ITEM 3.03 MATERIAL MODIFICATION TO RIGHTS OF SECURITY HOLDERS

On January 31, 2005, the Board of Directors of VerticalBuyer, Inc. (the Company) approved a 40 to 1 consolidation of shares or reverse stock split of its common stock (the Reverse Split). The Board approved the Reverse Split in contemplation of a potential merger of the Company with Computer Software Innovations, Inc., a South Carolina corporation (CSI). CSI, on January 31, 2005, acquired ownership of approximately 77% of the Company's common stock. Additional information concerning such purchase and a brief description of CSI is provided under Item 5.01, which is hereby incorporated into this Item 3.03 by this reference. Certain financial statements of CSI are filed as Exhibits 99.1 and 99.3 hereof.

In the Reverse Split, every 40 shares of the Company's common stock issued and outstanding on the record date, February 10, 2005, will be converted and combined into one share of post-split shares, and the par value of all shares of common stock will be eliminated. The par value of the Company's common stock is currently fixed at \$0.001 per share. The Reverse Split will be effectuated pursuant to an Certificate of Amendment to the Company's Certificate of Incorporation and shall be payable on February 11, 2005. No fractional shares will be issued, nor any cash paid in lieu thereof. Rather, all fractional shares will be rounded up to the next highest number of post-split shares and the same shall be issued to any beneficial holder of such pre-split shares which would have resulted in fractional shares. Accordingly, each beneficial holder of the Company's common stock will receive at least one post-split share and no shareholders will be eliminated. Continental Stock Transfer & Trust Company, New York, New York, the Company's transfer agent, will serve as exchange agent for the Reverse Split.

The Reverse Split has been approved by the shareholders of the Company, by CSI acting as majority shareholder pursuant to a written consent. A notice of such action taken by written consent will be forwarded shortly to all of the Company's shareholders of record. The Company intends to file a Certificate of Amendment to the Certificate of Incorporation of the Company setting forth the above terms on or before February 10, 2005.

ITEM 4.01. CHANGES IN REGISTRANT'S CERTIFYING ACCOUNTANT

On January 31, 2005, the Board of Directors of the Company engaged Elliott Davis, LLC as the Company's new independent registered public accounting firm to replace Sherb & Co., LLP for the fiscal year ended December 31, 2004. On such date, CSI acquired approximately 77% of the issued and outstanding shares of common stock of the Company. Elliott Davis is the existing public accountant of CSI. Accordingly, in the interest of economy and in order to avoid duplication, the Board of Directors of the Company voted to dismiss Sherb & Co., LLP and engage Elliott Davis, LLC as the Company's new independent accountant.

The report of Sherb & Co., LLP on the consolidated financial statements of the Company for its fiscal year ended December 31, 2002 contained no adverse opinion or disclaimer of opinion and was not qualified or modified as to uncertainty, audit scope or accounting principles. The report of Sherb & Co., LLP on the consolidated financial statements of the Company for its fiscal year ended December 31, 2003 contained no adverse opinion or disclaimer of opinion and was not qualified or modified as to audit scope or accounting principles, but was modified to reflect the existence of certain conditions that raised substantial doubt about the Company's ability to continue as a going concern.

In connection with its audits for the two fiscal years ended December 31, 2003 and through the interim period through January 31, 2005, there have been no disagreements with Sherb & Co., LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements if not resolved to the satisfaction of Sherb & Co., LLP would have caused them to make reference thereto in their report on the Company's consolidated financial statements for such years.

During the two most recent fiscal years and through January 31, 2005 there have been no reportable events (as defined in Regulation S-B Item 304(a)(1)(iv)).

The Company has provided Sherb & Co., LLP with a copy of the foregoing disclosures. The Company will provide the Commission a copy of the letter of Sherb & Co., LLP provided pursuant to Item 304(a)(3) within two business days of its receipt.

During the two most recent fiscal years and through January 31, 2005, the Company has not consulted with Elliott Davis, LLC regarding either the application of accounting principles to a specified transaction, either completed or contemplated, or the type of audit opinion that might be rendered on the Company's financial statements.

ITEM 5.01 CHANGES IN CONTROL OF REGISTRANT.

On January 31, 2005, CSI entered into a Stock Purchase Agreement (the "Stock Purchase Agreement") with Maximum Ventures, Inc., a New York corporation ("Maximum"), pursuant to which CSI acquired 13,950,000 voting shares of the Company's common stock from Maximum, representing an approximately 77% record and beneficial interest in the Company. The consideration for the shares was approximately \$450,000 plus \$20,000 paid for reimbursement of Maximum's legal expenses. Of the total amount paid to Maximum by CSI, approximately \$56,387.50 was applied against outstanding liabilities of the Company. The consideration was paid out of cash of CSI, and \$50,000.00 was advanced by Barron Partners L.P., a Delaware limited partnership ("Barron"), as described below.

The purchase by CSI was made in contemplation of a merger, whereby CSI would merge into the Company and thereby gain a broader investor base and report to the Securities and Exchange Commission. The Company reports to the Commission under Section 15(d) of the Securities Exchange Act of 1934, as amended, and has existed as a shell corporation since discontinuing its fiber optic lighting sales and industry-specific internet news portal development operations in September 2001. CSI has indicated that such a merger is conditioned upon the raising of additional capital. The Company's Board of Directors and shareholders have approved a reverse stock split to help facilitate a potential merger with CSI. The Reverse Split is described in Item 3.03, which is incorporated into this Item 5.01 by this reference.

As a condition to the consummation of the Stock Purchase Agreement, Mr. Abraham Mirman, as Chairman and sole Director of the Company, authorized an increase in the number of Board members to four and appointed three new directors selected by CSI, whereupon he resigned as President, CEO and Director of the Company and Mr. Chris Kern resigned as CFO. The three newly appointed Directors, who have had no previous association with either the Company or CSI are: Anthony Sobel, Chairman; Tom Butta; and Shaya Phillips. Subsequently, the following officers were appointed by the newly constituted Board: Nancy Hedrick, President & CEO; Beverly Hawkins, Secretary; Bill Buchanan, Treasurer; and Joe Black, Interim Chief Financial Officer. Ms. Hedrick, Ms. Hawkins and Messrs. Buchanan and Black are all officers of CSI. Information concerning all of the new directors and officers of the Company is presented under Item 5.02 below, which is incorporated into this Item 5.01 by this reference.

Pursuant to a letter agreement between the Company and Barron, CSI is prohibited from selling its ownership stake in the Company to anyone other than Barron, and Barron is obligated to repurchase such common stock of the Company from CSI if a merger between CSI and the Company is not consummated. Of the total consideration paid to acquire Maximum's interest in the Company, \$50,000.00 was paid to Maximum by Barron prior to the execution of the Stock Purchase Agreement between CSI and Maximum. The Company, CSI and Barron are currently in negotiations with respect to a potential investment by Barron.

Risk Factors

Since September 2002, the Company has been maintained as a shell company. It currently has no assets and is not engaged in business operations of any kind. The Company has no business plan currently in place. The Company's primary value appears to be its public investor base and status as a company

reporting to the Securities and Exchange Commission. Absent a merger with CSI or another operating company, or use as a vehicle for another business venture, the Company's future and value are uncertain.

While a merger is contemplated between the Company and CSI, the terms of the merger remain subject to negotiation. There can be no assurance that any such merger will in fact occur.

The contemplated merger between the Company and CSI is predicated upon the Company's receiving additional capital. While the Company and CSI are negotiating with a potential investor to obtain such capital, there can be no assurance that the Company will be able to obtain the necessary funding on reasonable terms.

Assuming that the Company and CSI obtain the additional capital they are seeking, and a merger is effected, there is no assurance that the Company's subsequent business operations will be successful. The Company would be a relatively small player in the competitive software applications and network integration marketplace, and would be subject to the risk of a private company making the transition to being publicly-held. Also, the likelihood of the success of the Company must be considered in light of the problems, expenses, difficulties, complications and delays frequently encountered by a relatively small business of its size, the continued development of products and services, and the competitive environment in which the Company would operate.

Forward-looking statements

The Company cautions readers that the statements contained herein regarding the Company's future business plans, operations, opportunities or prospects, including any factors which may affect future earnings, are forward-looking statements made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Such forward-looking statements are based upon management's current knowledge and assumptions about future events and involve risks and uncertainties that could cause actual results to differ materially from anticipated results.
