EXPLANATORY NOTE

Genesee & Wyoming Inc. (the Company) previously registered 1,125,000 shares of Class A common stock, \$0.01 par value per share (Common Stock) of the Company, available for the grant of awards under the Company's 2004 Omnibus Incentive Plan (the Original Plan). The registration of such shares of Common Stock was filed on a Form S-8 Registration Statement filed with the Securities and Exchange Commission on November 16, 2004 (Registration Number 333-120558) (the Initial Registration Statement), in accordance with the Securities Act.

On February 14, 2006, the Company declared a three for two split of the Common Stock resulting in an additional 562,500 shares of Common Stock being available for the grant of awards under the Original Plan. Pursuant to Rule 416(a) under the Securities Act, such additional shares are deemed to be included in the Initial Registration Statement.

On March 30, 2007, the Company's Board of Directors approved an amendment to, and restatement of, the Original Plan increasing the number of shares of Common Stock available for awards thereunder by 2,000,000 shares to 3,687,500 shares (the Amended and Restated 2004 Omnibus Incentive Plan), subject to stockholder approval. On May 30, 2007, at the Company's 2007 Annual Meeting of Stockholders, the stockholders approved the adoption of the Amended and Restated 2004 Omnibus Incentive Plan.

This post-effective amendment No. 1 to the Initial Registration Statement is being filed to register the additional 2,000,000 shares of Common Stock available for grant under the Amended and Restated 2004 Omnibus Incentive Plan and to file as Exhibit 4.4, the Amended and Restated 2004 Omnibus Incentive Plan.

(a) The undersigned Company hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which is registered) and any deviation from the low or high end of the estimated maximum range may be reflected in the form of prospectus filed with the Securities and Exchange Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective Registration Statement.

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

provided, however, that paragraphs (1)(i) and (1)(ii) above do not apply if this Registration Statement is on Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Securities and Exchange Commission by the Company pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this Registration Statement; and

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The Company hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Company's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Company pursuant to the foregoing provisions, or otherwise, the Company has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Company of expenses incurred or paid by a director, officer or controlling person of the Company in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Company will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
