PLEASE COMPLETE, SIGN, AND DATE THE ENCLOSED PROXY CARD AND RETURN IT PROMPTLY IN THE ENCLOSED ENVELOPE. IF YOU ATTEND THE MEETING, YOU MAY VOTE EITHER IN PERSON OR THROUGH YOUR PROXY.

PROXY STATEMENT

This Proxy Statement and the enclosed Proxy Card (proxy) are furnished in connection with the solicitation of proxies on behalf of the Board of Directors of Waterside Capital Corporation (the Company) to be voted at the Annual Meeting of Shareholders (the Annual Meeting) to be held at 150 West Main Street, Suite 2100, Norfolk, Virginia 23510 at 11:00 a.m. Eastern Time on October 16, 2006, and at any adjournment thereof, for the purposes set forth in the accompanying Notice of Meeting.

Only shareholders of record at the close of business on September 5, 2006 (the Record Date) are entitled to notice of and to vote at the Annual Meeting. This Proxy Statement and proxy are being mailed to registered holders of the Common Stock of the Company on or about September 18, 2006.

Revocability of Proxy

Any shareholder who gives a proxy may still vote in person, if he or she so desires, and may revoke the proxy at any time prior to the voting of such proxy by contacting the Secretary of the Company, Gerald T. McDonald, in writing, or by filing a duly executed proxy bearing a later date. If your proxy is properly signed, received by the Company and not revoked by you, the shares to which it relates will be voted at the Annual Meeting in accordance with your instructions, if any.

Person Making the Solicitation

The cost of soliciting proxies will be borne by the Company. The Company has retained Registrar and Transfer Company to assist in the solicitation of proxies from brokers and nominees and in the counting of proxies. The Company will pay Registrar and Transfer Company approximately \$500 plus out-of-pocket expenses for this assistance. In addition to solicitation by mail, the Company will request banks, brokers, and other custodians, nominees and fiduciaries to send proxy material to the beneficial owners and to secure their voting instructions, if necessary. The Company, upon request, will reimburse them for their expenses in so doing. Officers and other employees of the Company may solicit proxies personally, by telephone, by facsimile or other means of electronic transmission from some shareholders if proxies are not received promptly, for which no additional compensation will be paid.

Voting Shares And Vote Required

On the Record Date, the Company had 1,915,548 shares of common stock outstanding, each share having one vote on each matter presented at the Annual Meeting. Only holders of the Company's Common Stock of record at the close of business on September 5, 2006, will be entitled to vote. A majority of the shares entitled to vote, represented in person or by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. Directors are elected by a plurality of votes cast by shareholders at the Annual Meeting. A majority of votes cast is required to ratify the appointment of our independent auditor. Abstentions, broker non-votes, and withheld votes will be counted for purposes of determining whether a quorum exists for the transaction of business at the Annual Meeting, but such votes will not be considered votes cast for any proposal at the Annual Meeting and therefore will have no effect on the election of Directors or ratification of the appointment of the Company's independent auditor.

All shareholder meeting proxies, ballots, and tabulations that identify individual shareholders are kept confidential, and will not be available for examination, nor will the identity or the vote of any

shareholder be disclosed except as may be necessary to meet legal requirements. Votes will be counted and certified by Registrar and Transfer Company.

Unless specified otherwise, your proxy will be voted as follows:

1. **FOR** the election of the 12 nominees to serve as Directors of the Company for a one-year term and until their respective successors are duly elected and qualified; and
2. **FOR** the ratification of the appointment of PKF Witt Mares, PLC as the Company's independent auditor for the fiscal year ending June 30, 2007.

The Company is not aware of any matters that are to come before the Annual Meeting other than those described in this Proxy Statement. However, if other matters do properly come before the Annual Meeting, it is the intention of the persons named in the enclosed proxy to vote such proxy in accordance with their best judgment.

PROPOSAL 1. ELECTION OF DIRECTORS

The Company's Board of Directors is currently comprised of 12 members. Directors serve for a term of one year and hold office until their successors are duly elected and qualified. The Board of Directors recommends that the 12 nominees listed below be elected to the Board of Directors. Except for O.L. Everett, all of such nominees were previously elected as Directors by the shareholders. Mr. Everett was nominated by Alan Lindauer (President, Director and owner of more than five percent (5%) of the shares of common stock of the Company) to fill a position on the Board of Directors and, at a meeting of the Board of Directors on June 21, 2006, the existing Board of Directors, including a majority of the independent Directors then serving on the Board, elected Mr. Everett to fill a vacancy on the Board of Directors. Proxies received will be voted for the election of these 12 nominees unless marked to the contrary. A shareholder who desires to withhold voting of the proxy for the nominees may so indicate on the proxy. Each of the nominees has consented to be named as a nominee and has indicated his intent to serve if elected. If any nominee becomes unable to serve, the proxies will be voted for a substitute nominee to be designated by the Board of Directors, or the number of directors will be reduced.

Four Directors resigned in fiscal year 2006. Jordan E. Slone resigned on November 4, 2005 to focus on other business interests. Ernest F. Hardee resigned on May 17, 2006 for health reasons. Robert I. Low resigned on June 30, 2006 to focus on other interests. R. Scott Morgan resigned on June 30, 2006 to focus on other business interests.

There are no family relationships among any of the nominees, nor among any of the nominees and any officer. There is no understanding between any nominee and any other person pursuant to which the nominee was selected. Messrs. Lindauer and Litton are the only nominees that are interested persons within the meaning of § 2(a)(19) of the Investment Company Act of 1940, as amended (Investment Company Act). Meetings and Committees of the Board of Directors

Meetings/Annual Meeting Attendance

The business of the Company is managed under the direction of the Board of Directors. The Executive Committee of the Board of Directors has been delegated the power, with certain exceptions, to act in place of the full Board during all periods between regular meetings of the Board. The Board of Directors held 9 meetings during fiscal year 2006. All members of the Board of Directors except Mr. Lindauer and Mr. Litton, are independent directors. Each member of the Board of Directors attended at least 75% of the Board Meetings during fiscal year 2006, other than Messrs. Andrews, Chisman, Everett, Miller, and Montero; however, Mr. Everett attended 100% of the meetings at which he was a Director. The Board of Directors does not have a policy regarding attendance at annual shareholders' meetings; however Directors are encouraged to attend such meetings. During the Company's last annual meeting of shareholders held on October 17, 2005, 8 Board members were in attendance.

Committees

The Board of Directors has established an Executive Committee, an Audit Committee, and a Compensation/Stock Option Committee. The Company's Articles of Incorporation provide for the appointment by the Board of Directors of an Executive Committee comprised of not less than five nor more than nine members, all of whom must be members of the Board of Directors. The Executive Committee was constituted by the Board of Directors in December 1993 and, under Virginia law, may exercise all the authority of the Board of Directors except that it may not (i) approve or recommend to shareholders action that Virginia law requires to be approved by shareholders, (ii) fill vacancies on the Board of Directors or any committee, (iii) amend the Articles of Incorporation, (iv) adopt, amend, or repeal the Bylaws, (v) approve a plan of merger, (vi) authorize or approve a distribution, except according to a general formula or method prescribed by the Board of Directors, or (vii) authorize or approve the issuance or sale or contract for sale of shares, or determine the designation of the relative rights, preferences and limitations of a class or series of shares within limits specifically prescribed by the Board of Directors. The Executive Committee meets on call to review significant developments affecting the Company and to act on matters requiring approval. It also holds special meetings when an important matter requires action between scheduled meetings.

The Executive Committee held one meeting during fiscal year 2006. The members of the Executive Committee are Messrs. Chisman, Lindauer, Litton, and Meredith.

The Audit Committee held one meeting during fiscal year 2006. Its members were Messrs. Andrews, Chisman, and Meredith. See Audit Committee Report below.

The Compensation Committee makes recommendations to the Board of Directors as to, among other things, the compensation of the Chief Executive Officer, each officer who is also a director of the Company and designated other members of senior management, as well as new compensation and stock plans. The Compensation Committee held one meeting during fiscal year 2006. The members of the Compensation Committee are Messrs. Chisman and Meredith. See Compensation Committee Report below.

Director Nominations

The Board of Directors of the Company does not maintain a nominating committee; rather the entire Board is responsible for selecting nominees for election as Directors. The Company believes that the Board is able to fully consider and select qualified nominees for election to the Board without delegating that responsibility to a committee of independent Directors or adopting formal procedures. A majority of the independent Directors then serving on the Board must approve any nominee to be recommended by the Board to the Company's shareholders.

The Board does not currently have a committee charter or written policy with regard to the nomination process. Candidates have traditionally been recommended to the Board by its members, and there is not a formal process for identifying or evaluating new director nominees. Any recommendations for potential Director nominees received from shareholders will be evaluated in the same manner that potential nominees recommended by Board members, management or other parties are evaluated. Nominations should be addressed to: Gerald T. McDonald, Secretary, Waterside Capital Corporation, 500 East Main Street, Suite 800, Norfolk, Virginia 23510.

Qualifications for consideration as a Director nominee may vary according to the particular areas of expertise being sought as a complement to the existing Board composition. However, in making its nominations, the Board of Directors considers, among other things, an individual's business experience, community involvement, industry experience, financial background, breadth of knowledge about issues affecting the Company, time available for meetings and consultation regarding Company matters, and other particular skills and experience possessed by the individual.

Audit Committee Report

The Audit Committee of the Board of Directors is composed of three directors, each of whom is an independent director as that term is defined under Nasdaq Stock Market listing standards. To be an independent director under this definition, a director may not be an officer or an employee of the Company or have any other relationship with the Company that interferes with the exercise of independent judgment. Because we are an investment company registered under the Investment Company Act, any director who is an interested person of the Company within the meaning of § 2(a)(19) of the Investment Company Act will not be deemed independent under Nasdaq rules. While the Company believes that at least one member of the Audit Committee would qualify as an audit committee financial expert, it has not identified such an expert due to the concerns of the individual members of the Audit Committee, notwithstanding any potential safe harbor protections.

As discussed above, the Audit Committee held one meeting during fiscal year 2006. Responsibilities of the Audit Committee are set forth in its written Charter, which is reviewed and amended periodically by the Company's Board of Directors, as appropriate and which was filed as Exhibit A to the Company's 2004 Proxy Statement. Among other things, the Audit Committee:

serves as an independent and objective monitor of the Company's financial reporting process and internal control systems;

appraises the efforts and effectiveness of the Company's independent auditors, including their independence and professionalism;

provides an efficient means for communication among the Board of Directors, the independent auditors, and the Company's financial and senior management;

recommends to the Board of Directors the engagement of, and the fees to be paid to, the Company's independent auditor; and

supervises the Company's compliance with applicable legal and regulatory requirements.

The Audit Committee reviews the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility of the financial statements and the reporting process, including the system of internal controls. In this context, the Audit Committee has met and held discussions with management and the independent auditors. Management represented to the Audit Committee that the Company's financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the financial statements with management and the independent auditors. The Audit Committee discussed with the independent auditors the matters required to be discussed by Statement of Auditing Standards No. 61 (*Communication with Audit Committees*). In addition, the Audit Committee has discussed with the independent auditors the auditors' independence from the Company and its management, including the matters in the written disclosures required by the Independence Standards Board Standards No. 1 (*Independence Discussions With Audit Committees*). The Audit Committee discussed with the Company's independent auditor the overall scope and specific plans for their respective audits.

The Audit Committee meets with the independent auditors, with and without management present, to discuss the results of their examinations, the evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting. The meetings also are designed to facilitate any private communications with the Audit Committee desired by the independent auditors. In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board has approved, that the audited financial statements of the Company be included in the Annual Report to Shareholders for the fiscal year ended June 30, 2006. The Audit Committee and the Board have also appointed, subject to shareholder ratification, the selection of the Company's independent auditor, PKF Witt Mares, PLC.

Stock Option Plan

The Waterside Capital Corporation 1998 Employee Stock Option Plan (the "Option Plan") was approved by the shareholders of the Company on October 22, 1998. The shareholders of the Company approved an amendment to the Plan on October 25, 1999. The Option Plan provides for the issuance of stock option awards to employees of the Company. The purpose of the Option Plan is to promote the long-term growth and profitability of the Company by providing employees with incentives to improve shareholder value and contribute to the growth and financial success of the Company, and by enabling the Company to attract, retain, and reward highly motivated and qualified employees. The maximum number of shares of the Company's Common Stock that may be issued with respect to awards granted under the Option Plan is 212,000. The maximum number of shares that may be issued with respect to awards under the Plan to an individual in a calendar year may not exceed 25,000 shares. The Option Plan is administered by the Compensation Committee and the Option Plan authorizes the Compensation Committee to make all awards. The Compensation Committee determines the prices, vesting schedules, expiration dates, and other material conditions under which such awards may be exercised.

During 2006, Directors and members of the committees of the Board of Directors received \$100 for each meeting they attended through February 28, 2006 and \$125 for each meeting they attended on or after March 1, 2006. In lieu of receiving cash, all Directors who were entitled to receive fees for meeting attendance elected to receive such fees in the form of Common Stock purchased by the Company on the open market. Directors who are also employees of the Company received no compensation from the Company in their capacity as directors. Compensation Committee Report Concerning Compensation of Certain Executive Officers

This report describes the Company's executive officer compensation strategy, the components of the compensation program, and the manner in which the 2006 compensation determinations were made for the Company's Chief Executive Officer, J. Alan Lindauer, and the Company's other executive officers (collectively, the Executive Officers).

In addition to the information set forth above under Executive Compensation, the Compensation Committee is required to provide shareholders a report explaining the rationale and considerations that led to the fundamental executive compensation decisions affecting the Company's Executive Officers. In fulfillment of this requirement, the Compensation Committee, at the direction of the Company's Board of Directors, has prepared the following report for inclusion in this Proxy Statement. None of the members of the Compensation Committee are executive officers or employees of the Company.

Compensation Philosophy

The compensation of the Company's Executive Officers is designed to attract, retain, motivate and reward qualified, dedicated executives, and to directly link compensation with (i) the Executive

Officer's previous and anticipated performance, (ii) the contributions and responsibilities of the Executive Officer to the Company and (iii) the Company's profitability. None of these three factors is given more relative consideration than any other. The principal components of an Executive Officer's compensation package during fiscal year 2006 were (i) a base salary at a stated annual rate, together with certain other benefits as may be provided from time to time and (ii) discretionary cash bonuses. See *Bonus Program* below. In addition, stock option awards have been made in the past, and will continue to be made in the future, to the Company's Executive Officers pursuant to the Company's 1998 Employee Stock Option Plan.

Bonus Program

The Company has historically awarded annual cash bonuses to Executive Officers based upon individual performance and financial performance of the Company.

1998 Employee Stock Option Plan

The Board and the Compensation Committee strive to compensate key employees of the Company in a manner that aligns closely the interests of such key employees with the interests of the Company's shareholders. In furtherance of this goal, in 1998 the Board adopted the Waterside Capital Corporation 1998 Employee Stock Option Plan, which was approved by shareholders. During 1999, the Board adopted, and the shareholders approved, an amendment to the Plan. The purpose of the Plan is to support the business goals of the Company and to attract, retain and motivate management officials of high caliber by providing incentives that will, through the award of options to acquire the Company's Common Stock, associate more closely the interests of Executive Officers and key employees of the Company with the interests of the Company's shareholders. The Compensation Committee did not grant any stock options to Executive Officers during fiscal year 2006, however, the Committee expects that such stock option grants will be awarded in the future.

Limitation on Deductibility of Certain Compensation for Federal Income Tax Purposes

Section 162(m) of the Internal Revenue Code ("162(m)") precludes the Company from taking a deduction for compensation in excess of \$1 million for the Chief Executive Officer or certain of its other highest paid officers. Certain performance based compensation, however, is specifically exempt from the deduction limit. The Compensation Committee has concluded that 162(m) will not impact the Company during fiscal year 2006 because compensation in excess of \$1 million will not be paid to any employee of the Company.

THE PRECEDING COMPENSATION COMMITTEE REPORT CONCERNING COMPENSATION OF CERTAIN EXECUTIVE OFFICERS AND THE AUDIT COMMITTEE REPORT APPEARING ELSEWHERE IN THIS PROXY STATEMENT SHALL NOT BE DEEMED TO BE SOLICITING MATERIAL OR TO BE FILED WITH THE SEC UNDER THE SECURITIES ACT OF 1933, AS AMENDED, THE SECURITIES EXCHANGE ACT OF 1934, AS AMENDED, THE INVESTMENT COMPANY ACT OF 1940, AS AMENDED, OR INCORPORATED BY REFERENCE IN ANY DOCUMENTS SO FILED.

Section 16 Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, together with rules promulgated by the SEC pursuant to the Investment Company Act, requires directors, officers and persons who beneficially own more than 10% of a registered class of stock of the Company to file initial reports of ownership (Forms 3) and reports of changes in beneficial ownership (Forms 4 and 5) with the SEC. Such persons are also required under the rules and regulations promulgated by the SEC to furnish the Company with copies of all Section 16(a) forms they file. Based solely on a review of the copies of these reports furnished to the Company or written representations that no other reports were required, we believe that Mr. Everett failed to timely file a single transaction on Form 3, which will be promptly corrected, and that Mr. Friedburg failed to timely file a single transaction on Form 4, which was subsequently corrected.
