Item 8.01. Other Events.

Registrant expects to incur the following charges in the third quarter of 2005 (in millions):

	<u>Pre-Tax</u>	<u>After-Tax</u>
Provision for litigation matters	\$ 107	\$ 79
Losses sustained from Hurricane Katrina	15	9
Cumulative effect of changes in accounting principles	37	26
	<u> </u>	<u> </u>
Total	\$ 159	\$ 114

The third-quarter 2005 earnings per share impact of these charges is expected to be approximately \$0.12.

The **provision for litigation matters** includes an aggregated estimate of pre-tax charges of \$89 million for the previously disclosed (in Registrant's Form 8-K dated September 9, 2005) MPI arbitration panel decision, and \$18 million for potential losses from other legal matters as well as interest expense related to the MPI matter.

Losses sustained from Hurricane Katrina include \$10 million that Registrant expects will not be covered due to its deductible on property damage insurance coverage as well as \$5 million for losses related to impaired receivables. Registrant continues to assess the estimate of its losses from the effects of Hurricane Katrina.

The **cumulative effect of changes in accounting principles** includes the estimated impact from the adoption of the following accounting pronouncements, both of which were disclosed in Registrant's Form 10-Q for the second quarter of 2005:

FASB Staff Position No. FAS 143-1 **Accounting for Electronic Equipment Waste Obligations** addresses the accounting related to the European Union (EU) directive for the disposal of electronic equipment. The disposal obligation recorded by the Registrant primarily relates to its leased equipment for those EU countries that have adopted the directive.

FASB Interpretation No. 47, **Accounting for Conditional Asset Retirement Obligations** an interpretation of FASB Statement No. 143 clarifies the accounting for conditional asset retirement obligations, and primarily impacts lease agreements where Registrant is required to remove certain leasehold improvements and restore the facility to its original condition at lease termination.

The foregoing amounts are estimates and are subject to change.

Registrant expects to release its earnings for the third quarter of 2005 on October 21, 2005.

Edgar Filing: XEROX CORP - Form 8-K

The matters discussed above were not reflected in Registrant's previously issued earnings guidance. Apart from the matters addressed in this Form 8-K, Registrant is not updating or reaffirming its previously issued earnings guidance.
