Actions will be taken at the Annual Meeting to (1) elect a Board of Directors to serve until the next Annual Meeting of Stockholders; (2) ratify the selection of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2005, and (3) transact any other business which may properly come before the meeting.

Shares of Nexstar common stock, par value \$0.01, ("Common Stock"), represented by a properly executed proxy that is received by Nexstar prior to the Annual Meeting, will, unless revoked, be voted as directed in the proxy. If a proxy is signed and returned, but does not specify how the shares represented by the proxy are to be voted, the proxy will be voted (i) **FOR** the election of the nominees named therein (ii) **FOR** PricewaterhouseCoopers LLP as Nexstar's independent registered public accounting firm in 2005 and (iii) in such manner as the persons named in your proxy card shall decide on any other matters that may properly come before the Annual Meeting.

This Proxy Statement, the accompanying notice and the enclosed proxy card are first being mailed to stockholders on or about April 15, 2005.

Nexstar's principal mailing address is 909 Lake Carolyn Parkway, Suite 1450, Irving, TX 75039.

ANNUAL REPORT AND INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Nexstar's Annual Report to Stockholders for the fiscal year ended December 31, 2004, including Nexstar's financial statements and PricewaterhouseCoopers LLP's report on the financial statements and management's assessment and effectiveness of internal controls, is being mailed with this proxy statement to each of Nexstar's stockholders of record on April 8, 2005. Exhibits will be provided at no charge to any stockholder upon written request to Nexstar Broadcasting Group, Inc., attention: Bob Thompson, Chief Financial Officer. Representatives of PricewaterhouseCoopers LLP are expected to be present at the Annual Meeting where they will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

VOTING SECURITIES

Edgar Filing: NEXSTAR BROADCASTING GROUP INC - Form DEF 14A

Stockholders of record on April 8, 2005 may vote at the Annual Meeting. On that date, there were 14,289,310 shares of Class A Common Stock; 13,411,588 shares of Class B Common Stock and 662,529 shares of Class C Common Stock outstanding. Holders of our Class A Common Stock and our Class B Common Stock will generally vote together as a single class on all matters submitted to a vote of our stockholders. The holders of Class A Common Stock are entitled to one vote per share and the holders of Class B Common Stock are entitled to 10 votes per share. Holders of our Class C Common Stock have no voting rights. If a quorum is present at the Annual Meeting, the directors will be elected by a plurality of the votes cast at the Annual Meeting by the holders of shares entitled to vote. Votes may be cast in favor of a nominee for director or withheld. Votes

that are withheld or broker non-votes will have no effect on the outcome of the election of directors. (Broker non-votes occur when brokers or nominees holding stock in street name indicate on proxies that they do not have discretionary authority to vote the shares on a particular matter.)

Stockholders of record may vote their proxies by signing, dating and returning the enclosed Proxy Card. If no instructions are indicated, the shares represented by such proxy will be voted according to the recommendations of our Board of Directors. Each proxy that is properly received by Nexstar prior to the Annual Meeting will, unless revoked, be voted in accordance with the instructions given on such proxy. Any stockholder giving a proxy prior to the Annual Meeting has the power to revoke it at any time before it is exercised by a written revocation received by the Secretary of Nexstar or by executing and returning a proxy bearing a later date. Any stockholder of record attending the Annual Meeting may vote in person, whether or not a proxy has been previously given, but the mere presence of a stockholder at the Annual Meeting will not constitute revocation of a previously given proxy. In addition, stockholders whose shares of Common Stock are not registered in their own name will need to obtain a legal proxy from the record holder of such shares to vote in person at the Annual Meeting.

VOTE NECESSARY TO APPROVE PROPOSALS

Proposal 1: Election of Directors

The election of directors requires a plurality of the votes cast, and votes may be cast in favor of the nominees or withheld. A plurality means that the nominee receiving the most votes for election to a director position is elected to that position. Votes that are withheld and broker non-votes will be excluded entirely from the vote to elect directors and have no effect.

Proposal 2: Ratification of the Selection of Independent Registered Public Accounting Firm

The ratification of the selection of our independent registered public accounting firm requires the affirmative vote of a majority of the votes cast at the meeting. Votes may be cast for or against such ratification. Stockholders may also abstain from voting. Abstentions will count in the tabulations of votes cast on this proposal, while broker non-votes are not counted as votes cast or shares voting on such matter and will have no effect on the voting on such matter.

SECTION 16(a) BENEFICIAL OWNERSHIP

REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors, executive officers and persons who beneficially own more than ten percent of a registered class of our equity securities to file with the Securities and Exchange Commission initial reports of ownership and reports of changes in ownership of such equity securities of Nexstar. Officers, directors and greater than ten percent beneficial owners are required to furnish Nexstar with copies of all Section 16(a) forms they file.

Based on our records and review of the copies of Section 16(a) reports furnished to us, during the fiscal year ended December 31, 2004, we believe all Section 16(a) filing requirements applicable to Nexstar's executive officers, directors and greater than ten percent beneficial owners were timely satisfied, except as described below:

In August 2004, Perry A. Sook, our Chairman of the Board, President and Chief Executive Officer purchased 10,000 shares of our common stock. Upon Mr. Sook's attempt to timely file his Form 4, he was informed by the SEC that his filing codes had changed. As a result of having to wait until new filing codes were assigned, his Form 4 filing was late.

In May 2004, each of I. Martin Pompadur, Geoff Armstrong and Michael Donovan, each a Director of Nexstar, were granted options to purchase 10,000 shares of our common stock. Due to an inadvertent administrative error their Form 4 filings were late.

Committees of the Board of Directors

The Board of Directors currently has the following three standing committees:

(a) *Compensation Committee*, consisting of Messrs. Grossman, Armstrong and Yudkoff. The Compensation Committee met four times during 2004. The function of the Compensation Committee is to review compensation paid to Nexstar's officers and employees and to administer Nexstar's stock option and other incentive plans. The Compensation Committee operates under a written charter adopted by the Board of Directors. A copy of such charter is available through our web site at www.nexstar.tv.

(b) *Audit Committee*, consisting of Messrs. Armstrong, Donovan and Pompadur. The Audit Committee met eleven times during 2004. The function of the Audit Committee is to oversee the quality and integrity of Nexstar's accounting, internal auditing and financial reporting practices, to perform such other duties as may be required by the Board of Directors, and oversee Nexstar's relationship with its independent registered public accounting firm. The members of the audit committee are independent as that term is defined in the National Association of Securities Dealers Listing Standards. The Board has determined that Mr. Armstrong is an audit committee financial expert for purpose of the SEC's rules. The Audit Committee operates under a written charter adopted by the Board of Directors. A copy of such charter is available through our web site at www.nexstar.tv.

(c) *Nominating and Corporate Governance Committee*, consisting of Messrs. Armstrong, Donovan and Pompadur. The Nominating and Corporate Governance Committee met one time during 2004. The members of the committee are independent as defined in the marketplace rules which govern Nasdaq Stock Market. The function of the Nominating and Corporate Governance Committee is to identify individuals qualified to serve on Nexstar's Board of Directors; to recommend to the Board of Directors the persons to be nominated by the Board of Directors for election as directors at the annual meeting of stockholders; to develop and recommend to the Board of Directors a set of corporate governance principles applicable to us; and to oversee the evaluation of the Board of Directors and management. The Nominating and Corporate Governance Committee operates under a written charter adopted by the Board of Directors. A copy of such charter is available through our web site at www.nexstar.tv.

Additional Information Concerning the Board of Directors

During 2004, each director attended at least 75% of the total of the Board of Directors and committee meetings that he or she was obligated to attend except for Ms. Peggy Koenig and Mr. Donovan.

Because fewer than ten non-management stockholders attended our 2004 Annual Meeting of Stockholders in person, the Board has not adopted a formal policy with regard to director attendance at the annual meeting of stockholders. Mr. Sook and Mr. Battaglia attended the 2004 Annual Meeting of Stockholders.

The Board of Directors has not adopted a nominating policy to be used for identifying and evaluating nominees for director, including director candidates recommended by stockholders, and has not established any specific, minimum qualifications that director nominees must possess. Instead, the Nominating and Governance Committee plans to determine the qualifications and skills required to fill a vacancy to complement the existing qualifications and skills, as a vacancy arises in the Board of Directors. However, if it is determined that a nominating policy would be beneficial to Nexstar, the Board of Directors may in the future adopt a nominating policy.

As disclosed by Nexstar on a Current Report on Form 8-K filed by Nexstar with the Securities and Exchange Commission on March 31, 2005, Ms. Koenig resigned from the Board of Directors. Ms. Koenig informed the Board that her resignation was not the result of any disagreement. Upon Ms. Koenig's resignation, Mr. Stone was appointed to the Board.

Nexstar is a controlled company in accordance with rules and regulations of NASDAQ, because ABRY Partners, LLC through its affiliated funds controls a majority of the outstanding voting stock. As a result, we are not required to maintain a majority of independent directors on our Board of Directors or to have the compensation of our executive officers and the nomination of directors be determined by independent directors.

Code of Ethics

The Board of Directors adopted a code of ethics that applies to our chief executive officer, chief financial officer, the other executive officers and directors, and persons performing similar functions. The purpose of the code of ethics is to promote honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships, to promote full, fair, accurate, timely and understandable disclosure in periodic reports required to be filed by Nexstar Broadcasting Group, Inc. and its subsidiaries, and to promote compliance with all applicable rules and regulations that apply to Nexstar Broadcasting Group, Inc. and its subsidiaries and their respective officers and directors. The code of ethics was attached as an exhibit to Nexstar's Annual Report for the year ended December 31, 2003 on Form 10-K filed with the Securities and Exchange Commission.

AUDIT COMMITTEE REPORT

The financial statements of Nexstar Broadcasting Group Inc. are prepared by management, which is responsible for their objectivity and integrity. The Audit Committee has reviewed and discussed the audited financial statements of the Company for the year ended December 31, 2004 with management.

The Audit Committee has discussed with PricewaterhouseCoopers LLP, the independent registered public accounting firm who audited the Company's December 31, 2004 financial statements and management's assessment and effectiveness of internal controls, the matters required to be discussed in Statement on Auditing Standards No. 61, "Communication with Audit Committees", as amended. Additionally, the Audit Committee has received the written disclosures and the letter from PricewaterhouseCoopers required by Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees". The Audit Committee has discussed with PricewaterhouseCoopers its independence from the Company and has also considered the compatibility of non-audit services it provided with its independence.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2004 for filing with the Securities and Exchange Commission.

Respectfully submitted,

Geoff Armstrong, Chair

Michael Donovan

I. Martin Pompadur

- (1) Options are non-qualified options granted under the 2003 Long Term Incentive Plan and generally are not exercisable until six months after their grant, vest over the span of five years and expire 10 years from the date of grant.
- (2) Options are granted at an exercise price equal to the last reported sale price of our common stock, as reported on the NASDAQ on the date of grant.
- (3) The potential realizable value is calculated based on the term of the stock option at the time of grant. Stock price appreciation of 5% and 10% is assumed pursuant to rules promulgated by the SEC and does not represent our prediction of our stock price performance. The potential realizable values at 5% and 10% appreciation are calculated by assuming that the exercise price on the date of grant appreciates at the indicated rate for the entire term of the stock option and that the stock option is exercised at the exercise price and sold on the last day of its term at the appreciated price.

2003 Long-Term Equity Incentive Plan

Edgar Filing: NEXSTAR BROADCASTING GROUP INC - Form DEF 14A

Prior to our initial public offering in 2003, our board of directors and stockholders adopted the Nexstar Broadcasting Group, Inc. Long-Term Equity Incentive Plan (the 2003 Plan). The 2003 Plan provides for the granting of stock-based awards to our directors, executive officers, other key employees of Nexstar and

consultants. Awards granted under the 2003 Plan may be in the form of incentive stock options, non-qualified stock options, stock appreciation rights (SARs), either alone or in tandem with options, restricted stock, performance awards, or any combination of the foregoing. Our board of directors has delegated the administration of our equity incentive plan to the board's compensation committee, which has the authority to grant awards under such plan and to determine any terms, conditions, or restrictions relating to such awards. Our board of directors or the compensation committee may amend or terminate our equity incentive plan, but may not amend such plan without the approval of our stockholders if such amendment would violate any law or agreement or the rules of any exchange upon which our common stock is listed. Except as otherwise determined by the compensation committee or as described below with respect to the termination of a participant's services in certain circumstances including a change of control, no grant under the plan may be exercised, and no restrictions relating to the grant may lapse, within six months of the date of the grant. Each employee to whom a grant is made under the plan will enter into a written agreement with us that will contain additional provisions relating to the vesting of the grant.

The number of shares of our common stock with respect to which benefits may be granted under the 2003 Plan may not exceed 3,000,000 shares of our Class A Common Stock. At December 31, 2004, a total of 2,123,000 shares of our authorized but unissued Class A Common Stock were subject to outstanding stock options under the 2003 Plan. No other form of award was outstanding at December 31, 2004 and any future award grants have not yet been determined. The options outstanding under our equity incentive plan are subject to vesting. As of December 31, 2004 options to purchase 526,000 shares of our Class A Common Stock have vested, and options to purchase 1,597,000 shares of our Class A Common Stock will vest ratably over five years from the date of grant.

If a participant's services are terminated within one year following a change of control, then all of the participant's options and SARs become immediately fully vested and exercisable and remain so for up to one year after the date of termination but in no event after the expiration date of the award. In addition, the compensation committee may grant options that become fully vested and immediately exercisable automatically upon a change of control, whether or not the participant is subsequently terminated. Further, upon a change of control all restrictions on shares of restricted stock granted to a participant immediately lapse, and a participant who has been granted a performance award will earn no less than the portion of the performance award that he would have earned if the applicable performance cycle had terminated on the date of the change of control.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

This report contains information regarding the cash and equity compensation of the Company's Chief Executive Officer during the last completed fiscal year and the Company's other most highly compensated executive officers.

The Compensation Committee of the Board of Directors (the "Compensation Committee") makes all decisions about the compensation of the Chief Executive Officer and also has the authority to review and approve the compensation for its other executive officers. The primary objective of the Compensation Committee in determining total compensation (both salary and incentives) of the Company's executive officers, including the Chief Executive Officer, are (i) to enable the Company to attract and retain highly qualified executives by providing total compensation opportunities with a combination of elements which are at or above competitive opportunities, (ii) to tie executive compensation to the Company's general performance and specific attainment of long-term strategic goals, and (iii) to provide a long-term incentive for future performance that aligns shareholder interests and executive rewards.

The principal elements of the Company's executive compensation consist of the following:

Base Salary. The annual base salaries of the Company's executive officers, including the Chief Executive Officer, are established in employment agreements executed with each individual (see "Compensation of Executive Officers" Employee Agreements). Under these employment agreements, base salaries are increased annually. Annual salary increases for the executive officer group are generally consistent, on a percentage basis, with those received by non-executive employees.

Bonuses. Under the terms of their employment agreement, each executive officer is eligible to earn a targeted annual cash bonus. The Company does not utilize defined formulas for bonuses to its executive officers, including the Chief Executive Officer. Executive officers are entitled to receive an annual bonus based on their attainment of goals set by the Board of Directors or Chief Executive Officer. The payment of bonuses is made on a discretionary basis and rewards individuals for their contributions which positively affect the overall success of the Company.

Stock options. The number of stock options granted to each executive officer is determined by the Compensation Committee, based on the individual's level of responsibility. The Company's stock-based compensation plan is intended to motivate and reward the executive officers and to retain their continued services while providing long-term incentive opportunities with shareholder benefits of an increased common stock value. With certain limited exceptions, stock option awards made under the Company's stock-based compensation plan vest 20% per year over a five-year period, dependent on continued employment. The exercise price of stock options may not be less than the market price of the Company's common stock on the date of grant. Stock option awards must be exercised within ten years of the date of grant of the option, subject to earlier expiration upon termination of the executive's employment. The provisions of the Company's stock-based compensation plan limits the number of options that may be granted to any one individual in a calendar year to 10% of the total number of options authorized under the plan.

The Compensation Committee reviews compensation levels for the executive officers of the Company near the beginning of each calendar year. In its consideration of the compensation for a specific executive, the Compensation Committee considers various factors, including the executive's job performance, the compensation level of competitive jobs, and the financial performance of the Company. For executive officers other than the Chief Executive Officer, the Compensation Committee considers the recommendations of the Chief Executive Officer.

Chief Executive Officer's Compensation. The compensation provided to the Company's Chief Executive Officer, Perry A. Sook, consisted of the elements described above. Pursuant to an employment agreement effective October 1, 2002, Mr. Sook received an annual base salary of \$630,000 for the year ended December 31, 2004. Additionally, under his employment agreement, Mr. Sook was awarded an annual cash bonus

Edgar Filing: NEXSTAR BROADCASTING GROUP INC - Form DEF 14A

of \$350,000 for 2004. In determining Mr. Sook's bonus, the Compensation Committee considered the factors described above which apply to bonuses awarded to all executive officers. On

December 15, 2004, Mr. Sook was granted an option to acquire 300,000 shares of the Company's Class A Common Stock. This option award was granted pursuant to the general terms and provisions of the Company's stock-based compensation plan, as described above.

**PROPOSAL 2 RATIFICATION OF THE SELECTION OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Subject to ratification by the stockholders, the audit committee of our Board of Directors has selected the firm of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2005.
