The conditions in regard to the internal system regarding timely disclosure of corporate information of the Company are as follows:

**[Internal system regarding timely disclosure]**

The Company's internal system regarding timely disclosure is as shown in the following diagram.

Information concerning material decisions, occurrences and financial statements in regard to the Company and its subsidiaries shall be reported to the Corporate Communications Department of the head office.

The General Manager of the Corporate Communications Department undertakes disclosure appropriately pursuant to laws and regulations and regulations for disclosure under the supervision of the Officer in charge of timely disclosure to stock exchanges, etc.

The Information Disclosure Committee governs information disclosure and is working to improve the level of information disclosure.

As a company to which the Sarbanes-Oxley Act is applied, the Company is steadily pursuing enhancement of internal control systems required in financial reporting. Directors, executive officers and senior officers of the Company work further towards enhancement of corporate governance by doubling as directors and statutory auditors in the major domestic and foreign subsidiaries, etc.

(2) Internal regulations in regard to information disclosure

The Company established Komatsu's Code of Worldwide Business Conduct as business rules which all the employees of the Company and its subsidiaries must comply with and also made such Code available to the public on its website. It is specified in such Code that the Komatsu Group will actively disclose corporate information to stakeholders such as shareholders (including investors) as much as possible within the limitations of protecting confidential information. In addition, the Company established the Code of Ethics for Senior Officers and specified the

## Edgar Filing: KOMATSU LTD - Form 6-K

rules that the executives and senior officers of the Company and its subsidiaries must comply with in order to make adequate information disclosure. Moreover, internal rules with respect to information disclosure have been established, so that material information concerning the Company and its subsidiaries is disclosed in a timely and appropriate manner.
