( Holdings ), 3970957 Canada, Inc. ( Canco ), Saco Technologies Inc. ( Saco ), 4349466 Canada Inc. ( Acquired Company ), Fred Jalbout and Bassam Jalbout. Each of Holdings, Canco, Saco and the Acquired Company is incorporated under the Canada Business Corporation Act; Holdings, Canco and Saco each is referred to herein as a Seller or collectively as Sellers. Each of the Jalbouts owns fifty percent of the outstanding capital stock of Holdings. Holdings owns 100% of the capital stock of each of the Sellers. Pursuant to the Purchase Agreement, the registrant acquired all of the stock of the Acquired Company on June 26, 2006. The Acquired Company is in the business of developing, designing, manufacturing and selling large-format video screens and high-performance light engine devices derived from light emitting diode (LED) technology. The purchase price for the acquisition of the Acquired Company was 1,419,355 LSI Common Shares plus \$23 million and the assumption of approximately \$7,500,000 in indebtedness. The registrant renamed the Acquired Company LSI Saco Technologies Inc.

**Escrow Agreement.**

Also as part of the purchase price the registrant deposited with The Bank of New York Trust Company, N.A., as escrow agent ( BONY ), 1,419,355 Common Shares of the registrant to satisfy any amounts owed by Holdings, Canco, Saco, Fred Jalbout and/or Bassam Jalbout to the registrant to cover post-closing indemnification claims. Pursuant to the Escrow Agreement dated June 26, 2006 among the registrant, BONY and Saco, escrow shares are to be released on September 30, 2006, 2007 and 2008 in increments described therein to the extent the registrant has not delivered any notice of claim that it is asserting indemnification against the Sellers and/or the Jalbouts pursuant to the Purchase Agreement. The escrow shares are subject to earlier release if certain conditions are met.

**Registration Rights Agreement.**

Pursuant to the Registration Rights Agreement dated June 26, 2006 between the registrant and Saco, the registrant agreed to file a registration statement on Form S-3 with the Securities and Exchange Commission to effect the registration under the Securities Act of 1933, as amended, of the 1,419,355 Common Shares described above for resale by Saco. The registrant is required to pay all registration expenses but is not required to pay any underwriting fees, discounts or commissions attributable to the sale of the Shares.

**Employment Agreement.**

On June 26, 2006 the Acquired Company and Fred Jalbout entered into an employment agreement pursuant to which Fred Jalbout has agreed to serve as President of LSI Technology Solutions *Plus* and President and Chief Executive Officer of the Acquired Company. Mr. Jalbout's annual base salary, less deductions shall be approximately \$200,000. In addition, Jalbout received a grant of options to purchase 20,000 Common Shares at a purchase price equal to the fair market value of such shares on the date of grant. Mr. Jalbout is also entitled to participate in the 2003 LSI Industries Inc. Equity Compensation Plan, to receive a bonus equal to between 20% and 50% of his annual base salary and to participate in a deferred compensation plan.

**Lease Agreement.**

On June 26, 2006 the Acquired Company entered into a Lease Agreement with Canco with respect to approximately 31,900 square feet of office space located at 7809 Trans-Canada Highway, Montreal, Quebec. The initial term of the Lease Agreement is three years commencing on June 26, 2006 and ending June 26, 2009, which the Acquired Company may renew for three additional terms of three years, subject to rental adjustments as described therein. The annual base rent under the Lease Agreement will be a minimum of CAN \$16,615.66 per month. In addition to the base rent, the Acquired Company will be responsible for certain of the building's operating expenses and real estate taxes as specified in the Lease Agreement.
