PROXY STATEMENT

Mailing Date: On or about March 21, 2006

ANNUAL MEETING OF SHAREHOLDERS

To Be Held

April 25, 2006

General

This Proxy Statement is furnished in connection with the solicitation of the enclosed appointment of proxy by the Board of Directors of American Community Bancshares, Inc. (the Company) for the 2006 Annual Meeting of Shareholders of the Company (the Annual Meeting) to be held at American Community Bank, 2593 West Roosevelt Boulevard, Monroe, North Carolina, at 11:00 a.m. on April 25, 2006, and any adjournments thereof.

Solicitation and Voting of Appointments of Proxy; Revocation

Persons named in the appointment of proxy as proxies to represent shareholders at the Annual Meeting are Robert G. Dinsmore, Jr., Frank L. Gentry and Bill H. Mason. Shares represented by each appointment of proxy, which is properly executed and returned and not revoked, will be voted in accordance with the directions contained in the appointment of proxy. If no directions are given, each such appointment of proxy will be voted FOR the election of each of the nominees for director named in Proposal 2 below and FOR Proposals 1 and 3. If, at or before the time of the Annual Meeting, any nominee named in Proposal 2 has become unavailable for any reason, the proxies will have the discretion to vote for a substitute nominee. On such other matters as may come before the meeting, the proxies will be authorized to vote shares represented by each appointment of proxy in accordance with their best judgment on such matters. An appointment of proxy may be revoked by the shareholder giving it at any time before it is exercised by filing with Dan R. Ellis, Jr., Secretary of the Company, a written instrument revoking it or a duly executed appointment of proxy bearing a later date, or by attending the Annual Meeting and announcing his or her intention to vote in person.

Expenses of Solicitation

The Company will pay the cost of preparing, assembling and mailing this Proxy Statement and other proxy solicitation expenses. In addition to the use of the mails, appointments of proxy may be solicited in person or by telephone by the Company's officers, directors and employees without additional compensation. The Company will reimburse banks, brokers and other custodians, nominees and fiduciaries for their costs in sending the proxy materials to the beneficial owners of the Company's common stock.

Record Date

The close of business on March 10, 2006 has been fixed as the record date (the Record Date) for the determination of shareholders entitled to notice of and to vote at the Annual Meeting. Only shareholders of record on that date will be eligible to vote on the proposals described herein.

Voting Securities

The voting securities of the Company are the shares of its common stock, par value \$1.00 per share, of which 9,000,000 shares are authorized and preferred stock, no par value, of which 1,000,000 shares are authorized. At March 10, 2006, there were 6,853,240 shares of common stock and no shares of preferred stock outstanding. There are approximately 2,800 holders of record of the Company's common stock.

Voting Procedures; Quorum; Votes Required for Approval

Each shareholder is entitled to one vote for each share held of record on the Record Date on each director to be elected and on each other matter submitted for voting. In accordance with North Carolina law, shareholders will not be entitled to vote cumulatively in the election of directors at the Annual Meeting.

A majority of the shares of the Company's common stock issued and outstanding on the Record Date must be present in person or by proxy to constitute a quorum for the conduct of business at the Annual Meeting.

Assuming a quorum is present, in the case of Proposal 2 below, the five directors receiving the greatest number of votes shall be elected.

In the case of Proposals 1 and 3 below, for each such proposal to be approved, the number of votes cast for approval must exceed the number of votes cast against the proposal. Abstentions and broker non-votes will have no effect.

Authorization to Vote on Adjournment and Other Matters

Unless the Secretary of the Company is instructed otherwise, by signing an appointment of proxy, shareholders will be authorizing the proxyholders to vote in their discretion regarding any procedural motions which may come before the Annual Meeting. For example, this authority could be used to adjourn the Annual Meeting if the Company believes it is desirable to do so. Adjournment or other procedural matters could be used to obtain more time before a vote is taken in order to solicit additional proxies to establish a quorum or to provide additional information to shareholders. However, proxies voted against any of the Proposals will not be used to adjourn the Annual Meeting. The Company does not have any plans to adjourn the meeting at this time, but intends to do so, if needed, to promote shareholder interests.

Section 16(a) Beneficial Ownership Reporting Compliance

Directors and executive officers of the Company are required by federal law to file reports with the Securities and Exchange Commission (SEC) regarding the amount of and changes in their beneficial ownership of the Company's common stock. To the best knowledge of the Company, and with the exception of a Form 4 filed by Mr. Guilford on March 22, 2005, a Form 4 filed by Mr. Hall on March 17, 2005 and a Form 4 filed by Mr. Moss on December 30, 2005, all such ownership reports have been timely filed and the ownership status of the Company's common stock by such individuals is current.

PROPOSAL 1: AMENDMENT OF ARTICLES OF INCORPORATION

The Board of Directors has voted to recommend to the shareholders an amendment to Article II of the Company's Articles of Incorporation to increase by 16,000,000 the number of authorized shares of the Company's capital stock (the Share Amendment). The Company's Articles of Incorporation presently authorize the issuance of up to 10,000,000 shares of capital stock, with 9,000,000 of such shares classified as common stock, \$1.00 par value per share, and the remaining 1,000,000 shares classified as preferred stock, no par value per share. On the Record Date, the Company had 6,853,240 shares of common stock, and no shares of preferred stock, issued and outstanding. If the Share Amendment is approved by the shareholders, the Company will have 26,000,000 shares authorized, with 25,000,000 of such shares classified as \$1.00 par value common stock and the remaining 1,000,000 shares classified as preferred stock.

The relative rights and limitations of the Company's common stock and preferred stock would remain unchanged if the Share Amendment is approved. Holders of the capital stock of the Company shall not be entitled to preemptive rights with respect to any shares of capital stock of the Company which may be issued.

The Share Amendment has been recommended by the Board of Directors to ensure that an adequate supply of authorized but unissued shares is available for general corporate needs, such as future stock dividends, stock splits, public or private sale for capital enhancement purposes, or for bank and non-bank acquisitions. There are currently no plans or arrangements relating to the issuance of any of the additional shares of common stock proposed to be authorized by the Share Amendment.

If the Share Amendment is approved by the shareholders, shares of the Company's capital stock would remain available for issuance without further action by the shareholders, unless otherwise required by the Company's Articles of Incorporation or bylaws or by applicable law.

The issuance of additional shares of common stock may, among other things, have a dilutive effect on earnings per share and on the equity and voting power of existing holders of common stock. The issuance of additional shares of common stock or shares of preferred stock by the Company may also potentially have an anti-takeover effect by making it more difficult to obtain shareholder approval of various actions, such as a merger or removal of management.

The text of Article II of the Company's Articles of Incorporation, as proposed to be amended, is as follows:

The Corporation shall have authority to issue a total of 26,000,000 shares of capital stock. The capital stock shall consist of 25,000,000 shares of Common Stock, \$1.00 par value per share, each with one vote per share, and 1,000,000 shares of Preferred Stock, no par value. The preferences, limitations and relative rights of the shares of Preferred Stock shall be as designated by the Board of Directors and may be issued in one or more series.

In order for Proposal 1 to be approved, the number of votes cast for approval of such proposal must exceed the number of votes cast against the proposal. Abstentions and broker non-votes will have no effect.

THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE FOR THE PROPOSED AMENDMENT TO THE COMPANY'S ARTICLES OF INCORPORATION.

PROPOSAL 2: ELECTION OF DIRECTORS

The Company's Bylaws provide that its board shall consist of between seven and twenty members. If there are more than nine members, the board shall be divided into three classes in as equal a number as possible. Such classes shall be elected to staggered three-year terms. Meetings and Committees of the Board of Directors

The Company's Board of Directors held six meetings in 2005. Each director attended 75% or more of the aggregate board and committee meetings of which he or she was a member.

It is the policy of the Company that directors attend each annual meeting and any special meetings of the Company's shareholders. All of the Company's directors attended the 2005 annual meeting of shareholders.

The Company's Board of Directors has several standing committees including a Compensation Committee, Nominating Committee, and Audit Committee.

Compensation Committee. The members of the Compensation Committee are Robert G. Dinsmore, Jr., Thomas J. Hall, Alison Smith, David D. Whitley and Gregory N. Wylie (Chairperson). In addition, Randy P. Helton and V. Stephen Moss serve as non-voting advisors to the Compensation Committee, but have no input on their own compensation. The Compensation Committee reviews and approves all salaries and benefits of the executive officers of the Company's subsidiary bank. The Compensation Committee met nine times in 2005. The report of the Compensation Committee follows on page 14 of this Proxy Statement.

Nominating Committee. The members of the Nominating Committee are Larry S. Helms, L. Steven Phillips, Alison Smith (Chairperson) and Gregory N. Wylie. The Committee met two times in 2005. The duties of the Nominating Committee include: (i) assisting the Board, on an annual basis, by identifying individuals qualified to become Board members, and recommending to the Board the director nominees for the next annual meeting of shareholders and (ii) assisting the Board in the event of any vacancy on the Board by identifying individuals qualified to become Board members, and recommending to the Board qualified individuals to fill any such vacancy.

The Company's common stock is listed on the Nasdaq Capital Market and the members of the Nominating Committee are independent as defined by Nasdaq listing standards. The bylaws of the Company state that candidates may be nominated for election to the Board of Directors by the Nominating Committee or by any shareholder of the Company's common stock. It is the policy of the Nominating Committee to consider all shareholder nominations. Shareholder nominations must be submitted to the Nominating Committee in writing on or before September 30th of the year preceding the annual meeting at which the nominee would stand for election to the Board of Directors and must be accompanied by each nominee's written consent to serve as a director of the Company if elected. The bylaws of the Company require that all nominees for director, including shareholder nominees, have business, economic and residential ties to the Company's market area, have owned at least 2,500 shares of the Company's common stock as of the date of the nomination and maintain a depository relationship with a financial institution subsidiary of the Company. In evaluating nominees for director, the Nominating Committee values community involvement and experience in finance or banking including prior service as an officer or director of an entity engaged in the financial services business, although such experience is not a prerequisite for nomination. The Nominating Committee has adopted a formal written charter. The Committee's charter is available at <http://www.americancommunitybank.com>.

Report of the Audit Committee

The Audit Committee is responsible for receiving and reviewing the annual audit report of the Company's independent auditors and reports of examinations by bank regulatory agencies, and helps formulate, implement, and review the Company's and its subsidiary's internal audit programs. The Audit Committee assesses the performance and independence of the Company's independent accountants and recommends their appointment. The Audit Committee has in place pre-approval policies and procedures that involve an assessment of the performance and independence of the Company's independent auditors, an evaluation of any conflicts of interest that may impair the independence of the independent auditors and pre-approval of an engagement letter that outlines all services to be rendered by the independent auditors.

During the course of its examination of the Company's audit process in 2005, the Audit Committee reviewed and discussed the audited financial statements with management. The Audit Committee also discussed with the independent auditors, Dixon Hughes PLLC, all matters required to be discussed by the Statement of Auditing Standards No. 61, as amended. Furthermore, the Audit Committee received from and discussed with Dixon Hughes PLLC disclosures regarding their independence required by the Independence Standards Board Standard No. 1, as amended. Based on the review and discussions above, the Audit Committee (i) recommended to the board that the audited financial statements be included in the Company's annual report on Form 10-K for the year ended December 31, 2005 for filing with the SEC and (ii) recommended that shareholders ratify the appointment of Dixon Hughes PLLC as auditors for 2006.

The Audit Committee has a written charter which is reviewed by the Committee for adequacy on an annual basis. The Audit Committee Charter was attached as Exhibit A to the proxy statement for the 2005 annual meeting of shareholders. The members of the Audit Committee are independent and financially literate as defined by the Nasdaq listing standards. The Board of Directors has determined that Robert G. Dinsmore, Jr., a member of the Audit Committee, meets the requirements adopted by the SEC for qualification as an audit committee financial expert. An audit committee financial expert is defined as a person who has the following attributes: (i) an understanding of generally accepted accounting principles and financial statements; (ii) the ability to assess the general application of GAAP in connection with the accounting for estimates, accruals and reserves; (iii) experience preparing, auditing, analyzing or evaluating financial statements that are of the same level of complexity that can be expected in the registrant's financial statements, or experience supervising people engaged in such activities; (iv) an understanding of internal controls and procedures for financial reporting; and (v) an understanding of audit committee functions.

This report is submitted by the Audit Committee: Robert G. Dinsmore, Jr. (Chairperson), Frank L. Gentry, Philip Gilboy, Bill H. Mason, L. Steven Phillips and Gregory N. Wylie.

American Community Bank has also entered into an employment agreement with V. Stephen Moss, Senior Vice President and South Carolina Regional Executive of the Bank (dated April 15, 2004), to establish his duties and compensation and to provide for his continued employment with the Bank. The employment agreement provides for an initial term of employment of three years. The term automatically renews for an additional year at the end of each year of the term unless notice of termination is received prior to such renewal. The employment agreement provides for an annual base salary to be reviewed by the Board of Directors not less often than annually. In addition, the employment agreement provides for discretionary bonuses, participation in other pension and profit sharing retirement plans maintained by the Bank on behalf of its employees, as well as fringe benefits normally associated with Mr. Moss's office or made available to all other employees. The employment agreement provides that Mr. Moss may be terminated, by the Bank, for cause as defined in the employment agreement and further provides that the employment agreement may otherwise be voluntarily terminated by Mr. Moss or by the Bank (subject to vested rights). The employment agreement also provides that in the event of a termination event following a change of control of the Bank (i) Mr. Moss shall be able to terminate his employment agreement and receive 150% of his base amount of compensation. The definitions of the terms change of control and termination event under Mr. Moss employment agreement are substantially identical to the definitions of those terms in Mr. Helton's employment agreement, which is summarized above.

401(k) Savings Plan

In 1999, the Bank adopted a tax-qualified plan (the Savings Plan) which covers all current and full-time employees and any new full-time employees who have been employed for twelve months and who have attained the age of twenty-one. Under the Savings Plan, a participating employee may contribute up to 20% of his or her base salary (up to the maximum allowed by law) on a tax-deferred basis through salary reduction as permitted under the Section 401(k) of the Internal Revenue Code of 1986, as amended (the Code). The Bank is permitted to make contributions equal to 50% of the employees' contributions up to a maximum of 3% of employee compensation. The employer contributions vest completely after six years of service. The Bank may make additional discretionary contributions that also vest completely after six years of service with the Bank. The value of a participant's accounts under the Savings Plan becomes payable to him or her according to the vesting schedule upon retirement, total or permanent disability or termination of employment for any other reason, or becomes payable to a designated beneficiary upon a participant's death. The Savings Plan also contains provisions for withdrawals in the event of certain hardships. A participant's contributions, matching contributions and discretionary contributions of the Bank, and any income accrued on such contributions, are not subject to federal or state taxes until such time as the participant withdraws them.

Compensation Committee Interlocks and Insider Participation

No member of the Compensation Committee is now, or formerly was, an officer or employee of either of the Company or the Bank. Mr. Helton makes recommendations to the Committee regarding compensation of the executive officers. Mr. Helton participates in the deliberations, but not the decisions, of the Committee regarding compensation of executive officers other than himself. He does not participate in the Committee's discussions or decisions regarding his own compensation.

Report of the Compensation Committee

The Compensation Committee meets on an as needed basis to review the salaries and compensation programs required to attract and retain the Company's executive officers. The committee approves the compensation of the President and Chief Executive Officer and reporting officers to the President including the Chief Financial Officer, Chief Credit Officer, and Chief Operating Officer. The salary of each of such reporting officers is determined based upon the recommendation by the President and Chief Executive Officer and such officer's experience, managerial effectiveness, contribution to the Company's overall profitability, maintenance of regulatory compliance standards and professional leadership. The Committee also compares the compensation of the Company's executive officers with compensation paid to executives of similarly situated bank holding companies, other businesses in the Company's market area and appropriate state and national salary data. In addition, the compensation committee also engages on occasion, third party compensation consultants to assist in determining Executive pay or additional benefits. The Committee is not bound by recommendations made by the President and Chief Executive Officer who does not have any input into his own compensation level. These factors were considered in establishing the compensation of Mr. Helton during the fiscal year ended December 31, 2005. All executive officers of the Company, including Mr. Helton, are eligible to receive discretionary bonuses declared by the Board of Directors. The amount of such bonuses and incentive payments is based upon the Company's budget and the attainment of corporate goals and objectives. Finally, the interests of the Company's executive officers are aligned with that of its shareholders through the use of equity-based compensation, specifically the grant of stock options with exercise prices established at the fair market value of the Company's common stock at the time of grant.

This report is submitted by the Compensation Committee: Robert G. Dinsmore, Jr., Thomas J. Hall, Alison Smith, David D. Whitley and Gregory N. Wylie (Chairperson).

The following graph compares (i) the yearly change in the cumulative total stockholder return on the Company's common stock with (ii) the cumulative return of the Nasdaq Composite, and (iii) the Nasdaq Bank Stock Index. The graph assumes that the value of an investment in the Company's common stock and in each index was \$100 on December 31, 2000, and that all dividends were reinvested. The performance shown in the graph represents past performance and should not be considered an indication of future performance.

Indebtedness of and Transactions with Management

The Company and American Community Bank have had, and expect to have in the future, banking transactions in the ordinary course of business with certain of their current directors, nominees for director, executive officers and associates. All loans included in such transactions were made on substantially the same terms, including interest rates, repayment terms and collateral, as those prevailing at the time such loans were made for comparable transactions with other persons, and do not involve more than the normal risk of collectibility or present other unfavorable features.

Loans made by American Community Bank to directors and executive officers are subject to the requirements of Regulation O of the Board of Governors of the Federal Reserve System. Regulation O requires, among other things, prior approval of the Board of Directors with any interested director not participating, dollar limitations on amounts of certain loans and prohibits any favorable treatment being extended to any director or executive officer in any of the bank's lending matters. To the best knowledge of the management of the Company and the bank, Regulation O has been complied with in its entirety.

American Community Bank leases the premises of its main office from a director. Prior to the main facility being completed in November 2000, the Company leased land for its temporary banking facility from that same director. In addition, the Marshville facility is leased from another director. In January 2003, the Company signed an operating lease for a new branch facility in Mint Hill, North Carolina, with another director. The lease has an initial term of ten years with two renewal options for five years each. Total lease payments of \$457,002, \$419,553, and \$464,755 were paid to these directors under these leases during 2005, 2004 and 2003, respectively. The terms of the leases have been appraised by an independent third party to ensure that it is no less favorable to the Bank than would be available from an independent lessor.
