of banks and brokerage firms participate in a program that also permits stockholders whose shares are held in street name to direct their vote by the Internet or telephone. This option, if available, will be reflected in the voting instructions from the bank or brokerage firm that accompany this joint proxy statement/prospectus. If your shares are held in an account at a bank or brokerage firm that participates in such a program, you may direct the vote of these shares by the Internet or telephone by following the voting instructions enclosed with the proxy from the bank or brokerage firm. Votes directed by the Internet or telephone through such a program must be received by 5:00 p.m., E.T., on . Directing the voting of your shares will not affect your right to vote in person if you decide to attend the meeting; however, you must first obtain a signed and properly executed proxy from your bank, broker or nominee to vote your shares held in street name at the special meeting. Requesting a proxy prior to the deadlines described above will automatically cancel any voting directions you have previously given by the Internet or by telephone with respect to your shares. The Internet and telephone proxy procedures are designed to authenticate stockholders' identities, to allow stockholders to give their proxy instructions and to confirm that those instructions have been properly recorded.

Q12: What does IMCO's board of directors recommend?

A12: IMCO's board of directors has unanimously approved the merger agreement and determined that the issuance of IMCO common stock in the merger, the amendment to IMCO's certificate of incorporation to increase the number of authorized shares of common stock of IMCO from 40 million to 80 million, the approval of the 2004 Equity Incentive Plan and the approval of the Amended and Restated IMCO Recycling Inc. Annual Incentive Compensation Plan are in the best interests of IMCO, and unanimously recommends that IMCO stockholders approve the issuance of IMCO common stock pursuant to and in accordance with the merger agreement, the amendment to the IMCO certificate of incorporation to increase the number of authorized shares of common stock of IMCO, the 2004 Equity Incentive Plan and the Amended and Restated IMCO Recycling Inc. Annual Incentive Compensation Plan. **Completion of the merger is not conditioned on approval of the proposals regarding the amendment to the certificate of incorporation and the approval of the incentive plans.**

Q13: What does Commonwealth's board of directors recommend?

A13: Commonwealth's board of directors has unanimously approved the merger agreement and determined that the transactions contemplated by the merger agreement are advisable and in the best interests of the Commonwealth stockholders. Commonwealth's board of directors unanimously recommends that Commonwealth stockholders adopt the merger agreement.

Q14: May I change my vote after I have submitted a proxy by telephone, Internet, or by completing and mailing a proxy card?

A14: Yes. You may change your vote at any time before your proxy is voted at the relevant special meeting. You can do this in several ways. You can send a written notice stating that you want to revoke your proxy, or you can complete and submit a new proxy card. If you choose either of these methods, you must submit your notice of revocation or your new proxy card to:

IMCO

c/o Mellon Investor Services LLC

telephone: 1-800-635-9270

Commonwealth

c/o National City Bank

telephone: 1-800-622-6757

You can also change your vote by submitting a proxy at a later date by telephone or Internet, in which case your later-submitted proxy will be recorded and your earlier proxy revoked. You can also attend the applicable special meeting and vote in person. Simply attending the special meeting, however, will not revoke your proxy; you must vote at the special meeting.

If you have instructed a bank, broker or nominee to vote your shares, you must follow the voting procedures received from your bank, broker or nominee to change your vote.

Q15: What is a broker non-vote?

A15: A broker non-vote occurs when a bank, broker or other nominee submits a proxy that indicates that the broker does not vote for some or all of the proposals, because the broker has not received instructions from the beneficial owners on how to vote on these proposals and does not have discretionary authority to vote in the absence of instructions.

Table of Contents

Q16: Will broker non-votes or abstentions affect the results?

A16: If you are an IMCO stockholder, broker non-votes will have no effect on the outcome of the proposals relating to the issuance of IMCO common stock pursuant to the merger agreement, or the approval of the 2004 Equity Incentive Plan or the Amended and Restated IMCO Recycling Inc. Annual Incentive Compensation Plan, so long as the total votes cast on each of these proposals exceed 50% of the shares of IMCO common stock outstanding. Abstentions on these proposals will be counted as votes cast, and will have the effect of negative votes. In addition, broker non-votes and abstentions will have no effect on the outcome of any proposal to adjourn or postpone the special meeting, if necessary, to permit further solicitation of proxies. Broker non-votes and abstentions would not be counted as votes cast on this proposal, if any. Broker non-votes and abstentions, however, will have the same effect as a vote against the proposal relating to the amendment to IMCO's certificate of incorporation. If you are a Commonwealth stockholder, broker non-votes and abstentions will have the same effect as a vote against the proposal to adopt the merger agreement. If your shares are held in street name, we urge you to instruct your bank, broker or nominee on how to vote your shares for those proposals on which you are entitled to vote.

Q17: Should I submit a proxy even if I plan to attend the meeting in person?

A17: Yes. To ensure that your vote is accounted for, please submit your proxy even if you are planning to attend the applicable special meeting.

General

Q18: Should I send in my Commonwealth stock certificates now?

A18: No. Promptly after closing, Commonwealth stockholders will be sent a letter of transmittal. After you return that letter, together with your Commonwealth stock certificates, to the exchange agent, Mellon Investor Services LLC, you will receive stock certificates representing the shares of IMCO common stock that you are entitled to and cash in lieu of a fraction of an IMCO share.

Q19: If I have more questions about the merger or the two companies, where can I find answers?

A19: In addition to reading this document, its annexes, and the documents we have incorporated in this document by reference, you can find more information about the merger or about the two companies in our companies' filings with the Securities and Exchange Commission or IMCO's filings with the New York Stock Exchange. Please see "Where You Can Find More Information" beginning on page 124 of this joint proxy statement/prospectus. IMCO Recycling Inc.

Central Tower at Williams Square

Irving, Texas 75039

IMCO is the largest recycler of aluminum and zinc in the United States and believes it is the largest aluminum recycler in the world, with total annual processing capacity of approximately 4.0 billion pounds. IMCO offers its customers a wide range of metals recycling services and specialty alloy products. IMCO's aluminum production network includes a domestic recycling division, a domestic specialty alloys division and an international division that represent 48%, 21% and 23%, respectively, of IMCO's overall capacity. IMCO's domestic aluminum recycling division converts customer owned scrap and dross (a by-product of the aluminum melting process) and delivers recycled aluminum to IMCO's customers in molten or ingot form for a fee. IMCO's domestic specialty alloys division converts purchased aluminum scrap and other metals into molten or ingot form and then sells it to customers. IMCO's international division includes both aluminum recycling and specialty alloys operations. IMCO's three largest aluminum end-use industries are transportation, containers and packaging, and building and construction industries. IMCO's zinc division, which represents approximately 8% of its overall capacity, includes facilities dedicated to the production of zinc oxide, zinc dust and zinc metal. IMCO's manufacturing and distribution network consists of 26 strategically located production plants; 21 are located in the United States, two in Germany, and one each in Brazil, Mexico and Wales.

Commonwealth is one of North America's leading manufacturers of aluminum sheet. Commonwealth's aluminum sheet products are produced using the conventional, direct-chill rolling ingot casting process, and by continuous casting. The aluminum sheet products manufactured by Commonwealth are generally referred to as common alloy products. They are produced in a number of aluminum common alloys with thickness (gauge) of 0.008 to 0.250 inches, widths of up to 72 inches, and a variety of physical properties and packaging, in each case.

to meet customer specifications. These products are sold to distributors and end-users, principally for use in building and construction products such as roofing, siding, windows and gutters; transportation equipment such as truck trailers and bodies and automotive parts; and consumer durables such as cookware and appliances. Other than for Rapid Response Depot sales, which are for standard size products, substantially all of Commonwealth's aluminum sheet products are produced in response to specific customer orders. Production of aluminum sheet products in 2003 was 773 million pounds or about 72% of capacity compared to 925 million pounds or about 86% of capacity in 2002. In 2003, North American sales of aluminum sheet products, excluding rigid container sheet, foil and exports, were approximately 3.6 billion pounds.

On July 30, 2004, Commonwealth sold Alflex Corporation, a significant subsidiary of Commonwealth, to Southwire Company for cash consideration of approximately \$64.0 million. Alflex's net sales accounted for approximately 11% of Commonwealth's total net sales for 2003. Commonwealth used \$50.0 million of the net proceeds from this sale to purchase a portion of its previously sold accounts receivable under its receivables purchase facility, \$6.2 million to repay amounts outstanding under its credit facility and the remainder for working capital.

The Merger (page 43)

General

On June 16, 2004, IMCO, Commonwealth and Merger Sub agreed to the terms of the merger agreement described in this joint proxy statement/prospectus and attached as *Annex A*. The merger agreement is the legal document that governs the merger, and we urge you to read that agreement carefully.

At the effective time of the merger, Merger Sub will merge with and into Commonwealth. Commonwealth will be the surviving company and become an indirect wholly owned subsidiary of IMCO. The separate corporate existence of Merger Sub will cease at the effective time of the merger. IMCO and Commonwealth expect that IMCO will change its name promptly following the merger.

Each Commonwealth share will be converted into 0.815 of a share of IMCO (page 72)

At the effective time of the merger, each outstanding share of Commonwealth common stock (other than any shares owned directly or indirectly by Commonwealth or IMCO) will be converted into the right to receive 0.815 of a share of IMCO common stock. The number of shares of IMCO common stock is fixed and will not be adjusted based on increases or decreases in IMCO's stock price.

IMCO shares are listed on the New York Stock Exchange under the symbol *IMR*, and Commonwealth shares are traded on the Nasdaq National Market under the symbol *CMIN*.

On June 16, 2004, the last full trading day prior to public announcement of the merger, the closing price of a share of IMCO common stock was \$13.43. The per share closing price for the Commonwealth common stock was \$8.60. The Commonwealth common stock had an implied equivalent price per share of \$10.95 based on the closing price of the IMCO common stock and the exchange ratio of 0.815. On September 1, 2004, the closing prices of the IMCO shares and the Commonwealth shares were \$10.37 and \$8.44, respectively, and the equivalent price per

Edgar Filing: IMCO RECYCLING INC - Form S-4/A

share of Commonwealth common stock, based on the exchange ratio of 0.815, was \$8.45.

Because the exchange ratio is fixed under the merger agreement and neither IMCO nor Commonwealth has the right to terminate the merger agreement based solely on changes in either party's stock price, **the market price of the IMCO common stock that Commonwealth stockholders receive in the merger may vary significantly from its current price and from its price on the date of the merger agreement.** You should obtain current market quotations for the shares of both companies from a newspaper, the Internet or your broker.

The table below shows the per share closing prices of IMCO common stock and Commonwealth common stock, and the pro forma equivalent price per share of Commonwealth common stock at the close of regular

The table below shows the implied equivalent share price of Commonwealth common stock based on a range of hypothetical prices of IMCO common stock. This table is for illustrative purposes only, and the actual prices at which shares of IMCO common stock may trade between the date of this document and the closing of the merger and thereafter may be above or below the range set forth below.

No fractional shares of IMCO common stock will be issued in the merger and cash will be paid in lieu of a fraction of a share. The amount of cash paid will be an amount equal to the resulting fraction multiplied by the average of the per share closing prices on the New York Stock Exchange of shares of IMCO common stock during the ten consecutive trading days ending on (and including) the trading day immediately preceding the closing date of the merger and will be paid without interest.

Treatment of Commonwealth Stock Options (page 73)

Pursuant to separate agreements, the vesting of all stock options awarded to Steven J. Demetriou, Michael D. Friday, Christopher R. Clegg and Sean M. Stack under Commonwealth's 1997 Equity Incentive Plan, as amended and restated, will not accelerate as a result of the merger. These options will remain outstanding following the merger and will be subject to the same terms, conditions and vesting periods as before the merger. All other options outstanding under Commonwealth's 1995 Stock Incentive Plan, as amended and restated, and its 1997 Stock Incentive Plan, whether or not exercisable and whether or not vested at the effective time of the merger, will be fully vested and be fully exercisable upon, and shall remain outstanding following the effective time of the merger in accordance with the terms of the plans under which they were issued. Each option will be exercisable for and represent the right to acquire that whole number of shares of IMCO common stock, rounded down to the nearest whole share, equal to the number of shares of Commonwealth common stock subject to that option immediately prior to the effective time of the merger, multiplied by 0.815. The exercise price per share of IMCO common stock will be an amount equal to the exercise price per share of Commonwealth common stock subject to the option in effect immediately prior to the effective time of the merger, divided by 0.815. From and after the effective time of the merger, each option will be exercisable, except as described above, on the same terms and conditions as were applicable under the applicable Commonwealth stock incentive plan and the applicable option agreement immediately prior to the effective time of the merger.

Fairness Opinion of IMCO's Financial Advisor (page 48)

IMCO's board of directors received a written opinion, dated June 16, 2004, from its financial advisor, Citigroup Global Markets Inc., to the effect that, as of the date of the opinion and subject to the factors, assumptions, qualifications and limitations set forth therein, the exchange ratio in the merger is fair to IMCO

Table of Contents

from a financial point of view. This opinion is attached to this joint proxy statement/prospectus as *Annex B*. We encourage you to read this opinion carefully to understand the assumptions made, procedures followed, matters considered and limitations of the scope of the review undertaken. **Citigroup's opinion was provided to IMCO's board of directors in connection with its evaluation of the exchange ratio, does not address any other aspect of the proposed merger and does not constitute a recommendation to any stockholder as to how any such stockholder should vote in connection with the merger or the issuance of IMCO common stock pursuant to and in accordance with the merger agreement.**

Fairness Opinion of Commonwealth's Financial Advisor (page 55)

In connection with the proposed merger, Commonwealth's financial advisor, Morgan Stanley & Co. Incorporated, delivered a written opinion, dated June 16, 2004, to Commonwealth's board of directors as to the fairness, from a financial point of view, of the merger consideration to the holders of Commonwealth common stock. The full text of Morgan Stanley's written opinion is attached to this joint proxy statement/prospectus as *Annex C*. We encourage you to read this opinion carefully in its entirety for a description of the procedures followed, assumptions made, matters considered and limitations on the scope of the review undertaken. **Morgan Stanley's opinion was provided to Commonwealth's board of directors in connection with its evaluation of the merger consideration, does not address any other aspect of the proposed merger and does not constitute a recommendation to any stockholder as to how such stockholder should vote in connection with the merger or the issuance of IMCO common stock pursuant to and in accordance with the merger agreement.**

Management of IMCO Following the Merger (page 87)

Following the merger, the board of directors of IMCO will consist of nine members. Steven Demetriou, currently Commonwealth's president, chief executive officer and a member of the Commonwealth board, will be elected as chairman of the board and chief executive officer of IMCO, four other directors will come from the existing Commonwealth board and four other directors will come from the existing IMCO board.

Shares Owned by IMCO and Commonwealth Directors and Executive Officers (page 9)

At the close of business on the record date for the IMCO special meeting, directors and executive officers of IMCO and their affiliates were entitled to vote approximately % of the shares of IMCO common stock outstanding on that date.

At the close of business on the record date for the Commonwealth special meeting, directors and executive officers of Commonwealth and their affiliates were entitled to vote approximately % of the shares of Commonwealth common stock outstanding on that date.

Interests of Directors and Executive Officers in the Merger (page 62)

In considering the recommendation of the Commonwealth board of directors, you should be aware that certain members of Commonwealth's management and the Commonwealth board of directors have interests in the transaction that are or may be different from, or in addition to, your interests as a Commonwealth stockholder. These interests include, among other things, the following:

Edgar Filing: IMCO RECYCLING INC - Form S-4/A

Under the terms of the merger agreement, Mr. Demetriou, currently Commonwealth's president and chief executive officer and a member of the board of directors of Commonwealth, who will be appointed chief executive officer and chairman of the board of IMCO after the merger, and four other members of the Commonwealth board, Messrs. C. Frederick Fetterolf, Larry E. Kittelberger, Paul E. Lego and John E. Merow, will be appointed directors of IMCO after the merger;

Table of Contents

Commonwealth option holders (a group which includes many officers and directors of Commonwealth) will have all of their stock options vest at the effective time of the merger. However, options held by Messrs. Demetriou, Friday, Clegg and Stack will not vest at that time and will remain subject to their usual vesting schedule;

Under the terms of the severance agreements between Commonwealth and certain of its officers, if an officer's employment with Commonwealth (or its successor) is terminated during the two year period following the merger, that officer will be entitled to severance benefits, including excise tax gross-up payments. See "The Merger - Certain Persons May Have Interests in the Merger that are Different from Stockholders - Interests Generally - Commonwealth Severance Agreements" on page 63;

Under the merger agreement, IMCO has agreed to indemnify and hold harmless all past and present officers and directors of Commonwealth for matters existing or occurring at or prior to the effective time of the merger and to advance litigation expenses incurred by these officers and directors in connection with these matters;

For a period of six years after the effective time of the merger, IMCO has agreed that it will provide Commonwealth's current officers and directors with a liability insurance policy that provides for coverage of matters occurring prior to the effective time that is no less favorable than the policy in place immediately prior to the merger or, if substantially equivalent insurance coverage is unavailable, the best available coverage. IMCO will not be required to pay an annual premium for this insurance in excess of \$1.6 million; and

Four former officers of Commonwealth who were involved in discussions culminating in the merger agreement have received severance payments of approximately \$6.3 million in the aggregate, following their resignation as officers of Commonwealth. Additionally, Commonwealth is responsible for excise tax gross-up payments, if any, in connection with these severance payments.

In considering the recommendation of the IMCO board of directors, you should be aware that certain members of IMCO's management and the IMCO board of directors also have interests in the transaction that are or may be different from, or in addition to, your interests as a IMCO stockholder. These interests include, among other things, the following:

Under the terms of the merger agreement, four of the five members of the IMCO board, Messrs. John E. Balkcom, John E. Grimes, Dale V. Kesler and Hugh G. Robinson, will continue as directors of IMCO following the merger;

IMCO and Commonwealth intend that the lead independent director (the director who shall preside over the meeting in the absence of the chairman) of the combined company will be one of the four members of the IMCO board who continues as a director of IMCO following the merger;

Richard L. Kerr, IMCO's current chief executive officer, and Paul V. Dufour, IMCO's chief financial officer, have agreed to retire effective upon completion of the merger and to serve as consultants for a limited period after the merger. Under their arrangements, Messrs. Kerr and Dufour would be entitled to receive severance pay and vesting of their restricted stock and stock options; and

Under the terms of employment agreements between IMCO and certain of its officers, if an officer's employment with IMCO is terminated during a period following completion of the merger (as defined in the officer's employment agreement), that officer will be entitled to certain severance benefits.

See "The Merger - Certain Persons May Have Interests in the Merger that are Different from Stockholders - Interests Generally - IMCO Severance Arrangements" on page 65.

Edgar Filing: IMCO RECYCLING INC - Form S-4/A

The IMCO and Commonwealth boards of directors were aware of these arrangements during their respective deliberations on the merits of the merger and in deciding to recommend that you vote for the approval of their respective proposals.

Table of Contents

Conditions to Completion of the Merger (page 80)

Completion of the merger depends on a number of conditions being satisfied or waived. In addition to customary conditions relating to the accuracy of representations and warranties and compliance with the terms of the merger agreement, these conditions include the following:

continued effectiveness of the registration statement of which this joint proxy statement/prospectus is a part;

adoption of the merger agreement by the holders of a majority of the outstanding Commonwealth shares entitled to vote at the Commonwealth special meeting;

approval of the stock issuance pursuant to and in accordance with the merger agreement by the holders of a majority of the votes cast by holders of IMCO common stock entitled to vote at the IMCO special meeting, provided that the total vote cast on the stock issuance proposal represents in excess of 50% of the total shares of IMCO common stock outstanding and entitled to vote;

absence of any law, rule, regulation, judgment, decree, executive order or award prohibiting the consummation of the merger;

the receipt of consents or approvals under foreign antitrust laws required to consummate the transactions contemplated by the merger agreement, except where the failure to obtain such consents and approvals from a foreign governmental authority would not have a material adverse effect on IMCO and Commonwealth as a combined company following the closing;

approval for listing of the IMCO shares to be issued in the merger on the New York Stock Exchange, subject to official notice of issuance;

either (1) a commitment letter contemplating a financing in an amount sufficient to fully redeem Commonwealth's 104% Senior Subordinated Notes due 2006 and refinance in full IMCO's and Commonwealth's credit facilities shall have been obtained and all conditions (other than the consummation of the merger and bring-down conditions that we reasonably believe will be satisfied or waived) shall have been satisfied or waived, or (2) all conditions (other than the consummation of the merger and bring-down conditions that we reasonably believe will be satisfied or waived) to obtaining the agreed financing shall have been satisfied or waived; and

receipt of opinions to the effect that, if the merger is consummated in accordance with the terms of the merger agreement, the merger will constitute a reorganization within the meaning of Section 368(a) of the Internal Revenue Code.

No Solicitation of Alternative Proposals (page 81)

IMCO and Commonwealth each agreed that neither it, nor any of its subsidiaries, nor any of its officers, directors, employees or representatives, nor any officers, directors, employees or representatives of its subsidiaries, will, directly or indirectly:

initiate, solicit or encourage any inquiries or the making of any proposal or offer that constitutes a third party competing proposal (of the type described in this joint proxy statement/prospectus);

Edgar Filing: IMCO RECYCLING INC - Form S-4/A

engage in any negotiations concerning, or provide any confidential information or data to, or have any discussions with, any person relating to a competing proposal; however, nothing will prevent either Commonwealth or IMCO or their respective boards of directors from:

complying with its disclosure obligations pursuant to Sections 14(a), 14(d) or 14(e) of the Securities Exchange Act of 1934; and

Table of Contents

at any time prior to, but not after, the time the merger agreement is adopted at the Commonwealth special meeting or the share issuance is approved at the IMCO special meeting, as applicable:

providing information in response to an unsolicited bona fide written competing proposal under the terms of a confidentiality agreement that contains substantially the same terms as the confidentiality agreements applicable to IMCO or Commonwealth, as the case may be;

engaging in any negotiations or discussions with any person who has made an unsolicited bona fide written competing proposal; or

recommending such a competing proposal to the stockholders of Commonwealth or IMCO, as the case may be.

Commonwealth and IMCO may only take these actions if, and only to the extent that, the applicable board of directors determines in good faith after consultation with outside legal counsel that such action, in light of the competing proposal and the terms of the merger agreement, is necessary to comply with the board's fiduciary duties, and in cases of engaging in any negotiations or discussions or making such a recommendation, Commonwealth or IMCO, as the case may be, is in compliance with the merger agreement and the board of directors determines in good faith that such competing proposal, if accepted, is reasonably likely to be consummated, and if consummated, would constitute a superior proposal (as described elsewhere in this joint proxy statement/prospectus).

Commonwealth and IMCO have agreed to promptly notify the other if any such inquiries, proposals or offers are received by, any such information is requested from, or any such discussions or negotiations are sought to be initiated or continued with, any of its representatives, to provide the name of such person and the material terms and conditions of any proposals or offers, and thereafter shall keep the other informed, on a current basis, on the status and terms of any such proposals or offers and the status of any such discussions or negotiations.

Each of Commonwealth and IMCO agrees that, during the five business day period prior to recommending a competing proposal to its stockholders, it and its outside legal counsel and financial advisors will negotiate in good faith with the other party regarding any proposed revisions to the terms of the transactions contemplated by the merger agreement. The competing proposal may only be recommended to the appropriate stockholders if the IMCO or Commonwealth board of directors, as the case may be, determines in good faith that such competing proposal continues to be a superior proposal in light of any revisions to the merger agreement to which the parties have agreed prior to the expiration of such five business day period. A new notice will be delivered with respect to each competing proposal that has been materially revised or modified prior to taking any action to recommend such competing proposal to the appropriate stockholders and a new five business day period will commence from the time of this notice. The IMCO or Commonwealth board of directors, as the case may be, however, may make a change in recommendation in respect of a competing proposal that is received 10 days or less prior to the Commonwealth special meeting or the IMCO special meeting, as the case may be, so long as the party making such change in recommendation is in compliance with the terms of the merger agreement and provides notice to the other party before making that change.

The Merger Agreement May Be Terminated in Certain Circumstances (page 83)

Before the effective time of the merger, the merger agreement may be terminated:

by mutual written consent of IMCO and Commonwealth duly authorized by their respective boards of directors;

Edgar Filing: IMCO RECYCLING INC - Form S-4/A

by either IMCO or Commonwealth, if:

the merger has not occurred on or before December 15, 2004, unless the failure is the result of a breach of the merger agreement by the party seeking the termination;

Table of Contents

any governmental entity has issued a final and nonappealable injunction, order, decree or ruling or has taken any other final and nonappealable action that makes the consummation of the merger illegal or otherwise prevents or prohibits the consummation of the merger;

adoption by the Commonwealth stockholders of the merger agreement by the vote of holders of a majority of the outstanding shares of Commonwealth common stock has not been obtained at the Commonwealth special meeting or any adjournment or postponement thereof; or

approval by the IMCO stockholders of the issuance of shares of IMCO common stock pursuant to the merger agreement has not been obtained by the affirmative vote of a majority of the votes cast at the IMCO special meeting or any adjournment or postponement thereof, with the total votes cast on that proposal exceeding 50% of the shares of IMCO common stock outstanding.

by IMCO, if:

Commonwealth's board of directors or any committee thereof, at any time prior to the adoption of the merger agreement by the Commonwealth stockholders, withdraws, modifies or changes, in any way adverse to IMCO, its recommendation of the merger agreement;

either (1) Commonwealth breaches any representation, warranty, covenant or agreement under the merger agreement, or (2) any of Commonwealth's representations or warranties in the merger shall become untrue, in either case such that the condition to closing relating to representations, warranties, covenants and agreements would not be satisfied, if the inaccuracy or breach cannot be or has not been cured within 30 days following receipt of notice of the inaccuracy or failure; or

the Commonwealth special meeting is not held by December 10, 2004, unless the failure is the result of IMCO's failure to fulfill any obligations under the merger agreement.

by Commonwealth, if:

IMCO's board of directors or any committee thereof, at any time prior to the approval of the share issuance by the IMCO stockholders, withdraws, modifies or changes, in any way adverse to Commonwealth, its recommendation of the merger agreement or the issuance of IMCO shares;

either (1) IMCO breaches any representation, warranty, covenant or agreement under the merger agreement, or (2) any of IMCO's representations or warranties in the merger agreement shall become untrue, in either case such that the condition to closing would not be satisfied, if the inaccuracy or breach cannot be or has not been cured within 30 days following receipt of notice of the inaccuracy or failure; or

the IMCO special meeting is not held by December 10, 2004, unless the failure is the result of Commonwealth's failure to fulfill any obligations under the merger agreement.

Fees and Expenses Following a Termination of the Merger Agreement (page 84)

Edgar Filing: IMCO RECYCLING INC - Form S-4/A

Commonwealth is liable to IMCO, or IMCO is liable to Commonwealth, to pay a termination fee of \$3.5 million, together with all of the other party's reasonably documented expenses related to the merger and the merger agreement through the date of termination, up to a maximum of \$2.0 million, if the merger agreement is terminated under certain circumstances.

Whether or not the merger is consummated, each of IMCO, Merger Sub and Commonwealth will bear its own expenses in connection with the merger agreement and the related transactions, except that IMCO and Commonwealth will share equally the expenses relating to printing, filing and mailing this joint proxy statement/prospectus.

Accounting Treatment (page 66)

The merger will be accounted for as a business combination using the purchase method of accounting. IMCO will be the acquirer for financial accounting purposes.

Table of Contents

Anticipated Financing Necessary to Complete the Merger (page 66)

IMCO and Commonwealth expect to refinance certain existing indebtedness simultaneously with the completion of the merger with approximately \$244 million in new indebtedness, which is anticipated to include a combination of \$125 million in proposed new senior unsecured notes of IMCO and approximately \$119 million of borrowings under a proposed new \$325 million IMCO revolving credit facility. IMCO and Commonwealth have agreed to use their reasonable best efforts to complete a financing or financings in sufficient amounts so that upon completion of the merger, Commonwealth will be able to fully refinance the indebtedness under its outstanding 10³/₄% senior subordinated notes due 2006, refinance in full all outstanding indebtedness under its existing credit facility and repurchase all outstanding accounts receivable previously sold under its receivables purchase agreement, and IMCO will be able to refinance in full its existing credit facility. IMCO and Commonwealth have agreed to use their reasonable best efforts to obtain, prior to closing, commitment letters indicating that upon completion of the merger, sufficient funds to accomplish the refinancings contemplated above will be available and not subject to non-waivable conditions other than the occurrence of the merger.

Status of Regulatory Approvals (page 67)

The merger is subject to various laws regulating competitive activities. Under the Hart-Scott-Rodino Antitrust Improvements Act of 1976 (HSR Act), the parties cannot complete the merger until they have notified and furnished information to the U.S. Federal Trade Commission and the Antitrust Division of the United States Department of Justice and the specified waiting period expires or is earlier terminated. IMCO and Commonwealth filed the information required under the HSR Act on July 21, 2004. IMCO and Commonwealth have been notified that their requests for early termination of the waiting period under the HSR Act had been granted. IMCO and Commonwealth also submitted required filings to the German Federal Cartel Office on August 20, 2004. On September 1, 2004, IMCO and Commonwealth received clearance from the German Federal Cartel Office. Each state and foreign country in which IMCO or Commonwealth has operations also may review the merger under state or foreign antitrust laws.

Material United States Federal Income Tax Consequences of the Merger (page 69)

The completion of the merger is conditioned on the receipt by IMCO and Commonwealth of tax opinions from Fulbright & Jaworski L.L.P., counsel to IMCO, and Sullivan & Cromwell LLP, counsel to Commonwealth, dated as of the date of the merger, to the effect that the merger will qualify for U.S. federal income tax purposes as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended (the Code). In a merger that qualifies as a reorganization under Section 368(a) of the Code, the U.S. federal tax consequences will include the following, among other things:

No gain or loss will be recognized by IMCO or Commonwealth as a result of the merger;

No gain or loss will be recognized by Commonwealth stockholders who exchange all of their Commonwealth shares for IMCO shares in the merger;

The tax basis of the IMCO shares received by a Commonwealth stockholder in the merger (including any fractional share not actually received) will be the same as the tax basis of the Commonwealth shares surrendered in exchange therefor;

Edgar Filing: IMCO RECYCLING INC - Form S-4/A

The holding period of the IMCO shares received by a Commonwealth stockholder in the merger will include the holding period of the Commonwealth shares surrendered in exchange therefor, provided that such Commonwealth shares are held as capital assets at the effective time of the merger; and

A cash payment in lieu of a fraction of a share will be treated as if a fractional share of IMCO common stock had been received in the merger and then redeemed by IMCO.

For further information concerning U.S. federal income tax consequences of the merger, please see **Material United States Federal Income Tax Consequences** beginning on page 69 of this joint proxy statement/prospectus.

Table of Contents

Tax matters are very complicated and the consequences of the merger to any particular Commonwealth stockholder will depend on that stockholder's particular facts and circumstances. Commonwealth stockholders should consult their own tax advisors to determine their own tax consequences from the merger in light of their particular facts and circumstances.

Appraisal and Dissenters' Rights are not Available (page 68)

Neither IMCO stockholders nor Commonwealth stockholders will be entitled to dissenters' appraisal rights as result of the merger. For further information concerning dissenters' and appraisal rights, please see "The Merger: Appraisal and Dissenters' Rights are not Available in Connection with the Merger" beginning on page 68 of this joint proxy statement/prospectus.

- (1) IMCO's financial condition and results of operations have been affected by acquisitions of facilities and companies during certain of the periods presented. Statement of operations data and balance sheet data as of and for the six months ended June 30, 2003 reflects the consolidation of results of operations and financial condition of IMCO's former 50%-owned joint venture, VAW-IMCO, which prior to March 1, 2003 had been accounted for under the equity method of accounting.
- (2) See Note K Impact of recently adopted accounting standards of the notes to IMCO's historical consolidated financial statements incorporated by reference in this joint proxy statement/prospectus regarding the goodwill impairment charge recorded as a cumulative effect of an accounting change and the discontinuance of goodwill amortization expense.
- (3) Certain amounts have been reclassified from amortization expense to interest expense for the years ended December 31, 2000 and 2001.
- (4) See Note G Long-term debt of the notes to IMCO's historical consolidated financial statements incorporated by reference in this joint proxy statement/prospectus regarding the classification of \$94,000 and \$118,300 of indebtedness as of December 31, 2002 and June 30, 2003, respectively, in debt as current due to the expiration of IMCO's former senior credit facility on December 31, 2003.
- (5) EBITDA is defined as net earnings (loss) before cumulative effect of accounting change, income tax expense, interest (income) expense, depreciation and amortization. EBITDA is a non-GAAP financial measure which is presented because IMCO considers it an important supplemental measure of its performance and believes it is frequently used by securities analysts, investors and other interested parties in the evaluation of companies in IMCO's industry, many of which present EBITDA when reporting their results.

IMCO also uses EBITDA because its revolving credit agreement and senior secured notes indenture use EBITDA with additional adjustments to measure IMCO's compliance with its covenants under those instruments. IMCO's senior secured notes indenture requires a consolidated coverage ratio of at least 2.0 to 1.0 in order for IMCO to incur certain additional indebtedness or to make certain restricted payments or investments. The consolidated coverage ratio is the ratio of consolidated EBITDA for the most recent consecutive four fiscal quarters, to consolidated interest expense for that same period, as those terms are defined in the indenture senior secured notes. IMCO's revolving credit facility currently requires IMCO to maintain a fixed charge ratio of at least 1.0 to 1.0 as calculated over the last four consecutive completed fiscal quarters. The fixed charge ratio is defined to mean EBITDA minus capital expenditures and cash taxes paid, to fixed charges (interest expense, scheduled principal payments and dividends and distributions), as those terms are described in the revolving credit agreement. A violation of this covenant under IMCO's revolving credit facility would constitute a breach of the agreement and an event of default. If IMCO were not able to meet the incurrence tests under the covenants of its senior secured notes indenture, its ability to incur additional indebtedness and to make certain payments and investments would be restricted.

EBITDA has limitations as an analytical tool, and you should not consider it in isolation or as a substitute for analysis of IMCO's financial results prepared in accordance with generally accepted accounting principles, or GAAP. Some of these limitations are:

EBITDA does not reflect IMCO's cash expenditures, or future requirements, for capital expenditures or contractual commitments;

EBITDA does not reflect changes in, or cash requirements for, IMCO's working capital needs;

Edgar Filing: IMCO RECYCLING INC - Form S-4/A

EBITDA does not reflect the significant interest expense or cash requirements necessary to service interest or principal payments on indebtedness;

although depreciation and amortization are non-cash charges, the assets being depreciated and amortized will often have to be replaced in the future, and EBITDA does not reflect any cash requirements for such replacements; and

other companies in IMCO's industry may calculate EBITDA differently than IMCO does, limiting its usefulness as a comparative measure.

Because of these limitations, EBITDA should not be considered as a measure of discretionary cash available to IMCO to invest in the growth of its business. IMCO compensates for these limitations by relying primarily on IMCO's GAAP results and using EBITDA only supplementally. See the Consolidated Statement of Cash Flows included in IMCO's consolidated financial statements incorporated by reference in this joint proxy statement/prospectus.

- (4) EBITDA is defined as net earnings (loss) before cumulative effect of accounting change, income tax expense, interest (income) expense, depreciation and amortization. EBITDA is a non-GAAP financial measure which is presented because Commonwealth considers it an important supplemental measure of performance and believes it is frequently used by securities analysts, investors and other interested parties in the evaluation of companies in Commonwealth's industry, many of which present EBITDA when reporting their results.

Commonwealth also uses EBITDA because its revolving credit agreement and indenture use EBITDA with additional adjustments to measure its compliance with covenants such as interest coverage (EBITDA to interest expense as defined in the credit agreement must be greater than 2.50 to 1.0), leverage ratio (total debt to EBITDA as defined in the credit agreement must be less than 3.25 to 1.0), fixed charge ratio (EBITDA to fixed charges as defined in the credit agreement must be greater than 1.10 to 1.0) and debt incurrence (EBITDA to fixed charges as defined in the indenture must be greater than 2.5 to 1.0 in order to incur additional indebtedness, other than permitted indebtedness as defined in the indenture). A violation of the covenants in its revolving credit facility would constitute a breach of the agreement and an event of default. If Commonwealth were not able to meet the incurrence tests under the covenants of its indenture, its ability to incur additional indebtedness would be restricted.

EBITDA has limitations as an analytical tool, and you should not consider it in isolation or as a substitute for analysis of Commonwealth's financial results prepared in accordance with generally accepted accounting principles, or GAAP. Some of these limitations are:

EBITDA does not reflect Commonwealth's cash expenditures, or future requirements, for capital expenditures or contractual commitments;

EBITDA does not reflect changes in, or cash requirements for, Commonwealth's working capital needs;

EBITDA does not reflect the significant interest expense or cash requirements necessary to service interest or principal payments on indebtedness;

Edgar Filing: IMCO RECYCLING INC - Form S-4/A

although depreciation and amortization are non-cash charges, the assets being depreciated and amortized will often have to be replaced in the future, and EBITDA does not reflect any cash requirements for such replacements; and

other companies in Commonwealth's industry may calculate EBITDA differently than Commonwealth does, limiting its usefulness as a comparative measure.

Because of these limitations, EBITDA should not be considered as a measure of discretionary cash available to Commonwealth to invest in the growth of Commonwealth's business. Commonwealth compensates for these limitations by relying primarily on Commonwealth's GAAP results and using EBITDA only supplementally. See the Consolidated Statement of Cash Flows included in Commonwealth's financial statements incorporated by reference in this joint proxy statement/prospectus.

SELECTED UNAUDITED PRO FORMA CONDENSED COMBINED FINANCIAL DATA

The following unaudited pro forma condensed combined financial data for the year ended December 31, 2003, and as of and for the six months ended June 30, 2004, are derived from IMCO's audited and unaudited consolidated financial statements and Commonwealth's audited and unaudited consolidated financial statements. This data should be read in conjunction with the respective audited and unaudited consolidated financial statements of IMCO and Commonwealth.

The unaudited pro forma condensed combined financial data reflect the pro forma adjustments relating to the proposed merger, including the value of the consideration of the IMCO common stock subject to this exchange and the estimated values and amounts based on available information regarding Commonwealth's assets and liabilities. The actual adjustments that will result from the merger will be based on further evaluations and may differ substantially from the adjustments reflected herein. The pro forma financial data also reflect the effect of the sale of Alflex as if it had been effected at January 1, 2003 and, therefore, Alflex's revenues and other results of operations have been eliminated. Finally, the pro forma financial data reflect the refinancing of a significant portion of the companies' indebtedness. As a condition to closing, the merger agreement requires:

the refinancing of all of Commonwealth's 10~~4~~4% senior subordinated notes together with accrued and unpaid interest,

the repurchase of Commonwealth's existing receivables sold under its receivables purchase agreement, and

the refinancing of amounts outstanding under Commonwealth's revolving credit facility and IMCO's revolving credit facility.

Table of Contents

The unaudited pro forma operating data set forth below is not necessarily indicative of the results that actually would have been achieved had the proposed merger, the sale by Commonwealth of Alflex and the other currently contemplated financing transactions related to the merger been consummated on January 1, 2003 for results of operations and as of June 30, 2004 for the balance sheet data, or that may be achieved in the future. The unaudited pro forma condensed combined financial statements do not include any adjustments related to any restructuring charges, profit improvements, potential cost savings or one-time charges which may result from the proposed merger. The unaudited pro forma condensed combined financial statements also do not include any adjustments as a result of final valuations of tangible and intangible assets and liabilities. We urge you to read this information in conjunction with IMCO's Management's discussion and analysis of financial condition and results of operations, IMCO's consolidated financial statements and the notes thereto, Commonwealth's Management's discussion and analysis of financial condition and results of operations, Commonwealth's consolidated financial statements and notes thereto and Unaudited Pro Forma Condensed Combined Financial Statements included in this joint proxy statement/prospectus or included in IMCO's and Commonwealth's Annual Reports on Form 10-K and Quarterly Reports on Form 10-Q incorporated by reference in this joint proxy statement/prospectus.

The unaudited pro forma earnings per share data for the six months ended June 30, 2004 and the year ended December 31, 2003 reflect the assumption that the merger was effective as of January 1, 2003. The unaudited pro forma per share data gives effect to the proposed merger as a purchase under generally accepted accounting principles in the United States.

The unaudited pro forma IMCO earnings (loss) per share data is based upon the historical weighted average number of shares of IMCO common stock outstanding, adjusted to include the number of shares of IMCO common stock that would be issued in the proposed merger based upon the exchange ratio of 0.815.

We urge you to read the information below together with the historical financial statements and related notes of IMCO and Commonwealth contained in each company's periodic filings with the Securities and Exchange Commission and incorporated in this joint proxy statement/prospectus by reference. The companies may have performed differently had they actually been combined during the periods presented below. You should not rely on this information as being indicative of the historical results that would have been achieved had the companies always been combined or the future results that the combined company will experience after the proposed merger.

RISK FACTORS

In deciding whether to approve the stock issuance or the merger, we urge you to carefully consider all of the information we have included in this joint proxy statement/prospectus and its annexes and all of the information we have included in the documents we have incorporated by reference. See *Where You Can Find More Information* beginning on page 124 of this joint proxy statement/prospectus. In addition, we encourage you to pay particular attention to the following risks related to the merger and the business of IMCO and Commonwealth as a combined company following the merger:

Risks of the Merger

IMCO and Commonwealth may fail to obtain adequate financing for the combined company, which is a condition to the completion of the merger, and as a result the merger may not be consummated, or if consummated, may contain refinancing terms less favorable than anticipated.

As a condition to the completion of the merger, we are required to obtain adequate financing to, among other things, pay for the costs of the merger and refinance significant portions of each company's outstanding debt obligations, including to refinance Commonwealth's \$125.0 million senior subordinated notes, repurchase accounts receivable previously sold under Commonwealth's receivables purchase agreement (\$100 million outstanding as of June 30, 2004) and refinance all amounts outstanding under IMCO's existing revolving credit facility (\$43.3 million outstanding as of June 30, 2004) and Commonwealth's revolving credit facility (\$8.6 million outstanding as of June 30, 2004, in addition to outstanding letters of credit of \$3.1 million). We currently expect the financing to consist of a combination of up to \$125 million in senior unsecured notes of IMCO and borrowings under a new \$325 million IMCO revolving credit facility.

The companies may be unable to successfully obtain the financing necessary to consummate the merger, or, if obtained, such financing may be on terms unfavorable to the combined company. If we are unable to obtain the necessary financing to consummate the merger, the businesses, prospects, and future results of operations and financial condition of both IMCO and Commonwealth could be impacted negatively by the resulting market reaction as well as the time and effort expended by management of both IMCO and Commonwealth to complete the merger, and the prices of their common stock could decline as a result.

We may face difficulties in achieving the expected benefits of the merger.

IMCO and Commonwealth currently operate as separate companies. We may not be able to realize the operating efficiencies, synergies, cost savings or other benefits expected from the merger, which we believe will be approximately \$25.0 million annually, beginning 18 to 24 months from the completion of the merger. In addition, the costs we incur in implementing these efficiencies, synergies, cost savings and other benefits, including our ability to terminate, amend or renegotiate prior contractual commitments of IMCO and Commonwealth, may be greater than expected. We also may suffer a loss of employees, customers or suppliers, a loss of revenues, or an increase in operating or other costs as a result of the merger or other difficulties relating to the merger.

The market value of shares of IMCO common stock that Commonwealth stockholders will receive in the merger will vary because the exchange ratio is fixed, potentially resulting in Commonwealth stockholders receiving a lower dollar value of IMCO common stock at the time of completion of the merger.

The exchange ratio is a fixed ratio of 0.815 of a share of IMCO common stock for each share of Commonwealth common stock and will not be adjusted as a result of an increase or decrease in the price per share of IMCO common stock. The prices of IMCO common stock and Commonwealth common stock at the time the merger is completed may be higher or lower than their prices on the date of this joint proxy statement/prospectus or on the date of the special meetings of IMCO stockholders and Commonwealth stockholders. Changes in the business, operations or prospects of IMCO or Commonwealth, market assessments of the benefits

Table of Contents

of the merger and of the likelihood that the merger will be completed, regulatory considerations, general market and economic conditions, or other factors may affect the prices of IMCO common stock or Commonwealth common stock. Most of these factors are beyond our control.

IMCO and Commonwealth both have incurred and will incur significant charges and expenses as a result of the merger, which will reduce the amount of capital available to fund the combined company's operations.

The combined company expects to incur between \$30.0 million and 35.0 million of estimated expenses related to the merger. These expenses have included or will include investment banking fees, other bank fees, legal and accounting fees, printing costs, transition costs and other related charges. IMCO and Commonwealth may also incur unanticipated costs relating to the merger. As a result, the combined company will have less capital available to fund its activities after the merger.

In addition, IMCO and Commonwealth expect to incur costs associated with combining the operations of the two companies, transaction fees and other costs related to the merger. The total estimate includes approximately \$10.9 million for transaction costs and between \$13.0 million and \$15.0 million of restructuring and integration costs. An estimated \$3.8 million of transaction costs are expected to be recorded as a component of the purchase price. Approximately \$9.2 million of the restructuring costs are expected to be included as a liability in the purchase price allocation. These amounts are preliminary estimates and subject to change. Additional unanticipated costs may be incurred in the integration of the businesses of IMCO and Commonwealth.

Risks of IMCO and Commonwealth as a combined company following the merger

IMCO and Commonwealth are both highly leveraged companies and, following completion of the merger, the combined company will continue to be highly leveraged.

After giving effect to the merger and the anticipated refinancing of certain debt of IMCO and Commonwealth as contemplated in this joint proxy statement/prospectus, IMCO and Commonwealth would have had pro forma total debt of \$446.9 million as of June 30, 2004 and their pro forma combined debt service for the year ended December 31, 2003 would have been \$31.5 million. This significant level of indebtedness may have an effect on the operations of the combined company following the merger, including:

limiting our ability to obtain additional financing on satisfactory terms to fund our working capital requirements, capital expenditures, acquisitions, investments, debt service requirements and other general corporate requirements;

increasing our vulnerability to general economic downturns, competition and industry conditions, which could place us at a competitive disadvantage compared to our competitors that are less leveraged;

exposing our cash flow to changes in floating rates of interest such that a 1% increase in floating rates will negatively impact our cash flow by approximately \$1.0 million;

Edgar Filing: IMCO RECYCLING INC - Form S-4/A

imposing additional restrictions on the manner in which we conduct our business under financing documents, including restrictions on our ability to pay dividends, make investments, incur additional debt and sell assets;

placing us at a competitive disadvantage compared to many of our competitors who have less debt; and

reducing the availability of our cash flow to fund our working capital requirements, capital expenditures, acquisitions, investments, other debt obligations and other general corporate requirements, because we will be required to use a substantial portion of our cash flow to service debt obligations.

Table of Contents

The financial statements of both IMCO and Commonwealth reflect substantial historical net losses, and a continuation of net losses in the future may reduce the combined company's ability to raise needed capital.

IMCO reported net losses of \$51.9 million and \$2.7 million for the years ended December 31, 2002 and 2001, respectively, and Commonwealth reported net losses of \$28.9 million, \$16.2 million, and \$193.6 million for the years ended December 31, 2003, 2002 and 2001, respectively. Commonwealth also reported a net loss of \$23.1 million for the quarter ended June 30, 2004 and a net loss of \$20.2 million for the six months ended June 30, 2004. The net losses primarily reflect operating losses and certain charges, including severance and impairment charges and charges relating to the cumulative effect of certain accounting changes, as well as high interest expenses. The combined company's ability to continue operations may become increasingly constrained if it continues to incur operating losses into the future.

If the combined company reports similar net losses, our ability to raise needed financing, or to do so on favorable terms, may be limited as those losses are taken into account by the organizations that issue investment ratings on our indebtedness. The debt ratings of the combined company will be below the investment grade category, which results in higher borrowing costs as well as a reduced pool of potential purchasers of our debt as some investors will not purchase debt securities that are not rated in an investment grade rating category. Also, any rating assigned may not remain in effect for any given period of time and may be lowered or withdrawn entirely by a rating agency if in that rating agency's judgment future circumstances relating to the basis of the rating, such as adverse changes, so warrant. A lowering or withdrawal of a rating may further increase our borrowing costs.

As a result of special charges of approximately \$18.1 million (of which \$6.4 million is related to executive severance, \$3.3 million is related to merger activities, \$5.8 million is related to the closure of Commonwealth's tube facility and \$2.6 million is related to the sale of Alflex) that Commonwealth incurred for financial reporting purposes in the quarter ended June 30, 2004, Commonwealth determined that an amendment to its credit agreement pertaining to certain financial covenants would be necessary to avoid a breach of the credit agreement. Commonwealth has obtained the necessary amendment.

The merger may result in future goodwill and other asset impairment charges, which would reduce future net income of the combined company.

For financial accounting purposes, a substantial portion of the merger's purchase price is expected to be allocated to goodwill of the combined company. See Unaudited Pro Forma Condensed Combined Financial Statements on page 91. The purchase price will be based on the market price of IMCO's common stock as of the date of announcement of the proposed merger on June 16, 2004. Since that date, the price per share of IMCO common stock has declined. IMCO annually performs an impairment review to estimate the fair value of its reporting units. This valuation entails a discounted cash flow model using internal projections and budgets to determine a unit's fair value. In the event that the combined company is not able to achieve expected cash flow levels, or other factors indicate that goodwill is impaired, it may need to write off all or part of its goodwill. The amount of the impairment would be charged as an expense in the period in which the impairment occurred. Any such goodwill or other asset impairment charges in the future would reduce net income and could be a factor in causing future net losses.

The combined company may encounter delays in complying with rules under the Sarbanes-Oxley Act of 2002 requiring our management to provide a management report containing an assessment of the combined company's internal reporting controls.

Rules adopted by the Securities and Exchange Commission under Section 404 of the Sarbanes-Oxley Act of 2002 require that reporting companies provide in their annual report on Form 10-K for fiscal years ending December 31, 2004 and thereafter, an internal control report of management. This report must contain statements that the company's management has evaluated and assessed its internal control over financial reporting for that

Table of Contents

company, concluding whether or not the company's internal control over financial reporting is effective, including disclosure of any material weaknesses in internal control identified by management. If there are any material weaknesses, management is not permitted to conclude that the company's internal control over financial reporting is effective. The Form 10-K must also contain a statement that the company's independent auditors have issued an attestation report on management's assessment, and that attestation report must be filed with the Form 10-K. IMCO will be required to provide an internal control report and an auditor's attestation report in its annual report on Form 10-K for the year ending December 31, 2004.

In its annual report on Form 10-K for the year ended December 31, 2003, its quarterly report on Form 10-Q for the quarter ended March 31, 2004 and in this joint proxy statement/prospectus under "Changes in Commonwealth's Internal Control Over Financial Reporting; Disclosure Controls" on page 101, Commonwealth reported a number of deficiencies, including information gaps, that constituted material weaknesses in internal control over financial reporting, that may have affected effective internal control over financial reporting.

In June 2004, the Office of Chief Accountant of the SEC's Division of Corporation Finance issued a frequently asked questions interpretive release, indicating that the staff of the Division would not object to an issuer's management's report on internal control over financial reporting that excludes an acquired business from management's assessment, so long as appropriate disclosures are made and the date of the acquisition is not more than one year from the date of management's assessment. In reliance on this guidance, IMCO may omit from its management report its assessment of the internal control over financial reporting of Commonwealth and its consolidated subsidiaries as of December 31, 2004.

The risks of excluding an assessment of an acquired company in management's report over financial reporting in 2004's annual report on Form 10-K may present a number of issues that are impossible to determine at this point in time, due to the fact that many of the applicable rules are not yet operative. However, there may be risks for IMCO and Commonwealth as the combined company in terms of marketplace, supplier, customer and investor acceptance of the fact that a significant portion of the combined company's business and operations was excluded from management's internal control assessment. The release also provides that while the answers to the frequently asked questions represent the views of the staffs of the Office of the Chief Accountant and the Division of Corporation Finance, they are not rules, regulations or statements of the SEC, and the SEC has neither approved nor disapproved them.

If Commonwealth experiences or is unable to correct further deficiencies prior to the closing of the merger, or the combined company is unable to correct them following the merger, the management for the combined company may not be able to state that the combined company's internal control over financial reporting is effective as of December 31, 2005. The inability of the combined company to obtain attestations as to its internal control over financial reporting may be viewed negatively by investors, which may in turn decrease the price and liquidity of its common stock.

The cyclical nature of the metals industry, our end-use market segments and our customers' industries could limit the combined company's operating flexibility, which could negatively impact the combined company's financial condition and results of operations.

The metals industry in general is cyclical in nature. It tends to reflect and be amplified by changes in general and local economic conditions, both domestically and abroad. These conditions include the level of economic growth, financing availability, employment levels, interest rates, consumer confidence and housing demand. Historically, in periods of recession or periods of minimal economic growth, metals companies have often tended to under-perform other sectors. Commonwealth and IMCO are particularly sensitive to trends in the transportation and construction industries, which are both seasonal and highly cyclical in nature, and dependent on general economic conditions. For example, during recessions or periods of low growth, the transportation and construction industries typically experience major cutbacks in production, resulting in decreased demand for aluminum and zinc. This leads to significant fluctuations in demand and pricing for IMCO's and

Table of Contents

Commonwealth's products and services. Because we generally have high fixed costs, our profitability is significantly affected by decreased processing and production volumes; accordingly, reduced demand and pricing pressures may have a negative impact on IMCO's and Commonwealth's financial condition and results of operations. Economic downturns in the national and international economies or a prolonged recession in our principal market segments have had a negative impact on our operations in the past, and could have a negative impact on the combined company's future financial condition or results of operations.

Changes in the market price of aluminum and zinc impact the selling prices of our products. Market prices of aluminum and zinc are dependent upon supply and demand and a variety of factors over which we have little or no control, including:

U.S. and world economic conditions;

availability and relative pricing of metal substitutes;

labor costs;

energy prices;

environmental and conservation regulations;

seasonal factors and weather; and

import and export restrictions.

The combined company may encounter increases in the cost of raw materials and energy, which could cause its cost of goods sold to increase, reducing operating results and limiting its operating flexibility.

The companies require substantial amounts of raw materials and energy in their businesses, consisting principally of aluminum scrap, primary aluminum metal and natural gas. Any substantial increases in raw materials or energy costs could cause operating costs to increase and negatively affect the combined company's financial condition and results of operations.

Aluminum scrap and primary aluminum metal prices are subject to significant cyclical price fluctuations. London Metals Exchange (the "LME") primary aluminum metal prices declined by 56% between 1988 and 2002 and rose 30% from 2002 to 2004. Metallics (aluminum and zinc scrap, primary aluminum metal and aluminum dross) will represent the largest component of the combined company's costs of sales. Both companies purchase their scrap primarily from aluminum and zinc scrap dealers. Remaining requirements are met with purchased primary metals. We will have no control over the price or availability of these supplies in the future.

The availability and price of aluminum scrap depend on a number of factors outside the companies' control, including general economic conditions, foreign demand for metallics and internal recycling activities by primary aluminum producers. Increased domestic and worldwide demand for aluminum scrap have had and will continue to have the effect of increasing the prices that the companies pay for these raw materials

Edgar Filing: IMCO RECYCLING INC - Form S-4/A

thereby increasing their cost of sales. The companies often cannot adjust the selling prices for their products to recover the increases in scrap prices. If scrap and dross prices were to increase significantly without a commensurate increase in the market value of the primary metals, the combined company's future financial condition and results of operations could be affected by higher costs and lower profitability.

After labor costs, natural gas costs represent the third largest component of both companies' cost of sales. The price of natural gas can be particularly volatile. The companies hedge according to board policy and purchase the majority of their natural gas on a spot-market basis. As a result, the combined company's natural gas costs may fluctuate dramatically, and the combined company may not be able to mitigate the effect of higher natural gas costs on its cost of sales. If natural gas prices remain at current levels or increase further, the combined company's financial condition and results of operations may be adversely affected.

Table of Contents

Increased energy prices may also negatively affect the companies' customers, which in turn affects demand for the companies' services. For example, since 2001 IMCO has experienced a sharp reduction in demand for its recycling services in the Pacific Northwest, because many domestic smelters located in that region have been forced to suspend or terminate their operations due to high energy costs.

The hedging activities of both companies may have the effect of reducing revenues in a rising metals price environment and subject the combined company's earnings to greater volatility from period to period.

Purchases of metal for forward delivery and hedging with futures and options contracts are used to reduce the companies' aggregate exposure at any time to the risk of changes in metal prices. The companies are often not able to pass increases in metal costs through to their customers. Significant increases in the price of aluminum scrap or primary aluminum metal, if not offset by product price increases, would cause our cost of goods sold to significantly increase, negatively impacting the combined company's future financial condition or results of operations.

Commonwealth purchases LME futures and options contracts to reduce its exposure to the risk of changes in metal prices. Despite the use of LME futures contracts, Commonwealth remains exposed to the variability in prices of scrap metal. While scrap metal is priced in relation to prevailing LME prices, it is also priced at a premium or discount to LME metal (depending on quality of the material supplied). This premium or discount is referred to in the industry as the "scrap spread" and fluctuates depending on market conditions. Further, Commonwealth is exposed to variability in the market price of a transportation differential ("Midwest Premium") charged by industry participants to deliver metal from the smelter to the manufacturing facility. This transportation differential also fluctuates in relation to market conditions. Commonwealth follows a pattern of increasing or decreasing its selling prices to its customers in response to changes in the Midwest Premium.

Commonwealth remains exposed to market fluctuations in scrap spreads or the transportation differential pricing levels because sales prices to its customers do not always closely conform to the market variations in scrap spreads and the transportation differential. Because of its exposure to the risk of changes in the unhedged portions of metal prices (scrap spreads and Midwest Premiums), Commonwealth's metal hedging programs in recent periods have not met requisite accounting effectiveness tests to enable deferral of aluminum metal hedge gains and losses in reporting the results of its operations in its financial statements. The consequent inclusion of metals hedging gains or losses in Commonwealth's earnings reports produces significant period-to-period volatility in those reports that is not necessarily reflective of Commonwealth's underlying operating performance.

If the combined company were to lose order volumes from any of its largest customers, its sales and revenues could be reduced and its cash flows lessened.

The combined company's business will be exposed to risks related to customer concentration. In 2003, the companies' 10 largest customers on a pro forma basis were responsible for 23% of the combined company's net revenues. No one customer accounted for more than 6% of the combined company's pro forma net revenues in 2003. A loss of order volumes from, or a loss of market share by, any major customer could negatively affect the combined company's financial condition and results of operations by lowering sales volumes, increasing costs and lowering profitability. In addition, the combined company's increased emphasis on dedicated facilities and dedicated arrangements with customers carries the inherent risk of increased dependence on a single or few customers with respect to a particular facility of the combined company. In such cases, the loss of such a customer, or the reduction of that customer's business with one or more of the combined company's facilities, could negatively affect the combined company's financial condition and results of operations, and any timely replacement of volumes could prove difficult. In addition, several customers of IMCO and Commonwealth have become involved in bankruptcy or insolvency proceedings and have defaulted on their obligations to IMCO and Commonwealth in recent years, which may negatively affect the combined company's financial condition and results of operations following the merger.

Table of Contents

IMCO and Commonwealth do not have long-term contractual arrangements with a substantial number of their customers and the combined company's sales and revenues could be reduced if its customers switch their suppliers.

Approximately 85% of the combined sales volume of IMCO and Commonwealth is with customers who do not have long-term contractual arrangements with the companies. These customers purchase products and services from IMCO and Commonwealth on a purchase order basis, and may choose not to continue to purchase our products and services. The loss of these customers or a significant reduction in their purchase orders could have a negative impact effect on the combined company's sales volume and business following the merger.

The combined company may not be able to compete successfully in the industries it will serve, which could reduce its share of industry sales and lower its selling prices and reduce sales volumes, which could reduce operating results and negatively impact its financial condition.

Aluminum competes with other material such as steel, plastic and glass for various applications. Higher aluminum prices tend to make aluminum products less competitive with these alternative materials.

Commonwealth competes in the production and sale of common alloy aluminum sheet products with a number of other aluminum rolling mills in the United States and Canada (including large, single purpose sheet mills, continuous casters and other multi-purpose mills, some of which are larger and have greater financial and technical resources than Commonwealth) and with imported products. Commonwealth competes with other rolled products suppliers, principally the multi-purpose mills, on the basis of quality, price, timeliness of delivery and customer service.

IMCO competes with other aluminum and zinc recyclers in segments which are highly fragmented and characterized by smaller, regional operators. The principal factors of competition in IMCO's aluminum and zinc recycling business include price, metal recovery rates, proximity to customers, customer service, molten metal delivery capability, environmental and safety regulatory compliance, and types of services offered.

Additional competition could result in lost share of industry sales or reduced prices for the combined company's products and services, which could decrease revenues or reduce volumes, either of which could have a negative effect on the combined company's financial condition and results of operations.

A growing portion of the combined company's sales are expected to be derived from the combined company's international operations, which will expose the combined company to certain risks inherent in doing business abroad.

Commonwealth currently does not have operations outside the United States. IMCO currently has operations in the United States and in Germany, the United Kingdom, Mexico and Brazil, and we plan to continue to expand the combined company's international operations. The combined company's foreign operations generally will be subject to risks, including:

changes in U.S. and foreign governmental regulations, trade restrictions and laws, including tax laws and regulations;

foreign currency exchange rate fluctuations;

tariffs and other trade barriers;

the potential for nationalization of enterprises;

interest rate fluctuations;

high rates of inflation;

currency restrictions and limitations on repatriation of profits;

Table of Contents

divergent environmental laws and regulations; and

political, economic and social instability.

The occurrence of any of these events could cause the combined company's costs to rise, limit its growth opportunities and have a negative effect on the combined company's operations and its ability to plan for future periods, and subject it to risks not generally prevalent in the U.S.

The financial condition and results of operations of some of the combined company's operating entities will be reported in foreign currencies and then translated into U.S. dollars at the applicable exchange rate for inclusion in the combined company's consolidated financial statements. As a result, generally speaking, appreciation of the U.S. dollar against these foreign currencies will have a negative impact on the combined company's reported revenues and operating profit while depreciation of the U.S. dollar against these foreign currencies will have a positive effect on reported revenues and operating profit. For example, IMCO's German and Brazilian operations were positively impacted during the first half of 2003 due to the strengthening of the Euro and Brazilian Real against the U.S. dollar. We currently do not intend to mitigate this translation effect through the use of derivative financial instruments, which would expose the combined company to risks of currency exchange rate and interest rate fluctuations to a greater degree than if the combined company were to use financial derivative instruments.

Current environmental liabilities, as well as the cost of compliance with and liabilities under health and safety laws, could increase the operating costs of the combined company, negatively impacting its financial condition and results of operations.

The companies' operations are subject to numerous and increasingly stringent federal, state, local and foreign environmental laws and regulations, which govern, among other things, air emissions, wastewater discharges, the handling, storage and disposal of hazardous substances and wastes, the remediation of contaminated sites, and employee health and safety. Future environmental regulations can be expected to impose stricter compliance requirements on the industries in which the combined company will operate. Additional equipment or process changes at some of IMCO's and Commonwealth's facilities may be required to meet future requirements.

Processing and manufacturing activities at current and formerly-owned properties and adjacent areas have resulted in environmental impacts requiring remediation. We are subject to indemnification obligations to third parties for certain of these properties. Financial responsibility for the remediation of contaminated property or for the amelioration of damage to natural resources can be imposed on the combined company where current or prior operations have had an environmental impact. Such liability can include the cost of investigating and cleaning up these materials, fines and penalties sought by environmental authorities, and damages arising out of personal injury, contaminated property, and other toxic tort claims, as well as lost or impaired natural resources. Certain environmental laws impose joint and several liability for some of these damages, meaning that a person can be held liable for all damages even though others were also involved in causing them. Certain environmental laws also impose liability for some of these damages regardless of whether the person causing the damages did so through any unlawful conduct or other fault. As of December 31, 2003, Commonwealth had accrued an aggregate loss contingency of \$6.7 million for environmental matters; however, future remedial requirements at current and formerly owned properties or adjacent areas could result in liabilities in excess of this amount.

A number of IMCO's long-term supply agreements with its customers contain provisions obligating IMCO to indemnify the customer for certain environmental liabilities.

Initially, the majority of the combined company's environmental compliance expenditures will be directed toward controlling air emissions from all of its operations, ongoing operation and maintenance of eight federal superfund sites and managing and disposing of salt cake from aluminum

recycling. Changes in environmental

Table of Contents

requirements could materially increase the combined company's costs. If salt cake (a by-product from some of IMCO's recycling operations) were to become classified as a hazardous waste in the United States, the costs to manage and dispose of it would increase.

The combined company's business requires substantial capital investments and contractual commitments that the combined company may be unable to fulfill.

The combined company's operations will be capital intensive. On a combined basis, the company's total capital expenditures were approximately \$36.9 million for 2003 and \$16.8 million for the six months ended June 30, 2004. The combined company expects to spend a total of approximately \$43.3 million in capital expenditures during 2004. As of June 30, 2004 on a combined basis, in addition to debt obligations, the companies had contractual obligations of approximately \$392.0 million payable over time.

The combined company's businesses may not generate sufficient operating cash flow and its external financing sources may not be available in an amount sufficient to enable it to make anticipated capital expenditures, service or refinance its indebtedness or fund other liquidity needs. If the combined company is unable to make upgrades or purchase new plant and equipment, its financial condition and results of operations could be affected by higher maintenance costs, lower sales volumes due to the impact of reduced product quality, and other competitive influences.

The combined company could experience labor disputes that could disrupt the companies' business.

Approximately 13% of IMCO's domestic employees and 53% of IMCO's foreign employees are represented by unions or equivalent bodies and are covered by collective bargaining or similar agreements which are subject to periodic renegotiation. Approximately 75% of Commonwealth's hourly-paid employees are represented by labor unions under collective bargaining agreements.

Although the companies believe that they will successfully negotiate new collective bargaining agreements when the current agreements expire, these negotiations:

may not prove successful;

may result in a significant increase in the cost of labor; or

may break down and result in the disruption of our operations.

Labor negotiations may not conclude successfully and, in that case, work stoppages or labor disturbances may occur. Any such stoppages or disturbances may have a negative impact on the combined company's financial condition and results of operations by limiting plant production, sales volumes and profitability.

Edgar Filing: IMCO RECYCLING INC - Form S-4/A

The loss of certain members of the management of IMCO and Commonwealth as a combined company may reduce the combined company's industry experience and could cause our operating results to be lower than expected, or may make financing the ongoing operations more difficult.

The combined company's success depends, in part, on the efforts of its senior management and other key employees. These individuals possess sales, marketing, engineering, manufacturing, financial and administrative skills that are critical to the operation of our business. If we lose or suffer an extended interruption in the services of one or more of our senior officers, our financial condition and results of operations may be negatively affected. Moreover, the market for qualified individuals may be highly competitive and we may not be able to attract and retain qualified personnel to replace or succeed members of our senior management or other key employees, should the need arise.

Risks of Increasing the Authorized Number of Shares of Common Stock of IMCO

The authorization of additional IMCO shares through the proposed amendment of IMCO's certificate of incorporation may discourage certain business combinations or have a dilutive effect.

The availability for issuance of additional shares of IMCO common stock or rights to purchase such shares could enable the board of directors of the combined company to render more difficult or discourage an attempt to obtain control of the combined company. For example, the issuance of IMCO shares in a public or private sale, merger or similar transaction would increase the number of outstanding shares, thereby possibly diluting the interest of a party attempting to obtain control of the combined company. In addition, all or any of the IMCO shares may be issued without further action by the stockholders and without first offering such shares to the stockholders for subscription, subject to applicable laws and listing requirements that may require stockholder

approval for certain issuances of additional shares. The issuance of IMCO shares other than on a pro rata basis to all current stockholders could have the effect of diluting the following:

earnings per share;

book value per share; and

voting power of current stockholders.

IMCO has sufficient authorized and unissued shares of common stock to complete the merger. IMCO presently has no plans or understandings with regard to issuances of additional shares of its common stock, other than in connection with the merger and under its and the combined company's equity compensation plans.

The approval of the amendment to IMCO's certificate of incorporation to increase its authorized number of shares of common stock requires the affirmative vote of the holders of a majority of the outstanding shares of IMCO common stock entitled to vote at the IMCO special meeting. The proposals to approve each of (1) the IMCO Recycling Inc. 2004 Equity Incentive Plan and (2) the Amended and Restated IMCO Recycling Inc. Annual Incentive Compensation Plan require the affirmative vote of the holders of a majority of the total votes cast on such proposal in person or by proxy at the IMCO special meeting, so long as the total vote cast on the proposal exceeds 50% of the shares of IMCO common stock outstanding. Approval of any proposal to adjourn or postpone the meeting to permit further solicitation of proxies requires the affirmative vote of the total votes cast on that proposal in person or by proxy at the IMCO special meeting.

Adoption of the merger agreement requires the affirmative vote of the holders of a majority of the outstanding shares of Commonwealth common stock entitled to vote at the special meeting.

Abstentions and broker non-votes will have the same effect as votes against the proposal to adopt the merger agreement.

A former chief executive officer of IMCO, Don V. Ingram, has agreed pursuant to the Agreement and General Release dated April 20, 2004 between Mr. Ingram and IMCO to vote the IMCO shares held by him and has agreed to vote that stock in the same proportion as other stockholders of IMCO.

The approval of the amendment to the certificate of incorporation to increase the number of authorized shares, and the approval of the IMCO Recycling Inc. 2004 Equity Incentive Plan and the Amended and Restated IMCO Recycling Inc. Annual Incentive Compensation Plan are not conditions to the consummation of the merger, and a failure to approve any of those proposals will not affect the completion of the merger.

Broker non-votes will have no effect on the outcome of the proposal to issue IMCO shares in the merger or approval of the IMCO Recycling Inc. 2004 Equity Incentive Plan and the Amended and Restated IMCO Recycling Inc. Annual Incentive Compensation Plan so long as the total votes cast on those proposals exceed 50% of the IMCO shares outstanding. Abstentions on these proposals will be counted towards the total votes cast at the special meeting, and will therefore have the effect of negative votes. Abstentions and broker non-votes will have the same effect as votes against the proposal to amend IMCO's certificate of incorporation to increase the authorized shares of common stock.

VOTING BY PROXY

Voting Your Proxy. You may vote in person at your special meeting or by proxy. We recommend you vote by proxy even if you plan to attend your special meeting. You can always revoke your proxy and vote at your special meeting.

You may vote by telephone, Internet or by completing and mailing the enclosed proxy. If you properly submit your proxy, in time to vote, one of the individuals named as your proxy will vote your shares of common stock as you have directed. You may vote for or against the proposals submitted at your special meeting or you may abstain from voting.

How to Vote*

IMCO Special Meeting

Submit your proxy promptly by telephone or over the Internet in accordance with instructions on the accompanying proxy card or complete, sign, date and return your proxy card in the enclosed prepaid envelope.

Commonwealth Special Meeting

Submit your proxy promptly by telephone or over the Internet in accordance with instructions on the accompanying proxy card or complete, sign, date and return your proxy card in the enclosed prepaid envelope.

* If you hold shares of IMCO or Commonwealth common stock through a broker or other custodian, please follow the voting instructions provided by that firm. If you do not return your proxy card, or if your shares are held in a stock brokerage account or held by a bank, broker or nominee, or, in other words, in street name and you do not instruct your bank, broker or nominee on how to vote those shares, those shares will not be voted at your special meeting.

A number of banks and brokerage firms participate in a program that also permits stockholders whose shares are held in street name to direct their vote by the Internet or telephone. This option, if available, will be reflected in the voting instructions from the bank or brokerage firm that accompany this joint proxy statement/prospectus. If your shares are held in an account at a bank or brokerage firm that participates in such a program, you may direct the vote of these shares by the Internet or telephone by following the voting instructions enclosed with the proxy from the bank or brokerage firm. Delaware law generally permits electronic transmission of proxies. The Internet and telephone proxy procedures are designed to authenticate stockholders' identities, to allow stockholders to give their proxy voting instructions and to confirm that those instructions have been properly recorded. Votes directed by the Internet or telephone through such a program must be received by 5:00 p.m., E.T., on _____, 2004 unless the special meeting for which they are being given is postponed or adjourned, in which case it will be 5:00 p.m., E.T. on the date before that special meeting. Requesting a proxy prior to the deadline described above will automatically cancel any voting directions you have previously given by the Internet or by telephone with respect to your shares. Directing the voting of your shares will not affect your right to vote in person if you decide to attend the meeting; however, you must first obtain a signed and properly executed proxy from your bank, broker or nominee to vote your shares held in street name at the special meeting.

If you submit your proxy but do not make specific choices, your proxy will be voted FOR each of the proposals presented.

The IMCO Board of Directors unanimously recommends that IMCO shareholders vote for:

the issuance of shares of IMCO common stock pursuant to and in accordance with the merger agreement;

the increase in the number of authorized shares of IMCO s common stock from 40 million to 80 million and the number of authorized shares of IMCO capital stock from 48 million to 88 million;

the approval of the IMCO Recycling Inc. 2004 Equity Incentive Plan;

the approval of the Amended and Restated IMCO Recycling Inc. Annual Incentive Compensation Plan.

Table of Contents

The Commonwealth Board of Directors unanimously recommends that Commonwealth stockholders vote for adoption of the merger agreement.

Approval by IMCO stockholders of the stock issuance pursuant to and in accordance with the merger agreement and adoption by Commonwealth stockholders of the merger agreement are conditions to consummation of the merger. The approval of the IMCO Recycling Inc. 2004 Equity Incentive Plan and the Amended and Restated IMCO Recycling Inc. Annual Incentive Compensation Plan and the proposal to increase the number of authorized shares of IMCO common stock are not conditions to the consummation of the merger agreement, and a failure to approve any of those proposals will not affect the merger.

Revoking Your Proxy. You may revoke your proxy before it is voted by:

submitting a new proxy card with a later date;

submitting a proxy at a later date by telephone or Internet;

notifying your company's Secretary in writing before your special meeting that you have revoked your proxy; or

voting in person at your special meeting.

Other Voting Matters

Voting in Person. If you plan to attend your special meeting and wish to vote in person, we will give you a ballot at your special meeting. However, if your shares of common stock are held in street name, you must first obtain a proxy authorizing you to vote the shares in person.

Proxy Solicitations. IMCO and Commonwealth each will pay its own costs of soliciting proxies.

In addition to this mailing, IMCO and Commonwealth directors, officers and employees (who will not receive any additional compensation for such services) may solicit proxies personally, electronically or by telephone. IMCO and Commonwealth have also separately engaged Georgeson Shareholder Communications Inc. to assist in the solicitation of proxies. IMCO and Commonwealth will pay this firm \$8,500 and \$8,000, respectively, plus certain other customary fees and expenses. Each of IMCO and Commonwealth will also reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable expenses for sending proxy materials to the beneficial owners of IMCO's common stock and Commonwealth's common stock, respectively.

The extent to which these proxy-soliciting efforts will be necessary depends upon how promptly proxies are submitted. You should submit your proxy without delay by telephone, the Internet or mail.

Edgar Filing: IMCO RECYCLING INC - Form S-4/A

Stockholders authorizing proxies or directing the voting of shares by the Internet or telephone should understand that there may be costs associated with electronic access, such as usage charges from Internet access providers and telephone companies, and those costs must be borne by the stockholder.

Do not send in any Commonwealth stock certificates with your proxy cards.

Other Business, Adjournment and Postponements

We are not aware of any other business to be acted upon at either special meeting. If, however, other matters are properly brought before either special meeting, your proxies will have discretion to vote or act on those matters according to their best judgment. Any vote on a proposal to consider and approve an adjournment or

postponement of the special meeting to permit further solicitation of proxies if, at the time of the special meeting, sufficient votes do not exist, is a matter that will be subject to a separate vote.

Other than as set forth in this joint proxy statement/prospectus, any adjournment may be made from time to time by approval of the holders of common stock representing a majority of the votes present in person or by proxy at the special meeting, whether or not a quorum exists, without further notice other than by an announcement made at the special meeting. If a quorum is not present at either the IMCO or Commonwealth special meeting, holders of common stock of the relevant company may be asked to vote on a proposal to adjourn the relevant special meeting to solicit additional proxies. If a quorum is not present at the IMCO special meeting, the holders of a majority of the shares entitled to vote who are present in person or by proxy at the meeting may adjourn the meeting. If a quorum is not present at the Commonwealth special meeting, the holders of a majority of the shares entitled to vote who are present in person or by proxy may adjourn the meeting. If a quorum is present at either of the special meetings but there are not sufficient votes at the time of the special meeting to approve the other proposal(s), holders of the common stock of the relevant company may also be asked to vote on a proposal to approve the adjournment of the special meeting to permit further solicitation of proxies. IMCO will vote all proxies not voted against the share issuance in favor of a proposal to adjourn the IMCO special meeting. Commonwealth will vote all proxies not voted against the adoption of the merger agreement in favor of a proposal to adjourn the Commonwealth special meeting.

THE MERGER

Background of the Merger

IMCO and Commonwealth each have evaluated strategic opportunities from time to time as a part of their ongoing operations, including strategic combinations.

Commonwealth has a long-standing relationship with IMCO, having been a customer of IMCO since March 1992. Pursuant to the supply agreement between Commonwealth and IMCO, Commonwealth purchases aluminum and delivers it to IMCO's Uhrichsville, Ohio facility where it is processed and converted to molten recycled metal, with Commonwealth being responsible for treatment and disposal of the waste generated as a result of IMCO's processing services on behalf of Commonwealth. The supply agreement is due to expire March 31, 2009. Commonwealth has an option to purchase IMCO's Uhrichsville processing facility at the end of the term of the supply agreement, and Commonwealth has the right of first refusal if IMCO desires to sell the facility before the supply agreement expires. If IMCO experiences a change of control (as defined in the supply agreement), Commonwealth's option to purchase IMCO's Uhrichsville facility becomes immediately exercisable. If Commonwealth experiences a change of control (as defined in the supply agreement), both the option to purchase and the right of first refusal automatically terminate.

In early 1999 senior executives at Commonwealth and IMCO discussed the possibility of a strategic combination and determined to enter into confidentiality agreements to ensure the confidentiality of the discussion. Following this initial contact, intermittent discussions continued until early 2002. The discussions, however, never moved beyond a high-level discussion of possible transaction structures and did not include any specific proposals.

Later in 2002, after the earlier discussions had ceased, Don V. Ingram, IMCO's president and chief executive officer at the time, contacted Paul E. Lego, Commonwealth's chairman of the board of directors, for the purpose of restarting discussions about a possible merger of the two companies. Messrs. Ingram and Lego met in July 2002 to organize their respective management teams to assess the possibility of a strategic combination between IMCO and Commonwealth. IMCO set up a group headed by Paul V. Dufour, chief financial officer of IMCO, and Commonwealth set up a group headed by Donald L. Marsh, chief financial officer of Commonwealth at the time, to begin discussions among operational personnel regarding possible synergies that could be realized in a strategic combination of the two companies. IMCO and Commonwealth entered into new confidentiality agreements on September 12, 2002, and established functional teams from each company to identify areas of potential cost improvements and to consider business synergies that could result from combining the two companies. The functional teams met frequently over the next several months to continue refining the potential benefits of the merger. During early 2003, due diligence request lists were first exchanged and certain financial due diligence was conducted. IMCO engaged its financial advisor in early March. The companies, with their financial advisors, discussed financial projections.

Throughout this period, Messrs. Lego and Ingram met and monitored the work being done by the functional teams and discussed merger issues including management, the form of the transaction and financing alternatives.

During the summer, it became apparent that the transaction would not be completed prior to the maturity of IMCO's credit facilities in the fourth quarter of 2003 and IMCO determined to terminate the discussions to focus on the refinancing of its debt.

IMCO completed a refinancing of its debt in early October.

Table of Contents

Commonwealth reinitiated discussions with IMCO in November 2003. In December 2003, the boards of directors of each company set up a committee to engage in detailed discussions regarding a possible merger. The board committees held their first meeting on December 19, 2003 to discuss a proposed process and potential issues. During the week of December 22, 2003, a team of legal, financial, operational and other representatives of IMCO began their due diligence investigation of Commonwealth. Concurrently with this due diligence investigation, a team of Commonwealth representatives conducted a due diligence investigation of IMCO.

While the board committees continued to meet every few weeks during January and February 2004, the management teams and their legal, financial and accounting advisers continued their due diligence reviews. These reviews continued from time to time until the merger agreement was signed. One of the key issues under discussion for a significant part of the period was the management of the combined company, with Commonwealth and IMCO agreeing that neither Mr. Ingram nor Mark V. Kaminski, then Commonwealth's president and chief executive officer, should be the chief executive officer of the combined company on a long-term basis.

In April 2004, Mr. Ingram ceased to be the president, chief executive officer and chairman of the board of IMCO. Richard L. Kerr was appointed as interim president and chief executive officer and John Balkcom was appointed as chairman of the board of IMCO. Discussions continued after Mr. Kerr became interim president and chief executive officer of IMCO. Given the companies' views on Mr. Ingram and Mr. Kaminski as continuing in senior executive capacities for the combined company, the departure of Mr. Ingram did not inhibit negotiations.

The Commonwealth board of directors held its regular meeting on April 22 and special meetings on May 3 and May 11, and discussed social and governance issues, including board membership and executive leadership of the combined company, and the proposed capital structure of the combined company. In addition, at these meetings, the potential disposition of the Alflex subsidiary was discussed, along with other potential transactions which were not beyond preliminary stages. These transactions included the potential acquisition of strategic assets unrelated to the proposed merger, along with a proposed purchase by a financial institution of a significant amount of newly issued equity of Commonwealth to finance the potential acquisition of strategic assets or the purchase of these strategic assets and a potential strategic combination involving Commonwealth.

During the final weeks of negotiations, the parties also discussed the exchange ratio, process and timing of due diligence review, securing fairness opinions, which company would be the surviving entity, the composition of the board and its committees and the composition of executive management and related compensation matters.

On May 12, 2004, the board of directors of IMCO held a meeting with its legal and financial advisors to discuss the proposed merger with Commonwealth. Representatives from Fulbright & Jaworski L.L.P., legal advisers to IMCO, discussed a proposed merger agreement and the legal duties and responsibilities of IMCO's board in connection with the proposed merger. Citigroup then had preliminary discussions with the IMCO board on the financial aspects of the merger.

On May 19, 2004, representatives of the board committees of IMCO and Commonwealth met with representatives of Morgan Stanley and Citigroup to discuss terms of the merger, including proposals for exchange ratios and management of the business of IMCO and Commonwealth as a combined company.

On May 21, 2004, the board of directors of Commonwealth held a meeting with management and its legal and financial advisors to discuss the proposed merger. Representatives of Morgan Stanley, Commonwealth's financial advisor, reviewed its preliminary valuation methodology, including potential exchange ratios, for the proposed merger.

At a board meeting on May 27, 2004, Citigroup presented information regarding financing alternatives to the IMCO board. In addition, representatives from Fulbright & Jaworski L.L.P. presented an update on the status of negotiations on the merger agreement.

Table of Contents

On May 28, 2004, after the boards of directors of Commonwealth and IMCO authorized further negotiations between the companies, representatives of Commonwealth and IMCO discussed the terms of a proposed merger agreement previously provided by IMCO. On June 2, 2004, Commonwealth provided IMCO with its comments to the draft merger agreement previously provided by IMCO. On June 4, 2004, representatives of Commonwealth and IMCO met to discuss the terms of the merger agreement. These negotiations continued through the execution of the merger agreement while the board committees continued discussions regarding the selection of the chief executive officer for the combined company, valuation (exchange ratio methodology), due diligence items and capital and debt structure.

During the course of negotiations, Commonwealth and IMCO engaged in detailed discussions regarding management of the combined company. When it became known that Steven Demetriou would be available to become the chief executive of the combined company, each of the board committees of Commonwealth and IMCO expressed interest in hiring Mr. Demetriou as its chief executive officer. Commonwealth indicated that it would be willing to retain Mr. Demetriou as its chief executive officer whether or not there was to be a transaction with IMCO. Ultimately, Mr. Demetriou (who has been a director of Commonwealth since 2002) became president and chief executive officer of Commonwealth with the understanding that if a transaction between Commonwealth and IMCO were to occur he would be the chairman of the board and chief executive officer of the combined company. On June 10, 2004 the board of directors of IMCO held a meeting with representatives of Citigroup and Fulbright & Jaworski L.L.P. to review the merger agreement, IMCO's due diligence investigation of Commonwealth and to discuss financial issues relating to the merger. On June 11, 2004, Commonwealth announced that Mr. Demetriou had been appointed as the new president and chief executive officer of Commonwealth, replacing Mr. Kaminski. Because of Mr. Demetriou's involvement with the negotiations as a member of Commonwealth's merger board committee, the negotiation process was able to continue without any significant delay to update Mr. Demetriou and determine whether he would be in favor of proceeding with the merger.

On June 14, 2004, the board of directors of IMCO held a meeting to discuss the merger agreement in detail with representatives from Fulbright & Jaworski L.L.P.

The board of directors of Commonwealth also met on June 14, 2004. At this meeting, Sullivan & Cromwell LLP, legal advisors to Commonwealth, discussed with the Commonwealth board its duties and responsibilities in connection with the consideration of the proposed merger and discussed with the Commonwealth board the terms of the proposed merger agreement. In addition, Morgan Stanley reviewed with the Commonwealth board financial issues related to the merger. At this meeting, representatives from a commercial financial institution discussed a proposed financing structure to be made available to the combined company to refinance certain existing debt. Subsequently, on June 16, 2004, the same commercial financial institution provided draft letters and terms sheets outlining the proposed financing structure. Following the June 14, 2004 meeting and through the next two days, Mr. Balkcom and Don Navarro, two of IMCO's directors on the IMCO board committee, held negotiations with Mr. Demetriou and members of the Commonwealth board committee, along with representatives from Morgan Stanley and Citigroup, to negotiate further on the merger agreement and come to final determinations on the post-closing composition of the board and management of the combined company.

On June 16, 2004, the boards of directors of both IMCO and Commonwealth met separately to review with their respective management and legal and financial advisors the status of the negotiations and the proposed terms and conditions of the merger. During the IMCO board meeting, representatives from Fulbright & Jaworski L.L.P. updated the board on changes to the material terms and conditions of the merger agreement previously discussed and reviewed again the legal duties and responsibilities of IMCO's board in connection with the proposed merger. Citigroup reviewed its financial analysis of the exchange ratio and rendered to IMCO's board an oral opinion, which opinion was confirmed by delivery of a written opinion dated June 16, 2004, to the effect that, as of that date and based on and subject to the matters described in its opinion, the exchange ratio was fair, from a financial point of view, to IMCO. Following discussion, IMCO's board unanimously approved the merger agreement, determined that the merger was advisable and in the best interests of IMCO and the holders of IMCO common stock and determined to submit the proposal to issue IMCO shares under the merger agreement to the holders of IMCO common stock for their approval.

During the Commonwealth board meeting, representatives from Sullivan & Cromwell LLP updated the board on revisions to the terms of the merger agreement previously discussed. Morgan Stanley reviewed its financial analyses and rendered to Commonwealth's board an oral opinion, which opinion was confirmed by delivery of a written opinion dated June 16, 2004, to the effect that, as of that date and based on and subject to the matters described in its opinion, the merger consideration pursuant to the merger agreement was fair, from a financial point of view, to the holders of Commonwealth common stock. Following discussion, Commonwealth's board unanimously determined that the merger was advisable, approved the merger agreement, determined that the terms of the merger agreement and the transactions contemplated by the merger agreement were advisable and fair to and in the best interests of Commonwealth and the holders of Commonwealth common stock, determined to recommend the merger agreement to the holders of Commonwealth common stock for adoption, and recommended that the holders of Commonwealth common stock adopt the merger agreement.

Prior to taking action on the merger agreement, the Commonwealth and IMCO boards, during their respective meetings, requested that their management discuss with potential financing sources the feasibility of obtaining commitment letters with respect to refinancing the companies indebtedness. Each company's management reviewed the financial proposals and the conditions set forth in the proposed term sheet and advised their respective boards as to the feasibility of obtaining commitment letters with respect to refinancing the companies' indebtedness. Each board took action to approve the merger after being advised by its management that an acceptable commitment letter for financing could not be obtained in a reasonable timeframe, and that in the judgment of each company's management, the execution of the merger agreement should take place prior to obtaining any such commitment.

Following the IMCO and Commonwealth board meetings, IMCO and Commonwealth executed the merger agreement and on June 17, 2004 issued a joint press release announcing the execution of the merger agreement.

IMCO's Reasons for the Merger

The IMCO board believes that the terms of the merger are fair to and in the best interests of IMCO and its stockholders, has unanimously approved the merger agreement and the proposed merger and unanimously recommends that IMCO stockholders vote **FOR** the approval of the issuance of shares of IMCO common stock pursuant to the merger agreement.

In reaching its conclusion, the IMCO board considered, among other factors:

Anticipated synergies, cost savings and other benefits, with IMCO expecting that annual cost synergies of \$25 million could be achieved beginning 18 to 24 months from the completion of the merger. The sources of these synergies are anticipated to be:

Lower cost structure. The combined company is expected to benefit from economies of scale in its operations, which would reduce administrative costs and provide more favorable pricing and terms from its vendors as well as other advantages over time. These factors are expected to make up approximately 80% of these annual synergies;

Benefits from vertical integration. Consolidating the operations of Commonwealth, one of the largest aluminum scrap consumers in the U.S. and one of IMCO's largest customers, with the operations of IMCO, one of the largest U.S. aluminum scrap processors, provide opportunities to reduce costs through shared services and technologies and coordinate operations between facilities located near each other. These factors are expected to contribute approximately 20% of these annual synergies.

The relatively small size of IMCO's core business industry, limiting to a degree the opportunities for future growth and expansion by itself;

Table of Contents

Greater raw materials sourcing and procurement capabilities than IMCO would possess by itself;

The increased scope and scale of the combined company, with expanded market reach and anticipated higher revenues and cash flows, which should improve its competitive position and better position the combined company for access to U.S. and foreign capital markets;

Improved position for future acquisition and growth opportunities by its increased size and resources, including enhanced abilities to expand internationally and capitalize on other vertical and horizontal opportunities;

IMCO's demonstrated successful long-term business relationship with Commonwealth through the long-term supply agreement for their Uhrichsville, Ohio facilities;

Greater market capitalization and increased liquidity, leading to anticipated higher volumes of market trading of IMCO stock and greater stability in its stock prices;

More diversified end markets than either company alone, reducing end-market concentration.

The business prospects for each company in an industrial economic recovery in the U.S. and abroad;

The structure of the transaction and terms of the merger agreement. See "The Merger Agreement" beginning on page 72 of this joint proxy statement/prospectus;

The results and scope of the due diligence review of Commonwealth's businesses and operations conducted by IMCO;

The presentation and opinion of Citigroup Global Markets described below, including Citigroup's conclusion that the merger consideration was fair, from a financial point of view, to IMCO as of the date of its opinion. The Citigroup opinion is based upon and subject to the factors and assumptions, qualifications and limitations set forth therein; and

The compatibility of the corporate cultures of both companies, the willingness of Steven Demetriou and his leadership team to serve as executive officers for IMCO and Commonwealth as a combined company and the willingness of four Commonwealth directors to join the board of IMCO and Commonwealth as a combined company following the closing.

In determining that the merger was fair to, and in the best interests of, IMCO, the IMCO board considered the factors above as a whole and did not assign specific or relative weights to those factors. The IMCO board believes that the merger is an opportunity for IMCO stockholders to participate in a combined enterprise that has significantly greater business and financial resources and opportunities than IMCO would have absent the merger.

In their consideration, IMCO's board of directors, when weighing the advantages and opportunities listed above, took a number of other factors into account that weighed against the merger, including the following:

Edgar Filing: IMCO RECYCLING INC - Form S-4/A

The risks that the costs incurred in connection with the transition of new management and the integration of the two companies operations and personnel would be higher than expected;

The problems of integrating a new management team with both companies personnel, and the possibility that management s attention would be diverted during the transition period;

The risks of not capturing the anticipated synergies and not achieving the other anticipated benefits of the merger;

Potential challenges involved in financing the transaction. The merger agreement provides that completion of the merger is conditioned on refinancing of certain indebtedness of the two companies, for which neither company had obtained financing commitments at the time the merger agreement was entered into;

Certain provisions of the merger agreement, including:

Provisions requiring IMCO to submit the merger agreement to the IMCO stockholders and to not terminate the merger agreement in the event that IMCO receives a proposal to combine with another company that is superior to the terms of the proposed merger with Commonwealth; and

Provisions that require IMCO to pay a termination fee to Commonwealth if the merger agreement is terminated under certain circumstances.

IMCO's Board of Directors Recommends that IMCO Stockholders Vote in Favor of the Stock Issuance

After consideration of the factors discussed above, and without assigning specific weight to any specific factor, the IMCO's board of directors voting on the merger unanimously determined that the terms of the merger are in the best interest of IMCO.

The IMCO board of directors unanimously recommends that IMCO stockholders vote at the IMCO special meeting to approve the issuance of IMCO common stock pursuant to and in accordance with the merger agreement.

Fairness Opinion of Citigroup Global Markets Inc., Financial Advisor to IMCO

Citigroup was retained to act as financial advisor to IMCO in connection with the merger. Pursuant to IMCO's engagement letter agreement with Citigroup, dated March 7, 2003, Citigroup rendered an oral opinion to the IMCO board of directors on June 16, 2004, which opinion was subsequently confirmed in writing, to the effect that, as of the date of the opinion, and based upon and subject to the considerations and limitations set forth in the opinion, Citigroup's work described below and other factors Citigroup deemed relevant, the exchange ratio was fair, from a financial point of view, to IMCO.

The full text of Citigroup's opinion, which sets forth the assumptions made, general procedures followed, matters considered and limits on the review undertaken, is included as Annex B to this document and has been included in this joint proxy statement/prospectus with the consent of Citigroup. The summary of Citigroup's opinion set forth below is qualified in its entirety by reference to the full text of the opinion. Holders of IMCO common stock are urged to read the Citigroup opinion carefully and in its entirety. The following summary, which is qualified in its entirety by reference to the full text of Citigroup's opinion, discusses the material terms of the opinion.

The Citigroup opinion was limited solely to the fairness of the exchange ratio from a financial point of view as of the date of the opinion. Neither the Citigroup opinion nor the related analyses constituted a recommendation of the proposed merger to the IMCO board of directors. Citigroup makes no recommendation to any stockholder regarding how such stockholder should vote with respect to the merger.

In arriving at its opinion, Citigroup reviewed the merger agreement, and held discussions with senior officers, directors and other representatives and advisors of IMCO and senior officers, directors and other representatives of Commonwealth concerning the business, operations and prospects of IMCO and Commonwealth. Citigroup examined publicly available business and financial information relating to IMCO and

Edgar Filing: IMCO RECYCLING INC - Form S-4/A

Commonwealth, as well as financial forecasts and other information and data relating to IMCO and Commonwealth which were provided to or otherwise reviewed by or discussed with Citigroup by the respective managements of IMCO and Commonwealth, including information relating to the potential strategic implications and operational benefits anticipated by the managements of IMCO and Commonwealth to result from the merger. Citigroup reviewed the financial terms of the merger as set forth in the merger agreement in relation to, among other things:

current and historical market prices and trading volumes of IMCO common stock and Commonwealth common stock;

the historical and projected earnings and other operating data of IMCO and Commonwealth; and

the capitalization and financial condition of IMCO and Commonwealth.

Table of Contents

Citigroup analyzed certain financial, stock market and other publicly available information relating to the businesses of other companies whose operations Citigroup considered relevant in evaluating those of IMCO and Commonwealth. Citigroup also evaluated the *pro forma* financial effects of the merger. In addition to the foregoing, Citigroup conducted such other analyses and examinations and considered such other information and financial, economic and market criteria as Citigroup deemed appropriate in arriving at its opinion.

In rendering its opinion, Citigroup assumed and relied, without independent verification, upon the accuracy and completeness of all financial and other information and data publicly available or provided to or otherwise reviewed by or discussed with it. With respect to financial forecasts and other information and data relating to IMCO and Commonwealth provided to or otherwise reviewed by or discussed with it, Citigroup was advised by the respective managements of IMCO and Commonwealth that such forecasts and other information and data were reasonably prepared on bases reflecting the best currently available estimates and judgments of the managements of IMCO and Commonwealth as to the future financial performance of IMCO and Commonwealth, the potential strategic implications and operational benefits (including the amount, timing and achievability thereof) anticipated to result from the merger and the other matters covered thereby. Citigroup assumed, with the consent of the IMCO board of directors, that the merger will be consummated in accordance with the terms of the merger agreement, without waiver, modification or amendment of any material term, condition or agreement and that, in the course of obtaining the necessary regulatory or third party approvals, consents and releases for the merger, no delay, limitation, restriction or condition will be imposed that would have an adverse effect on IMCO or Commonwealth or the contemplated benefits of the merger. Citigroup also assumed, with the consent of the IMCO board of directors, that the merger will be treated as a tax-free reorganization for federal income tax purposes.

Citigroup noted that its opinion relates only to the relative values of IMCO and Commonwealth. Citigroup did not express any opinion as to what the value of the IMCO common stock actually will be when issued pursuant to the merger or the price at which the IMCO common stock will trade at any time. Citigroup did not make and was not provided with an independent evaluation or appraisal of the assets or liabilities (contingent or otherwise) of IMCO or Commonwealth, nor did Citigroup make any physical inspection of the properties or assets of IMCO or Commonwealth.

In connection with rendering its opinion, Citigroup was not requested to, and did not, solicit third party indications of interest in the possible acquisition of all or a part of IMCO, nor was it requested to consider, and its opinion did not address, the relative merits of the merger as compared to any alternative business strategies or transactions that might exist for IMCO or the effect of any other transaction in which IMCO might engage. Citigroup's opinion was necessarily based upon information available to it, and financial, stock market and other conditions and circumstances existing, as of the date of its opinion.

In connection with rendering its opinion, Citigroup made a presentation to the IMCO board of directors on June 16, 2004 with respect to the material analyses performed by Citigroup in evaluating the fairness of the exchange ratio to IMCO as of that date. The following is a summary of that presentation. The summary includes information presented in tabular format. **To understand fully the financial analyses used by Citigroup, these tables must be read together with the text of each summary. The tables alone do not constitute a complete description of the financial analyses.** The following quantitative information, to the extent it is based on market data, is, except as otherwise indicated, based on market data as it existed at or prior to June 9, 2004, and is not necessarily indicative of current or future market conditions.

Table of Contents*Implied Historical Exchange Ratio Analysis*

Citigroup derived implied historical exchange ratios by dividing the closing price per share of Commonwealth common stock by the closing price per share of IMCO common stock for each trading day in the period from June 10, 2002 through June 9, 2004. Citigroup calculated that the implied exchange ratio as of June 9, 2003 was 0.68x. Citigroup also calculated the high, low and average implied exchange ratios for each of the following calendar periods ended June 9, 2004:

	<u>High</u>	<u>Low</u>	<u>Average</u>
Last Three Months	0.96	0.65	0.78
Last Six Months	1.07	0.61	0.82
Last Nine Months	1.07	0.56	0.81
Last Twelve Months	1.07	0.55	0.78
Last Two Years	1.19	0.55	0.79

Citigroup compared the high, low and average historical exchange ratios for each of the calendar periods listed above to the exchange ratio in the merger. Citigroup noted that the exchange ratio in the merger is within the range of the implied historical exchange ratios for each of the calendar periods listed above and is comparable to the average implied historical exchange ratio for each of the calendar periods listed above.

Comparable Companies Analysis

Citigroup compared certain financial, operating and stock market data and forecasted financial information for selected publicly traded companies that Citigroup deemed appropriate to similar information for IMCO and Commonwealth. For purposes of its analysis, Citigroup selected two integrated aluminum companies and three aluminum processors. The comparable companies considered by Citigroup were:

Alcoa Inc.

Alcan Inc.

Mueller Industries, Inc.

Quanex Corporation

Wolverine Tube, Inc.

In the course of this analysis, the forecasted financial information used by Citigroup for IMCO was based on information provided by IMCO management. The forecasted financial information used by Citigroup for Commonwealth was based on information provided by Commonwealth management, adjusted to (i) remove certain prospective equity investments by Commonwealth, (ii) reflect certain pension and other employee benefit related expenses, and (iii) reflect an effective tax rate of 38%. The forecasted financial information with respect to Commonwealth used by Citigroup in all of its analyses reflects the *pro forma* effect of Commonwealth's sale of Alflex. The forecasted financial information used by

Edgar Filing: IMCO RECYCLING INC - Form S-4/A

Citigroup for the selected comparable companies was based on information published by I/B/E/S which compiles summaries of financial forecasts published by various investment banking firms.

For each of IMCO, Commonwealth and the selected comparable companies, Citigroup derived and compared, among other things:

the ratio of the company's firm value as of June 14, 2004 to its earnings before interest expense, taxes, depreciation and amortization (EBITDA) for the last twelve-month period (LTM) for which results were available; and

the ratio of the company's firm value as of June 14, 2004 to its estimated EBITDA for calendar year 2004.

Table of Contents

Firm value was calculated as the sum of the value of:

all shares of common stock, assuming the exercise of all in-the-money options, warrants and convertible securities, less the proceeds from such exercise; plus

non-convertible indebtedness; plus

non-convertible preferred stock; plus

minority interests; plus

out-of-the-money convertible securities; minus

investments in unconsolidated affiliates and cash.

The following table sets forth the results of this analysis.

	<u>High</u>	<u>Low</u>	<u>Mean</u>
Ratio of Firm Value to LTM EBITDA	13.0x	8.3x	10.4x
Ratio of Firm Value to 2004 Forecasted EBITDA	8.0x	5.9x	7.2x

Based on this analysis, Citigroup derived a reference range for the implied equity value of a share of IMCO common stock of \$10.50 to \$14.50 and a reference range for the implied equity value of a share of Commonwealth common stock of \$6.50 to \$9.75. Citigroup further derived an implied exchange ratio based on this analysis of 0.448x to 0.929x. Citigroup noted that the exchange ratio in the merger was within this derived range.

Discounted Cash Flow Analysis

Citigroup performed discounted cash flow analyses for IMCO common stock and Commonwealth common stock. The forecasted financial information used by Citigroup for IMCO common stock was based on information provided by IMCO management. With respect to Commonwealth common stock, Citigroup performed two discounted cash flow analyses; in one analysis, Citigroup used the unadjusted forecasted financial information provided by Commonwealth management; in the other analysis, Citigroup used Commonwealth's forecasted financial information adjusted as described above. In the course of these analyses, Citigroup calculated the estimated present value of each of IMCO's and Commonwealth's unlevered free cash flows for the calendar years 2004 through 2008. Citigroup added to that the estimated present value of the forecasted terminal value of each of IMCO and Commonwealth at the end of 2008. For purposes of this analysis, Citigroup utilized discount rates ranging from 9.0% to 11.0%, and terminal values based on multiples of projected terminal EBITDA at the end of the forecast period ranging from 4.0x to 6.0x for IMCO and 5.0x to 7.0x for Commonwealth. Citigroup derived discount rates based on its analysis of IMCO's cost of debt and equity capital. Based on this data, Citigroup derived the following reference ranges of implied equity value per share of IMCO common stock and Commonwealth common stock:

	Reference Range
IMCO Common Stock	\$10.50 to \$14.85
Commonwealth Common Stock Unadjusted Case	\$10.75 to \$13.90
Commonwealth Common Stock Adjusted Case	\$ 6.75 to \$ 9.40

Citigroup further derived a reference range of 0.724x to 1.324x for the implied exchange ratio based on Commonwealth management's unadjusted forecasts and a reference range of 0.455x to 0.895x for the implied exchange ratio based on Commonwealth management's forecasts as adjusted. Citigroup noted that the exchange ratio in the merger was within both derived ranges.

Table of Contents*Accretion/Dilution and Synergy Analyses*

Citigroup analyzed the *pro forma* effect of the transaction on IMCO's forecasted earnings per share (EPS) for calendar years 2004 through 2008. The forecasted financial information used by Citigroup for IMCO was based on information provided by IMCO management, and the forecasted financial information for Commonwealth was based on information provided by Commonwealth management, adjusted as described above. Among other things, Citigroup assumed, based on management forecasts, that the pre-tax annual operating synergies as a result of the transaction would be \$25 million following successful integration; Citigroup further assumed that the business of IMCO and Commonwealth as a combined company would be taxed at a 38% rate and certain existing IMCO and Commonwealth debt would be refinanced. Citigroup performed an analysis of the combined company's *pro forma* results by integrating the projections made by management and performing certain adjustments based on the data described above. Based on this analysis, Citigroup noted that if 100% of management's forecasted synergies were realized the transaction would be accretive to IMCO's forecasted EPS in calendar years 2005 through 2008 and dilutive in calendar year 2004, and if 50% of management's forecasted synergies were realized the transaction would be accretive to IMCO's forecasted EPS in calendar years 2005, 2006 and 2008, dilutive in calendar year 2004, and dilutive in calendar year 2007.

Citigroup also derived a *pro forma* price per share for IMCO common stock using the same management projections for IMCO and Commonwealth described above for 2005 and management's forecast for synergies resulting from the merger in 2005. Assuming a ratio of firm value to 2005 estimated EBITDA of 6.0x and applying that ratio to the derived *pro forma* operating results described above, Citigroup derived a price of \$19.45 per share of IMCO common stock assuming 100% realization of management's projected synergies for 2005 and a price of \$17.35 per share of IMCO common stock assuming 50% realization of management's projected synergies for 2005.

Citigroup's advisory services and opinion were provided for the information of the IMCO board of directors in its evaluation of the merger and did not constitute a recommendation of the merger to IMCO or a recommendation to any holder of IMCO common stock as to how that stockholder should vote on any matters relating to the merger.

The preceding discussion is a summary of the material financial analyses furnished by Citigroup to the IMCO board of directors, but it does not purport to be a complete description of the analyses performed by Citigroup or of its presentation to the IMCO board of directors. The preparation of financial analyses and fairness opinions is a complex process involving subjective judgments and is not necessarily susceptible to partial analysis or summary description. Citigroup made no attempt to assign specific weights to particular analyses or factors considered, but rather made qualitative judgments as to the significance and relevance of all the analyses and factors considered and determined to give its fairness opinion as described above. Accordingly, Citigroup believes that its analyses, and the summary set forth above, must be considered as a whole, and that selecting portions of the analyses and of the factors considered by Citigroup, without considering all of the analyses and factors, could create a misleading or incomplete view of the processes underlying the analyses conducted by Citigroup and its opinion. With regard to the comparable companies analysis summarized above, Citigroup selected comparable public companies on the basis of various factors, including size and similarity of the line of business of the relevant entities; however, no company utilized in this analysis is identical to IMCO or Commonwealth. As a result, this analysis is not purely mathematical, but also takes into account differences in financial and operating characteristics of the subject companies and other factors that could affect the public trading value of the subject companies to which IMCO and Commonwealth are being compared.

In its analyses, Citigroup made numerous assumptions with respect to IMCO, Commonwealth, industry performance, general business, economic, market and financial conditions and other matters, many of which are beyond the control of IMCO and Commonwealth. Any estimates contained in Citigroup's analyses, while they accurately reflect the results of Citigroup's analyses, are not necessarily indicative of actual values or predictive

of future results or values, which may be significantly more or less favorable than those suggested by these analyses. Estimates of values of companies do not purport to be appraisals or necessarily to reflect the prices at which companies may actually be sold. Because these estimates are inherently subject to uncertainty, none of IMCO, Commonwealth, the IMCO board of directors, the Commonwealth board of directors, Citigroup or any other person assumes responsibility if future results or actual values differ materially from the estimates.

Citigroup's analyses were prepared solely as part of Citigroup's analysis of the fairness of the exchange ratio and were provided to the IMCO board of directors in that connection. The opinion of Citigroup was only one of the factors taken into consideration by the IMCO board of directors in making its determination to approve the merger agreement and the merger. See IMCO's Reasons for the Merger on page 46.

Citigroup is an internationally recognized investment banking firm engaged in, among other things, the valuation of businesses and their securities in connection with mergers and acquisitions, restructurings, leveraged buyouts, negotiated underwritings, competitive biddings, secondary distributions of listed and unlisted securities, private placements and valuations for estate, corporate and other purposes. IMCO selected Citigroup to act as its financial advisor to the transaction committee of IMCO in connection with the proposed merger on the basis of Citigroup's international reputation and Citigroup's familiarity with IMCO.

Pursuant to its engagement letter with IMCO, Citigroup is entitled to the following fees: (1) \$150,000, which became payable upon execution of the engagement letter, (2) \$150,000, for each quarter during the term of Citigroup's engagement, (3) \$750,000, which became payable upon delivery of Citigroup's fairness opinion and (4) \$2,750,000, less all fees paid pursuant to the previous clauses, in the event the merger is consummated. Citigroup and its affiliates may also be providing certain financing services to IMCO in connection with the merger for which Citigroup or its affiliates expect to receive compensation. Citigroup and its affiliates in the past have provided, and are currently providing, services to IMCO unrelated to the proposed merger, for which services Citigroup and its affiliates have received and expect to receive compensation. In particular, Citigroup acted as a co-manager of IMCO's offering of its 10.375% Senior Secured Notes due 2010 which closed on October 6, 2003. Citigroup received fees of \$450,000 in that transaction. In the ordinary course of its business, Citigroup and its affiliates may actively trade or hold the securities of IMCO and Commonwealth for its own account or for the account of its customers and, accordingly, may at any time hold a long or short position in such securities. In addition, Citigroup and its affiliates (including Citigroup Global Markets Inc. and its affiliates) may maintain relationships with IMCO, Commonwealth and their respective affiliates.

Commonwealth's Reasons for the Merger

The Commonwealth board of directors believes that the merger presents an opportunity to combine two complementary companies to create a highly competitive vertically integrated aluminum recycler and fabricator. The Commonwealth board of directors determined that the merger was consistent with the strategic plans of Commonwealth and was in the best interests of Commonwealth and its stockholders. In reaching the conclusion to unanimously approve and adopt the merger agreement and to recommend that the Commonwealth stockholders vote to adopt the merger agreement, the Commonwealth board of directors considered a number of factors weighing in favor of the merger, including the following:

Commonwealth's and IMCO's businesses, operations, financial condition, asset quality, earnings and prospects. In particular, Commonwealth's board of directors considered the following factors:

The combined company should have greater key raw materials capabilities than Commonwealth on a stand-alone basis;

The expanded scale and scope of the combined company should improve its competitive position;

The combined company should be better positioned to pursue future growth opportunities, including an improved ability to expand internationally and to capitalize on other vertical and horizontal consolidation opportunities;

Table of Contents

The combined company should be better positioned to pursue future growth opportunities, including an improved ability to expand internationally and to capitalize on other vertical and horizontal consolidation opportunities;

The combined company should be able to better utilize its technology to develop new products and solutions; and

The combined company will have more diversified end markets than either company alone, reducing end-market concentration.

The belief of Commonwealth's board of directors that the merger should provide both immediate and long-term increases to stockholder value. In particular, Commonwealth's board of directors considered that:

The combined company expects to achieve annual cost savings of approximately \$25 million beginning 18 to 24 months from the completion of the merger;

The merger is expected to be accretive to earnings per share for Commonwealth's stockholders in the year in which the annual cost savings referred to immediately above are expected to be achieved by approximately 30.9%; and

The combined company will have the opportunity to reduce its financial leverage over time, which will potentially reduce the interest expense and increase the net income and cash flow of the combined company.

The larger size of the combined company will improve its access to the capital markets, as well as increasing the equity market capitalization and liquidity of its stock;

The fact that Commonwealth stockholders in the aggregate will represent a significant equity percentage of the combined company, which will enable Commonwealth's stockholders to participate in any future growth of the combined company;

The opinion of Morgan Stanley provided orally on June 16, 2004 and confirmed in writing as of the same date to the effect that the exchange ratio pursuant to the merger agreement was, as of that date, fair from a financial point of view to holders of shares of Commonwealth common stock and the related presentation by and analyses of Morgan Stanley;

The results and scope of the due diligence review conducted by and on behalf of Commonwealth relating to IMCO's businesses and operations;

The review by Commonwealth's board of directors with Sullivan & Cromwell LLP and Morgan Stanley, of the provisions of the merger agreement, including the following:

The nature of the closing conditions included in the merger agreement, including the standards for obtaining regulatory consents;

The corporate governance arrangements established for the transaction, including the board, board committee and senior executive designations;

Edgar Filing: IMCO RECYCLING INC - Form S-4/A

The provisions of the merger agreement that permit the board of directors of Commonwealth to respond to and engage in discussions or negotiations regarding unsolicited third party acquisition proposals under specified circumstances;

The provisions of the merger agreement that permit the board of directors of Commonwealth under specified circumstances to withdraw its recommendation that the stockholders vote in favor of adopting the merger agreement or to recommend a superior proposal to the stockholders; and

The provisions of the merger agreement that restrict IMCO's ability to solicit additional transactions.

The Commonwealth board of directors weighed these advantages and opportunities against a number of other factors identified in its deliberations weighing negatively against the merger, including the following:

The challenges inherent in the combination of two businesses and the possible diversion of management attention during the transition period for the management team;

Table of Contents

The risk of not capturing all the anticipated synergies between Commonwealth and IMCO and the risk that the other anticipated benefits of the merger might not be realized;

The terms of IMCO's existing 10¹/₈% senior secured notes due 2010, which may effectively limit the financing and strategic opportunities of the combined company; and

Certain provisions of the merger agreement, including in particular the following:

The condition to consummation of the merger that refinancing of certain indebtedness of the two companies be obtained, for which neither company had obtained financing commitments at the time the merger agreement was entered into and the challenges involved in obtaining adequate financing on acceptable terms;

The requirement that the Commonwealth board of directors must submit the merger agreement to the Commonwealth stockholders and may not terminate the merger agreement in the event that Commonwealth receives a superior proposal; and

The provisions that require Commonwealth to pay a termination fee to IMCO if the merger agreement is terminated under certain circumstances. The Commonwealth board further noted that the termination fee provisions were symmetrical, and would require IMCO to pay the same fee to Commonwealth in parallel circumstances.

After consideration of these factors, the Commonwealth board of directors determined that these risks were significantly outweighed by the potential benefits of the merger.

Although each member of Commonwealth's board of directors individually considered these and other factors, the board did not collectively assign any specific or relative weights to the factors considered and did not make any determination with respect to any individual factor. The board collectively made its determination with respect to the merger based on the conclusion reached by its members, in light of the factors that each of them considered appropriate, that the merger is in the best interests of Commonwealth and its stockholders.

Recommendation of the Commonwealth Board of Directors

The Commonwealth board of directors unanimously recommends that stockholders of Commonwealth vote FOR adoption of the merger agreement.

Comparable Companies Analysis

While noting that no comparable public company is exactly identical to Commonwealth or IMCO, Morgan Stanley compared selected financial information for Commonwealth and IMCO with publicly available information for comparable companies. These companies were selected based on their product offerings, business profiles and operating processes. Each of these companies operates in the metal processing, manufacturing and/or fabricating industries and demonstrates operating and business characteristics similar to those of Commonwealth and IMCO. Based upon publicly available estimates of certain securities research analysts and using the closing prices as of June 10, 2004, Morgan Stanley calculated, for each of these companies, the stock trading price divided by the earnings per share estimates for calendar years 2004 and 2005 (the price/earnings multiple) and the aggregate value divided by the EBITDA estimates for calendar years 2004 and 2005 (the aggregate value/EBITDA multiple). The aggregate value of a company was defined as the market value of equity less cash plus the value of any debt (including any receivables purchase agreement), capital lease and preferred stock obligations of the company. For companies whose EBITDA estimates were not available, N.A. is shown for the multiple. The following table shows the results of these calculations:

Commonwealth or IMCO and the industry in general, industry growth and the absence of any material adverse change in the financial condition and prospects of Commonwealth or IMCO or the industry or in the financial markets in general. Mathematical analysis, such as determining the average or median, or the high or low, is not in itself a meaningful method of using comparable company data.

Discounted Cash Flow Analysis

Morgan Stanley performed a discounted cash flow analysis for each of Commonwealth and IMCO. The financial information used to complete this analysis was based on financial projections provided to Morgan Stanley by the management of Commonwealth and IMCO, respectively. In each case, Morgan Stanley calculated the present value of the unlevered free cash flows for the period beginning October 1, 2004 and ending on December 31, 2008. Morgan Stanley added to this amount the present value of a terminal value, an amount calculated by multiplying the company's projected EBITDA for 2008 by an aggregate value/EBITDA multiple. Morgan Stanley calculated terminal values for Commonwealth by utilizing aggregate value/EBITDA multiples of 5.0x and 6.0x and calculated terminal values for IMCO by utilizing aggregate value/EBITDA multiples of 6.0x and 7.0x. For purposes of this analysis, Morgan Stanley used discounted rates of 9%, 10% and 11% for both Commonwealth and IMCO, which Morgan Stanley believed provided a reasonable range of each of Commonwealth's and IMCO's cost of capital. For purposes of this analysis, Morgan Stanley used a 40% statutory tax rate for Commonwealth and included the projected utilization of tax net operating loss carryforwards in unlevered free cash flow. The following table summarizes the results of this analysis:

Discounted Cash Flow Analysis	Price Per Share	Discount Rate Range	
		11%	9%
Commonwealth Range: 5.0x – 6.0x terminal multiple		\$ 9.89	\$ 13.97
IMCO Range: 6.0x – 7.0x terminal multiple		\$ 15.97	\$ 22.17
Implied Exchange Ratio Range		0.61x	0.62x

Morgan Stanley noted that the implied purchase price for Commonwealth commons stock pursuant to the merger agreement as of June 16, 2004 was \$10.95 per share.

Morgan Stanley also noted that IMCO's share price was \$13.43 per share as of June 16, 2004.

Morgan Stanley then compared the range of implied share prices for Commonwealth and for IMCO based upon the discounted cash flow analysis described above to derive a range of implied exchange ratios. This analysis indicated a range of exchange ratios of 0.61 to 0.62. Morgan Stanley noted that the exchange ratio set as forth in the merger agreement was 0.815.

Historical Exchange Ratio

Morgan Stanley analyzed the relative share prices for the common stock of Commonwealth and IMCO for the period from January 1, 1998 to June 16, 2004. The following table summarizes the results of the analysis.

Table of Contents*Relative Contribution Analysis*

Morgan Stanley performed a relative contribution analysis to determine how the equity contribution of Commonwealth to the combined company and implied exchange ratio, based on the various operating and financial measurement factors described below, compared to the percentage of the total equity of the combined company that Commonwealth stockholders would receive as a result of the merger and the exchange ratio as set forth in the merger agreement. In performing this analysis, Morgan Stanley compared the pro forma contribution of each of Commonwealth and IMCO to the combined company, assuming completion of the merger, on a historical and projected basis using projections provided by Commonwealth and IMCO management. Morgan Stanley considered the following measurement factors for each of 2000, 2001, 2002, 2003 and estimated 2004:

The following table presents the results of that analysis. In cases where either company's financial results are negative, not meaningful (N.M.) is shown for the relative contribution and implied exchange ratio:

Premium Analysis

Morgan Stanley analyzed the Commonwealth share price implied by its ownership of the combined entity, assuming two valuation scenarios for the combined company: (a) investors do not ascribe any incremental value to the combined company relative to the standalone entities (and, as a result, the combined equity market capitalization of IMCO after the merger is equal to the sum of Commonwealth's and IMCO's equity market capitalizations immediately prior to the merger); and (b) investors ascribe a valuation multiple to the expected pre-tax synergies of \$20 million and that the value of the synergies increases the equity value of the combined company compared to scenario (a) by \$120 million (and, as a result, the combined equity market capitalization of IMCO after the merger is equal to the sum of Commonwealth's and IMCO's equity market capitalizations immediately prior to the merger plus \$120 million). Morgan Stanley compared the implied share price resulting from (a) and (b) to (i) the closing price of Commonwealth common stock of \$8.60 and the implied purchase price of \$10.95 on June 16, 2004 and (ii) the average price of Commonwealth common stock of \$7.97 and the implied purchase price of \$8.08 for the average of the six months prior to June 16, 2004. The following table presents the results of this analysis:

	Premium to Commonwealth Share Price	
	June 16, 2004	6-month Average
Nominal Premium	27.3%	1.3%
Premium - Scenario (a), no valuation for synergies	14.4%	0.7%
Premium - Scenario (b), \$120 million valuation for synergies	53.0%	43.1%

In connection with the review of the merger by Commonwealth's board of directors, Morgan Stanley performed a variety of financial and comparative analyses for purposes of rendering its opinion. The preparation of a fairness opinion is a complex process and is not necessarily susceptible to a partial analysis or summary description. In arriving at its opinion, Morgan Stanley considered the results of all of its analyses as a whole and did not attribute any particular weight to any analysis or factor considered by it. Morgan Stanley believes that the summary provided and the analyses described above must be considered as a whole and that selecting portions of these analyses, without considering all of them as a whole, would create an incomplete view of the process underlying its analyses and opinion. In addition, Morgan Stanley may have given various analyses and factors more or less weight than other analyses and factors and may have deemed various assumptions more or less

Edgar Filing: IMCO RECYCLING INC - Form S-4/A

probable than other assumptions, so that the range of valuations resulting from any particular analysis described above should therefore not be taken to be Morgan Stanley's view of the actual value of Commonwealth and IMCO.

In performing its analyses, Morgan Stanley made numerous assumptions with respect to industry performance, general business and economic conditions and other matters, many of which are beyond the control of Commonwealth and IMCO. Any estimates contained in Morgan Stanley's analyses are not necessarily

Table of Contents

indicative of future results or actual values, which may be significantly more or less favorable than those suggested by these estimates. The analyses performed were prepared solely as a part of Morgan Stanley's analysis of the exchange ratio pursuant to the merger agreement from a financial point of view to the holders of Commonwealth common stock and were conducted in connection with the delivery by Morgan Stanley of its opinion dated June 16, 2004 to the board of directors of Commonwealth. Morgan Stanley's analyses do not purport to be appraisals or to reflect the prices at which shares of common stock of IMCO might actually trade. The merger consideration in the merger was determined through arm's-length negotiations between Commonwealth and IMCO and the merger agreement was adopted by Commonwealth's board of directors. Morgan Stanley did not recommend that any given merger consideration constituted the only appropriate merger consideration for the merger.

In addition, Morgan Stanley's opinion and its presentation to Commonwealth's board of directors was one of many factors taken into consideration by Commonwealth's board of directors in deciding to approve the merger. Consequently, the analyses as described above should not be viewed as determinative of the decision of Commonwealth's board of directors with respect to the merger or of whether Commonwealth's board of directors would have been willing to agree to a different exchange ratio.

Morgan Stanley is an internationally recognized investment banking and advisory firm. Morgan Stanley, as part of its investment banking and financial advisory business, is continuously engaged in the valuation of businesses and their securities in connection with mergers and acquisitions, negotiated underwritings, competitive biddings, secondary distributions of listed and unlisted securities, private placements and valuations for corporate and other purposes. In the ordinary course of business, Morgan Stanley may from time to time trade in the securities, indebtedness, commodities or currencies or derivatives thereof, of Commonwealth and IMCO for its own account, the accounts of investment funds and other clients under the management of Morgan Stanley and for the accounts of its customers and, accordingly, may at any time hold a long or short position in such instruments for any such account.

In connection with the financial advisory services provided to Commonwealth relating to the merger, Commonwealth has agreed to pay Morgan Stanley a fee in the amount of \$4 million upon completion of the transaction. Additionally, Morgan Stanley has not received any fees from Commonwealth during the past two years. Commonwealth has also agreed to reimburse Morgan Stanley for its expenses incurred in performing its services and to indemnify Morgan Stanley and its affiliates, their respective directors, officers, agents and employees and each person, if any, controlling Morgan Stanley or any of its affiliates against certain liabilities and expenses, including certain liabilities under federal securities laws, related to or arising out of Morgan Stanley's engagement and any related transactions.

Certain Persons May Have Interests in the Merger that are Different from Stockholders' Interests Generally

Commonwealth Directors and Officers

In considering the recommendation of the Commonwealth board of directors with respect to the merger, Commonwealth stockholders should be aware that some directors and officers have interests in the merger that are different from Commonwealth stockholders generally. The Commonwealth board of directors was aware of these interests and took them into account in approving the merger, including the following:

Under the terms of the merger agreement, Mr. Demetriou, currently Commonwealth's president and chief executive officer and a member of the board of directors of Commonwealth, will be appointed chief executive officer and chairman of the board of IMCO after the merger, and four other members of the current Commonwealth board will be appointed directors of IMCO after the merger;

Edgar Filing: IMCO RECYCLING INC - Form S-4/A

Commonwealth option holders (a group which includes many officers and directors of Commonwealth) will have all of their stock options vest at the effective time of the merger. However, options held by

Table of Contents

Messrs. Demetriou, Friday, Clegg and Stack will not vest at that time and will remain subject to their usual vesting schedule;

Certain officers of Commonwealth are party to a change in control severance agreement that will be effective upon consummation of the merger. See Commonwealth Severance Agreements below;

Under the merger agreement, IMCO has agreed to indemnify and hold harmless all past and present officers and directors of Commonwealth for acts or omissions occurring at and prior to the effective time of the merger and to promptly advance reasonable litigation expenses incurred by these officers and directors in connection with investigating, preparing and defending any action arising out of these acts or omissions;

For a period of six years after the effective time of the merger, IMCO has agreed that it will provide Commonwealth's current officers and directors with an insurance and indemnification policy that provides for coverage of events occurring prior to the effective time that is no less favorable than the existing policy or, if substantially equivalent insurance coverage is unavailable, the best available coverage. However, IMCO will not be required to pay an annual premium for this insurance in excess of \$1.6 million;

Four former officers of Commonwealth who were involved in discussions culminating in the merger agreement have received cash severance payments of approximately \$6.3 million in the aggregate (including, for three of these officers, amounts paid in respect of forfeited stock options), following their resignation as officers of Commonwealth. Additionally, Commonwealth is responsible for excise tax gross-up payments, if any, in connection with these severance payments.

Commonwealth Severance Agreements

Certain officers of Commonwealth (including William Toler, Henry Del Castillo, Donald Marsh, and John Wasz) are party to a change in control severance agreement that will be effective upon consummation of the merger. If the officer terminates employment during the two year period following the merger for any reason other than for cause, death or disability, or if the officer terminates his employment for good reason (each as defined in his change in control severance agreement), or for *any* reason during the 30 day period following the first anniversary of the merger, the officer will be entitled to severance compensation as follows:

a lump sum payment in an amount equal to one-and-one-half times (for Messrs. Toler and Del Castillo) or three times (for Messrs. Marsh and Wasz) the sum of his base salary (at the highest rate in effect for any period within the past twelve months prior to his termination date) plus highest of (1) the target bonus for the fiscal year in which a change in control occurs or (2) the target bonus for the fiscal year in which the termination occurs or (3) the highest bonus earned by him in respect of the three fiscal years prior to the change in control;

a lump sum payment of a pro-rata portion of the annual bonus pay (based on the greater of (1) the target bonus for the fiscal year in which a change in control occurs and (2) the target bonus for the fiscal year in which the termination occurs) and any compensation previously deferred by the officer under a non-qualified plan;

continued welfare benefits for 18 months (for each of Messrs. Toler and Del Castillo) or 36 months (for each of Messrs. Marsh and Wasz) following his termination date; and

reimbursement for any excise tax liability imposed by Section 4999 of the Internal Revenue Code of 1986, as amended (the Code), or any interest or penalties incurred with respect to such excise tax in an amount such that after payment by the respective officer of all taxes, said officer retains an amount equal to the amount of the excise tax.

Edgar Filing: IMCO RECYCLING INC - Form S-4/A

Cash payments in an approximate aggregate amount of \$5.4 million would be made to Messrs. Marsh, Del Castillo, Wasz and Toler if these executives terminated employment immediately after the consummation of the

Table of Contents

merger (estimated for purposes of these calculations to occur in mid-September 2004) under circumstances described above that would entitle them to severance.

Steven Demetriou, Michael Friday, Sean Stack and Christopher Clegg each have an agreement with Commonwealth that provides that if he is terminated without cause (as defined in his agreement), in the absence of any future change in control, he will be entitled to severance compensation as follows:

a lump sum payment in an amount equal to two times (for Mr. Demetriou) or one-and-one-half times (for Messrs. Friday, Stack and Clegg) the sum of his base pay plus his target bonus; and

continued welfare benefits for 24 months (for Mr. Demetriou) or 18 months (for Messrs. Friday, Stack and Clegg) following his termination date;

Messrs. Demetriou, Friday, Stack and Clegg each is a party to a change in control severance agreement that would take effect only on a change in control that occurs after the consummation of the merger. Under this severance agreement, if his employment terminates during the two year period following such future change in control for any reason other than for cause, death or disability, or if the officer terminates his employment for good reason (each as defined in his change in control severance agreement), the officer will be entitled to severance compensation as follows:

a lump sum payment in an amount equal to three times (for Mr. Demetriou) or two times (for Messrs. Friday, Stack and Clegg) the sum of his base salary (at the highest rate in effect for any period within the past twelve months prior to his termination date) plus highest of (1) the target bonus for the fiscal year in which a change in control occurs or (2) the target bonus for the fiscal year in which the termination occurs or (3) the highest bonus earned by him in respect of the three fiscal years prior to the change in control;

a lump sum payment of a pro-rata portion of the annual bonus pay (based on the greater of (1) the target bonus for the fiscal year in which a change in control occurs and (2) the target bonus for the fiscal year in which the termination occurs) and any compensation previously deferred by the officer under a non-qualified plan;

continued welfare benefits for 36 months (for Mr. Demetriou) or 24 months (for Messrs. Friday, Stack and Clegg) following his termination date; and

reimbursement for any excise tax liability imposed by Section 4999 of the Code, or any interest or penalties incurred with respect to such excise tax in an amount such that after payment by the respective officer of all taxes, said officer retains an amount equal to the amount of the excise tax.

IMCO Directors and Officers

In considering the recommendation of the IMCO board of directors with respect to the merger and issuance of IMCO common stock in the merger, you should be aware that some directors and officers have interests in the merger that are different from the stockholders of IMCO and Commonwealth generally. The IMCO board was aware of these interests and took them into account in recommending the merger and approving the issuance of IMCO common stock in the merger.

Edgar Filing: IMCO RECYCLING INC - Form S-4/A

Under the terms of the merger agreement, four of the six members of the IMCO board will continue as directors of IMCO following the merger.

The parties intend that the lead independent director of the combined company will be one of the four members of the IMCO board who continues as a director of IMCO following the merger.

Richard L. Kerr, IMCO's current chief executive officer, and Paul V. Dufour, IMCO's chief financial officer, have agreed to retire effective upon completion of the merger and to serve as consultants for a limited period after the merger. Under their arrangements, Messrs. Kerr and Dufour would be entitled to receive severance pay and vesting of their restricted stock and stock options.

Table of Contents

Under the terms of employment agreements between IMCO and certain of its officers, if an officer's employment with IMCO is terminated during a period following completion of the merger (as defined in the officer's employment agreement), that officer is entitled to certain severance benefits.

IMCO Severance Arrangements

On August 12, 2004, IMCO announced that Richard L. Kerr, president and chief executive officer of IMCO, and Paul V. Dufour, executive vice president and chief financial officer of IMCO, had each decided to retire when the merger closes. IMCO and Messrs. Kerr and Dufour have agreed in principle on the terms of their separation from IMCO. Separation agreements with Messrs. Kerr and Dufour will be effective only upon the completion of the merger, and will supersede their current employment agreements with IMCO.

Under the terms of their agreements in principle, Mr. Kerr is entitled to \$1.7 million and Mr. Dufour is entitled to \$2.0 million in cash as lump-sum severance payments payable upon the completion of the merger. In addition, each of them will receive cash bonuses of \$250,000 in recognition of their service to IMCO as senior executives during the pre-closing period. The aggregate cash payments expected to be made to Mr. Kerr and Mr. Dufour under their separation arrangements total approximately \$4.2 million.

Mr. Kerr will serve as a consultant to the combined company following the merger through December 31, 2005 and will be paid \$18,000 per month, while Mr. Dufour will also serve as a consultant to the combined company after the merger through June 30, 2005 and be paid \$18,000 per month for his services. Vesting of Mr. Kerr's and Mr. Dufour's restricted stock, restricted stock units and stock option awards will be accelerated at termination of employment in accordance with the current terms of IMCO's existing equity compensation plans and their respective award documents. Each will also be entitled to up to three years of welfare benefits continuation and, in accordance with the terms of their existing arrangements, their split-dollar life insurance policies.

The merger would constitute a change of control under Mr. Kerr's and Mr. Dufour's employment agreements with IMCO.

Under their separation arrangements, Mr. Kerr and Mr. Dufour will be restricted from competing with IMCO or revealing confidential information of IMCO. Also, following their termination of employment, neither IMCO nor Mr. Kerr or Mr. Dufour may disparage the other party, and for a period of two years, neither Mr. Kerr nor Mr. Dufour may solicit for employment any employees of the combined company. In the event that any payments to either Mr. Kerr or Mr. Dufour in connection with their separation are subject to an excise tax under Section 4999 of the Internal Revenue Code, then he will be entitled to additional payments so that he remains in the same after-tax economic position he would have been in had the excise tax not been imposed.

In the event that the merger is not completed, each of the separation agreements will be terminated and the rights and obligations of Mr. Kerr and Mr. Dufour will be governed by the terms of their respective employment agreements currently in effect with IMCO.

A number of IMCO's officers are parties to employment agreements with IMCO that provide for change in control severance provisions and post-employment consulting services. These arrangements provide that on completion of the merger, if the employment of any of these officers is terminated (1) by IMCO for any reason other than for cause (as defined in his employment agreement) or as a result of the officer's death or disability on or after the date which is 90 days prior to the change in control and (2) by the officer for good reason (as defined in his employment agreement) during a two-year period following the merger, the officer will be entitled to severance compensation as follows:

Edgar Filing: IMCO RECYCLING INC - Form S-4/A

payments in an amount equal to 2.00 times (for Robert R. Holian, Joseph M. Byers, and David C. Rosenblum) and 1.50 times (for Mark Mantooth), the officer's base amount (as that term is defined under Section 280G under the Internal Revenue Code), payable in a lump sum or over a 23-month period (for Mr. Rosenblum) and a 12-month period (for Messrs. Holian, Byers and Mantooth); and

Table of Contents

for the lesser of 12 months (for Mr. Mantooth) and 18 months (for Messrs. Holian, Byers and Rosenblum), or until the officer obtains comparable coverage through a subsequent employer, welfare benefits substantially similar to those that he was receiving or entitled to receive immediately prior to the termination.

Cash payments in an approximate aggregate amount of \$1.5 million would be made to Messrs. Holian, Byers, Rosenblum and Mantooth under the above described agreements if their employment is terminated after the merger.

Accounting Treatment

The merger will be accounted for as a business combination using the purchase method of accounting for business combinations. IMCO will be the acquirer for financial accounting purposes.

Anticipated Financing Necessary to Complete the Merger

IMCO and Commonwealth have reviewed various alternatives with respect to the financing required to refinance Commonwealth's 10³/₄% senior subordinated notes due 2006, refinance Commonwealth's obligations under its receivables purchase facility and its revolving credit facility, and refinance outstanding indebtedness under IMCO's senior revolving credit facility.

IMCO and Commonwealth currently believe that, simultaneously with the completion of the merger, they will refinance certain of their outstanding indebtedness with approximately \$244 million of new indebtedness. The source of these borrowings is expected to be proceeds from an issuance of \$125 million in senior unsecured IMCO notes and borrowings of approximately \$119 million under a new \$325 million IMCO revolving credit facility to be established. IMCO and Commonwealth have agreed to use their reasonable best efforts to complete a financing or financings of sufficient funds so that upon completion of the merger, they will be able to fully redeem the outstanding 10³/₄% senior subordinated notes due 2006 of Commonwealth, repurchase accounts receivable previously sold under Commonwealth's receivables purchase facility and refinance debt outstanding under Commonwealth's and IMCO's existing revolving credit facilities. IMCO and Commonwealth have agreed to use their reasonable best efforts to obtain, prior to closing, commitment letters indicating that upon completion of the merger, sufficient funds to accomplish the refinancings contemplated above will be available without condition other than the occurrence of the merger. Completion of these refinancings is a condition to consummation of the merger.

Table of Contents

The following table shows the estimated sources and uses of funds relating to the merger and the related transactions:

Sources and Uses of Funds

	Amount (in thousands)
Sources of Funds	
Proceeds from Alflex sale	\$ 64,019
New senior unsecured notes of IMCO	125,000
Proceeds from new IMCO revolving line of credit	119,305
Total sources of funds	\$ 308,324
Uses of Funds	
Redemption of Commonwealth 10 ¾% senior subordinated notes due 2006	\$ 125,000
Purchase of accounts receivable to terminate Commonwealth's accounts receivables purchase facility	100,000
Repayment of outstanding debt under IMCO's existing revolving line of credit	43,286
Repayment of outstanding debt under Commonwealth's existing revolving line of credit	8,588
Estimated transaction costs	31,450
Total uses of funds	\$ 308,324

Neither IMCO nor Commonwealth currently have commitments from any lender or other financing source. While IMCO and Commonwealth expect to be able to obtain the necessary financing to refinance the obligations listed above, no assurance can be given that IMCO and Commonwealth will successfully obtain the financing required to complete the merger, or if obtained, that such financing will be available on terms favorable to the combined company.

Status of Regulatory Approvals

Under the HSR Act, the merger may not be completed unless IMCO and Commonwealth file premerger notification and report forms with the U.S. Federal Trade Commission and the Antitrust Division of the U.S. Department of Justice, and the waiting period under the HSR Act expires or is earlier terminated. On July 21, 2004, IMCO and Commonwealth submitted the regulatory filings to the U.S. Federal Trade Commission and the Antitrust Division. IMCO and Commonwealth have received notice of early termination of the waiting period.

Each state and foreign country in which IMCO or Commonwealth has operations also may review the merger under state or foreign antitrust laws. On August 20, 2004, IMCO and Commonwealth submitted required filings to the German Federal Cartel Office. On September 1, 2004, IMCO and Commonwealth received clearance from the German Federal Cartel Office. At any time before the effective time of the merger, the

Edgar Filing: IMCO RECYCLING INC - Form S-4/A

Federal Trade Commission, the Antitrust Division, a state or non-U.S. governmental authority or a private person or an entity could seek under the antitrust laws, among other things, to enjoin the merger or to cause IMCO or Commonwealth to divest assets or businesses as a condition to completion of the merger. If a challenge to the merger is made, IMCO and Commonwealth may not prevail. The obligations of IMCO and Commonwealth to consummate the merger are subject to the condition that there be no order or injunction of a U.S. or non-U.S. court of competent jurisdiction or other governmental authority that prohibits the consummation of the merger. Other than as we describe in this document, the merger does not require the approval of any other U.S. federal or state or foreign agency.

Appraisal and Dissenters' Rights are not Available in Connection with the Merger

Under Delaware law, because the shares of Commonwealth common stock are listed on the Nasdaq National Market and the merger consideration consists of shares of IMCO common stock that will remain listed on the NYSE after the merger, Commonwealth stockholders will not have dissenters' rights to an appraisal of their shares of Commonwealth common stock in connection with the merger.

Commonwealth's Common Stock will be Delisted and Deregistered after the Merger

If the merger is completed, the shares of Commonwealth common stock will be delisted from the Nasdaq National Market and will be deregistered under the Securities Exchange Act of 1934. The stockholders of Commonwealth will become stockholders of IMCO and their rights as stockholders will be governed by IMCO's certificate of incorporation and bylaws and by the laws of the State of Delaware. See "Comparison of Stockholders' Rights" beginning on page 104 of this joint proxy statement/prospectus. We expect that IMCO will be renamed promptly following the merger.

Federal Securities Laws Consequences; Resale Restrictions

All shares of IMCO common stock that will be distributed to Commonwealth stockholders in the merger will be freely transferable, except for restrictions applicable to affiliates of Commonwealth or IMCO. Persons who are deemed to be affiliates of Commonwealth may resell IMCO shares received by them only in transactions permitted by the resale provisions of Rule 145 or as otherwise permitted under the Securities Act of 1933. Persons who may be deemed to be affiliates of Commonwealth generally include executive officers, directors and significant stockholders of Commonwealth. Persons who are deemed to be affiliates of IMCO may resell IMCO shares received by them only in transactions permitted by the resale provisions of Rule 144 or as otherwise permitted under the Securities Act of 1933. Persons who may be deemed to be affiliates of IMCO generally include executive officers, directors and significant stockholders of IMCO. The merger agreement requires Commonwealth to cause each of its directors and executive officers who Commonwealth believes may be deemed to be affiliates of Commonwealth to execute a written agreement to the effect that those persons will not sell, assign or transfer any of the IMCO shares issued to them in the merger unless that sale, assignment or transfer has been registered under the Securities Act of 1933, is in conformity with Rule 145 or is otherwise exempt from the registration requirements under the Securities Act of 1933.

This joint proxy statement/prospectus does not cover any resales of the IMCO shares to be received by Commonwealth's stockholders in the merger, and no person is authorized to make any use of this joint proxy statement/prospectus in connection with any resale.

MATERIAL UNITED STATES FEDERAL INCOME TAX CONSEQUENCES

The following discussion summarizes the material U.S. federal income tax consequences of the merger to U.S. holders. This discussion is based on the Internal Revenue Code of 1986, as amended (the Code), Treasury Regulations promulgated under the Code, court decisions, published positions of the Internal Revenue Service and other applicable authorities, all as in effect on the date of this document and all of which are subject to change or differing interpretations, possibly with retroactive effect. This discussion is limited to holders who hold Commonwealth shares as capital assets for U.S. federal income tax purposes (generally, assets held for investment). This discussion does not address all of the U.S. federal income tax consequences that may be relevant to a holder in light of their particular circumstances or to holders who may be subject to special treatment under U.S. federal income tax laws, such as tax exempt organizations, foreign persons or entities, financial institutions, insurance companies, broker-dealers, holders who hold Commonwealth shares as part of a hedge, straddle, wash sale, synthetic security, conversion transaction, or other integrated investment comprised of Commonwealth shares and one or more investments, holders with a functional currency (as defined in the Code) other than the U.S. dollar, and persons who acquired Commonwealth shares in compensatory transactions. Further, this discussion does not address any aspect of state, local or foreign taxation. No ruling has been or will be obtained from the Internal Revenue Service regarding any matter relating to the merger and no assurance can be given that the Internal Revenue Service will not assert, or that a court will not sustain, a position contrary to any of the tax aspects described below. Holders should consult their own tax advisors as to the U.S. federal income tax consequences of the merger in light of their particular facts and circumstances, as well as the effects of state, local and foreign tax laws.

As used in this summary, a U.S. holder includes:

an individual U.S. citizen or resident alien;

a corporation, partnership or other entity created or organized under U.S. law (federal or state);

an estate whose worldwide income is subject to U.S. federal income tax; or

a trust if a court within the United States of America is able to exercise primary supervision over the administration of the trust and one or more U.S. persons have the authority to control all substantial decisions of the trust.

If a partnership (including for this purpose any entity treated as a partnership for U.S. federal income tax purposes) is a beneficial owner of Commonwealth shares, the tax treatment of a partner in that partnership will generally depend on the status of the partner and the activities of the partnership. Holders of Commonwealth shares that are partnerships and partners in such partnerships are urged to consult their tax advisors regarding the U.S. federal income tax consequences of owning and disposing of Commonwealth shares in the merger.

This summary is not a substitute for an individual analysis of the tax consequences of the merger to you. You should consult a tax advisor regarding the particular federal, state, local and foreign tax consequences of the merger in light of your particular facts and circumstances.

Fulbright & Jaworski L.L.P., counsel to IMCO, and Sullivan & Cromwell LLP, counsel to Commonwealth, will deliver opinions, dated the date of this joint proxy statement/prospectus, to IMCO and Commonwealth, respectively, to the effect that, among other things, if the merger is consummated in accordance with the merger agreement, the merger will be treated for U.S. federal income tax purposes as a reorganization within the meaning of Section 368(a) of the Code. It is a condition to the closing of the merger that these opinions are reaffirmed as of the

Edgar Filing: IMCO RECYCLING INC - Form S-4/A

closing date. If certain events, some of which are described below, occur between the date of this joint proxy statement/prospectus and the closing of the merger, each counsel may be unable to reaffirm its opinion. In that event, and if IMCO and Commonwealth elected to waive that condition, IMCO and Commonwealth each undertake that they would amend this joint proxy statement/prospectus to revise this discussion of material U.S. federal income tax consequences and would recirculate an amended joint proxy statement/prospectus to their respective stockholders.

Table of Contents

The opinions of Fulbright & Jaworski L.L.P. and Sullivan & Cromwell LLP, which are required as a condition to closing the merger, are and will be based on U.S. federal income tax law in effect as of the date of the opinions. An opinion of counsel is not binding on the Internal Revenue Service or any court and the Internal Revenue Service may challenge some or all of the conclusions set forth in these opinions. In rendering the opinions, Fulbright & Jaworski L.L.P. and Sullivan & Cromwell LLP will rely on certain assumptions, including assumptions regarding the absence of changes in existing facts and the completion of the merger strictly in accordance with the merger agreement and this joint proxy statement/prospectus. The opinions will also rely upon certain factual representations and covenants of IMCO and Commonwealth, including the representation that no consideration other than IMCO shares will be delivered in exchange for the Commonwealth shares, and the opinions will assume that these representations are true, correct and complete without regard to any knowledge limitation, and that these covenants will be complied with. If any of these assumptions or representations are inaccurate in any way, or any of the covenants are not complied with, each counsel may be unable to reaffirm its opinion.

Tax Consequences of the Merger to U.S. Holders of Commonwealth Common Stock

The Merger

In a merger that qualifies as a reorganization under Section 368(a) of the Code, the U.S. federal income tax consequences will include the following:

No gain or loss will be recognized by IMCO or Commonwealth as a result of the merger;

No gain or loss will be recognized by Commonwealth stockholders who exchange all of their Commonwealth shares for IMCO shares in the merger;

The tax basis of the IMCO shares received by a Commonwealth stockholder in the merger (including any fractional share not actually received) will be the same as the tax basis of the Commonwealth shares surrendered in exchange therefore;

The holding period of the IMCO shares received by a Commonwealth stockholder in the merger will include the holding period of the Commonwealth shares surrendered in exchange therefore; and

A cash payment in lieu of a fraction of a share will be treated as if a fractional share of IMCO shares had been received in the merger and then redeemed by IMCO. Such redemption should qualify as a distribution in full payment in exchange for the fractional share rather than as a distribution of a dividend. Accordingly, a Commonwealth stockholder receiving cash in lieu of a fraction of a share will recognize gain or loss upon such payment in an amount equal to the difference, if any, between such Commonwealth stockholder's basis in the fractional share and the amount of cash received.

In the event that the merger were held not to qualify as a reorganization under Section 368(a) of the Code, a Commonwealth stockholder would recognize gain or loss in an amount equal to the difference between the stockholder's basis in his or her shares and the fair market value, as of the effective date of the merger, of the IMCO shares received in exchange therefore. In such event, the stockholder's basis in the IMCO shares so received would be equal to its fair market value as of the effective date of the merger, and the holding period for such stock would begin on the day after the effective date of the merger.

Backup Withholding

United States federal income tax law requires that a holder of Commonwealth shares provide the exchange agent with his or her correct taxpayer identification number, which is, in the case of a U.S. holder who is an individual, a social security number, or, in the alternative, establish a basis for exemption from backup withholding. Exempt holders, including, among others, corporations and some foreign individuals, are not subject to backup withholding and reporting requirements. If the correct taxpayer identification number or an adequate basis for exemption is not provided, a holder will be subject to backup withholding on any reportable

Table of Contents

payment. Any amounts withheld under the backup withholding rules from a payment to a U.S. holder will be allowed as a credit against that U.S. holder's U.S. federal income tax and may entitle the U.S. holder to a refund, if the required information is furnished to the Internal Revenue Service.

To prevent backup withholding, each holder of Commonwealth shares must complete the Substitute Form W-9 which will be provided by the exchange agent with the transmittal letter and certify under penalties of perjury that:

the taxpayer identification number provided is correct or that the holder is awaiting a taxpayer identification number, and

the holder is not subject to backup withholding because

the holder is exempt from backup withholding,

the holder has not been notified by the Internal Revenue Service that he or she is subject to backup withholding as a result of the failure to report all interest or dividends, or

the Internal Revenue Service has notified the holder that he or she is no longer subject to backup withholding.

The Substitute Form W-9 must be completed, signed and returned to the exchange agent.

Information Reporting

Commonwealth stockholders receiving IMCO shares in the merger should file a statement with their U.S. federal income tax return setting forth their adjusted tax basis in Commonwealth shares exchanged in the merger, as well as the fair market value of the IMCO shares received in the merger. In addition, Commonwealth stockholders will be required to retain permanent records of these facts relating to the merger.

Each Commonwealth stockholder should consult a tax adviser as to the particular consequences of the merger that may apply to such stockholder in light of such stockholder's particular facts and circumstances, including the application of federal, state, local and other foreign tax laws.

THE MERGER AGREEMENT

The following is a summary of the material provisions of the merger agreement, a copy of which is attached as *Annex A* to this joint proxy statement/prospectus and is incorporated in this joint proxy statement/prospectus by reference. We encourage you to read the merger agreement because it, and not this document, is the legal document that governs the merger.

The Merger

Upon the terms and subject to the conditions of the merger agreement, and in accordance with the DGCL, at the effective time of the merger, Merger Sub will merge with and into Commonwealth. Commonwealth will continue as the surviving company and an indirect wholly owned subsidiary of IMCO and the separate corporate existence of Merger Sub will cease.

The closing of the merger will occur on the third business day following the day on which all conditions to the merger, other than those conditions that by their nature are to be satisfied at the closing, have been satisfied or waived, unless the parties agree on another time.

Contemporaneously with the closing of the merger, Commonwealth and IMCO will cause a certificate of merger to be filed with the Secretary of State of the State of Delaware. The effective time of the merger will be the time the certificate of merger is filed with the Secretary of State of the State of Delaware or at a later time as we may agree and specify in the certificate of merger.

Each Share of Commonwealth's Common Stock Will Be Converted into 0.815 of a Share of IMCO Common Stock

Upon the effectiveness of the merger, each share of Commonwealth common stock (other than any shares owned directly or indirectly by Merger Sub and IMCO or any direct or indirect wholly owned subsidiary of IMCO or of Commonwealth and those shares held in the treasury of Commonwealth) will be converted into the right to receive 0.815 of a share of IMCO common stock. The number of shares of IMCO common stock per share of Commonwealth common stock is fixed and will not be adjusted based on increases or decreases in IMCO's stock price.

No fractional shares of IMCO common stock will be issued in the merger and cash will be paid in lieu of a fraction of a share. The amount of cash paid will be an amount equal to the resulting fraction multiplied by the average of the per share closing prices on the New York Stock Exchange of shares of IMCO common stock during the ten consecutive trading days ending on (and including) the trading day immediately preceding the closing date of the merger and will be paid without interest.

Procedures for Exchange of Certificates of Commonwealth Common Stock for IMCO Common Stock

As promptly as practicable after the effective time of the merger, IMCO will deposit with the exchange agent, for the benefit of the holders of Commonwealth common stock, certificates representing shares of IMCO common stock sufficient to effect the conversion of Commonwealth

Edgar Filing: IMCO RECYCLING INC - Form S-4/A

common stock into shares of IMCO common stock. IMCO will also make funds available to the exchange agent from time to time after the effective time of the merger as required to pay any cash instead of fractional shares or any dividends or other distributions declared by IMCO on shares of IMCO common stock with a record date after the effective time of the merger.

As promptly as practicable (but no later than five business days) after the effective time of the merger, IMCO is required to cause the exchange agent to mail to each person who was, at the effective time, a holder of record of Commonwealth shares entitled to receive the merger consideration, a letter of transmittal and instructions to surrender Commonwealth stock. Upon surrender to the exchange agent of a certificate representing Commonwealth shares for cancellation, together with the letter of transmittal, the holder of the Commonwealth shares will receive the shares of IMCO common stock which the holder has the right to receive and cash in lieu of a fraction of a share.

Table of Contents

At the effective time of the merger, the stock transfer books of Commonwealth will be closed and no further registration of or transfers of Commonwealth common stock will be made. If, after the effective time, valid Commonwealth stock certificates are presented to the exchange agent or IMCO for any reason, they will be cancelled and exchanged as described above to the extent allowed by applicable law.

Termination of Exchange Fund

The exchange agent will deliver to IMCO any shares of IMCO common stock to be issued in the merger, cash in lieu of a fraction of a share in connection with the merger or to pay dividends or other distributions on IMCO shares to be issued in the merger that are not claimed by former Commonwealth stockholders within one year after the effective time of the merger. Thereafter, former Commonwealth stockholders shall look only to IMCO for payment of their shares of IMCO common stock, cash in lieu of a fraction of a share and unpaid dividends and distributions. None of the exchange agent, IMCO, or the surviving corporation will be liable to any former Commonwealth stockholder for any shares or dividends or distributions with respect thereto, or cash delivered to a public official pursuant to applicable abandoned property, escheat or similar laws.

Treatment of Commonwealth Stock Options

Pursuant to separate agreements the vesting of all stock options awarded to Steven J. Demetriou, Michael D. Friday, Christopher R. Clegg and Sean M. Stack, all under Commonwealth's 1997 Stock Incentive Plan, as amended and restated, will not accelerate as a result of the merger. These options will remain outstanding following the merger and will be subject to the same terms, conditions and vesting periods as before the merger. All other options outstanding under Commonwealth's 1995 Stock Incentive Plan, as amended and restated and its 1997 Stock Incentive Plan, whether or not exercisable and whether or not vested at the effective time of the merger, will, in accordance with the terms of such plans, be fully vested and exercisable upon, and shall remain outstanding following the effective time of the merger in accordance with the terms of the plans under which they were issued. At the effective time of the merger, all such options will be assumed by IMCO under section 424(a) of the Internal Revenue Code. From and after the effective time of the merger, each option will be exercisable upon the same terms and conditions as were applicable under the applicable Commonwealth stock incentive plan and the applicable option agreement thereunder immediately prior to the effective time of the merger. Each option will be exercisable for and represent the right to acquire that whole number of shares of IMCO common stock, rounded down to the nearest whole share, equal to the number of shares of Commonwealth common stock subject to such option immediately prior to the effective time of the merger multiplied by 0.815. The exercise price per share of IMCO common stock will be an amount equal to the exercise price per share of Commonwealth common stock subject to such option in effect immediately prior to the effective time of the merger divided by 0.815.

The merger agreement contains customary and substantially reciprocal representations and warranties made by each of IMCO and Commonwealth to the other. These representations and warranties relate to, among other things:

Governance

The merger agreement contains provisions related to the post-merger governance of the combined company. In the merger agreement, IMCO agreed to adopt the amendments to the bylaws of IMCO as described in the section entitled "Amendments to IMCO Bylaws" below, to be effective upon the completion of the merger, which implement the provisions of the merger agreement described above. The merger agreement provides that the total number of directors constituting the entire board of directors of IMCO immediately following completion of the merger will be nine, comprised as follows:

four will be current IMCO directors designated by IMCO, of which at least three will be independent,

four will be current Commonwealth directors designated by Commonwealth, of which at least three will be independent, and

Steven Demetriou, as the appointed chairman of the board and chief executive officer of IMCO and Commonwealth as a combined company, will be the ninth director.

No other directors or employees of IMCO or Commonwealth will be designated to serve on the initial board of directors of the combined company upon the completion of the merger.

Under the merger agreement, on or prior to the effectiveness of the merger, IMCO will take such actions as are necessary to cause one Continuing Commonwealth Director (as defined below) and Steven Demetriou to be appointed to be class I directors (term expires 2007) of the IMCO board, two Continuing Commonwealth Directors to be appointed to be class II directors (term expires 2006) of the IMCO board, and one Continuing Commonwealth Director to be appointed to be a class III director (term expires 2005) of the IMCO board, all to be effective immediately following the completion of the merger. It is expected that John E. Grimes, currently a class I director of the IMCO board, will resign from that class and be appointed as a class II director. The merger agreement provides that IMCO and Commonwealth will ensure that at least three of the directors designated by each of them shall be independent for purposes of the rules and regulations of the NYSE.

The merger agreement describes the individuals who are directors of IMCO and of Commonwealth (and their successors) who will constitute the board of directors for IMCO and Commonwealth as a combined company after the completion of the merger and for a period of two years following the closing date of the merger. Continuing IMCO Directors are defined as the directors of IMCO selected by the IMCO board of directors before the closing date of the merger to be directors of IMCO immediately following the effectiveness of the merger, and their successors who are designated by a majority of the Continuing IMCO Directors. Continuing Commonwealth Directors are defined as the directors of IMCO who were selected by the Commonwealth board of directors before the closing date of the merger to be directors of IMCO immediately following the effectiveness of the merger, and their successors who are designated by a majority of the Continuing Commonwealth Directors. Under this definition, Steven Demetriou is not a Continuing Commonwealth Director.

Before the closing of the merger, IMCO will reconstitute the four standing committees of its board of directors so that (1) each committee will be comprised of four members, with two of such members being Continuing IMCO Directors and two of such members being Continuing Commonwealth Directors, and (2) the Chairpersons of the compensation committee and nominating and governance committee will be Continuing IMCO directors and the chairpersons of the audit committee and environmental committee will be Continuing Commonwealth Directors, all to be effective immediately following the completion of the merger.

Table of Contents

Before the closing of the merger, IMCO will take such actions as are necessary to cause Steven Demetriou to be elected or appointed as chief executive officer and chairman of the board of directors of IMCO, Michael Friday to be elected or appointed as chief financial officer of IMCO, each on substantially the terms described in Management of IMCO following the Merger Employment Arrangements, with such appointments to be effective immediately following completion of the merger. IMCO also agreed that it would take such action as is necessary prior to the closing date of the merger to change its corporate name to a name proposed by Mr. Demetriou after consultation with the IMCO board of directors and the Commonwealth board of directors, without the need for approval by the IMCO stockholders.

Under the merger agreement, IMCO agreed that its board of directors would adopt a resolution waiving compliance with the maximum age provisions contained in IMCO's corporate governance guidelines to permit the Commonwealth directors to join the IMCO board, and would maintain that waiver in effect until the successors for all such directors were qualified and assumed office.

In addition, the merger agreement provided that IMCO and Commonwealth would each form ad hoc committees, each being comprised of three of its directors, to jointly consider and make appointments, effective immediately following completion of the merger, of individuals to the officer positions of the business of IMCO and Commonwealth as a combined company who will directly report to Mr. Demetriou as chief executive officer of IMCO. All candidates for the officer positions must be recommended in good faith by Mr. Demetriou. These ad hoc committees will be disbanded at the completion of the merger.

Employee Benefit Matters

IMCO will cause the surviving corporation to maintain all welfare benefit plans of Commonwealth for those individuals who were employees of Commonwealth or any of its subsidiaries at the effective time of the merger, in accordance with the terms of such plans in effect immediately before the effective time, without amendment, other than amendments that do not decrease benefits or that are required by law, for a period from the effective time through at least January 1, 2006.

Generally, IMCO will grant to the individuals who, as of the effective time of the merger, were employees of Commonwealth or any of its subsidiaries credit for past service with Commonwealth for purposes of eligibility and vesting under any employee benefit plans maintained by IMCO, to the same extent as such employee was entitled under the Commonwealth plan immediately before the effective time. IMCO will take such actions as are necessary so that each Commonwealth employee who continues as an employee of IMCO, the surviving company or any of their subsidiaries will not be subject to waiting periods, preexisting condition exclusions or actively-at-work requirements for coverages under any IMCO benefit plan to the extent that these preexisting condition exclusions or waiting periods were waived or satisfied under Commonwealth's plans immediately prior to the closing of the merger.

Indemnification and Insurance

Following the effective time of the merger, IMCO will indemnify, defend and hold harmless each person who is or was an officer or director of Commonwealth or any of its subsidiaries at or prior to the effective time of the merger. This indemnification will include indemnification against: all costs, expenses (including reasonable attorneys' fees), judgments, fines, losses, claims, damages or liabilities incurred in connection with any claim, action, suit, proceeding or investigation, whether civil, criminal, administrative or investigative, arising out of or pertaining to matters existing or occurring at or prior to the effective time of the merger (whether asserted or claimed prior to, at or after the effective time of the merger) to the fullest extent permitted by law. Subject to certain conditions, IMCO will also be under the obligation to advance expenses in connection with such matters.

Edgar Filing: IMCO RECYCLING INC - Form S-4/A

For six years after the effective time of the merger, IMCO will cause the surviving corporation to maintain in effect directors and officers liability insurance covering matters existing or occurring prior to the effective time of the merger with respect to those directors and officers of Commonwealth who were covered by, and on terms and in

Table of Contents

amounts no less favorable than those of, Commonwealth's directors and officers' liability insurance at the time immediately prior to the effective time of the merger. The surviving corporation will not be required to pay aggregate annual premiums for the insurance described in this paragraph in excess of \$1.6 million. However, if the annual premiums of the insurance coverage exceed that amount, the surviving corporation must obtain and maintain insurance having the best coverage available for a cost of up to, but not exceeding, \$1.6 million. However, the surviving corporation's obligation to provide such insurance will be satisfied if, prior to the closing, Commonwealth shall have obtained prepaid policies, which provide such directors and officers with coverage no less advantageous to the insured than the policies in place immediately prior to the effective time of the merger for an aggregate period of six years pertaining to claims arising from facts or events that occurred on or before the effective time including those pertaining to the merger agreement and the transactions contemplated thereby.

Financing

Commonwealth and IMCO have agreed to use their reasonable best efforts to obtain financing which provides funds immediately following the effective time of the merger in an amount sufficient to fully redeem Commonwealth's 10¹/₄% Senior Subordinated Notes due 2006 together with accrued and unpaid interest thereon and refinance in full both Commonwealth's existing accounts receivables financing and both IMCO's and Commonwealth's revolving credit facilities in the amounts outstanding immediately prior to the closing. Obtaining this financing is a condition to the obligations of each of IMCO and Commonwealth to complete the merger. As a result, if the financing cannot be obtained, or cannot be obtained on acceptable terms, the merger may not be consummated.

Amendments to IMCO Bylaws

This section of the joint proxy statement/prospectus describes the material terms of the amendments to IMCO's bylaws as agreed to in the merger agreement. The following summary is qualified in its entirety by reference to the complete text of the amendments to IMCO's bylaws, which are incorporated by reference and attached as *Annex D* to this joint proxy statement/prospectus. We urge you to read the full text of these amendments. The bylaws of IMCO will be amended, effective upon the completion of the merger, to add a new bylaw providing the following:

that the IMCO board of directors has resolved that, effective immediately following the completion of the merger, Steven Demetriou will serve as chairman of the board and chief executive officer of IMCO;

that immediately following the effective date of the merger until the second anniversary of the closing date of the merger, the board of directors will be comprised of the chairman of the board and chief executive officer, and an equal number of Continuing IMCO Directors and Continuing Commonwealth Directors as those terms are described in Governance above, the retirement or removal of a Continuing IMCO Director shall not require any Continuing Commonwealth Director to resign from the board of directors, and any vacancy on the board of directors caused by the death, resignation, retirement or removal of a Continuing Commonwealth Director shall not require a Continuing IMCO Director to resign from the board of directors to be in compliance with this bylaw;

that committees of the IMCO board of directors will be reconstituted immediately following the effective time of the merger, to be comprised of an equal number of Continuing Commonwealth Directors and Continuing IMCO Directors;

that until the second anniversary of the closing date of the merger, any action of the board of directors to nominate for election any person or persons as a director of IMCO at any annual or special meeting, or by written consent, of the stockholders of IMCO who is not a Continuing IMCO Director or a Continuing Commonwealth Director will require the affirmative vote of at least 66²/₃% of the directors then in office;

Table of Contents

that until the second anniversary of the closing date of the merger, any amendment or modification by the board of directors of the charter of IMCO's nominating and governance committee of the board will require the affirmative vote of at least 66 2/3% of the directors then in office; and

that the new bylaw may be modified, amended or repealed, and any bylaw provision inconsistent with the provisions of this new bylaw may be adopted, only by an affirmative vote of at least 66 2/3% of the directors then in office or by the affirmative vote of holders of at least 60% of the voting power of all of the then-outstanding shares of IMCO voting stock, voting together as a single class.

Conditions to Obligations of IMCO and Merger Sub

Unless waived in whole or in part by IMCO and Merger Sub, the obligations of IMCO and Merger Sub to effect the merger are subject to the following conditions:

Commonwealth's performance in all material respects of its agreements and covenants under the merger agreement; and

Table of Contents

receipt of an opinion satisfactory to IMCO of its special tax counsel, Fulbright & Jaworski L.L.P., to the effect that, if the merger is consummated in accordance with the terms of the merger agreement, the merger will constitute a reorganization within the meaning of Section 368(a) of the Internal Revenue Code.

Conditions to Obligations of Commonwealth

Unless waived in whole or in part by Commonwealth, the obligations of Commonwealth to effect the merger are subject to the following conditions:

the truth and correctness of IMCO's representations or warranties in the merger agreement, except where the failure to be true and correct has not had a material adverse effect on IMCO;

IMCO's and Merger Subsidiaries' performance in all material respects of their agreements and covenants under the merger agreement; and

receipt of an opinion satisfactory to Commonwealth of its special tax counsel, Sullivan & Cromwell LLP, to the effect that, if the merger is consummated in accordance with the terms of the merger agreement, the merger will constitute a reorganization within the meaning of Section 368(a) of the Internal Revenue Code.

No Solicitation of Alternative Proposals

IMCO and Commonwealth each agrees that neither it, nor any of its subsidiaries, nor any of its officers, directors, employees or representatives, nor any officers, directors, employees or representatives of its subsidiaries, will not, directly or indirectly:

initiate, solicit or encourage, any inquiries or the making of any proposal or offer that constitutes a third party competing proposal (of the type described below in this joint proxy statement/prospectus); and

engage in any negotiations concerning, or provide any confidential information or data to, or have any discussions with, any person relating to a competing proposal, provided, however, nothing will prevent either Commonwealth or IMCO or their respective boards of directors from:

complying with its disclosure obligations pursuant to Sections 14(a), 14(d) or 14(e) of the Securities Exchange Act of 1934; and

at any time prior to, but not after, the time the merger agreement is adopted at the Commonwealth special meeting or the share issuance is approved at the IMCO special meeting, as applicable:

providing information in response to an unsolicited bona fide written competing proposal under the terms of a confidentiality agreement that contains substantially the same terms as the confidentiality agreement applicable to IMCO or Commonwealth, as the case may be;

Edgar Filing: IMCO RECYCLING INC - Form S-4/A

engaging in any negotiations or discussions with any person who has made an unsolicited bona fide written competing proposal; or

recommending such a competing proposal to the stockholders of Commonwealth or IMCO, as the case may be.

Commonwealth and IMCO may only take these actions if and only to the extent that, in each case described above, the applicable board of directors determines in good faith after consultation with outside legal counsel that such action, in light of the competing proposal and the terms of the merger agreement, is necessary to comply with the board's respective fiduciary duties, and in case of engaging in any negotiations or discussions or making such a recommendation of a competing proposal, Commonwealth or IMCO, as the case may be, is in compliance with the merger agreement and the respective board of directors determines in good faith that such competing proposal, if accepted is reasonably likely to be consummated, and if consummated, would constitute a superior proposal (as described elsewhere in this joint proxy statement/prospectus).

Table of Contents

Commonwealth and IMCO have agreed to promptly notify the other if any such inquiries, proposals or offers are received by, any such information is requested from, or any such discussions or negotiations are sought to be initiated or continued with, any of its representatives, the name of such person and the material terms and conditions of any proposals or offers, and thereafter shall keep IMCO or Commonwealth informed, on a current basis, on the status and terms of any such proposals or offers and the status of any such discussions or negotiations.

Each of Commonwealth and IMCO has agreed that, during the five business day period prior to recommending a competing proposal to its stockholders, it and its outside legal counsel and financial advisors will negotiate in good faith with the other party, regarding any proposed revisions to the terms of the transactions contemplated by the merger agreement. The competing proposal may only be recommended to the appropriate stockholders if the IMCO or Commonwealth board of directors, as the case may be, determines in good faith that such competing proposal continues to be a superior proposal in light of any revisions to the merger agreement to which the parties have agreed prior to the expiration of such five business day period. A new notice will be delivered with respect to each competing proposal that has been materially revised or modified prior to taking any action to recommend such competing proposal to the appropriate stockholders and a new five business day period will commence from the time of this notice. The IMCO or Commonwealth board of directors, as the case may be, however, may make a change in recommendation in respect of a competing proposal that is received 10 days or less prior to the Commonwealth or the IMCO special meeting, provided that the party making that change in recommendation is in compliance with the terms of the merger agreement and provides notice to the other party before making such change.

As used in the merger agreement, **competing proposal** means any proposal or offer, other than a proposal or offer by IMCO or Commonwealth or any of their affiliates, with respect to a merger, reorganization, share exchange, consolidation, business combination, recapitalization, liquidation, dissolution or similar transaction involving Commonwealth or IMCO, as the case may be, or any of its material subsidiaries or any purchase or sale of 15% or more of the assets of Commonwealth or IMCO, as the case may be, and its respective subsidiaries, taken as a whole, or any purchase or sale of, or tender or exchange offer for, voting securities of Commonwealth or IMCO, as the case may be, that, if consummated, would result in any person (or the stockholders or other equity owners of such person) beneficially owning securities representing 15% or more of the total voting power of Commonwealth or IMCO, as the case may be (or the surviving parent entity in such transaction).

As used in the merger agreement, the term **superior proposal** means any unsolicited bona fide written competing proposal which the board of directors of Commonwealth or IMCO, as the case may be, concludes in good faith, after consultation with its financial advisors and outside legal advisors, taking into account all legal, financial, regulatory and other aspects of the proposal and the person making the proposal and such other matters as such board of directors deems relevant, is more favorable to the stockholders of Commonwealth or IMCO from a financial point of view, than the transactions contemplated by the merger agreement (including the terms, if any, proposed by IMCO or Commonwealth to amend or modify the terms of the transactions contemplated by the merger agreement) and is fully financed or reasonably capable of being fully financed and otherwise reasonably capable of being completed on the terms proposed. For purposes of this definition, the term **competing proposal** shall have the meaning described above in this joint proxy statement/prospectus, except that the reference to 15% or more shall be deemed to be a reference to a majority and the stockholders of Commonwealth or IMCO would own less than 50% of the equity interests having general voting power under ordinary circumstances to elect directors of IMCO following the consummation of the competing proposal.
