Title: Group Finance Director

Date: November 2, 2006

Signet Group plc (LSE: SIG and NYSE: SIG)

Embargoed until 12.30 p.m. (GMT)

2 November 2006

SIGNET LIKE FOR LIKE SALES UP 5.4% IN THIRD QUARTER**INTENTION TO MOVE TO US DOLLAR REPORTING**

Signet Group plc (LSE: SIG and NYSE: SIG), the world's largest speciality retail jeweller, today announced its sales performance for the 13 weeks and for the 39 weeks to 28 October 2006.

13 WEEKS TO 28 OCTOBER 2006

Group like for like sales rose by 5.4% in the 13 weeks to 28 October 2006. Total sales were up 9.5% at constant exchange rates (see note 1) and by 5.7% on a reported basis to £328.3 million (13 weeks to 29 October 2005: £310.5 million). The increase in total sales for the quarter as reported has been adversely impacted by the retranslation of the first half US dollar sales at the cumulative average exchange rate for the year to date. The breakdown of sales was as follows:

	Sales		Change on Previous Year		
	£m	% of Total	Reported	At Constant Exchange Rates	Like for Like
US	235.5	71.7%	7.0%	12.6%	6.5%
UK	92.8	28.3%	2.5%	2.5%	3.0% ^(a)
GROUP	328.3	100.0%	5.7%	9.5%	5.4%

^(a) Like for like sales: H.Samuel up by 1.7% and Ernest Jones up by 4.4%.

39 WEEKS TO 28 OCTOBER 2006

Group like for like sales rose by 5.3% in the 39 weeks to 28 October 2006. Total sales were up by 10.2% to £1,138.8 million (39 weeks to 29 October 2005: £1,033.4 million) reflecting an underlying increase of 9.8% at constant exchange rates (see note 1). The average US dollar exchange rate for the period was £1/\$1.83 (39 weeks to 29 October 2005: £1/\$1.84). The breakdown was as follows:

	Sales		Change on Previous Year		
	£m	% of Total	Reported	At Constant Exchange Rates	Like for Like
US	860.4	75.6%	13.3%	12.6%	6.9%
UK	278.4	24.4%	1.7%	1.7%	0.9% ^(b)
GROUP	1,138.8	100.0%	10.2%	9.8%	5.3%

^(b) Like for like sales: H.Samuel down by 0.5% and Ernest Jones up by 2.7%.

Terry Burman, Group Chief Executive, commented "The Group has had another good quarter with like for like sales up by 5.4%. Total sales rose by 9.5% at constant exchange rates. For the year to date, like for like sales increased by 5.3% and total sales by 9.8% at constant exchange rates.

In the quarter, the UK division continued its improving trend with like for like sales growth of 3.0%. Both Ernest Jones and H.Samuel showed increases for the period. The US business continued to perform strongly with like for like sales 6.5% ahead.

INTENTION TO MOVE TO US DOLLAR REPORTING

To better reflect its underlying performance the Group intends, subject to the necessary approvals, to report its financial statements in US dollars from the commencement of its next fiscal year on 4 February 2007. Currently over 70% of the Group's sales, operating profit and net assets, including predominantly all its borrowings, are denominated in US dollars.

The Directors will therefore seek shareholder approval for Signet Group plc (the "Company") to redenominate its share capital into US dollars at an extraordinary general meeting of shareholders on 12 December 2006. The redenomination, which is also subject to Court approval, is expected to be effective on 5 February 2007. Dealings in the new dollar denominated shares should therefore commence at 8.00 a.m. on 5 February 2007.

As a consequence of the above changes, the Company anticipates that its functional currency will change to US dollars from the commencement of its next fiscal year. In addition, future dividends will be declared in US dollars, but for those shareholders with a UK address or who so elect, dividends will continue to be paid in sterling.

The Company will continue to be registered and have its headquarters in England and will maintain its primary listing on the London Stock Exchange, with the shares quoted in sterling. It will also maintain a listing on the New York Stock Exchange, with the American Depositary Receipts quoted in US dollars.

An unaudited pro forma Group quarterly and full year income statement for the year ended 28 January 2006 and the quarterly results for the first two quarters of the year ending 3 February 2007, translated into US dollars at the average rates then prevailing are set out in note 2.

Investor Day and Store Tour, Akron, Ohio, Thursday 10 May 2007

It is intended to hold an Investor Day and Store Tour for professional investors in Akron, Ohio on Thursday 10 May 2007.

Note 1 Impact of constant exchange rates

The Group has historically used constant exchange rates to compare period-to-period changes in certain financial data. This is referred to as constant exchange rates throughout this release. The Group considers this to be a useful measure for analysing and explaining changes and trends in the Group's results. The impact of the re-calculation of sales at constant exchange rates, including a reconciliation to the Group's GAAP sales, is shown below.

	13 weeks to 28 October 2006 as reported	13 weeks to 29 October 2005 as reported	Growth at actual exchange rates	Impact of exchange rate movement	At constant exchange rates (non-GAAP)	Growth at constant exchange rates (non-GAAP)

This release includes statements which are forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These statements, based upon management's beliefs as well as on assumptions made by and data currently available to management, appear in a number of places throughout this release and include statements regarding, among other things, our results of operation, financial condition, liquidity, prospects, growth, strategies and the industry in which the Company operates. Our use of the words expects, intends, anticipates, estimates, may, forecast, objective, plan or target, and other similar expressions are intended to identify

Edgar Filing: SIGNET GROUP PLC - Form 6-K

forward-looking statements. These forward-looking statements are not guarantees of future performance and are subject to a number of risks and uncertainties, including but not limited to general economic conditions, the merchandising, pricing and inventory policies followed by the Group, the reputation of the Group, the level of competition in the jewellery sector, the price and availability of diamonds, gold and other precious metals, seasonality of the Group's business and financial market risk.

For a discussion of these and other risks and uncertainties which could cause actual results to differ materially, see the Risk and Other Factors section of the Company's 2005/06 Annual Report on Form 20-F filed with the U.S. Securities and Exchange Commission on May 4, 2006 and other filings made by the Company with the Commission. Actual results may differ materially from those anticipated in such forward-looking statements even if experience or future changes make it clear that any projected results expressed or implied therein may not be realised. The Company undertakes no obligation to update or revise any forward-looking statements to reflect subsequent events or circumstances.
