Reorganization

On November 21, 2004, THCR and its subsidiaries (collectively, the Debtors) voluntarily filed petitions for relief under chapter 11 of the United States Bankruptcy Code (Chapter 11) in the United States Bankruptcy Court for the District of New Jersey (the Bankruptcy Court). On May 20, 2005 (the Effective Date), the Second Amended and Restated Plan of Reorganization, dated as of March 20, 2005 (the Plan of Reorganization) of the Debtors became effective. As of the Effective Date, all existing debt and equity securities of THCR were exchanged for new securities of TER pursuant to the Debtors' Plan of Reorganization.

As part of the Plan of Reorganization, the Company implemented a 1,000 for 1 reverse stock split (the Reverse Stock Split) of THCR's common stock, par value \$0.01 per share (the Old Common Stock), such that each 1,000 shares of Old Common Stock immediately prior to the Reverse Stock Split were consolidated into one (1) share of TER's Common Stock. The aggregate fractional share interests beneficially owned by each holder of Old Common Stock were rounded up to the nearest whole number. Following the Reverse Stock Split, holders of the Old Common Stock received an aggregate of 19,944 shares of TER's Common Stock (approximately 0.05% on a fully diluted basis for holders other than Donald J. Trump). Such holders (other than Mr. Trump) also received Class A warrants to purchase up to approximately 2,207,260 shares of TER's Common Stock (approximately 5.34% on a fully diluted basis) (Class A Warrants) and an aggregate of \$17.5 million in cash. Based on the foregoing, each holder of Old Common Stock received for each share of the Old Common Stock beneficially owned by such holder:

0.001 shares of TER's Common Stock, subject to the disposition of fractional interests;

Class A Warrants to purchase until May 22, 2006 up to 0.1106736 shares of TER Common Stock for a purchase price of \$14.60 per share of TER Common Stock; and

approximately \$0.88 in cash.

In addition, such holders of the Old Common Stock are entitled to receive a pro rata share of the net proceeds from the sale of the former World's Fair site in Atlantic City, New Jersey, which is expected to be sold at auction at Trump Plaza Hotel and Casino in Atlantic City, New Jersey on September 13, 2005.

Although the Company has emerged from Chapter 11, the Company is still in the process of resolving various claims and other litigation in connection with the Plan of Reorganization, which may continue for the foreseeable future.

QUESTIONS AND ANSWERS

Question #1. What will stockholders vote on at the Annual Meeting?

Answer #1. At the Annual Meeting, stockholders will be asked to vote on the following proposals and conduct the following business:

1. To elect three (3) Class I Directors to the Company's Board to hold office until the third annual stockholders' meeting following the Annual Meeting or until their respective successors are elected and qualified;
2. To ratify the Board's appointment of Ernst & Young LLP, an independent registered public accounting firm, as the Company's independent auditors for the 2005 fiscal year;
3. To adopt the Trump Entertainment Resorts, Inc. 2005 Incentive Award Plan (the 2005 Plan), a copy of which is attached to this Proxy Statement as *Annex A*; and
4. To transact any other business that properly comes before the Annual Meeting.

Question #2. Who may vote at the Annual Meeting?

Answer #2. As of the close of business on the Record Date, there were issued and outstanding (i) 27,076,780 shares of our Common Stock and (ii) 900 shares of our Class B Common Stock. Each share of the Company's Common Stock entitles the holder thereof to one (1) vote on each proposal to be acted upon at the Annual Meeting. The 900 shares of our Class B Common Stock, all of which are beneficially owned by Donald J. Trump, represent Mr. Trump's limited partnership interest in Trump Entertainment Resorts Holdings, L.P. (TER Holdings) (formerly known as Trump Hotels & Casino Resorts Holdings, L.P. (THCR Holdings)), and have the voting equivalency of 9,377,484 shares of our Common Stock.

Our Common Stock and Class B Common Stock will vote as a single class on the proposals contained in this Proxy Statement.

In order to attend the Annual Meeting, you must bring photo identification and the enclosed entrance pass.

Question #3. What if my shares are held in street name by a broker?

Answer #3. If you are the beneficial owner of shares held in street name by a broker, your broker, as the record holder of the shares, must vote those shares in accordance with your instructions. Shares held in street name may be voted by your broker on discretionary items in the absence of voting instructions given by you. On non-discretionary items for which you do not give instructions, the shares will be treated as broker non-votes. The proposals regarding the election of directors and the ratification of our independent auditors are considered discretionary and therefore, may be voted upon by your broker even if you do not give instructions for the shares held by your broker. The proposal regarding the adoption of the 2005 Plan is considered non-discretionary and therefore, may not be voted upon by your broker absent your instructions.

Question #4. How many shares must be present to hold the Annual Meeting?

Answer #4. The presence in person or by proxy of the holders of a majority of the combined outstanding voting power of the Common Stock and the Class B Common Stock is necessary to constitute a quorum in connection with the transaction of business at the Annual Meeting.

Question #5. What if a quorum is not present at the Annual Meeting?

Answer #5. If a quorum is not present at the Annual Meeting, we may adjourn the Annual Meeting, either with or without a vote of the stockholders. If we propose to have the stockholders vote whether to adjourn the Annual Meeting, the people named in the enclosed proxy will vote all shares of

Table of Contents

our Common Stock for which they have voting authority in favor of the adjournment. We also may adjourn the Annual Meeting if for any reason we believe that additional time should be allowed for the solicitation of proxies. An adjournment will have no effect on the business that may be conducted at the Annual Meeting.

Question #6. How do I vote?

Answer #6. All stockholders are cordially invited to attend the Annual Meeting. Voting instructions are provided on the proxy card accompanying this Proxy Statement. Whether or not you expect to attend the Annual Meeting, you are kindly requested to complete, sign and date and promptly return the enclosed proxy card. A return envelope which requires no postage if mailed within the United States has been enclosed for your convenience. Please note that if your shares are held in street name by a broker or other nominee and you wish to vote at the Annual Meeting, you will need to obtain a proxy form from the institution holding your shares.

Question #7. Can I change my vote after I submit my proxy?

Answer #7. Yes. Stockholders who execute proxy cards retain the right to revoke them at any time prior to the voting thereof at the Annual Meeting by one of the following methods: (i) by filing written notice of such revocation to the Secretary of the Company at our executive offices, (ii) by submitting a duly executed proxy card bearing a later date, or (iii) by voting in person at the Annual Meeting.

Your attendance at the Annual Meeting will not have the effect of revoking your proxy unless you give written notice of revocation to the Corporate Secretary of the Company before the polls are closed. Any written notice revoking a proxy should be sent to the Secretary of the Company at our executive offices and must be received before the polls are closed.

Question #8. Who will count the votes?

Answer #8. The votes will be tabulated and certified by our transfer agent, Continental Stock Transfer & Trust Company. A representative of Continental Stock Transfer & Trust Company will be present at the Annual Meeting and will serve as the inspector of elections.

Question #9. How does the Board recommend I vote on the proposals?

Answer #9. The Board recommends that stockholders vote FOR each proposal listed in this Proxy Statement.

Question #10. What if I do not specify how my shares are to be voted?

Answer #10. If instructions are not given, proxies will be voted FOR the (i) election of each nominee to the Board, (ii) ratification of the Board's appointment of Ernst & Young LLP as the Company's independent auditors for the year ending December 31, 2005, and (iii) adoption of the 2005 Plan.

Question #11. Will any other business be conducted at the Annual Meeting?

Answer #11. We do not know of any other business that will be presented at the Annual Meeting. If any other proposal properly comes up for a vote at the Annual Meeting, however, the proxy holders will vote your shares in accordance with their best judgment.

Question #12. What are my voting options on each proposal?

Answer #12. You have three (3) choices on each of the matters to be voted on at the Annual Meeting. On the election of directors, by checking the appropriate box on your proxy card, you may: (i) vote FOR all of the director nominees as a group, (ii) WITHHOLD AUTHORITY to vote for all director nominees as a group, or (iii) vote for all director nominees as a group except for those nominees you specifically identify on the appropriate line. On the proposal regarding the

Table of Contents

ratification of the Company's auditors, by checking the appropriate box on your proxy card, you may: (i) vote FOR the ratification of the Board's appointment of Ernst & Young LLP as the Company's independent auditors for the 2005 fiscal year, (ii) vote AGAINST such ratification, or (iii) ABSTAIN from voting on such ratification. On the proposal regarding the approval of the 2005 Plan, by checking the appropriate box on your proxy card, you may: (i) vote FOR adoption of the 2005 Plan, (ii) vote AGAINST such adoption, or (iii) ABSTAIN from voting on such adoption.

Question #13. How many votes are required to approve the proposals listed in the Proxy Statement?

Answer #13. Election of Directors.

The affirmative vote of a plurality of shares of Common Stock and Class B Common Stock, voting as a single class, present in person or by proxy and entitled to vote at the Annual Meeting is required for the election of directors. Consequently, only shares that are voted in favor of a particular nominee will be counted toward each nominee's achievement of a plurality. Shares present at the Annual Meeting that are not voted for a particular nominee or shares present by proxy where the stockholder properly withholds authority to vote for the nominee, including broker non-votes, will not be counted toward each nominee's achievement of a plurality.

Ratification of Auditors.

The ratification of the Board's appointment of Ernst & Young LLP as independent auditors for the fiscal year ending December 31, 2005 is being submitted to stockholders because we believe that this action follows sound corporate practice and is in the best interests of the stockholders and the Company. If the Board's appointment of Ernst & Young LLP as the independent auditors is not ratified by the affirmative vote of a majority of the shares of Common Stock and Class B Common Stock voted at the Annual Meeting, the Audit Committee of the Board will reconsider the appointment of the Ernst & Young LLP as the Company's independent auditors, but such a vote will not be binding on the Audit Committee. If the stockholders ratify the appointment, the Audit Committee, in its discretion, may still direct the appointment of new independent auditors at any time during the year if they believe that this change would be in our and our stockholders' best interests. Abstentions and broker non-votes are not counted in determining the votes cast in connection with the ratification of auditors, but do have the effect of voting FOR the appointment of Ernst & Young LLP as the independent auditors of the Company for the fiscal year ending December 31, 2005 by reducing the number of shares from which the majority is calculated.

Adoption of 2005 Incentive Award Plan.

Approval of the 2005 Plan requires the affirmative vote of the holders of a majority of the shares of Common Stock and Class B Common Stock, voting as a single class, present in person or by proxy and entitled to vote at the Annual Meeting. Abstentions and broker non-votes are not counted in determining the votes cast in connection with the approval of the 2005 Plan, but do have the effect of voting FOR the adoption of the 2005 Plan by reducing the number of shares from which the majority is calculated.

Question #14. What happens if a director nominee is unable to stand for election?

Answer #14. If a director nominee is unable to stand for election, our Board may either reduce the number of directors to be elected at the Annual Meeting or select a substitute nominee. If a substitute nominee is selected, the proxy holders will vote your shares for the substitute nominee, unless you have withheld authority.

PROPOSAL 1:

ELECTION OF CLASS I DIRECTORS

Director Information

Following the Company's emergence from Chapter 11 and pursuant to the Plan of Reorganization, the Company's Board was reconstituted. In accordance with our Restated Certificate of Incorporation (the "Charter") and Amended and Restated Bylaws ("Bylaws"), the Board shall consist of not less than nine (9) and not more than ten (10) directors. The voting agreement entered into on the Effective Date by Mr. Trump, Company and TER Holdings (the "Voting Agreement"), however, provides that the tenth (10th) director may only be the Company's Chief Executive Officer if he or she is not also a member of the Company's Board.

We currently have a classified Board consisting of nine (9) directors. Our Charter provides that the Board be divided among three (3) classes (*i.e.*, Class I, Class II and Class III), each of which shall be initially comprised of three (3) directors. Our current Board consists of five (5) Class A Directors, three (3) Investor Board Members, and one (1) Mutual Board Member (as those terms are defined below).

Pursuant to our Charter and in accordance with the Plan of Reorganization, one (1) Class I Director, two (2) Class II Directors, and two (2) Class III Directors are to be designated as Class A Directors. The Class A Directors were initially selected by a group consisting of certain holders of THCR's debt securities involved in the negotiation of the Plan of Reorganization and approved by the Bankruptcy Court. The Voting Agreement provides for the continued election of the five Class A Directors until the earlier of (i) the date immediately following the date of the sixth (6th) annual meeting of the Company's stockholders following the Effective Date and (ii) such time as the stockholders of the Company fail to elect Mr. Trump to the Company's Board, subject to certain terms and conditions (the "Class A Nomination Period"). The initial Class A Directors are Edward H. D'Alenio, Cezar M. Froelich, Morton E. Handel, Michael A. Kramer and James B. Perry. Subject to applicable law and stock exchange and securities market rules ("Applicable Law"), in the event that, during the Class A Nomination Period, any Class A Director is unable to serve, or once having commenced to serve, is removed or withdraws from the Board, such Class A Director's replacement (a "Substitute Class A Director") shall be designated by a majority of the remaining Class A Directors serving as directors of the Company at such time. Subject to Applicable Law, during the Class A Nomination Period, Mr. Trump and the Company agree to take all action within their respective power, including but not limited to, the voting of all shares of Common Stock owned by them, (i) to cause the election of such Substitute Class A Director promptly following his or her nomination to the Board or (ii) upon the written request of a majority of the Class A Directors serving as directors of the Company at such time, to remove, with cause, any relevant Class A Director.

During the Class A Nomination Period, such Class A Directors, as a group, have the sole authority and power to nominate persons to serve as Class A Directors and to fill any vacancy in the position of Class A Director. Pursuant to the terms of our Charter, during the Class A Nomination Period, each director then serving as a Class A Director must be re-nominated to serve for successive terms as a Class A Director unless such director declines or is unable to be so re-nominated. Each committee of the Board must be comprised of a majority of Class A Directors.

In accordance with the terms of the Plan of Reorganization and pursuant to our Charter, one (1) Class I Director, one (1) Class II Director and one (1) Class III Director must be designated as Investor Board Members. Pursuant to the terms of the Voting Agreement and provided that the Services Agreement entered into on the Effective Date by Mr. Trump, the Company and TER Holdings (the "Services Agreement") is in effect, during the period commencing on the Effective Date and ending on the date of the termination of the Services Agreement (the "Investor Nomination Period"), Mr. Trump is entitled to nominate (i) three (3) Investor Board Members so long as Mr. Trump beneficially owns, in the

Edgar Filing: TRUMP ENTERTAINMENT RESORTS, INC. - Form DEF 14A

aggregate, not less than 7.5% of the outstanding shares of the Company's Common Stock, (ii) two (2) Investor Board Members so long as Mr. Trump owns, in the aggregate, at least 5%, but less than 7.5% of the outstanding shares of the Company's Common Stock, and

(iii) one (1) Investor Board Member so long as Mr. Trump owns, in the aggregate, less than 5% of the outstanding shares of the Company's Common Stock; provided that each such case Mr. Trump shall be one of the Investor Board Members. (See Certain Relationships and Related Party Transactions; Agreements with Mr. Trump.) The initial Investor Board Members are Wallace B. Askins, Don M. Thomas and Donald J. Trump. Subject to Applicable Law, in the event that, during the Investor Nomination Period, any Investor Board Member, is unable to serve, or once having commenced to service, is removed or withdraws from the Board, such Investor Board's members replacement (a Substitute Investor Board Member) shall be designated by Mr. Trump. Subject to Applicable Law, during the Investor Nomination Period, Mr. Trump and the Company agree to take all action within their respective power, including but not limited to, the voting of all shares of Common Stock owned by them (i) to cause the election of the Substitute Investor Board Member promptly following his or her nomination to the Board pursuant to the Voting Agreement or (ii) upon the written request of Mr. Trump, to remove, with cause, any relevant Investor Board Member.

In addition, in accordance with the terms of the Plan of Reorganization and pursuant to our Charter and the Voting Agreement, one (1) Class I Director must be designated as the Mutual Board Member. The initial Mutual Board Member is James J. Florio. The Mutual Board Member must be acceptable to the Class A Directors and to Mr. Trump. Subject to Applicable Law, in the event that a Mutual Board Member is unable to serve, or once having commenced to serve, is removed or withdraws from the Board, such Mutual Board Member's replacement (the Substitute Mutual Board Member) shall be designated by the Company and, during the Investor Nomination Period, Mr. Trump, provided, that, during the Class A Nomination Period, the Substitute Mutual Board Member shall be acceptable to a majority of the Class A Directors serving on the Board at such time. Subject to Applicable Law, the Stockholders and the Company agree to take all action within their respective power, including but not limited to, the voting of all shares of Common Stock beneficially owned by them, (i) to cause the election of such Substitute Mutual Board Member promptly following his or her nomination to the Board, or (ii) to remove, with cause, the Mutual Board Member, during the Investor Nomination Period, upon the written request of Mr. Trump, provided, that, during the Class A Nomination Period, such removal shall be acceptable to a majority of the Class A Directors serving as directors of the Company at such time.

REPORT OF THE AUDIT COMMITTEE

The following report of the Audit Committee shall not be deemed to be soliciting material or to be filed with the SEC under the Securities Act or the Exchange Act or incorporated by reference in any document so filed.

The Company's current Audit Committee was established after the Company's emergence from Chapter 11 on the Effective Date and therefore was not involved with the oversight of THCR's financial reporting process during the period beginning January 1, 2004 and ending December 31, 2004. Following the Company's emergence from Chapter 11, the Company's Board was entirely reconstituted and a new Audit Committee was formed.

The Company's Audit Committee, pursuant to its Charter which was adopted by the Board on June 23, 2005 and which is attached to this Proxy Statement as *Annex B*, oversees the Company's financial reporting process, including overseeing the Company's accounting policies, internal controls and regulatory compliance. The Audit Committee also selects the Company's independent auditors. The Audit Committee fulfills its responsibilities through periodic meetings with the Company's independent auditors, internal auditors and management.

During 2004, the Audit Committee of THCR's Board met nine (9) times, and discussed the interim financial information contained in each quarterly earnings announcement with the Company's Chief Financial Officer, the independent auditors and in-house counsel prior to public release.

The Company's Audit Committee monitors matters related to the independence of Ernst & Young LLP. The Company's Audit Committee received a letter from Ernst & Young LLP containing a description of all relationships between the auditors and the Company. The Company's Audit Committee, after discussion with the independent auditors, has satisfied itself as to the auditors' independence. Ernst & Young LLP has also confirmed in a letter to the Company that in their judgment, they are independent of the Company within the requirements of Independence Standards (IBS) Standard No. 1, *Independence Discussion with Audit Committees*. The Company's Audit Committee has discussed with the independent auditors the matters required to be discussed by SAS 61 (Codification of Statements on Auditing Standards, AU § 380).

Based on the above-mentioned reviews, the Audit Committee has met and held discussions with management and the independent auditors. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent auditors.

THCR's Audit Committee recommended to THCR's Board that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2004 for filing with the SEC.

The Audit Committee recommends the reappointment of Ernst & Young LLP as the independent auditors of the Company for the fiscal year ending December 31, 2005.

These services may include audit services, audit-related services, tax services and other services. The Audit Committee has adopted a policy for the pre-approval of services provided by the independent auditors. Under the policy, pre-approval is generally provided for up to one (1) year and any pre-approval is detailed as to the particular service or category of services and is subject to a specific budget. In addition, the Audit Committee may also pre-approve particular services on a case-by-case basis. For each proposed service, the Audit Committee has received detailed information sufficient to enable the Audit Committee to pre-approve and evaluate such service and has pre-approved all such services. The Audit Committee may delegate pre-approval authority to one or more of its members. Any pre-approval decisions made under delegated authority must be communicated to the Audit Committee at or before the next scheduled meeting. There were no waivers by the Audit Committee of the pre-approval requirement for permissible non-audit services in 2004.

Mr. Trump, the Chairman of our Board, received no remuneration for serving as such during the fiscal year ended December 31, 2004. Members of our Board who are also employees or consultants of the Company and its affiliates receive no directors' fees. During fiscal year 2004, non-employee directors of the Company's Board were paid an annual stipend of \$50,000, plus \$2,000 per meeting attended and reasonable out-of-pocket expenses incurred in attending these meetings.

The Board has determined that the independent directors from and after the Effective Date should be paid an annual retainer of \$150,000, and receive 10,000 shares of restricted stock as of the Effective Date and an additional 5,000 shares of restricted stock each May 1st thereafter, subject to the approval of the 2005 Plan. Compensation Committee Interlocks and Insider Participation

In general, our executive officers' compensation is determined by our Board's Compensation Committee, which currently consists of Morton E. Handel (Chairman), Edward H. D'Alelio and Don M. Thomas. During 2004, no officer or employee of THCR, other than Mr. Trump, participated in the Board's deliberations concerning executive compensation. deliberations concerning his own compensation under the Services Agreement. (See Employment Agreements, Termination of Employment and Change-in-Control Arrangements; Donald J. Trump.)

Table of Contents

During 2004, we and our subsidiaries were involved in several transactions, or series of similar transactions, in which the amount exceeds \$60,000 and in which Mr. Trump had or will have a direct or indirect material interest. Below is a brief description of such transactions:

Trump Tower Lease. Pursuant to the lease, dated November 1, 1996, as amended, with Trump Tower Commercial, LLC (the Trump Tower Lease), we lease office space in Trump Tower located in New York, New York for general, executive and administrative purposes from Trump Tower Commercial, LLC, an entity owned by Mr. Trump. The Trump Tower Lease expires on August 31, 2010. The annual rent, payable in equal monthly installments, during the three (3) year period from September 1, 2003 to August 31, 2006 is \$68,459. The annual rent during the last four (4) year period was \$72,262. According to the lease, we are also obligated to pay imposed property taxes and porters' wage escalation increases. During the year ended December 31, 2004, we incurred and paid \$3,872 in property taxes and wage increases.

Use of Trump's Facilities. Beginning in late 1997, the Trump Atlantic City Properties (Trump Taj Mahal, Trump Plaza and Trump Marina) began to utilize certain facilities owned by Mr. Trump to entertain high-end customers. During the fiscal year ended December 31, 2004, the Company incurred approximately \$0.5 million in customer and management costs associated with utilizing these facilities. In exchange for having Mr. Trump's personal airplane available to customers of the Trump Atlantic City Properties, the Company incurred pilot costs of approximately \$0.3 million for the fiscal year ended December 31, 2004.

Casino Services Agreement. We service the Trump Casino Properties and manage their administrative overhead costs through a casino services agreement, dated January 1, 1998, as amended (the Casino Services Agreement), with Trump Administration, a division of Taj Associates, a subsidiary which operates the Trump Taj Mahal. Trump Administration assumed the rights and responsibilities of the Casino Services Agreement when we merged Trump Casino Services, LLC into Taj Associates in December 2000. Pursuant to the Casino Services Agreement, Trump Administration provides each of our properties with managerial, financial, accounting, purchasing, legal and other services incidental to running a casino and hotel. In return, the properties reimburse Trump Administration, on a ratable basis, for all of the costs and expenses incurred by Trump Administration in providing such casino services, including all payroll and employee benefits and related costs associated with the employees utilized by Trump Administration, as well as all overhead and other expenses incurred in the ordinary course of providing such services. The Casino Services Agreement expires on January 1, 2008, unless earlier terminated upon 90 days' prior written notice.

Trademark License Agreement and Trademark Security Agreement. On the Effective Date, TER Holdings, the Company and certain of its subsidiaries entered into a trademark license agreement with Mr. Trump (the Trademark License Agreement), which grants TER Holdings a perpetual, exclusive, royalty-free license to use Mr. Trump's name and likeness in connection with TER Holdings' casino and gaming activities, subject to certain terms and conditions. The Trademark License Agreement amends and restates Mr. Trump's trademark license agreement with the Company in effect prior to the Effective Date. TER Holdings may sublicense the right to use the licensed marks to the Company and/or any subsidiary of TER Holdings and persons or entities providing casino services and products on any Company property. TER Holdings has agreed to certain quality control provisions in order to protect the goodwill and integrity associated with the licensed marks and Mr. Trump's likeness, and has agreed to obtain minimum comprehensive general liability insurance, workers' compensation insurance and umbrella liability insurance in certain minimum amounts.

If Mr. Trump's Services Agreement is terminated by the Company or TER Holdings other than for Cause or by Mr. Trump for Good Reason, or if the Company and TER Holdings are not offering terms to Mr. Trump pursuant to a Services Agreement at least as favorable to Mr. Trump as his Services Agreement (in each case other than as a result of Mr. Trump's death or permanent disability), then TER Holdings will have the option to convert the trademark license into a royalty-bearing license with a ten (10) year term. For each Company property that uses the licensed marks or Mr. Trump's likeness, Mr. Trump will be entitled to an annual royalty, payable quarterly in the amount of (i) \$500,000 for each Company property with an annual EBITDA (as defined

Table of Contents

in the Trademark License Agreement) of at least \$25 million or (ii) \$100,000 for each Company property with an annual EBITDA of less than \$25 million, provided that aggregate royalties will not exceed \$5 million a year. Any payments that are not paid within thirty days after such payments are due will bear interest from the end of such thirty-day period at the rate of ten percent (10%) per annum. Mr. Trump's obligations under the Trademark License Agreement are secured by an amended and restated trademark security agreement, pursuant to which Mr. Trump has granted TER Holdings a first priority security interest in the licensed marks in connection with casino services and products.

Riviera Holdings Corporation. On July 1, 2002, Mr. Trump purchased 350,000 shares of Common Stock of Riviera Holdings Corporation (Riviera), a Nevada corporation which, through its wholly owned subsidiaries, owns and operates the Riviera Hotel & Casino located in Las Vegas, Nevada and Riviera Black Hawk Casino located in Black Hawk, Colorado. The source of the funds was Mr. Trump's personal resources. On July 10, 2002, consistent with the contribution agreement, dated as of June 12, 1995, between Mr. Trump and THCR Holdings (the Contribution Agreement), Mr. Trump granted THCR Holdings, at no cost, an option (the Option) to purchase his 350,000 shares of Riviera's Common Stock until December 31, 2003 at an exercise price equal to the greater of (i) Mr. Trump's cost of acquiring the shares (\$2,275,000 plus incurred brokerage fees and commissions) and (ii) the fair market value of the shares based upon the 20 trading day average closing price of Riviera's Common Stock as reported on the American Stock Exchange preceding the exercise of the Option. On December 26, 2002, Mr. Trump purchased an additional 8,000 shares of Riviera's Common Stock for an aggregate purchase price of approximately \$37,970, net of brokerage commissions. Consistent with the Contribution Agreement, Mr. Trump granted, at no cost, THCR Holdings an option (the Additional Option) to purchase the 8,000 shares on the same terms as the Option. On December 18, 2003, Mr. Trump and THCR Holdings amended the Option and the Additional Option to extend the expiration date of the options from December 31, 2003 through December 31, 2004. On April 5, 2004, Mr. Trump sold the 358,000 shares of Riviera's Common Stock to THCR Holdings at the exercise price set forth above and the Option and Additional Option were thereupon terminated.

On the Effective Date, the Contribution Agreement terminated pursuant to the Plan of Reorganization and the Services Agreement.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The following report of the Compensation Committee and the performance graphs that appear immediately after such report shall not be deemed to be soliciting material or to be filed with the SEC under the Securities Act or the Exchange Act or incorporated by reference in any document so filed.

The current Compensation Committee of the Board of the Company was established after the Company's emergence from bankruptcy on May 20, 2005 and therefore was not involved with the Company's 2004 compensation decisions. Set forth below is a summary of the compensation philosophy of the current Compensation Committee.

The Compensation Committee acts on behalf of the Company's Board and the holders of the Company's equity and debt securities to administer the Company's compensation program as it applies to the Company's executives. On June 3, 2005, TER's Board appointed the current members of the Compensation Committee: Morton E. Handel (Chairman), Edward H. D'Alerio and Don M. Thomas. Messrs. Handel and D'Alerio are Class A Directors and commenced serving on the Board on the Effective Date. Mr. Thomas has been serving as a member of the Board of the Company and certain of its subsidiaries since 1995. Each of our members is deemed to be independent, as that term is defined by rules of NASDAQ. The Compensation Committee operates under a charter which was duly adopted by the Board on June 23, 2005.

Fundamental Objective. The fundamental objective of the Compensation Committee is to design and implement a competitive compensation program that attracts, motivates, rewards and retains executives while aligning their interests with the interests of the Company's equity and debt holders. The program gives the Board and holders of the Company's equity and debt securities comfort that (i) the achievement of the overall goals and objectives of the Company can be supported by adopting an appropriate executive compensation policy and implementing it through an effective comprehensive compensation program and (ii) the total compensation program and practices of the Company are designed with full consideration of all accounting, tax, securities law and other regulatory requirements and are of the highest quality.

The Company's executive compensation program currently consists of two key elements: (i) an annual compensation component composed of base salary and bonus and (ii) a long-term compensation component composed of equity-based awards pursuant to the 2005 Plan. Upon the unanimous recommendation of the Compensation Committee, the Board duly adopted the 2005 Plan on August 9, 2005. Stockholders are being asked to adopt the 2005 Plan as part of the Annual Meeting.

Evaluation Process. In order to meet our committee's fundamental objective, since our appointment on the Effective Date, we have been engaged in an ongoing process of re-examining executive compensation in light of current market conditions, the overall performance of the Company and of each individual property, and its executives on a property and individual basis. In anticipation of the Company's emergence from reorganization proceedings, the Company engaged an independent compensation consulting firm which conducted one-on-one interviews with certain members of the Company's management team, examined the Company's compensation practices and prepared a report regarding the appropriate compensation guidelines for the Company's executive officers. Generally, their report provided a comparative analysis of each of the three components which make up the Company's compensation program based on our peer companies: (i) annual base salary, (ii) annual bonus compensation based on the overall performance of the Company and for a particular property when relevant, and (iii) long-term incentive compensation.

Annual Compensation. The Compensation Committee generally targets annual salary and bonus levels to be competitive with other similarly sized companies in the casino entertainment industry. Base salaries are determined by evaluating the responsibilities associated with the position being evaluated and an individual's overall level of experience. Annual salary adjustments are made by giving consideration to the Company's

performance and an individual's contribution to that performance.

Table of Contents

Bonuses are based on the Compensation Committee's assessment of the Company's performance and an individual's contribution to that performance. Corporate performance is measured by various quantitative and qualitative factors. The primary quantitative factors that will be reviewed by the Compensation Committee include such performance measures as net income and return on average stockholders' equity, both as absolute measures and relative to previous years. Significant qualitative factors that will be evaluated by the Compensation Committee include the Company's performance in relation to industry performance, progress toward achievement of the Company's long-term business goals, the quality of the Company's earnings and the overall business and economic environment. The Compensation Committee believes that, in accordance with its exercise of sound business judgment, the determination of annual salary and bonus levels is inherently subjective and must include a review of all relevant information, with no predetermined weight given to any of the factors considered.

CEO Compensation. Effective as of July 6, 2005, James B. Perry has been appointed as Chief Executive Officer of the Company. Mr. Perry's compensation consists of the following three components: (i) base salary, (ii) annual cash performance incentives, and (iii) equity based compensation incentives.

Long-Term Compensation. In order to align stockholder and executive officer interests, the long-term component of the Company's executive compensation program utilizes equity-based awards whose value is directly related to the value of the Common Stock. These equity-based awards will be granted by the Compensation Committee pursuant to the 2005 Plan. Individuals to whom equity-based awards are to be granted and the amount of Common Stock related to equity-based awards will be determined solely at the discretion of the Compensation Committee. Because individual equity-based award levels will be based on a subjective evaluation of an individual's overall past and expected future contribution, no specific formula is used to determine such awards for any executive.

Tax Deductibility of Executive Compensation. Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code) limits the tax deductibility of compensation in excess of \$1.0 million paid to certain members of senior management, unless the payments are made under a performance-based plan as defined in Section 162(m) of the Code. The 2005 Plan is designed to allow for the grant of equity-based awards that are performance-based and therefore exempt from the application of Section 162(m) of the Code. While the Compensation Committee considers the deductibility of senior management compensation in making its decisions, it also believes it is important to maintain the flexibility to take actions it considers to be in the best interests of the Company and the stockholders, which may be based on considerations in addition to Section 162(m) of the Code.

PROPOSAL 3:

ADOPTION OF 2005 INCENTIVE AWARD PLAN

Pursuant to the Plan of Reorganization, the Company was authorized to implement a new stock incentive plan as soon as practicable after the Effective Date.

The Board has adopted the 2005 Plan, subject to approval by the stockholders. The Board recommends that stockholders approve the 2005 Plan at the Annual Meeting. If the 2005 Plan is approved by the Company's stockholders, the Company intends to prepare and file a Registration Statement on Form S-8 promulgated by the Exchange Act to register the Common Stock issuable pursuant to any awards granted or available for grant under the 2005 Plan. The 2005 Plan is integral to the Company's compensation strategies and programs for directors, employees and consultants.

The 2005 Plan provides for grants of Options (both incentive and non-qualified as discussed below), Stock Appreciation Rights, Restricted Stock awards, Performance Share awards, Performance Stock Unit awards, Restricted Stock Unit awards, Dividend Equivalent awards, Stock Payment awards, Deferred Stock awards, Performance Bonus awards, Performance awards and other Stock-Based awards, as each of those terms is defined in the 2005 Plan (collectively, the Awards).

Approval of the 2005 Plan requires the affirmative vote of a majority of the votes duly cast by holders of the Company's Common Stock and Class B Common Stock, voting as a simple class. The following is a summary of certain principal features of the 2005 Plan and of the Awards available for grant under the 2005 Plan. This summary is qualified in its entirety by reference to the complete text of the 2005 Plan, which is attached to this Proxy Statement as *Annex A*. Stockholders are urged to read the actual text of the 2005 Plan in its entirety.

Purpose. The purpose of the 2005 Plan is to promote the success and enhance the value of, as well as aid the Company by linking the personal interests of current and future members of the Board, employees and consultants to those of stockholders of the Company. The 2005 Plan provides a means through which these individuals are incentivized to continue providing the Company with outstanding performance and generate superior returns to the Company stockholders. The 2005 Plan also provides flexibility to the Company in its ability to motivate, attract, and retain the services of members of the Board, employees and consultants.

Administration. The 2005 Plan will be administered by the Board's Compensation Committee. References to the Compensation Committee shall refer to the Board if the Compensation Committee should cease to exist and the Board does not appoint a successor committee. Each member of the Compensation Committee must qualify as a non-employee director as defined under Rule 16b-3 under the Exchange Act, an outside director for the purposes of Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code) and an independent director under the rules of any national securities exchange or national securities association, as applicable. The Compensation Committee may act by majority of its members present at a meeting where a quorum is present. However, the full Board, acting by majority of its members in office, shall conduct the general administration of the 2005 Plan with respect to all Awards granted to independent directors; provided that Options granted to independent directors will be Non-Qualified Stock Options. The expense of administering the 2005 Plan shall be borne by the Company and its subsidiaries.

Shares Available for Awards. Subject to adjustments as described below under the heading *Changes in Capital Structure*, the maximum number of shares of Common Stock that will be available for the grant of Awards under the 2005 Plan will be 4,000,000 shares of Common Stock. Such number of shares constitutes 5.3% of the issued and outstanding shares of Common Stock of the Company as of the close of business on the Record Date. To the extent that an Award terminates, expires, or lapses for any reason, any shares of Common Stock subject to the Award shall again be available for grant of an Award pursuant to the 2005 Plan. Additionally, any shares of Common Stock tendered or withheld to satisfy the grant or exercise price or tax withholding obligation pursuant to any Award shall again be available for the grant of an Award pursuant to the 2005 Plan. To the extent permitted by applicable law or regulation, shares of Common Stock issued in the assumption of, or in substitution for, any outstanding awards of any entity acquired in any form of combination by the Company or any of its subsidiaries shall not be counted against shares of Common Stock available for grant pursuant to the 2005 Plan. The maximum number of shares of Common Stock with respect to one or more Awards that may be granted to any one Participant during a calendar year is 2,000,000 shares of Common Stock.

Term of the 2005 Plan. Unless earlier terminated by the Board, as described below under the heading *Amendment and Termination*, the 2005 Plan will terminate on August 9, 2015, which is the tenth anniversary after the Board adopted the 2005 Plan by resolution. No Awards may be granted after such date and any Awards that are outstanding on such date shall remain in force according to the terms of the 2005 Plan and the applicable Award Agreement (as defined in the 2005 Plan).

Eligibility. The persons eligible to receive Awards under the 2005 Plan are the Company's officers, Employees (as defined in accordance with Section 3401(c) of the Code), Consultants (as defined in the 2005 Plan) and members of the Board. Persons receiving Awards will enter into individual Award Agreements with the Company that contain the terms and conditions of the Award established by the Compensation Committee. Awards of Performance Shares, Performance Stock Units, Dividend Equivalents, Deferred Stock, Stock Payments, Restricted Stock Units and Other Stock-Based Awards may only be exercisable or payable while the Participant is an Employee, Consultant or a member of the Board. The Compensation Committee may, however, determine that these awards can be exercised or paid subsequent to termination of employment or services, as applicable, or following a Change in Control of the Company, or because of Participant's retirement, death or disability.

Stock Options. The Compensation Committee is authorized to grant stock options, including incentive stock options under Section 422 of the Code (ISOs), which can result in potentially favorable tax treatment to a Participant, and non-qualified stock options. The Compensation Committee shall determine the time or times at which an Option may be exercised in whole or in part; provided that the term of any Option granted under the 2005 Plan shall not exceed ten (10) years. The Compensation Committee shall also determine the performance or other conditions, if any, that must be satisfied before all or part of an Option may be exercised. ISOs may only be granted to employees of the Company or its subsidiaries. The exercise price per share of Common Stock subject to an Option is determined by the Compensation Committee, but may not be less than 100% of the fair market value of such share on the date of grant; provided, that with respect to an individual that owns shares of Common Stock representing more than 10% of the total combined voting power of all classes of stock of the Company, the exercise price per share subject to an ISO may not be less than 110% of the fair market value of a share of Common Stock on the date of grant and the Option is not exercisable for more than five (5) years from the date of grant. The aggregate fair market value (determined as of the time the Option is granted) of all shares of Common Stock with respect to which ISOs are first exercisable by a Participant in any calendar year may not exceed \$100,000 or such other limitation as imposed by Section 422(d) of the Code. The term of any Option may not exceed ten (10) years.

For purposes of the 2005 Plan, the term *fair market value* means, with respect to a share of Common Stock as of a given date: (i) the closing price of a share of Common Stock on the principal exchange on which shares of Common Stock are then trading, if any, on the date previous to such date, or, if shares were not traded on the day previous to such date, then on the next preceding trading day during which a sale occurred, or (ii) if

Common Stock is not traded on an exchange but is quoted on NASDAQ, (1) the last sales price (if the shares of Common Stock are then listed as a National Market Issue under the NASD National Market System) or (2) the mean between the closing representative bid and asking prices (in all other cases) for the shares of Common Stock on the date previous to such date as reported by NASDAQ, or (iii) if the shares of Common Stock are not publicly traded on an exchange and not quoted on NASDAQ or a successor quotation system, the mean between the closing bid and ask prices for the shares of Common Stock, on the day previous to such date, as determined in good faith by the Compensation Committee, or (iv) if the shares of Common Stock are not publicly traded, the fair market value established by the Compensation Committee acting in good faith.

Restricted Stock. The Compensation Committee is authorized to grant Restricted Stock, which shall be subject to such restrictions on transferability and other restrictions as the Compensation Committee may impose (including, without limitation, limitations on the right to vote the Restricted Stock or the right to receive dividends on the Restricted Stock). These restrictions may lapse separately or in combination at such times, pursuant to such circumstances, in such installments, or otherwise, as the Compensation Committee determines at the time of the grant of the Award or thereafter.

SARs, CSAR and ISAR. The Compensation Committee is authorized to grant Stock Appreciation Rights (SARs) to any Participant (i) in connection and simultaneously with the grant of an Option, (ii) with respect to a previously granted Option, or (iii) independent of an Option.

A Coupled Stock Appreciation right (CSAR) is related to a particular Option and will be exercisable when and to the extent the related Option is exercisable. CSARs may be granted to a Participant for no more than the number of shares subject to the simultaneously or previously granted Option to which it is coupled. A CSAR entitles the Participant to surrender to the Company the unexercised portion of the Option to which the CSAR relates and to receive from the Company in exchange an amount determined by multiplying (x) the difference obtained by subtracting (A) the Option exercise price from (B) the fair market value of a share of Common Stock on the date of exercise of the CSAR by (y) the number of shares of Common Stock with respect to which the CSAR has been exercised.

An Independent Stock Appreciation Right (ISAR) is unrelated to any Option. The Compensation Committee determines the installments in which and the number of shares of Common Stock that are covered by an ISAR. The exercise price per share of Common Stock subject to an ISAR is set by the Compensation Committee; provided that it may not be less than 100% of the fair market value on the date of grant. An ISAR entitles the Participant to exercise all or a specified portion of the ISAR and to receive from the Company an amount determined by multiplying (x) the difference obtained by subtracting (A) the exercise price per share of the ISAR from (B) the fair market value of a share of Common Stock on the date of exercise of the ISAR by (y) the number of shares of Common Stock with respect to which the ISAR has been exercised.

Payments on SARs may be made in cash, in Common Stock (based on its fair market value as of the date the SAR is exercised) or a combination of both. If an SAR is paid in cash, the Award Agreement must, to the extent necessary to comply with Section 409A of the Code, specify the date of the payment, which may be different than the date of the exercise of the SAR.

Performance Share Awards and Performance Stock Units. The Compensation Committee may select a Participant to receive one or more Performance Share awards or Performance Stock Unit awards. The Performance Share awards are denominated in numbers of shares of Common Stock. The Performance Stock Unit awards are denominated in units of values, including dollar value of shares of Common Stock. Both the Performance Share awards and the Performance Stock Unit awards may be linked to any one or more of the Performance Criteria (as defined in the 2005 Plan) or specific performance criteria determined by the Compensation Committee, in each case on a specified date or dates or over any period or periods determined by the Committee.

Table of Contents

Dividend Equivalents. The Compensation Committee may select a Participant to receive a right to receive the equivalent value (in cash or stock) of a dividend paid on shares of the Company's Common Stock (a "Dividend Equivalent"). Dividend Equivalents are credited as of dividend payment dates, during the period between the date the Award is granted and the date the Award is exercised, vests or expires, as determined by the Compensation Committee. The Dividend Equivalents granted with respect to the Options or SARs that are intended to be Qualified Performance-Based Compensation (as defined in the 2005 Plan) will be payable, with respect to pre-exercised periods, regardless of whether such Option or SAR is exercised.

Stock Payments. The Compensation Committee may select a Participant to receive Stock Payments. Unless otherwise determined by the Compensation Committee, such Stock Payments will be made in lieu of base salary, bonus, or other cash compensation otherwise payable to a Participant.

Deferred Stock. The Compensation Committee may select a Participant to receive Deferred Stock. Shares of Common Stock underlying a Deferred Stock award will not be issued until the Deferred Stock award has vested, pursuant to a vesting schedule or performance criteria set by the Compensation Committee.

Restricted Stock Units. The Compensation Committee may select a Participant to receive Restricted Stock. At the time of grant, the Compensation Committee shall specify the date or dates on which the Restricted Stock Units shall become fully vested or non-forfeitable, and may specify conditions to vesting. On the maturity date, the Company will transfer to the Participant one unrestricted, fully transferable share of Common Stock for each Restricted Stock Unit scheduled to be paid.

Other Stock Awards. The Compensation Committee is authorized to grant other types of Awards to Participants that are evidenced by shares of Common Stock or the right to purchase shares of Common Stock or that have a value derived from the value of, or an exercise or conversion privilege at a price related to, or that are otherwise payable in shares of Common Stock.

Performance Bonus Awards. The Compensation Committee may select a Participant to receive Performance-Based Awards in the form of a cash bonus (the "Performance Bonus Award") payable based on Performance Criteria or Performance Goals (as defined in the 2005 Plan) that are established by the Compensation Committee. The maximum amount of any Performance Bonus Award payable to a Covered Employee (an Employee who is, or could be, a covered employee within the meaning of Section 162(m) of the Code) with respect to any calendar year may not exceed \$2,000,000. Any Award granted to a Covered Employee and that is intended to constitute a Qualified Performance-Based Compensation is subject to any additional limitations set forth in Section 162(m) of the Code.

Performance-Based Awards. Certain Awards other than Options and SARs may be qualified as Qualified Performance-Based Awards if they comply with the requirements of Section 162(m)(4)(C) of the Code. If the Compensation Committee decides to grant a Performance-Based Award to a Covered Employee for a Performance Period (as defined in the 2005 Plan), the Compensation Committee must, no later than ninety (90) days following the commencement of any fiscal year or any other designated fiscal period or period of service, in writing, (i) designate one or more Covered Employees, (ii) select the Performance Criteria applicable to the Performance Period, (iii) establish the Performance Goals, and amounts of such Awards, as applicable, which may be earned for such Performance Period, and (iv) specify the relationship between the Performance Criteria and the Performance Goals and the amounts of such Awards, as applicable, to be earned by each Covered Employee for such Performance Period. Following the completion of each Performance Period, the Compensation Committee must certify in writing whether the applicable Performance Goals were achieved for such Performance Period. The Performance Criteria that will be used to establish Performance Goals are limited to the following: net earnings (either before or after interest, taxes, depreciation and amortization), economic value-added (as determined by the Compensation Committee), sales or revenue, net income (either before or after taxes), operating earnings, cash flow (including, but not limited to, operating cash flow and free cash flow), cash flow return on capital, return on net assets, return on stockholders' equity, return on assets, return on capital,

stockholder returns, return on sales, gross or net profit margin, productivity, expense, margins, operating efficiency, customer satisfaction, working capital, earnings per share, price per share of the Company's Common Stock, and market share, any of which may be measured either in absolute terms or as compared to any incremental increase or as compared to results of a peer group.

Changes in Capital Structure. In the event of any dividend, stock split, combination or exchange of shares, merger, consolidation, spin-off, recapitalization, distribution of Company assets to stockholders (other than normal cash dividends), or any other corporate event affecting the share price of the Common Stock, the Compensation Committee may make such proportionate adjustments, if any, as the Compensation Committee deems appropriate to reflect such changes with respect to (i) the aggregate number and type of shares that may be issued under the 2005 Plan (subject to limitations as provided in the 2005 Plan), (ii) the terms and conditions of any outstanding Awards (including any applicable performance targets or criteria), and/or (iii) the grant or exercise price per share for any outstanding Awards under the 2005 Plan.

Upon the occurrence of the transactions mentioned above or any unusual or nonrecurring transaction or event affecting the Company or its financial statement, the Compensation Committee may determine that action is appropriate in order to prevent the dilution or enlargement of the benefits or potential benefits intended to be made available under the 2005 Plan. To facilitate such transactions or to give effect to changes in laws, the Compensation Committee may: (i) provide for either (A) termination of an Award in exchange for property or cash or (B) replacement of such Award with other rights or property, (ii) provide that the Award is assumed by the successor or survivor corporation, or parent or subsidiary thereof, or is substituted for by similar options, rights or awards, (iii) make adjustments in the number and type of shares of Common Stock subject to outstanding Awards, and in the number and kind of outstanding Restricted Stock or Deferred Stock and/or in the terms and conditions, and the criteria included in, outstanding options, rights and awards and options, rights and awards which may be granted in the future, (iv) provide that such Award may be exercisable or payable or fully vested with respect to all shares covered by such Award, and/or (v) provide that the Award cannot vest, be exercised or become payable after such event.

Acceleration Upon a Change in Control. If a Change in Control (as defined in the 2005 Plan) occurs, then immediately prior to the Change of Control, Awards become fully exercisable and forfeiture restrictions on Awards lapse. Upon, or in anticipation of, a Change in Control, the Compensation Committee may cause any and all Awards outstanding under the 2005 Plan to terminate and will give to each Participant the right to exercise such Awards during a period of time as the Compensation Committee determines. The Compensation Committee also has the discretion, upon or in advance of a Change in Control, to terminate any or all outstanding Options in exchange for a payment in respect of such Options, determined by reference to the consideration paid in the Change of Control.

Outstanding Awards: Certain Mergers, Other Changes. If the Company is the surviving corporation in any merger or consolidation (except where the holders of the shares of Common Stock receive securities of the other corporation), each outstanding Award on the date of the merger or consolidation will pertain to and apply to the securities that a holder of the number of shares of Common Stock subject to such Award would have received in such merger or consolidation.

Amendment and Termination. The Compensation Committee may terminate, amend or modify the 2005 Plan, subject to stockholder approval to the extent necessary or desirable to comply with any applicable law, regulation, or rule of the exchange on which the Company is listed. Stockholder approval is required to amend the 2005 Plan in a manner that (i) increases the number of shares available under the 2005 Plan (other than pursuant to a Change in Capital Structure as described above), (ii) permits the Compensation Committee to grant Options with an exercise price that is below fair market value on the date of grant, or (iii) permits the Compensation Committee to extend the exercise period for an Option beyond ten (10) years from the date of grant. Stockholder approval is also required to amend any Option to reduce the per share exercise price of shares subject to such Option below the per share exercise price as of the date the Option is granted.

Table of Contents

Withholding. The Company or any subsidiary may deduct or withhold, or require a Participant to remit to the Company, an amount necessary to satisfy federal, state, local and foreign taxes required by law to be withheld with respect to any taxable event concerning a Participant arising as a result of the 2005 Plan. The Compensation Committee may allow a Participant to elect to have the Company withhold shares of Common Stock otherwise issuable under any Award having a fair market value equal to the sums required to be withheld.

Federal Income Tax Consequences of Awards.

The following is a brief description of the United States federal income tax consequences generally arising with respect to Awards under the 2005 Plan.

With respect to nonqualified stock options, the Company is generally entitled to deduct and the option holder recognizes taxable income in an amount equal to the difference between the option exercise price and the fair market value of the shares at the time of exercise. A Participant receiving ISOs will not recognize taxable income upon grant. Additionally, if applicable holding period requirements are met, the participant will not recognize taxable income at the time of exercise. However, the excess of the fair market value of the Common Stock received over the option price is an item of tax preference income potentially subject to the alternative minimum tax. If stock acquired upon exercise of an ISO is held for a minimum of two (2) years from the date of grant and one (1) year from the date of exercise, the gain or loss (in an amount equal to the difference between the fair market value on the date of sale and the exercise price) upon disposition of the stock will be treated as a long-term capital gain or loss, and the Company will not be entitled to any deduction. If the holding period requirements are not met, the incentive stock option will be treated as one which does not meet the requirements of the Code for incentive stock options and the tax consequences described for nonqualified stock options will apply.

The current federal income tax consequences of other awards authorized under the 2005 Plan generally follow certain basic patterns: SARs are taxed and deductible in substantially the same manner as nonqualified stock options; nontransferable restricted stock subject to a substantial risk of forfeiture results in income recognition equal to the excess of the fair market value over the price paid, if any, only at the time the restrictions lapse (unless the recipient elects to accelerate recognition as of the date of grant); stock-based performance awards, dividend equivalents and other types of awards are generally subject to tax at the time of payment. Compensation otherwise effectively deferred is taxed when paid. In each of the foregoing cases, the Company will generally have a corresponding deduction at the time the participant recognizes income, subject to Code Section 162(m) with respect to covered employees.

Recently enacted Section 409A of the Code regulating nonqualified deferred compensation plans may apply to certain aspects of the 2005 Plan. To the extent that the Compensation Committee determines that the 2005 Plan or any award granted under the 2005 Plan may become subject to Section 409A of the Code, the Compensation Committee may take such action as it deems necessary and appropriate to either cause the 2005 Plan and any awards to comply with the requirements of Section 409A or to structure the 2005 Plan and such awards so as to avoid the applicability of Section 409A. Such actions may include, but shall not be limited to, amendment of the 2005 Plan or any award agreement outstanding under the 2005 Plan or the adoption of other policies and procedures as the Compensation Committee deems necessary and appropriate.

The foregoing discussion, which is general in nature and is not intended to be a complete description of the federal income tax consequences of the 2005 Plan, is intended for the information of stockholders considering how to vote at the Annual Meeting and not as tax guidance to Participants in the 2005 Plan. This discussion does not address the effects of other federal taxes or taxes imposed under state, local or foreign tax laws. Participants in the 2005 Plan should consult a tax adviser as to the tax consequences of participation.

OTHER MATTERS AT THE ANNUAL MEETING

The Board does not know of any matters to be presented at the Annual Meeting other than those mentioned in this Proxy Statement. If any other matters are properly brought before the Annual Meeting, it is intended that the proxies will be voted in accordance with the best judgment of the person or persons voting the proxies.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Affiliated party transactions are governed by the Delaware General Corporation Law and by the Sarbanes-Oxley Act of 2002, as amended. In addition, affiliated party transactions are subject to the terms of the indenture governing the \$1.25 billion aggregate principal amount 8.5% Senior Secured Notes due 2015 (the "Senior Secured Notes") issued by TER Holdings and Trump Entertainment Funding, Inc. (and guaranteed by the Company's operating subsidiaries) on the Effective Date under the Plan of Reorganization. Affiliated party transactions are also subject to the terms of the \$500 million Credit Agreement by and among the Company, TER Holdings, Morgan Stanley & Co. Incorporated, as collateral agent, Morgan Stanley Senior Funding, Inc., as administrative agent, UBS Securities LLC, as syndication agent, Merrill Lynch Capital and Wells Fargo Foothill, Inc., as documentation agents, and Morgan Stanley Senior Funding, Inc. and UBS Securities LLC, as joint lead arrangers and joint book-runners (the "Credit Agreement"). The Credit Agreement requires, among other things, that the Company and its subsidiaries conduct, all transactions with any of their affiliates on terms that are fair and reasonable and no less favorable to the Company or any of its subsidiaries than it would obtain in a comparable arm's-length transaction with a person not affiliated with the Company. The indenture governing the Senior Secured Notes, among other things, prohibits the Company from, subject to certain enumerated exceptions, making any payment to, or selling, leasing, transferring or otherwise disposing of any of its properties or assets to, or purchasing any property or assets from, or entering into or making or amending any transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any affiliate of the Company.

Generally affiliated party transactions are required to be on terms as favorable as would be obtainable from an unaffiliated party and require the approval of a majority of the Company's independent directors.

Described below are transactions, or series of similar transactions, since the beginning of the Company's 2004 fiscal year, or any currently proposed transaction or similar transactions, to which we (or any of our subsidiaries) were or are to be a party, in which the amount exceeds \$60,000 and in which any of our directors, executive officers, security holders who beneficially own more than 5% of our voting securities, and any member of the immediate family of any of the foregoing persons, had, or will have, a direct or indirect material interest.

Agreements with Mr. Trump. See the descriptions of transactions between certain affiliates of the Company and Donald J. Trump described above in "Compensation Committee Interlocks and Insider Participation."

On January 25, 2005, THCR Holdings entered into an amended and restated investment agreement with Mr. Trump (the "DJT Investment Agreement"), pursuant to which Mr. Trump made a \$55 million cash equity investment and contributed approximately \$16.4 million aggregate principal face amount of 17.625% Second Priority Notes due 2010 of Trump Casino Holdings, LLC (the "TCH Second Priority Notes") beneficially owned by him (including interest accrued thereon), in exchange for shares of Common Stock (and/or Common Stock equivalents) of the Company recapitalized on the Effective Date.

TER Holdings Partnership Agreement and Exchange Rights Agreement. The Partnership Agreement contains provisions regarding the management of TER Holdings, the transferability of interests, additional capital contributions and distribution and allocation of profits and interests, among other provisions. The Partnership Agreement also contains certain tax distribution and indemnification provisions that, among other things, require the affirmative vote of Mr. Trump with respect to a sale or transfer of one or more of the Company's current properties; provided, however, that the Company may sell or transfer such properties without Mr. Trump's

Table of Contents

consent if either the Company or TER Holdings indemnifies Mr. Trump up to an aggregate of \$100 million for the U.S. federal income tax consequences associated with such sale or transfer. On the Effective Date, Mr. Trump, the Company, TER Holdings and certain of Mr. Trump's controlled affiliates also entered into a Third Amended and Restated Exchange Rights Agreement, which allows Mr. Trump and his controlled affiliates to exchange their limited partnership interests in TER Holdings for the Company's Common Stock, subject to certain terms and conditions.

Right of First Offer Agreement. On the Effective Date, the Company and TER Holdings entered into a right of first offer agreement (the ROFO Agreement) with the Trump Organization LLC, Mr. Trump's controlled affiliate, granting the Trump Organization LLC a three (3) year right of first offer to serve as development manager, project manager, construction manager and/or general contractor with respect to construction and development projects with an initial budget of at least \$35 million, for casinos, casino hotels and related hospitality lodging to be performed by third parties on the Company's existing and future properties, subject to certain terms and conditions. If the Trump Organization LLC does not exercise its right of first offer within thirty days after receiving a right of first offer notice from the Company, then the Company and TER Holdings may engage any party to perform such services upon any terms. However, if (i) the Company or TER Holdings does not engage a party within nine (9) months of the right of first offer notice or (ii) the Company or TER Holdings engages such other party on terms that are materially different from the terms contained in the right of first offer notice, then the Company or TER Holdings may not engage another party without giving the Trump Organization LLC another right of first offer. The ROFO Agreement sets forth the terms, conditions and parameters for the negotiations of the terms of any services to be provided by the Trump Organization LLC under the agreement.

Voting Agreement. The Voting Agreement provides for the continued election of five Class A Directors initially appointed by the informal committee of holders of the 11.25% First Mortgage Notes due 2006 of Trump Atlantic City Associates and Trump Atlantic City Funding Inc., Trump Atlantic City Funding II, Inc. and Trump Atlantic City Funding III, Inc. (collectively, the TAC Notes) under the Plan of Reorganization (and any person selected by a majority of Class A Directors then serving as directors to fill any vacancy) during the Class A Nomination Period.

Until the Company and TER Holdings terminate Mr. Trump's Services Agreement for Cause during the DJT Nomination Period, if Mr. Trump beneficially owns at least 7.5% of the Company's Common Stock, he may nominate three (3) directors, one of whom will be Mr. Trump and one of whom will be independent. If, during the DJT Nomination Period, Mr. Trump beneficially owns at least 5.0% but less than 7.5% of the Company's Common Stock, he may nominate two (2) directors, one of whom will be Mr. Trump and one of whom will be independent. If, during the DJT Nomination Period, Mr. Trump owns less than 5.0% of the Company's Common Stock, he may serve as a director as long as his Services Agreement has not been terminated. In addition, if, during the DJT Nomination Period, Mr. Trump beneficially owns less than 5.0% of the Company's Common Stock, the Mutual Board Member must be acceptable to him. If, during the Class A Nomination Period, Mr. Trump owns less than 5.0% of the Company's Common Stock, the Mutual Board Member must be acceptable to a majority of the Class A Directors. During the DJT Nomination Period, Mr. Trump will serve on each committee of the Company's Board, other than the compensation committee and audit committee. The foregoing actions are subject to Applicable Law, fiduciary duties. (See Director Information.)

Warrants. On the Effective Date, the Company and Mr. Trump entered into the DJT Warrant, which is exercisable for an aggregate of up to 1,446,706 shares of the Company's Common Stock at a purchase price of \$21.90 per share, subject to certain anti-dilution provisions. Also on the Effective date, Mr. Trump received Class A Warrants exercisable for an aggregate of up to 1,217,933 shares of Common Stock at a purchase price \$14.60 per share, subject to certain anti-dilution provisions.

Interests in Miss Universe Pageant. On the Effective Date, TER Holdings transferred its twenty-five percent (25%) beneficial interest in the Miss Universe Pageant to Mr. Trump pursuant to the Plan of Reorganization.

Table of Contents

Upon consummation of the Plan of Reorganization, Mr. Trump beneficially owned approximately 29.16% of the recapitalized Company's Common Stock (and/or Common Stock equivalents) on a fully diluted basis (excluding any shares reserved for issuance under management stock incentive plans), consisting of (i) approximately 9.12% in exchange for Mr. Trump's \$55 million cash investment, (ii) approximately 2.53% in exchange for Mr. Trump's contribution of approximately \$16.4 million aggregate principal face amount of TCH Second Priority Notes beneficially owned by him (including interest accrued thereon), (iii) approximately 11.02% in return for agreeing to license his name pursuant to the Trademark License Agreement described above and agreeing to modifications to certain existing contractual relationships between Mr. Trump and the Debtors (including entering into the Services Agreement described above), (iv) approximately 0.06% representing his existing equity interests after dilution upon the issuance of the recapitalized Company's Common Stock, (v) approximately 3.5% issuable upon the exercise of the DJT Warrant to be issued to Mr. Trump upon consummation of the Plan of Reorganization and (vi) approximately 2.95% issuable upon exercise of the DJT Class A Warrant to be issued to Mr. Trump upon consummation of the Plan of Reorganization.

Other Relationships. Loretta Pickus is employed by the Trump Taj Mahal as a Vice President of Legal Affairs pursuant to an employment agreement, dated as of January 13, 2003, by and between Mrs. Pickus and the Trump Taj Mahal. Mrs. Pickus is the wife of Robert M. Pickus, the Executive Vice President, Secretary and General Counsel of the Company and certain of its subsidiaries. Pursuant to the terms Mrs. Pickus employment agreement, which expires on December 31, 2006 unless otherwise terminated pursuant to its terms, Mrs. Pickus is paid an annual base salary of \$170,000 and receives insurance coverage and certain other employee benefits provided to similarly situated executives of the Trump Taj Mahal.

From time to time, certain relatives of the Company's officers hold part-time or seasonal positions at one or more of our properties.

STOCKHOLDER PROPOSALS FOR 2006 ANNUAL MEETING

It is currently anticipated that the 2006 Annual Meeting of Stockholders will take place during the second quarter of 2006. In general, notice of a stockholder proposal or a director nomination for an annual meeting must be received by the Secretary of the Company no later than the tenth (10th) day following the date on which the Company first makes public disclosure of the scheduled date of the 2006 Annual Meeting.

Any stockholder interested in making a proposal is referred to Article II, Section 10 of the Company's Amended and Restated Bylaws as well as Section 14a-8 promulgated under Regulation 14A of the Exchange Act.

COSTS OF PROXY SOLICITATION

The entire cost of soliciting proxies from the stockholders will be borne by the Company. In addition to the use of the mails, proxies may be solicited by personal interview, telephone or telegram by directors, officers or regular employees of the Company, who will not receive additional compensation for such solicitation but may be reimbursed for reasonable out-of-pocket expenses incurred in connection therewith.

Edgar Filing: TRUMP ENTERTAINMENT RESORTS, INC. - Form DEF 14A

The Company has retained MacKenzie Partners, Inc., a proxy soliciting firm, to assist in the solicitation of proxies and will pay such firm a fee, estimated not to exceed \$15,000 plus reimbursement of reasonable out-of-pocket expenses, which are not expected to exceed \$15,000. Arrangements may also be made with brokerage firms and other custodians, nominees and fiduciaries to forward proxy solicitation materials to the beneficial owners of shares of Common Stock held of record by such persons, in which case the Company will reimburse such brokerage firms, custodians, nominees and fiduciaries for reasonable out-of-pocket expenses incurred by them in connection therewith.

The designation of a Covered Employee as a Participant for a Performance Period shall not in any manner entitle the Participant to receive an Award for the period. Moreover, designation of a Covered Employee as a Participant for a particular Performance Period shall not require designation of such Covered Employee as a Participant in any subsequent Performance Period and designation of one Covered Employee as a Participant shall not require designation of any other Covered Employees as a Participant in such period or in any other period.

9.3 *Procedures with Respect to Performance-Based Awards.* To the extent necessary to comply with the Qualified Performance-Based Compensation requirements of Section 162(m)(4)(C) of the Code, with respect to any Award granted under Articles 6 and 8 which may be granted to one or more Covered Employees, no later than ninety (90) days following the commencement of any fiscal year in question or any other designated fiscal period or period of service (or such other time as may be required or permitted by Section 162(m) of the Code), the Committee shall, in writing, (a) designate one or more Covered Employees, (b) select the Performance Criteria applicable to the Performance Period, (c) establish the Performance Goals, and amounts of such Awards, as applicable, which may be earned for such Performance Period, and (d) specify the relationship between Performance Criteria and the Performance Goals and the amounts of such Awards, as applicable, to be earned by each Covered Employee for such Performance Period. Following the completion of each Performance Period, the Committee shall certify in writing whether the applicable Performance Goals have been achieved for such Performance Period. In determining the amount earned by a Covered Employee, the Committee shall have the right to reduce or eliminate (but not to increase) the amount payable at a given level of performance to take into account additional factors that the Committee may deem relevant to the assessment of individual or corporate performance for the Performance Period.

9.4 *Payment of Performance-Based Awards.* Unless otherwise provided in the applicable Award Agreement, a Participant must be employed by the Company or a Subsidiary on the day a Performance-Based Award for such Performance Period is paid to the Participant. Furthermore, a Participant shall be eligible to receive payment

pursuant to a Performance-Based Award for a Performance Period only if the Performance Goals for such period are achieved.

9.5 Additional Limitations. Notwithstanding any other provision of the Plan, any Award which is granted to a Covered Employee and is intended to constitute Qualified Performance-Based Compensation shall be subject to any additional limitations set forth in Section 162(m) of the Code (including any amendment to Section 162(m) of the Code) or any regulations or rulings issued thereunder that are requirements for qualification as qualified performance-based compensation as described in Section 162(m)(4)(C) of the Code, and the Plan shall be deemed amended to the extent necessary to conform to such requirements.

ARTICLE 10

PROVISIONS APPLICABLE TO AWARDS

10.1 Stand-Alone and Tandem Awards. Awards granted pursuant to the Plan may, in the discretion of the Committee, be granted either alone, in addition to, or in tandem with, any other Award granted pursuant to the Plan. Awards granted in addition to or in tandem with other Awards may be granted either at the same time as or at a different time from the grant of such other Awards.

10.2 Award Agreement. Awards under the Plan shall be evidenced by Award Agreements that set forth the terms, conditions and limitations for each Award which may include the term of an Award, the provisions applicable in the event the Participant's employment or service terminates, and the Company's authority to unilaterally or bilaterally amend, modify, suspend, cancel or rescind an Award.

10.3 Limits on Transfer. No right or interest of a Participant in any Award may be pledged, encumbered, or hypothecated to or in favor of any party other than the Company or a Subsidiary, or shall be subject to any lien, obligation, or liability of such Participant to any other party other than the Company or a Subsidiary. Except as otherwise provided by the Committee, no Award shall be assigned, transferred, or otherwise disposed of by a Participant other than by will or the laws of descent and distribution. The Committee by express provision in the Award or an amendment thereto may permit an Award (other than an Incentive Stock Option) to be transferred to, exercised by and paid to certain persons or entities related to the Participant, including but not limited to members of the Participant's family, charitable institutions, or trusts or other entities whose beneficiaries or beneficial owners are members of the Participant's family and/or charitable institutions, or to such other persons or entities as may be expressly approved by the Committee, pursuant to such conditions and procedures as the Committee may establish. Any permitted transfer shall be subject to the condition that the Committee receive evidence satisfactory to it that the transfer is being made for estate and/or tax planning purposes (or to a blind trust in connection with the Participant's termination of employment or service with the Company or a Subsidiary to assume a position with a governmental, charitable, educational or similar non-profit institution) and on a basis consistent with the Company's lawful issue of securities.

10.4 Beneficiaries. Notwithstanding Section 10.3, a Participant may, in the manner determined by the Committee, designate a beneficiary to exercise the rights of the Participant and to receive any distribution with respect to any Award upon the Participant's death. A beneficiary, legal guardian, legal representative, or other person claiming any rights pursuant to the Plan is subject to all terms and conditions of the Plan and any Award Agreement applicable to the Participant, except to the extent the Plan and Award Agreement otherwise provide, and to any additional restrictions deemed necessary or appropriate by the Committee. If the Participant is married and resides in a community property state, a designation of a person other than the Participant's spouse as his or her beneficiary with respect to more than 50% of the Participant's interest in the Award shall not be effective without the prior written consent of the Participant's spouse. If no beneficiary has been designated or survives the Participant, payment shall be made to the person entitled thereto pursuant to the Participant's will or the laws of descent and distribution. Subject to the foregoing, a beneficiary designation may be changed or revoked by a Participant at any time provided the change or revocation is

filed with the Committee.

10.5 Stock Certificates; Book Entry Procedures.

(a) Notwithstanding anything herein to the contrary, the Company shall not be required to issue or deliver any certificates evidencing shares of Stock pursuant to the exercise of any Award, unless and until the Board has determined, with advice of counsel, that the issuance and delivery of such certificates is in compliance with all applicable laws, regulations of governmental authorities and, if applicable, the requirements of any exchange on which the shares of Stock are listed or traded. All Stock certificates delivered pursuant to the Plan are subject to any stop-transfer orders and other restrictions as the Committee deems necessary or advisable to comply with federal, state, or foreign jurisdiction, securities or other laws, rules and regulations and the rules of any national securities exchange or automated quotation system on which the Stock is listed, quoted, or traded. The Committee may place legends on any Stock certificate to reference restrictions applicable to the Stock. In addition to the terms and conditions provided herein, the Board may require that a Participant make such reasonable covenants, agreements, and representations as the Board, in its discretion, deems advisable in order to comply with any such laws, regulations, or requirements. The Committee shall have the right to require any Participant to comply with any timing or other restrictions with respect to the settlement or exercise of any Award, including a window-period limitation, as may be imposed in the discretion of the Committee.

(b) Notwithstanding any other provision of the Plan, unless otherwise determined by the Committee or required by any applicable law, rule or regulation, the Company shall not deliver to any Participant certificates evidencing shares of Stock issued in connection with any Award and instead such shares of Stock shall be recorded in the books of the Company (or, as applicable, its transfer agent or stock plan administrator).

CHANGES IN CAPITAL STRUCTURE

11.1 Adjustments.

(a) In the event of any stock dividend, stock split, combination or exchange of shares, merger, consolidation, spin-off, recapitalization, distribution of Company assets to stockholders (other than normal cash dividends), or any other corporate event affecting the Stock or the share price of the Stock, the Committee may make such proportionate adjustments, if any, as the Committee in its discretion may deem appropriate to reflect such changes with respect to (i) the aggregate number and type of shares that may be issued under the Plan (including, but not limited to, adjustments of the limitations in Sections 3.1 and 3.3); (ii) the terms and conditions of any outstanding Awards (including, without limitation, any applicable performance targets or criteria with respect thereto); and/or (iii) the grant or exercise price per share for any outstanding Awards under the Plan. Any adjustment affecting an Award intended as Qualified Performance-Based Compensation shall be made consistent with the requirements of Section 162(m) of the Code.

(b) In the event of any transaction or event described in Section 11.1(a) or any unusual or nonrecurring transactions or events affecting the Company, any affiliate of the Company, or the financial statements of the Company or any affiliate (including without limitation any Change in Control), or of changes in applicable laws, regulations or accounting principles, and whenever the Committee determines that action is appropriate in order to prevent the dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan or with respect to any Award under the Plan, to facilitate such transactions or events or to give effect to such changes in laws, regulations or principles, the Committee, in its sole discretion and on such terms and conditions as it deems appropriate, either by amendment of the terms of any outstanding Awards or by action taken prior to the occurrence of such transaction or event and either automatically or upon the Participant's request, is hereby authorized to take any one or more of the following actions:

(i) To provide for either (A) termination of any such Award in exchange for an amount of cash and/or other property, if any, equal to the amount that would have been attained upon the exercise of

such Award or realization of the Participant's rights (and, for the avoidance of doubt, if as of the date of the occurrence of the transaction or event described in this Section 11.1(b) the Committee determines in good faith that no amount would have been attained upon the exercise of such Award or realization of the Participant's rights, then such Award may be terminated by the Company without payment) or (B) the replacement of such Award with other rights or property selected by the Committee in its sole discretion;

(ii) To provide that such Award be assumed by the successor or survivor corporation, or a parent or subsidiary thereof, or shall be substituted for by similar options, rights or awards covering the stock of the successor or survivor corporation, or a parent or subsidiary thereof, with appropriate adjustments as to the number and kind of shares and prices; and

(iii) To make adjustments in the number and type of shares of Stock (or other securities or property) subject to outstanding Awards, and in the number and kind of outstanding Restricted Stock or Deferred Stock and/or in the terms and conditions of (including the grant or exercise price), and the criteria included in, outstanding options, rights and awards and options, rights and awards which may be granted in the future;

(iv) To provide that such Award shall be exercisable or payable or fully vested with respect to all shares covered thereby, notwithstanding anything to the contrary in the Plan or the applicable Award Agreement; and

(v) To provide that the Award cannot vest, be exercised or become payable after such event.

11.2 Acceleration Upon a Change in Control. Notwithstanding Section 11.1, and except as may otherwise be provided in any applicable Award Agreement or other written agreement entered into between the Company and a Participant, if a Change in Control occurs, then immediately prior to the Change in Control, such Awards shall become fully exercisable and forfeiture restrictions on such Awards shall lapse. Upon, or in anticipation of, a Change in Control, the Committee may cause any and all Awards outstanding hereunder to terminate at a specific time in the future, including but not limited to the date of such Change in Control, and shall give each Participant the right to exercise such Awards during a period of time as the Committee, in its sole and absolute discretion, shall determine. Without limiting the generality of the preceding sentence, the Committee shall have the discretion, upon or in advance of a Change in Control, to terminate any or all outstanding Options in exchange for payment in respect of such Options determined, in the Committee's sole discretion, by reference to the consideration paid in the Change in Control. In the event that the terms of any agreement between the Company or any Company subsidiary or affiliate and a Participant contains provisions that conflict with and are more restrictive than the provisions of this Section 11.2, this Section 11.2 shall prevail and control and the more restrictive terms of such agreement (and only such terms) shall be of no force or effect.

11.3 Outstanding Awards - Certain Mergers. Subject to any required action by the stockholders of the Company, in the event that the Company shall be the surviving corporation in any merger or consolidation (except a merger or consolidation as a result of which the holders of shares of Stock receive securities of another corporation), each Award outstanding on the date of such merger or consolidation shall pertain to and apply to the securities that a holder of the number of shares of Stock subject to such Award would have received in such merger or consolidation.

11.4 Outstanding Awards - Other Changes. In the event of any other change in the capitalization of the Company or corporate change other than those specifically referred to in this Article 11, the Committee may, in its sole and absolute discretion, make such adjustments in the number and kind of shares or other securities subject to Awards outstanding on the date on which such change occurs and in the per share grant or exercise price of each Award as the Committee may consider appropriate to prevent dilution or enlargement of rights hereunder.

11.5 *No Other Rights.* Except as expressly provided in the Plan, no Participant shall have any rights by reason of any subdivision or consolidation of shares of stock of any class, the payment of any dividend, any

increase or decrease in the number of shares of stock of any class or any dissolution, liquidation, merger, or consolidation of the Company or any other corporation. Except as expressly provided in the Plan or pursuant to action of the Committee under the Plan, no issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number of shares of Stock subject to an Award or the grant or exercise price of any Award.

ARTICLE 12

ADMINISTRATION

12.1 *Committee.* Unless and until the Board delegates administration of the Plan to a Committee as set forth below, the Plan shall be administered by the full Board, and for such purposes the term *Committee* as used in this Plan shall be deemed to refer to the Board. The Board, at its discretion or as otherwise necessary to comply with the requirements of Section 162(m) of the Code, Rule 16b-3 promulgated under the Exchange Act or to the extent required by any other applicable law, rule or regulation, shall delegate administration of the Plan to a Committee. The Committee shall consist solely of two or more members of the Board each of whom is both an *outside director*, within the meaning of Section 162(m) of the Code, and a Non-Employee Director. Notwithstanding the foregoing: (a) the full Board, acting by a majority of its members in office, shall conduct the general administration of the Plan with respect to all Awards granted to Independent Directors and for purposes of such Awards the term *Committee* as used in this Plan shall be deemed to refer to the Board and (b) the Committee may delegate its authority hereunder to the extent permitted by Section 12.5. Appointment of Committee members shall be effective upon acceptance of appointment. The Board may abolish the Committee at any time and revert in the Board the administration of the Plan. Committee members may resign at any time by delivering written notice to the Board. Vacancies in the Committee may only be filled by the Board.

12.2 *Action by the Committee.* A majority of the Committee shall constitute a quorum. The acts of a majority of the members present at any meeting at which a quorum is present, and acts approved in writing by a majority of the Committee in lieu of a meeting, shall be deemed the acts of the Committee. Each member of the Committee is entitled to, in good faith, rely or act upon any report or other information furnished to that member by any officer or other employee of the Company or any Subsidiary, the Company's independent certified public accountants, or any executive compensation consultant or other professional retained by the Company to assist in the administration of the Plan.

12.3 *Authority of Committee.* Subject to any specific designation in the Plan, the Committee has the exclusive power, authority and discretion to:

- (a) Designate Participants to receive Awards;
- (b) Determine the type or types of Awards to be granted to each Participant;
- (c) Determine the number of Awards to be granted and the number of shares of Stock to which an Award will relate;

restrictions on the exercisability of an Award, and accelerations or waivers thereof, any provisions related to non-competition and recapture of gain on an Award, based in each case on such considerations as the Committee in its sole discretion determines; *provided, however*, that the Committee shall not have the authority to accelerate the vesting or waive the forfeiture of any Performance-Based Awards;

(e) Determine whether, to what extent, and pursuant to what circumstances an Award may be settled in, or the exercise price of an Award may be paid in, cash, Stock, other Awards, or other property, or an Award may be canceled, forfeited, or surrendered;

- (j) Make all other decisions and determinations that may be required pursuant to the Plan or as the Committee deems necessary or advisable to administer the Plan.

12.4 *Decisions Binding.* The Committee's interpretation of the Plan, any Awards granted pursuant to the Plan, any Award Agreement and all decisions and determinations by the Committee with respect to the Plan are final, binding, and conclusive on all parties.

12.5 *Delegation of Authority.* To the extent permitted by applicable law, the Committee may from time to time delegate to a committee of one or more members of the Board or one or more officers of the Company the authority to grant or amend Awards to Participants other than (a) senior executives of the Company who are subject to Section 16 of the Exchange Act, (b) Covered Employees, or (c) officers of the Company (or members of the Board) to whom authority to grant or amend Awards has been delegated hereunder. Any delegation hereunder shall be subject to the restrictions and limits that the Committee specifies at the time of such delegation, and the Committee may at any time rescind the authority so delegated or appoint a new delegatee. At all times, the delegatee appointed under this Section 12.5 shall serve in such capacity at the pleasure of the Committee.

ARTICLE 13

EFFECTIVE AND EXPIRATION DATE

13.1 *Effective Date.* The Plan is effective as of the date the Plan is duly adopted by resolution of the Board (the *Effective Date*). The Plan will be submitted for the approval of the Company's stockholders within twelve months after the Effective Date and will be deemed to be approved by the stockholders if it receives the affirmative vote of the holders of a majority of the shares of stock of the Company present or represented and entitled to vote at a meeting duly held in accordance with the applicable provisions of the Company's Bylaws. Awards made prior to such stockholder approval shall not vest or become exercisable and restrictions applicable to such Awards shall not lapse, in each case as applicable, prior to the time when this Plan is so approved by the stockholders. If such stockholder approval has not been obtained at the end of said twelve-month period, all Awards previously awarded under the Plan shall thereupon be canceled and become null and void.

13.2 *Expiration Date.* The Plan will expire on, and no Incentive Stock Option or other Award may be granted pursuant to the Plan after, the earlier of the tenth anniversary of (i) the Effective Date or (ii) the date this Plan is approved by the Board. (b) stockholder approval is required for any amendment to the Plan that (i) increases the number of shares available under the Plan (other than any adjustment as provided by Article 11), (ii) permits the Committee to grant Options with an exercise price that is below Fair Market Value on the date of grant, or (iii) permits the Committee to extend the exercise period for an Option beyond ten years from the date of grant. Notwithstanding any provision in this Plan to the contrary, absent approval of the stockholders of the Company, no Option may be amended to reduce the per share exercise price of the shares subject to such Option below the per share exercise price as of the date the Option is granted and, except as permitted by Article 11, no Option may be granted in exchange for, or in connection with, the cancellation or surrender of an Option having a higher per share exercise price.

14.2 *Awards Previously Granted.* No termination, amendment, or modification of the Plan shall adversely affect in any material way any Award previously granted pursuant to the Plan without the prior written consent of the Participant.

ARTICLE 15

GENERAL PROVISIONS

15.1 *No Rights to Awards.* No Eligible Individual or other person shall have any claim to be granted any Award pursuant to the Plan, and neither the Company nor the Committee is obligated to treat Eligible Individuals, Participants or any other persons uniformly.

15.2 *No Stockholders Rights.* Except as otherwise provided herein, a Participant shall have none of the rights of a stockholder with respect to shares of Stock covered by any Award until the Participant becomes the record owner of such shares of Stock.

15.3 *Withholding.* The Company or any Subsidiary shall have the authority and the right to deduct or withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy federal, state, local and foreign taxes (including the Participant's FICA obligation) required by law to be withheld with respect to any taxable event concerning a Participant arising as a result of this Plan. The Committee may in its discretion and in satisfaction of the foregoing requirement allow a Participant to elect to have the Company withhold shares of Stock otherwise issuable under an Award (or allow the return of shares of Stock) having a Fair Market Value equal to the sums required to be withheld. Notwithstanding any other provision of the Plan, the number of shares of Stock which may be withheld with respect to the issuance, vesting, exercise or payment of any Award (or which may be repurchased from the Participant of such Award within six months (or such other period as may be determined by the Committee) after such shares of Stock were acquired by the Participant from the Company) in order to satisfy the Participant's federal, state, local and foreign income and payroll tax liabilities with respect to the issuance, vesting, exercise or payment of the Award shall be limited to the number of shares which have a Fair Market Value on the date of withholding or repurchase equal to the aggregate amount of such liabilities based on the minimum statutory withholding rates for federal, state, local and foreign income tax and payroll tax purposes that are applicable to such supplemental taxable income.

15.4 *No Right to Employment or Services.* Nothing in the Plan or any Award Agreement shall interfere with or limit in any way the right of the Company or any Subsidiary to terminate any Participant's employment or services at any time, nor confer upon any Participant any right to continue in the employ or service of the Company or any Subsidiary.

15.5 *Unfunded Status of Awards.* The Plan is intended to be an unfunded plan for incentive compensation. With respect to any payments not yet made to a Participant pursuant to an Award, nothing contained in the Plan or any Award Agreement shall give the Participant any rights that are

15.6 *Indemnification.* To the extent allowable pursuant to applicable law, each member of the Committee or of the Board shall be indemnified and held harmless by the Company from any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by such member in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action or failure to act pursuant to the Plan and against and from any and all amounts paid by him or her in satisfaction of judgment in such action, suit, or proceeding against him or her; *provided* he or she gives the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled pursuant to the Company's Certificate of Incorporation or Bylaws, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

15.7 *Relationship to other Benefits.* No payment pursuant to the Plan shall be taken into account in determining any benefits pursuant to any pension, retirement, savings, profit sharing, group insurance, welfare or other benefit plan of the Company or any Subsidiary except to the extent otherwise expressly provided in writing in such other plan or an agreement thereunder.

15.8 *Expenses.* The expenses of administering the Plan shall be borne by the Company and its Subsidiaries.

15.9 *Titles and Headings.* The titles and headings of the Sections in the Plan are for convenience of reference only and, in the event of any conflict, the text of the Plan, rather than such titles or headings, shall control.

15.10 *Fractional Shares.* No fractional shares of Stock shall be issued and the Committee shall determine, in its discretion, whether cash shall be given in lieu of fractional shares or whether such fractional shares shall be eliminated by rounding up or down as appropriate.

15.11 *Limitations Applicable to Section 16 Persons.* Notwithstanding any other provision of the Plan, the Plan, and any Award granted or awarded to any Participant who is then subject to Section 16 of the Exchange Act, shall be subject to any additional limitations set forth in any applicable exemptive rule under Section 16 of the Exchange Act (including any amendment to Rule 16b-3 of the Exchange Act) that are requirements for the application of such exemptive rule. To the extent permitted by applicable law, the Plan and Awards granted or awarded hereunder shall be deemed amended to the extent necessary to conform to such applicable exemptive rule.

15.12 *Government and Other Regulations.* The obligation of the Company to make payment of awards in Stock or otherwise shall be subject to all applicable laws, rules, and regulations, and to such approvals by government agencies as may be required. The Company shall be under no obligation to register pursuant to the Securities Act of 1933, as amended, any of the shares of Stock paid pursuant to the Plan. If the shares paid pursuant to the Plan may in certain circumstances be exempt from registration pursuant to the Securities Act of 1933, as amended, the Company may restrict the transfer of such shares in such manner as it deems advisable to ensure the availability of any such exemption.

15.13 *Section 409A.* To the extent that the Committee determines that any Award granted under the Plan is subject to Section 409A of the Code, the Award Agreement evidencing such Award shall incorporate the terms and conditions required by Section 409A of the Code. To the extent applicable, the Plan and Award Agreements shall be interpreted in accordance with Section 409A of the Code and Department of Treasury regulations and other interpretive guidance issued thereunder, including without limitation any such regulations or other guidance that may be issued after the Effective Date. Notwithstanding any provision of the Plan to the contrary, in the event that following the Effective Date the Committee determines that any Award may be subject to Section 409A of the Code and related Department of Treasury guidance (including such Department of Treasury guidance as may be issued after the Effective Date), the Committee may adopt such amendments to the Plan and

the applicable Award Agreement or adopt other policies and procedures (including amendments, policies and procedures with retroactive effect), or take any other actions, that the Committee determines are necessary or appropriate to (a) exempt the Award from Section 409A of the Code and/or preserve the intended tax treatment of the benefits provided with respect to the Award, or (b) comply with the requirements of Section 409A of the Code and related Department of Treasury guidance.

15.14 *Governing Law.* The Plan and all Award Agreements shall be construed in accordance with and governed by the laws of the State of Delaware.

- e. Reviewing reports by the independent auditor that are required to be delivered to the Committee under the 1934 Act or any other law, regulation or listing rule.
- f. Reviewing with the independent auditors, the internal auditors and the financial and accounting personnel of the Company, as appropriate, the scope of the audit proposed for the current year and the audit procedures to be utilized; and upon completion of the audit (and following each interim review of the Company's financial statements), discussing with the independent auditors all matters required to be communicated to the Committee under generally accepted auditing standards, including the judgments of the independent auditors with respect to the quality, not just the acceptability, of the Company's accounting principles and underlying estimates in the financial statements.
- g. Reviewing with the independent auditors, the internal auditors, and the financial and accounting personnel of the Company, as appropriate, the adequacy of the accounting and financial controls, eliciting any recommendations for improvement or particular areas where augmented controls are desirable, with particular emphasis given to the adequacy of such internal controls to expose activities that might be unlawful, unethical or otherwise improper.
